

	Joanna in New York Preview of Stage 7 of PN and Stage 4 of TA, can be found here: http://www.ciclismointernacional.com/category/previews/	03-09 16:07
	Marc @ Toad Hall Challenging stage. Somehow I favor Mr. Soler. Something about the first name.	03-10 00:59
	BusterSci Mr?	03-10 05:06
	BusterSci The race is active in Italy. 6 riders have 3ish minutes. Nobody important in the break.	03-10 05:08
	BusterSci Well, I'm sure they're important to their mothers and such, but they are unlikely to shape the race.	03-10 05:08
	Donny There were three in the bed and the little one said, "Roll over I'm crowded." So they all rolled over and one fell out. They gave a little scream they gave a little shout. Now there's two in the bed and the little one said, "Roll over I'm crowded." So they all rolled over and one fell out, they gave a little scream, they gave a little shout. No there's one in the bed and the little one said. "I'm lonely".	03-10 06:24
	Donny Both races have their respective Queens stages today.	03-10 06:41
	BusterSci Hi, Donny	03-10 06:43
	Donny Morning Buster.	03-10 06:44
	Donny Doodoo mill has abandoned in T-A	03-10 06:44
	BusterSci Had a crash	03-10 06:45
	Donny Yeah, this has not been his week.	03-10 06:45
	BusterSci In PN, the break actually has some danger men.	03-10 06:46
	Donny That's true. I still would not put any money on them making it to the end.	03-10 06:47

	BusterSci Video for both starts about 6:30 CST.	03-10 06:47
	BusterSci 13:30 CET, and y'all can do your math from whichever you like.	03-10 06:48
	BusterSci About 70km in and a 5 minute gap in Italy.	03-10 06:51
	Donny I was looking over myT-A fantasy team. I wonder how much I had to drink when I picked that team? Chances are I was sober though and that is just sad.	03-10 06:51
	Donny I think I will check back in a bit later. I won't have live video until 3pm CET	03-10 06:53
	BusterSci Yeah. Well. You have more than twice my points.	03-10 06:53
	BusterSci I've lost 3 riders: Cav, Mr Poopsalot, and Geschke.	03-10 06:54
	BusterSci 80ish km to go in France, break has a bit over 2 minutes. Too many strong riders to let them get away.	03-10 06:55
	BusterSci Dan Martin climbs off in France, and Sunweb is down to 4 in Italy as Teunissen calls it a race.	03-10 07:04
	BusterSci My lock on the duel Lantern Rouge is nearly assured.	03-10 07:04
	BusterSci 134 to go in Italy	03-10 07:06
	BusterSci I heard a pop. Was that a cork?	03-10 07:18
	Joanna in New York Sorry, I'm late - still battling a pressure headache.	03-10 07:18
	Joanna in New York I think the pop was a couple remaining brain cells giving up.	03-10 07:18
	BusterSci Not familiar with the term "pressure headache." Splain.	03-10 07:19

Joanna in New York With my Meniere's, I have become exceeding sensitive to barometric pressure changes. Causes full head and face pain, and searing ear pain. Several days of it just have finally knocked me down.

03-10
07:21

BusterSci Yuck.

03-10
07:21

Joanna in New York Yeah, until the last few years, I never really had headaches. I seem to be making up for it now.

03-10
07:22

BusterSci I have pretty constant headaches. They've gotten milder since semi-retiring, but still present, along with ever increasing tinnitus. Stress, computers, and clenching my jaw are likely at fault, along with all sorts of structural issues in my shoulder joints.

03-10
07:24

BusterSci But for all that, life's good

03-10
07:26

BusterSci I think I'll focus on PN today, because it appears to me it will finish before TN.

03-10
07:26

BusterSci TA

03-10
07:26

BusterSci Tennessee is not racing today. Including my cartoon hero, Tennessee Tuxedo.

03-10
07:27

BusterSci Phineas J. Whoopee, you're the greatest!

03-10
07:28

Joanna in New York Following a single race today works for me, I'm so easily confused. ;)

03-10
07:33

BusterSci I'm leaving the house around 8:30ish for an all day D&D session. The last college going son of my two best friends is home on break so we try to fit a session in.

03-10
07:35

Joanna in New York Gold just went live.

03-10
07:35

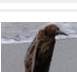

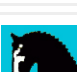

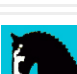

BusterSci Wet and live

03-10
07:36

BusterSci And foggy

03-10
07:36

	Joanna in New York Kristoff has abandoned, so has Dan Martin	03-10
		07:40
	BusterSci I'm wrapping my head around a stage of the Race to the Sun starting in Nice and heading north into the mountains.	03-10 07:40
	BusterSci Kristoff is new on me.	03-10 07:40
	BusterSci 44.5km, 1:23 the gap	03-10 07:41
	BusterSci In France	03-10 07:41
	Joanna in New York Rory Sutherland (UAE), Tony Gallopin (AG2R), Alessandro de Marchi (BMC), Nicolas Roche (BMC), Jarlinson Pantano (Trek-Segafredo), Thomas De Gendt (Lotto-Soudal) and Amael Moinard (Fortuneo).	03-10 07:41
	Joanna in New York The Break	03-10 07:41
	BusterSci Sun in Italy. Looks like Dumoulin went down again earlier today and is having chest pains	03-10 07:42
	BusterSci Danny Moreno also crashed out.	03-10 07:42
	BusterSci 6:50 the gap with 96km to go in Italy.	03-10 07:43
	BusterSci They also have some climbing to do at the end of the stage.	03-10 07:43
	BusterSci We have a white train leading the peloton in Italy. Sky out in force, protecting Thomas and Froome.	03-10 07:45
	Joanna in New York I see white, but that is because it is snow and biathlon...	03-10 07:46
	Joanna in New York Must find another channel for T/A	03-10 07:46
	BusterSci There's T&A all over the internet. Shouldn't be hard to find.	03-10 07:48

