Tim in KY Break is starting on the second uncategorized climb.

10-08-2020
07:04:54

Tim in KY One DSQ on the front of the peloton followed by a long line of Astanas.

10-08-2020
07:07:46

bikerabe before Ganna victory yesterday, only Cancellara and Tony Martin had won both Grand Tour TT and road stage.

10-08-2020
07:12:57

Tim in KY I wonder who keeps track of all that minutia.

10-08-2020
07:22:42

Tim in KY 140 to go, gap is 8:35.

10-08-2020
07:23:49

Tim in KY 4 KU to go, the gap is 8:46.

10-08-2020
07:37:38

Tim in KY Still one DQS followed by all the Astanas.

10-08-2020
07:38:42

Tim in KY Coming up on the first sprint.

10-08-2020
07:44:40

Tim in KY Whalen has a mechanical in the break.

10-08-2020
07:45:37

Tim in KY Now DSQ puts everybody in front. Still no sign of Bora or Sunweb.

10-08-2020
07:49:49

Tim in KY The sprint was uncontested by the break but there are still points left for the peloton.

10-08-2020
07:54:52

Charlie in Tenn Good morning. I am getting a late start.

10-08-2020
07:59:49

Tim in KY You've missed nothing.

10-08-2020
08:01:36

Tim in KY Demare got four points in the sprint, Sagan got none.

10-08-2020
08:02:44

Tim in KY Time for errands.

10-08-2020
08:03:13

bikerabe coming to 3 KU 9'33" gap Will the win come from the break, again?

10-08-2020
08:20:38

Katie S Good morning, all. When Tim said he had a dead mouse, it took me a second to realize he didn't mean a rodent had expired nearby. Yes, it's still early and I haven't had my tea.

10-08-2020
08:23:45

Katie S Dam!

10-08-2020
08:29:52

bikerabe replayed Matera finish in 2013 crash in peloton heading to finish. What to look for today? Peloton reeling in break now

10-08-2020
08:37:30

Katie S 86 KM, 7'06" gap. long, boring straight, wide road in an arid region with a bit of wind. Lovely.

10-08-2020
08:38:16

Katie S Leaders still working together

10-08-2020
08:40:06

Charlie in Tenn I guess Bora wants to close the gap some. Maybe others will join as it gets closer. The pack had brought the break back to 6:35 so it is coming down with only 2 guys pulling.

10-08-2020
08:44:10

Charlie in Tenn Jonathan Caicedo lost 16 mins yesterday. I guess he really wasn't in it for the GC. Maybe a stage hunter.

10-08-2020
08:46:26

Katie S Commentators predicting some action on the upcoming Cat 3 climb to shake out the peloton

10-08-2020

10-08-2020
08:47:54

Tim in KY I don't think so, Abe, but I've been wrong twice already this Giro.

Katie S Tunnel for the peloton

10-08-2020
08:49:55

Tim in KY EF has said they're here for stages, not GC.

10-08-2020
08:50:47

Tim in KY Feedzone come with 73 km to go.

10-08-2020
08:51:50

Charlie in Tenn Saw my guy Armee.

10-08-2020
08:52:47

Tim in KY Whole Trek team is up front behind two Boras.

10-08-2020
08:55:38

Katie S tick tick tick, gap under 5 w/ 72 KM to go. what is the rate of narrowing? Any math whizzes out there?

10-08-2020
08:56:09

Tim in KY Trash zone before the feed zone.

10-08-2020
08:57:17

Charlie in Tenn Trek has been riding very well this year. Not a lot of wins but they seem to have guys on the front at a lot of races. Nibs looks good for a top place here.

10-08-2020
08:57:48

Charlie in Tenn Katie, faster than the break wants.

10-08-2020
08:58:08

Tim in KY Crosswind for the peloton.

10-08-2020
09:10:04

Katie S dudes are strung out

10-08-2020
09:11:14

Katie S Pozzovivo speaks Latin and went to college, say the commentators.

10-08-2020
09:17:34

Katie S and then there was something about Apollo 13. It's amusing to be working with half a brain and listening to the banter with a quarter of the brain.

10-08-2020
09:18:12

Katie S (which means I am not operating on a full brain)

10-08-2020
09:18:56

Katie S we need Mons today, to tell us the story of painter Carlo Levi's incarceration in Basilicata during the mid-1930s for his anti-facism work at the start of the Ethiopian war. His imprisonment inspired him to write "Christ Stopped at Eboli." I'm sure Mons would have much more back-story for us.

