**Tim in KY** First two climbs accomplished. The Rube got enough points to stay in the blue jersey for now. It's a good while until the next climb.

**Tim in KY** At the current pace the Stelvio climb will start about 14:00 and finish about 15:00 and that is the time I'd ordinarily run errands. Conflicted.

04:31:07

**BusterSci** A novel I'm reading has a group like the Luddites that are called "the Breakers".

10-22-2020  
04:32:25

**Tim in KY** Ben O'Conner in the break for the third straight day.

10-22-2020  
04:32:46

**BusterSci** DeGendt and the Rube, too, no?

10-22-2020

10-22-2020  
04:54:51

**Tim in KY** The new windows quite smartly. Besides looking much better, they have virtually eliminated the annoying traffic noise from the main road our building fronts.

10-22-2020  
04:58:53

**BusterSci** Amazing what a properly made window can do.

10-22-2020  
05:00:07

**Katie S** And good morning. Tyler & his chimera. Good one, Buster. Looking forward to watching the Stelvio climb. Any precip out there?

10-22-2020  
05:02:06

**Tim in KY** Dry roads so far.

10-22-2020  
05:02:34

**BusterSci** We're expecting another inch or two of snow before it turns to rain this afternoon. Hopefully enough rain to melt the snow.

10-22-2020  
05:02:55

**BusterSci** Let's keep the descent of the Stelvio dry. Every major descending opportunity has been rained out so far. I want to see Nibali doing Nibali things. Don't care if he wins, but I want to see him drop down that mountain.

10-22-2020  
05:05:11

**Katie S** Agree

10-22-2020  
05:05:57

**Katie S** I wish those guys would stop talking about a "proper cup and saucer for a cappuccino." I want one.

10-22-2020  
05:07:30

**Tim in KY** Has the Giro gotten 2M euros worth out of Sagan?

10-22-2020  
05:07:45

**Katie S** the capp, not necessarily the cup

10-22-2020  
05:07:46

**Katie S** I'd say a partial refund is due - but that win was great fun and it marked his trifecta for grand tour wins.

10-22-2020

**Katie S** 2 KU

10-22-2020

**Charlie in Tenn** Nice looking valley

10-22-2020  
05:10:40

**Tim in KY** I had not noticed the Philip O'Ganna is in the break.

10-22-2020  
05:11:54

**Tim in KY** DeGendt wants the points.

10-22-2020  
05:14:03

**Katie S** Such a huge guy. I'm always surprised he does so well on the climbs. So ... do you think Almeida will survive/attack/lose time on this climb - or ??? Does this climb suit Kelderman?

10-22-2020  
05:14:06

**BusterSci** What was RCS hoping to get out of Sagan? Â Were they able to charge more for advertising? Â Or for TV rights? or for VIP perks?

10-22-2020  
05:14:39

**Katie S** Does Sagan wear a Limar helmet?

10-22-2020  
05:15:14

**Charlie in Tenn** Nibs said that this is the day that makes or breaks Almeida. If he survives today, he will win.

10-22-2020  
05:15:16

**BusterSci** With Saturday changes, there's not much risk left after today. He's going to be fine in the final TT

10-22-2020  
05:15:54

**Tim in KY** Specialized, Katie.

10-22-2020  
05:16:30

**Katie S** No Izoard or Agnello, but aren't they doing the one of the other climbs twice, or something?.

10-22-2020  
05:16:33

**Tim in KY** Three times.

10-22-2020  
05:16:50

**Charlie in Tenn** yes but it is a lot easier

10-22-2020  
05:16:52

**Katie S** Yeah, so no extra ad money from Limar re Saga...

10-22-2020  
05:16:54

**BusterSci** Limar sponsors Astana and Gazprom

10-22-2020  
05:17:51

**BusterSci** Tao has looked really strong. Â I'd put him in the mix with Kelderman and Almeida.

10-22-2020  
05:18:28

**BusterSci** But climbs like the Stelvio change everything.

10-22-2020  
05:18:47

**Charlie in Tenn** Don't forget Hindley

10-22-2020  
05:19:13

**Tim in KY** Gap is 2:50 at the bottom of the climb.

10-22-2020  
05:20:36

**BusterSci** yes, Charlie. Â I think he'll ride for Kelderman because of the TT, but the road could decide otherwise.

10-22-2020  
05:21:12

**BusterSci** Even with 3x Sestriere, Saturday's stage is still losing 1500m of climbing. Â It'll be 4000 instead of 5500.

