Tim in KY No. 05-04 06:23

Tim in KY News is that Froome crashed during a course recon this morning and has a bad case of road rash. 05-04 06:24

BusterSci There's still time to change your team if you picked Froome. I didn't. I think he's there to collect a payout, not to risk his Tour payout. 05-04 06:30

Tim in KY Why is the Giro paying Froome 2M euros to show up? 05-04 06:45

Rob Team Bahrain Merida rider Kanstanstin Siutsou is out of the Giro with a suspected broken collarbone. 05-04 06:46

BusterSci Appearance fees are nothing new. Maybe having him in raises their projected viewership (and thus ad revenue) in anglophone countries? 05-04 06:47

Rob I wondered that Tim. 05-04 06:47

Rob Yeah but 2M Euros? 05-04 06:47

Pathological Dyer. In theory it's really my husband's team...

Mons Soseman Will try to post a meager pre lunch essay now... 05-04 08:03

Mons Soseman The budding of plants and trees are normally the harbingers of the one 05-04 08:03

day classics. March is that month, the trees bud, occasionally frost descends, and perhaps some snow, but normally sunshiny and rainy days come then. This year, for some reason in the Illinois valley, the trees are just budding now. Like a weird cycling season, in which the power players pop out around the Tour of Switzerland, finally, Spring has arrived here. As has the Giro.

Mons Soseman Not a normal Giro, though, but still quite not abnormal. Remarkable is 05-04 08:03

the operative word, it seems. A foreign start is not unusual for the great Italian race, Dublin, Amsterdam and Copenhagen could tell you that. This is a first for a non European start. When we first heard of a start in the Holy Land, the initial reaction of many was "are they crazy?" Here we are though, and with the luck of the Italians, and perhaps some grace, everything seems copacetic.

Mons Soseman ... and so we turn towards our screens... some of us have "Live 05-04 08:03

Coverage," or NBC Gold, some of us have RAI via Dish Network, which seems to have hit a snafu in my case, some of us have only the Lugnuts... all of us cheer on the brave cyclists, as they begin this incredible journey through the Apennines and Dolomites, along seas and across islands.

Mons Soseman The concept of the organizers was to have a "Giro della Pace," a Giro 05-04 08:04

of peace. From the eastern Mediterranean to the western, from one "holy" place to another. The Giro, for

the first time in 10 years, returns to the "holy" city of Rome, although not crossing the Tiber to the Vatican side... There is a unique peace in the start of the Giro. We are back at home...

Mons Soseman Oh, "enjoy the Giro... Enjoy the day" 05-04 08:04

Joanna in New York There are 28 teams in the Velogames LUGNUTS League. I believe that is a record. I am so happy I switched to "screen shotting" them, rather than my Excel spreadsheet. 05-04 08:05

Joanna in New York Thank you, Mons! 05-04 08:05

put them in a password app.

BusterSci Aru doesn't have the team he did with Astana. Also, never believe what any 05-04 08:23
rider says about his chances prior to the race. They're all full of it when it comes to answering that.

Charles Davis What??? 05-04 08:24

Mons Soseman Dumoulin said in a press conference yesterday that were he in 05-04 08:24
Froome's situation, he would have done much better just to stay at home. He said there will be weeks before any certainty is injected intot he situation. Troubling.

Charles Davis Mind games... 05-04 08:24

Mons Soseman and posturing 05-04 08:24

Joanna in New York With the new size restriction for avatars in place, those who log 05-04 08:24
in from elsewhere might actually want their own Rumbletalk login. Just look to the red header bar above the chat feed for instructions.

Maite RAI has more ads on than actual cyclists cycling along. Very boring. 05-04 08:25

BusterSci Tom has also been clear that Froome is within his rights to ride. This is yet 05-04 08:26
another case where the problem is with the rules.

Joanna in New York Charles - I, too, need a password app. Let me know which one 05-04 08:26
you select and how it works for you.

BusterSci For the code to have no time limit for contesting the AAF and no 05-04 08:27
provisional suspension is just the stupidest thing possible.

Katie Lane I agree. 05-04 08:28

BusterSci I've seen/heard some propose that Froome's real purpose of being here, other 05-04 08:28
than collecting his huge appearance fee, is to try to recreate the conditions that led to the finding. Hard to do without the intensity of a race.

bikerabe Meanwhile, Megan Guarnier has won the final stage of Tour de Yorkshire 05-04 08:31
and I think the overall. USA USA !