	BusterSci	There are two chases now. Wellens and others have fallen away from the main chase.	03-10 07:51
	BusterSci	Calamity Jane is back with Wellens	03-10 07:52
	Joanna in New York	Narrow, windy, wet roads.	03-10 07:54
	BusterSci	The TA director likes playing lots of slo-mo footage.	03-10 07:54
	Joanna in New York	So far, for T/A, I have talking heads, interviews, and podium replays. Less than optimal.	03-10 07:55
	BusterSci	Tiz is doing well today.	03-10 07:55
	Joanna in New York	Just switched to Tiz, and slo-mo.	03-10 07:57
	Joanna in New York	Not sure it is intentional, tho'...	03-10 07:57
	BusterSci	Last intentional slo-mo I saw was a closeup of Geraint.	03-10 07:58
	BusterSci	I wonder if he has a brother Gerisso?	03-10 07:59
	BusterSci	A bit jittery as Sky leads the peloton on a descent.	03-10 07:59
	BusterSci	In Italy	03-10 08:00
	BusterSci	86km and just under 6 minutes in Italy	03-10 08:00
	BusterSci	33.7km and 32s in France	03-10 08:00
	Charles Davis	Hi gang of two? Just checking in before traveling	03-10 08:02
	BusterSci	Paris-Nice. The race to the...WTF am I doing here, I should have gone to Italy!	03-10 08:02

	BusterSci	Yeah, nobody here but us penguins	03-10
			08:02
	Charles Davis	You are doing great.	03-10
			08:02
	Joanna in New York	Hi Charles!	03-10
			08:03
	Joanna in New York	We missed the KU in France...	03-10
			08:03
	Joanna in New York	I was too busy watching Sagan in Italy, I confess.	03-10
			08:04
	BusterSci	In slo mo?	03-10
			08:04
	Joanna in New York	It was hard to tell, there is something funky about the video from Italy - not quite full speed, not quite slo-mo.	03-10
			08:05
	Joanna in New York	Hi Tim! At the airport?	03-10
			08:07
	Tim in KY	Bonjour. On the way into town.	03-10
			08:08
	Tim in KY	Just saying hi.	03-10
			08:08
	Charles Davis	Glad you are on the ground.	03-10
			08:08
	BusterSci	Pantano crashed and DiMarchi over the side	03-10
			08:09
	BusterSci	Down in the trees, appears to be moving	03-10
			08:09
	Joanna in New York	Horrible.	03-10
			08:10
	BusterSci	We're assuming it's DiMarchi and not Roche, but haven't actually seen Nico yet.	03-10
			08:10
	Joanna in New York	Moto Dude flagging the riders making them slow down.	03-10
			08:10

	BusterSci	Looks like a long fall.	03-10 08:11
	Joanna in New York	Moto driver off his moto and heading down the hill.	03-10 08:11
	Joanna in New York	to DiMarchi.	03-10 08:11
	Joanna in New York	Amazing, DiMarchi walked up the hill	03-10 08:11
	BusterSci	He walks up and wants to get on his bike.	03-10 08:11
	Joanna in New York	Unbelievable.	03-10 08:11
	BusterSci	Probably went over slow and slid down, rather than tumbled	03-10 08:12
	Charles Davis	He would never make it as a soccer player.	03-10 08:12
	Joanna in New York	Just the trees and rocks to slow his fall...	03-10 08:12
	Joanna in New York	DiMarchi is riding.	03-10 08:13
	BusterSci	79.5km and 6m in Italy	03-10 08:14
	BusterSci	25km and 1:18 in France	03-10 08:14
	Charles Davis	I am trying to watch on my Mom's slow slow computer.	03-10 08:15
	BusterSci	Kudos to Pantano. He could have got up and rode, but his first thought was to look over and check on DiMarchi.	03-10 08:15
	Joanna in New York	Tony Gallopin (AG2R), Nicolas Roche (BMC) and Amael Moinard (Fortuneo), the break	03-10 08:16
	BusterSci	Domont crashed	03-10 08:17

			08:19
	Joanna in New York Good time to go make a cup of tea.	03-10	
		08:19	
	BusterSci Tiz crashed too.	03-10

	BusterSci Off they go up the climb		03-10
			08:28
	Joanna in New York Also back. I encountered a freshly made omelet on my way to the teapot, yummy.		03-10
			08:28
	Charles Davis I just had some cereal.		03-10
			08:28
	BusterSci Frau making pancakes. Jummy.		03-10
			08:28

	Joanna in New York	I just lost Tiz...			03-10
					08:28
	BusterSci	Me too		03-10	08:28
	Joanna in New York	Cereal is my usual breakfast, Charles. Hubby purchased an omelet maker a few weeks back, makes really good omelets.			03-10
					08:29
	BusterSci	Gallop in off his own.			03-10

	Charles Davis	Astana looks good.			03-10
					08:34
	Joanna in New York	Weather and terrain causing video/audio grief.			03-10
					08:34

	BusterSci	They must be happy that with all the Sky business nobody is questioning them.	03-10 08:35
	BusterSci	I don't buy the audio. I suspect our announcer is sitting in a booth in Sydney or Adelaide watching the feed, The audio from the race itself doesn't glitch.	03-10 08:35
	BusterSci	Nice farmer snort there!	03-10 08:36
	Joanna in New York	So, they fake the audio problems?	03-10 08:36
	BusterSci	All together	03-10 08:36
	BusterSci	I think it's an NBC-SBS problem.	03-10 08:36
