08-31-2022
08:37:56 am

Tim in KY Today's stage started at the headquarters of ElPozo Alimentación, the largest food producer in Spain and a major sponsor of la Vuelta. It says ElPozo at the bottom of the bib numbers.

08-31-2022
08:47:53 am

Katie S not sure if you all are looking at the vuelta official race feed, but I found/like this comment from Rojas: "To be with one of the best riders in history [Alejandro Valverde], to share team with him since 2007 and to be at his side in this last Vuelta a España! That gives me goosebumps."

08-31-2022
09:06:59 am

09:29:37 am

Mikey Hi John

08-31-2022
09:29:59 am

Charlie in Tenn Mikey, I have a friend that had his hip replaced about 35 days ago. On his one month anniversary, he walked a mile with no pain. You got this.

08-31-2022
09:36:42 am

Charlie in Tenn Sorry, I just got here. I have been watching TV in the mornings between sending kids to school and bicycling. I had to finish "Better Call Saul" this morning. If you can stand gritty, murder, drug dealing, grifters, and such, I recommend it. It is by the writer of "Breaking Bad" and is in that world.

08-31-2022
09:39:38 am

Charlie in Tenn With the COVID dropouts, the winner could be anyone in the top 30, I think.

08-31-2022
09:43:26 am

Trish in MA Morning all. Â Working from home today so I can watch and comment to my heart's content.

08-31-2022
09:46:22 am

Rob What did you think of the end of 'better call Saul' Charlie?

08-31-2022
09:47:06 am

Charlie in Tenn I need Merlier to step up today for my fantasy. Hayter and Jake Stewart were my extra fast guys that could score some points. They are

08-31-2022
09:49:33 am

currently my #2 and #3 scorers. Both of them are gone, of course. Oh well.

Charlie in Tenn Rob, I thought the episode left lots of questions. I was ready for the next episode and then nothing... I was wanting more. So much that I am going to re-watch breaking bad just to see how it all fits together. I will probably fast forward through just to re-watch the Saul Goodman stuff.

08-31-2022
09:53:27 am

Mikey Thanks Charlie I also have Hayter and am sinking quickly

08-31-2022
09:53:34 am

08-31-2022

Rob Charlie, I felt the same, but I guess its really difficult to end a very popular series. Ever since the end of the Sopranos I have kept my expectations low for endings.

Katie S I just came back from investigating some muffled thumping. I thought it was the garbage guy banging the bins around out at the curb, but it lasted too long for that. I followed the sound of the noise, which led me into the bedroom. And then I spied the tiny white paw extending from underneath the closet door, which was shut fast. Mystery solved! Silly kitty.

08-31-2022

Trish in MA Mine have done that. Â We have bifolding closet doors and Pauncho (like several of our previous cats) can spring the doors open and then he gets shut in. Â We have installed locks on all the doors to prevent inadvertent kitty jail

10:07:24 am

BikerAbe GCN+ has all stages

08-31-2022
10:08:07 am

Charlie in Tenn I fell out of the big print on Katie's daily FB update. My team is Rog, Merlier, Crapass, Mader, Carthy, Scotson.Â Gone are Affini (before the TT of course), Stewart, and Hayter. My fate rests on Merlier winning any sprints, Mader and Carthy coming from wherever they are to win stages and move up in GC. Crapass needs to go for stages. He finished almost 5 min behind yesterday. I hope that means he is going to try for stages but he is probably just a helper now. As for Miles Scotson, he is better at TT but evidently did not try yesterday. Maybe he can get in a break.

08-31-2022
10:08:12 am

Katie S They're calling this a flat stage, but I see guys coasting. Nice that there are some undulations, anyway.

08-31-2022
11:27:58 am

Katie S how'd it go, Mikey?

08-31-2022
11:28:16 am

BusterSci Dennis's most successful years were with BMC. But he did a few incredible things with Ineos as a support rider. I don't think he went to JV to do anything but make a pile of money replacing Tony Martin. Head to head with Ganna, he knew he wasn't the best any more so decided to use his last few years hammering tempo for Rog (and now Vingo, I suspect.)

08-31-2022

08-31-2022
11:38:57 am

Katie S that guy over there, in the helmet. how about him?

08-31-2022
11:39:06 am

Katie S someone tell me: why is the "intermediate" sprint coming 10k from the finish?

08-31-2022
11:39:35 am

Charlie in Tenn Careterro or Gesbert would be your picks, Buster.

08-31-2022
11:40:07 am

Charlie in Tenn Katie, to keep those awful breaks from getting easy points.

08-31-2022
11:41:02 am

John 15km to go

08-31-2022
11:41:34 am

Charlie in Tenn Buster, that is just a guess that no one else has those two.

08-31-2022
11:41:53 am

Charlie in Tenn Big turn at 9 kms also.

08-31-2022
11:42:08 am

Tim in KY 15 km banner.

11:42:27 am

Trish in MA Now we see Crapass at the front?

08-31-2022
11:42:36 am

Tim in KY Litter zone.

08-31-2022
11:44:08 am

Charlie in Tenn I want Merlier to win and Rog to get second and Crapass to get 3rd, Miles Scotson 4th, Mader 5th, Carthy 6th.

08-31-2022
11:44:12 am

Katie S gee, why's that, Charlie?

08-31-2022
11:45:30 am

Tim in KY They have passed the slowest imaginable finish and there's still 13 km to go.

08-31-2022
11:46:06 am

Charlie in Tenn Just guys I think need a good finish. No other reason, Katie.

08-31-2022
11:47:45 am

Katie S This paint drying is reminding me of my afternoon yesterday spent lurking in the hallway of the jury assembly room. Three hours there, then being excused. I dodged being called up to a court room, and I was able to finish a novel I'd been reading. Others were less patient. About 10k from the end, one woman hollered out "Can we go home now?" and she proceeded to get up and walk about, announcing "BYE."

08-31-2022
11:47:56 am

Katie S sorry, walk OUT

08-31-2022
11:48:18 am

08-31-2022
11:49:55 am

Trish in MA Pedersen takes the sprint point

08-31-2022
11:50:12 am

Charlie in Tenn Now teams need to line up.

08-31-2022
11:50:30 am

Katie S I suspect she'll get in trouble because when we were dismissed, they read out our names, made sure we were still there, then gave us a piece of paper proving we'd been there.

08-31-2022
11:50:34 am

Katie S the last laugh will come when she gets another summons sooner than 12 months from now because she did not complete her jury service. (I think the clerks in the jury room probably get chuckles out of that likelihood)

08-31-2022
11:51:38 am

Trish in MA I hope she gets called next month. ^ And the month after that.

08-31-2022

Katie S I think penguins are exempt

08-31-2022
11:54:14 am

Trish in MA I've been called multiple times. ^ Never served on one. ^ Closest I got was my panel got called into the courtroom, but I had a high number and the jury was impaneled before my number came up.

Katie S I got a juicy case one, involving a love interest/care provider from Brazil, an old guy in a wheelchair who'd had a stroke, adult children who wanted the money. We agreed the companion had indeed been assured in an oral contract that the old man would provide for her.