BusterSci Good for Megan. I've liked what limited stuff I've seen from her. 05-04 08:33

Joanna in New York Gotta' run...er, limp...to P.T. for my fractured ankle. Back when 05-04 08:34
the paint is almost dry.

Maite This rider is in my team, simply because he is Basque! 05-04 08:37

Slaughter MacDuff Boker Tov chaverim! 05-04 08:37

Slaughter MacDuff (In other words, good morning friends) 05-04 08:37

SFinSTL Buon giorno amici! 05-04 08:37

Donny anyone else notice the TOC snub from Velogames for the season 05-04 08:37
championship? for some reason it is not part of that competition. Not sure if they will have game at all or not

Slaughter MacDuff Tour of Down Under, my one and only victory, is excluded as 05-04 08:38
well.

Maite I'm trying to log in with Rumbletalk, but it just gave me a new chat....will work 05-04 08:38
that out later on in the day.

bikerabe Anybody know Good morning in Basque? 05-04 08:38

Maite Egunon 05-04 08:38

bikerabe Thx 05-04 08:39

BusterSci I don't think ToC is a snub at all. Lots of second rate races aren't included. 05-04 08:39
There will be a game, though.

Slaughter MacDuff The pub is gonna be hoping this month 05-04 08:39

Donny Buster, I would go with that except for the inclusion of the brink back tour! 05-04 08:40

BusterSci That's how Velogames got it's start. It's historical significance. 05-04 08:40

Maite goizean goiz is another version but we always say Egunon. 05-04 08:40

Slaughter MacDuff Can’t spell - hopping. 05-04 08:40

Donny Did not know that Buster, interesting. 05-04 08:40

Donny TOC I would not classify as a second rate race, exactly. Two of my favorite 05-04 08:41
cyclist are riding it Peter and the worlds happiest Frenchman.

Maite Visconti off 05-04 08:42

Maite TOC is the Amgen? (showing my ignorance here) 05-04 08:42

BusterSci In my book, any race that doesn't require all the WT teams is second rate. 05-04 08:43

Thus I think most of the Wednesday classics should also not be included.

BusterSci Yes, Maite. Tour Of California. 05-04 08:43

Maite Roux off. Beautiful scenes of Jerusalem. 05-04 08:44

Slaughter MacDuff Other than the GT, which races require all the WT teams? 05-04 08:44

BusterSci Monuments 05-04 08:45

bikerabe Megan Guarnier, will race for a composite U.S. National Team at the Amgen 05-04 08:46

ToC. Read more at http://www.velonews.com/2018/04/news/tour-california-confirms-13-worldtour-teams-2018_462323#Cc7OTcg7VAOSKTCb.99

Maite Wow! Bilbao had a good day... 05-04 08:46

BusterSci There are others. It used to be clear, any race in the UCI World Tour. It isn't 05-04 08:47

so clear since last year, since they added a bunch of races and called attendance optional.

BusterSci Bilbao Baggins 05-04 08:47

Maite Gonçalves is as fast as Dennis on the first timing. 05-04 08:48

Maite Hansen!!!! 05-04 08:49

BusterSci Hey, I'm wrong. It looks as though WT team attendance is now compulsory 05-04 08:50

at ToC.

Maite Katie, you found your way to the pub! 05-04 08:54

Donny Funny Buster, I was just looking that up as well and found the same thing. 05-04 08:54

Tim in KY Gonçalves dropped 10 seconds on the second half. 05-04 08:54

BusterSci Maybe I'm not wrong. It's just the 10 new races added last year that don't require full participation. That includes the ToC. Only 13 WT teams will attend. 05-04 08:54

Donny Hmmmmm. bogus article? if only 13 are attending then must be the case. 05-04 08:56

Donny I was reading an old article, that was discussing the cost issues with the compulsory participation into the TOC. 05-04 08:57

Maite EF are going to keep their pink jerseys? or is it just for today? 05-04 08:58

BusterSci LottoJ rides in yellow at the Tour. 05-04 08:59

Katie Lane Yep, Maite, made it here finally. Too busy to pub the spring classics. I, erm, seem to have a little more time on my hands at the moment. 05-04 09:00