10-22-2020  
05:21:56

**Tim in KY** Sagan slides off the back of the peloton.

10-22-2020  
05:21:57

**Charlie in Tenn** There must be a million little dams in that river.

10-22-2020  
05:23:33

**BusterSci** 2:12 the gap. Â The break will not last.

10-22-2020  
05:25:15

**Charlie in Tenn** O'Ganna going back to the car

10-22-2020  
05:26:03

**BusterSci** The break shedding riders

10-22-2020  
05:27:15

**BusterSci** DeGendt is de gone

10-22-2020  
05:27:35

**Tim in KY** Sunweb and Innies at the front for now.

10-22-2020  
05:27:36

**BusterSci** Boras follow

10-22-2020  
05:28:01

**BusterSci** DQS and Almeida are mid pack

10-22-2020  
05:28:14

**Charlie in Tenn** Haga is hurting people. He has to get over this and the finish so how long can he hold this pace?

10-22-2020  
05:32:35

**Charlie in Tenn** that long

10-22-2020  
05:33:20

**Katie S** Goodness, O'Connor goes.

10-22-2020  
05:33:20

**BusterSci** O'Connor attacks the break and Haga is gone off the peloton.

10-22-2020  
05:33:27

**Katie S** Do we know what team O'Connor will be with next year?

10-22-2020  
05:34:02

**BusterSci** No contract that I'm aware of.

10-22-2020  
05:34:12

**Tim in KY** Three days in a row. Hew wants a contract for next year.

10-22-2020  
05:34:13

**Charlie in Tenn** I would sign him.

10-22-2020

10-22-2020  
05:36:18

**Tim in KY** Crests at 37 km to go. Currently 54.

10-22-2020  
05:36:27

**BusterSci** It's a long damn climb

10-22-2020  
05:38:18

**Tim in KY** Wilco needs to be sure he doesn't burn all his matches too soon.

10-22-2020  
05:38:45

**BusterSci** Almeida sitting on Sunweb. Â No other DQS presence out front.

**Katie S** well, Jo, it's been a beautiful dayÂ on the Stelvio. Bright blue skies, bright white snow on the peaks, mostly clear roads. Green grass. Pink balloons. And a lot of suffering.

---

**BusterSci** Kelderman controlling now, about 50m back of Fug

10-22-2020

10-22-2020  
07:14:59

**Charlie in Tenn** I still have Bilbo for GC, Ganna for TT, and Sagan for sprint. Should score a few points but not enough.

10-22-2020

10-22-2020  
07:20:36

10-22-2020  
07:20:39

**BusterSci** Well, if he cracks, he'll lose that minute fast.

10-22-2020  
07:21:07

**BusterSci** Because the two ahead of him on the road already ave 1:45 of that time in hand.

10-22-2020  
07:21:26

**Charlie in Tenn** They keep thinking Kelderman was going to lose more time. It has not even gotten close yet.

**BusterSci** He's got 56 seconds right now on Tao

10-22-2020  
07:22:18

10-22-2020  
07:22:33

**BusterSci** He has no reason to ride in front.

10-22-2020  
07:22:46

**BusterSci** He's doing exactly the right thing.

10-22-2020  
07:22:57

10-22-2020  
07:25:52

**BusterSci** To paraphrase, "No bastard ever won a race by riding on the front for his opponent. He won it by making the other poor dumb bastard ride on the front for him."

10-22-2020  
07:25:53

**BusterSci** Here they come

07:38:23

**Mikey** Two for one Thursday exciting so far. Off to Spain

10-22-2020  
07:38:42

**BusterSci** Hey, Mikey. Â What's with pipping me at the line for the Superclassico title? Â That was rude.

10-22-2020  
07:38:50

**Bill Wilkinson** And we have another breakaway, just before cutting to commercial....

10-22-2020

**Bill Wilkinson** A new group of attackers inside the last 50km 10:40 Valentin Ferron and Paul Ourselin (Total Direct Energie), Hector Saez (Caja Rural-Seguros RGA), Angel Madrazo and Jesus Ezquerria (Burgos-BH)

10-22-2020

**Joanna in Virginia** Quick question - I haven't read through the last two days threads, did you guys follow the Vuelta? Are you going to follow it today? I need to figure out Archives. :-)