Katie Lane So I can pub a little now. 05-04 09:00

BusterSci Here are the mandatory races 05-04 09:01

BusterSci //rumbletalk-images-upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1525439183-Screen%20Shot%202018-05-04%20at%208.00.39%20AM.png 05-04 09:01

Maite Haga is off. 05-04 09:02

Katie Lane Chad!!!! This is one tough dude. So glad he's recovered from those horrible injuries after being hit along with the rest of his team by that wrong-way driver.... 05-04 09:03

Maite And now Viviani! 05-04 09:03

Donny Viviani on the course, anyone got that italian sprinter? 05-04 09:03

Tour de France	Giro d'Italia	Santos Tour Down Under	E3 Ha
	Vuelta a España	Paris-Nice	Gent-We
		Tirreno-Adriatico	Flande
		Milan-Sanremo	Amstel G
		Ronde van Vlaanderen / Tour des Flandres	La Flèche

		Tour de Romandie	Grand Pr
		Volta Ciclista a Catalunya	de Q
		Critérium du Dauphiné	Grand Pr
		Tour de Suisse	de M
		Tour de Pologne	
		Eneco Tour	
		Il Lombardia	

Maite I think he's on one of my teams. 05-04 09:03

BusterSci Too expensive 05-04 09:04

Slaughter MacDuff I think I have Viviani as well 05-04 09:05

BusterSci My favorite is off. Grossßchartner. 05-04 09:05

Katie Lane Last year I made a special Viviani Giro addition tie dye shirt, with a pink spiral for each of his stage wins (and there's a little "cyclamen" in there too, but a little muted). I'll be wearing this one a lot over the next 3 weeks! 05-04 09:05

BusterSci And by that, I don't mean Dumoulin. 05-04 09:05

BusterSci Cyclamen. Nice pun. 05-04 09:05

Katie Lane It's a weird purple color. But the pun is great! 05-04 09:06

Katie Lane Viviani held that jersey for at least awhile last year. 05-04 09:07

BusterSci I like this new LottoS kit. 05-04 09:08

Tim in KY Better than Bardiani? 05-04 09:08

Donny the big shit comes in 5th not bad 05-04 09:09

Slaughter MacDuff Sagiv is off. One of the two Israelis in the race 05-04 09:10

BusterSci Donny just sets all subtlety aside. And makes me laugh. 05-04 09:10

Slaughter MacDuff I'm wrong, they showed him off and then come in 05-04 09:10

Donny Subtle is not a way I have ever been described buster. 05-04 09:11

Maite I've just checked my teams. I must have been about to finish my first bottle when I checked in on Velogames. 05-04 09:11

BusterSci About 35 more riders to go 05-04 09:12

Maite I agree about the lotto kit, Buster. Nice one. 05-04 09:12

Slaughter MacDuff Can anyone find any pirates feeds? Everything seems to be restricted by country 05-04 09:12

BusterSci Tiz-cycling, Slaughter. 05-04 09:13

Charles Davis You need a VPN if you are gonna be a pirate. 05-04 09:15

Donny these guys looking so smooth going around these corners at 65kph on geek bikes, yikes 05-04 09:16

Katie Lane //rumbletalk-images-upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1525440077-IMG_5670.jpg 05-04 09:16

Katie Lane Viviani 2017 Giro shirt :-) 05-04 09:16

Katie Lane See the subtle hints of "cyclamen"? 05-04 09:16

BusterSci Charles is right on the VPN. If you watch a lot of cycling, paying $40 a year for a decent VPN service is a good investment. 05-04 09:17

Maite I'm on firstonetv.net/Live/Italy/Rai-2-32 found on steephilltv page. 05-04 09:17

Maite lovely work, Katie! 05-04 09:18

Donny Pinot, had a great ride. 05-04 09:18

Donny For him on a tt. 05-04 09:18

Katie Lane Does anyone pay for any of the services that cover cycling? Like Flobikes.com? 05-04 09:18

Maite I use a chromecast and my mobile to watch these links. 05-04 09:19

BusterSci I wonder if you aren't geo-restricted as rigorously as we are, Maite. 05-04 09:19

Charles Davis Buster is on FUBO. 05-04 09:19

Katie Lane Unfortunately that won't work for us. 05-04 09:19

BusterSci No. Not Fubo yet. Tim said he was. 05-04 09:19

BusterSci I use Private Internet Access VPN service to get around georestrictions. 05-04 09:20

Maite Nope, none of that rubbish here. Only when I want to watch Prime, which I've paid for, and then they come up with the geo-restricted crappo. 05-04 09:20

Charles Davis Sorry. That was early when I read that. 05-04 09:20

Maite After I've paid for it, they tell you. Not before. 05-04 09:20

Katie Lane FUBO's about $45 a month - a little rich for me. Looking for a low cost way to watch grand tours that aren't covered on TV. And we don't have VPN. :-(05-04 09:20

Donny Wellans also in well. 05-04 09:21

BusterSci The VPN costs me $40 a year. 05-04 09:21

Maite I use those shields, too, Buster when someone tries to stop me. 05-04 09:21

Katie Lane Which VPN, Buster? 05-04 09:21

Maite Something like Hotspot shield. 05-04 09:21

BusterSci Private Internet Access 05-04 09:21

Katie Lane Thanks. Will be doing some research. 05-04 09:22

Maite and Yates if off!!! 05-04 09:22

Maite *id 05-04 09:22

BusterSci is? 05-04 09:23

Charles Davis Katie there are some free VPNs. Hola is one that I have used but you 05-04 09:23
SHOULD make sure that you have a very good Virus/malware program before trying the free VPNs. They usually work but just are not as safe.

Donny My VPN is called Hide my Ass or HMA! Pro VPN 05-04 09:23

BusterSci I was about to say the same, Charles. PIA is highly regarded and does a 05-04 09:23
great job blocking me from crap.

BusterSci Also with PIA, one account works on all devices. I use it on iPad, iPhone 05-04 09:24
and Mac.

bikerabe Not many olive trees on the Mount of Olives 05-04 09:24

Charles Davis I watched the London Olympics with a VPN a few year back. Truly 05-04 09:25
wonderful compared to US coverage.

Maite Pozzovivo is off 05-04 09:26

BusterSci I often find that I like other coverage better only until I get used to it, then I 05-04 09:26
"get it" enough to see they just have a different set of annoying habits, cliches, etc.

Donny Well look who wondered in from West Texas 05-04 09:27

BusterSci 18 riders to go 05-04 09:27

BusterSci Yates is here to race 05-04 09:27

Gilliemarie Moving very slowly this fine am 05-04 09:28

Charles Davis I used Fubo last year when I had a discount for the first month. It is a 05-04 09:28
full cable package so if you cut the cable and just use it (and Prime, Hulu, ect.) it is probably a good deal. The cycling coverage was excellent and included a lot of older video and small races.

BusterSci That's my plan, but for a variety of reasons it isn't going to happen for 05-04 09:28
another week or two.

Charles Davis Same. 05-04 09:28

Gilliemarie And i get to see Buster's avatar finally! 05-04 09:29

Maite Yates in at 4th so far. First three haven't changed for a while. 05-04 09:29

BusterSci That LottoS kit is just classy. 05-04 09:30

Charles Davis Speaking of prirate feeds the Sporza (Dutch) feed has had the 05-04 09:31
consistently best video of any this year.

BusterSci Agree, Charles 05-04 09:31

Mons Soseman "BusterSci: It's one of the things I loved about LUG, is I could write 05-04 09:54
what I was actually thinking and he'd just refuse to post it." Truer words, as they say, right Charles Pelkey? "Shane, come back... come back Shane."

BusterSci Come back Shane! Love it. 05-04 09:55

Maite Ok, back to work. Thanks for the laughs. See you tomorrow. 05-04 09:59

Tim in KY I'm surprized. He's had a horrible spring. 05-04 09:59

Donny great poster with he TP on it stating they have TD covered. NIce 05-04 10:00

Charles Davis My sprint team did not do well today, I don't think. Wait, I have 05-04 10:00
Campenaerts. Way to pick them.

BusterSci I'm mixed, Tim. I don't think the spring really mattered, other than training. 05-04 10:01
But he had no results to speak of.

Donny I still took TD over TUE as sky does not have a very good track record in the 05-04 10:01
Giro.

Charles Davis Some big gaps. Probably a wise move Donny. 05-04 10:02

Donny Neither men had a very good spring, results wise. 05-04 10:02

BusterSci I took him because I didn't think Froome was really there to win. 05-04 10:02

BusterSci Gotta say, Donny, that even though Froomey has his issues, he wasn't on a TUE. Let's call him 2X instead. For twice the limit. 05-04 10:03

Gilliemarie Hi Jo 05-04 10:04