10-22-2020  
07:46:39

**Bill Wilkinson** I've been doing Vuelta updates since that's what I can see. :)

10-22-2020  
07:47:03

**BusterSci** We just go right into the Vuelta here.

10-22-2020  
07:49:07

**Charlie in Tenn** Yes it is all mixed together

10-22-2020  
07:49:09

**BusterSci** Have a Giro archive, and Vuelta archive and a WTF it's 2020 archive.

10-22-2020  
07:49:59

**BusterSci** We've covered the relevant classics inline as well.

10-22-2020  
07:50:11

**Charlie in Tenn** You could just put a "see Giro stage x" as a place holder for the early Vuelta stages

10-22-2020  
07:50:18

**Katie S** gosh, that's beautiful

10-22-2020  
07:50:56

10-22-2020

10-22-2020

**Joanna in Virginia** Thanks, just going to copy the file. I see we only have 18 stages of La Vuelta - I am updating the website now. :-)

10-22-2020

**Bill Wilkinson** Jo: Or link to the same text file...

10-22-2020  
08:00:07

**BusterSci** It's one thing to not work with your opponent. It's quite another to not work FOR your team leader.

10-22-2020  
08:01:03

**Charlie in Tenn** What was in the tweet. NOT AVAILABLE.

10-22-2020  
08:01:46

**Bill Wilkinson** I thought that was just for me because I'm not on twitter....

10-22-2020  
08:02:06

RAI: "Why didn't Jai expect [wait for] you?"

Kelderman "er, I don't know also"

**Charlie in Tenn** I understand what Kelderman is saying but I think as a team strategy, Sunweb made the right choice. They couldn't let Tao/Rohan just ride away. 10-22-2020 08:06:15

**Bill Wilkinson** Fraile pacing I. Izaguerre through the cars.... 10-22-2020 08:06:36

**Charlie in Tenn** OK, I am at the Vuelta.Go Carapaz. Where is Froome? 10-22-2020 08:07:29

**Bill Wilkinson** 32s, 26.2k 10-22-2020 08:07:30

**Bill Wilkinson** Froome's having a tough Vuelta.Â Been sufferingÂ the last two days. 10-22-2020 08:08:10

**Bill Wilkinson** No dedicated Froome cam today, so he's either still in the bunch, or they're letting him suffer in peace. 10-22-2020 08:09:00

**Katie S** gotta wonder if he's got a bug of some kind 10-22-2020 08:09:18

**Mikey** Bobbke said he felt sorry for Froomie and Cav that had their own personal TV camera 10-22-2020 08:09:18

**BusterSci** Not really sure, Charlie. Â Kelderman tops the others in the TT. Â If he gets out climbed Saturday he has to come from behind. Â If he could have benefitted from a bit of pacing he'd be in a much better spot. Â Tao can out-TT Hindley, so as they are evenly matched on climbs, Sunweb can't bank on him. 10-22-2020 08:09:21

**BusterSci** I'm not disagreeing with you this time, Charlie. Â Just trying to look at it another way. 10-22-2020 08:09:53

**BusterSci** Cav seems to be happy just being able to ride and finish races. Â If he's good with that and people want to pay him, I'm good with it. 10-22-2020 08:10:52

**Bill Wilkinson** Katie: or still not back from his crash last year 10-22-2020 08:11:10

**Katie S** yeah, there is that. how many bones were involved in that? 10-22-2020 08:12:04

 **BusterSci** I'm not sure about Froome. Â I see the following possibilities: 1) He was really messed up from that crash and will never be back. 2) He is working his way back, and will be in the mix of some of the latter stages. 3) he's leaving and he just doesn't care enough. 10-22-2020 08:12:59

---

 **Bill Wilkinson** According to the Guardian, a leg, ribs and an elbow 10-22-2020 08:13:10

---

 **BusterSci** Is spirit a bone? 10-22-2020 08:13:42

---

 **Bill Wilkinson** And apparently sternum, and the ribs and sternum damaged his lungs from another Guardian article... 10-22-2020 08:14:17

---

 **Bill Wilkinson** Although, Ineos' immediate abandonment of the ones what brung em for the latest may figure into it too... 10-22-2020 08:15:28

 **Bill Wilkinson** 20 k, 23s 10-22-2020 08:15:46

**BusterSci** Understood, Bill.

10-22-2020

10-22-2020