10-08-2020
09:27:44

Tim in KY Gap is down to 2:17.

Katie S Good grief

10-08-2020
09:35:36

Charlie in Tenn I am cleaning the house and making a to do list. I have been home alone for 2 weeks and the list is longer now than when I started and I did a bunch of stuff already. Home ownership!

10-08-2020
09:35:59

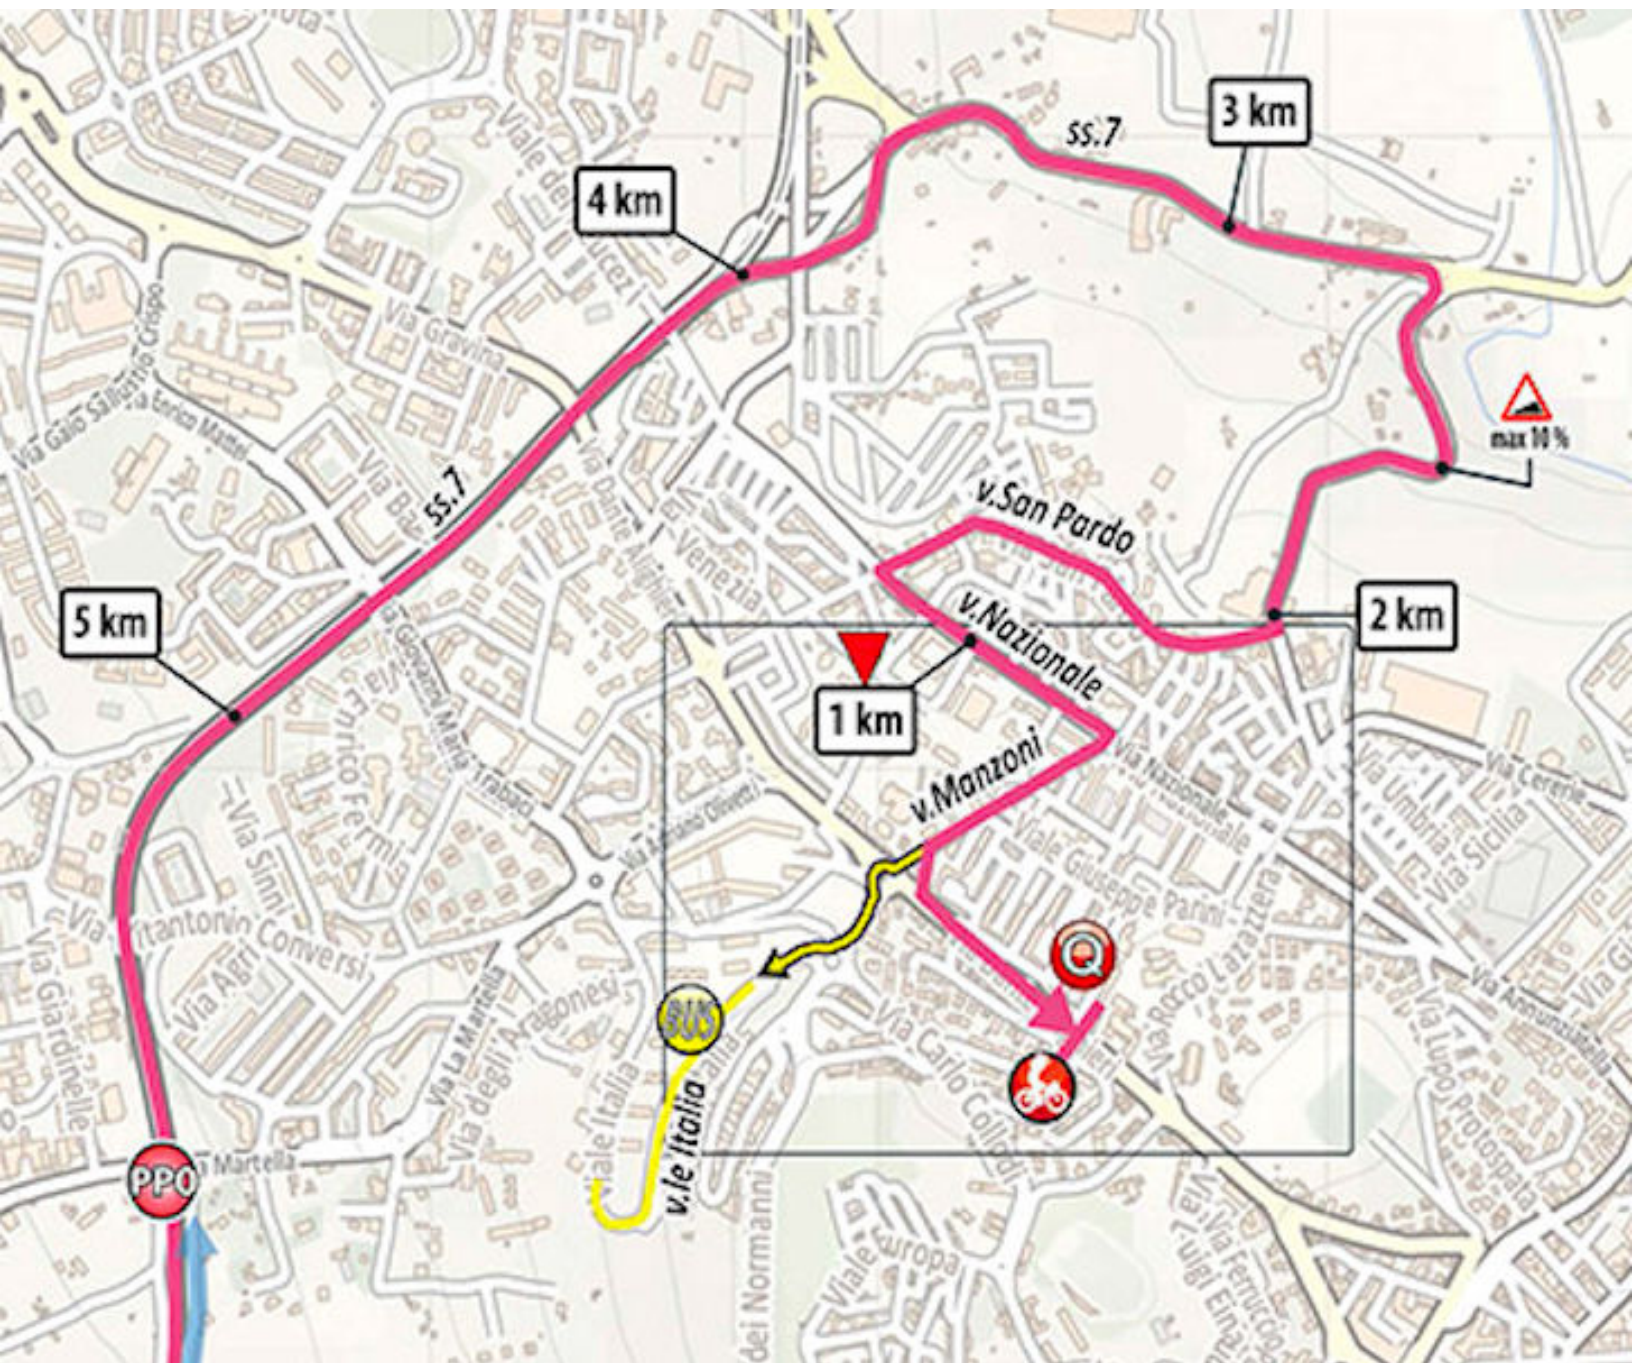

Katie S what's today's project?

10-08-2020
09:37:46

Katie S looked like a crash, but just a unexpectedly narrow bridge caused a bunch-up.

10-08-2020
09:38:48

SFinAus Good day all. Nice fill-in for Mons there, Katie.

10-08-2020
09:43:24

Tim in KY Still slower than the slowest...

10-08-2020
09:45:20

SFinAus Seeing the mention of the trash zone before the feed reminded me that I read at one US race some fans set up a vertical net before the feed zone with a target on it. Apparently several riders took the challenge and the fans collected a herd of bisons.

10-08-2020
09:45:27

Tim in KY 39 km, 2:00.

10-08-2020
09:48:17

bikerabe bike change for Almeida !

10-08-2020
09:52:34

Katie S that was bizarre

10-08-2020
09:53:34

Katie S radio malfunction, 4 DQS guys (inc. Almeida) pulls over suddenly, a UAE rider apparently runs into the stopped DQS quartet.

10:08:01

SFinAus Quack! says Whelan as he tries a futile solo - or "aquack!"?

10-08-2020
10:08:11

Tim in KY This from the CN ticker: And Whelan keeps the power on and now he's clear. It's his mother's birthday today so he's racing for her. But maybe he's racing for all the mums because lets face it, only a mother could love their kid in that jersey.

10-08-2020

10-08-2020
10:24:11

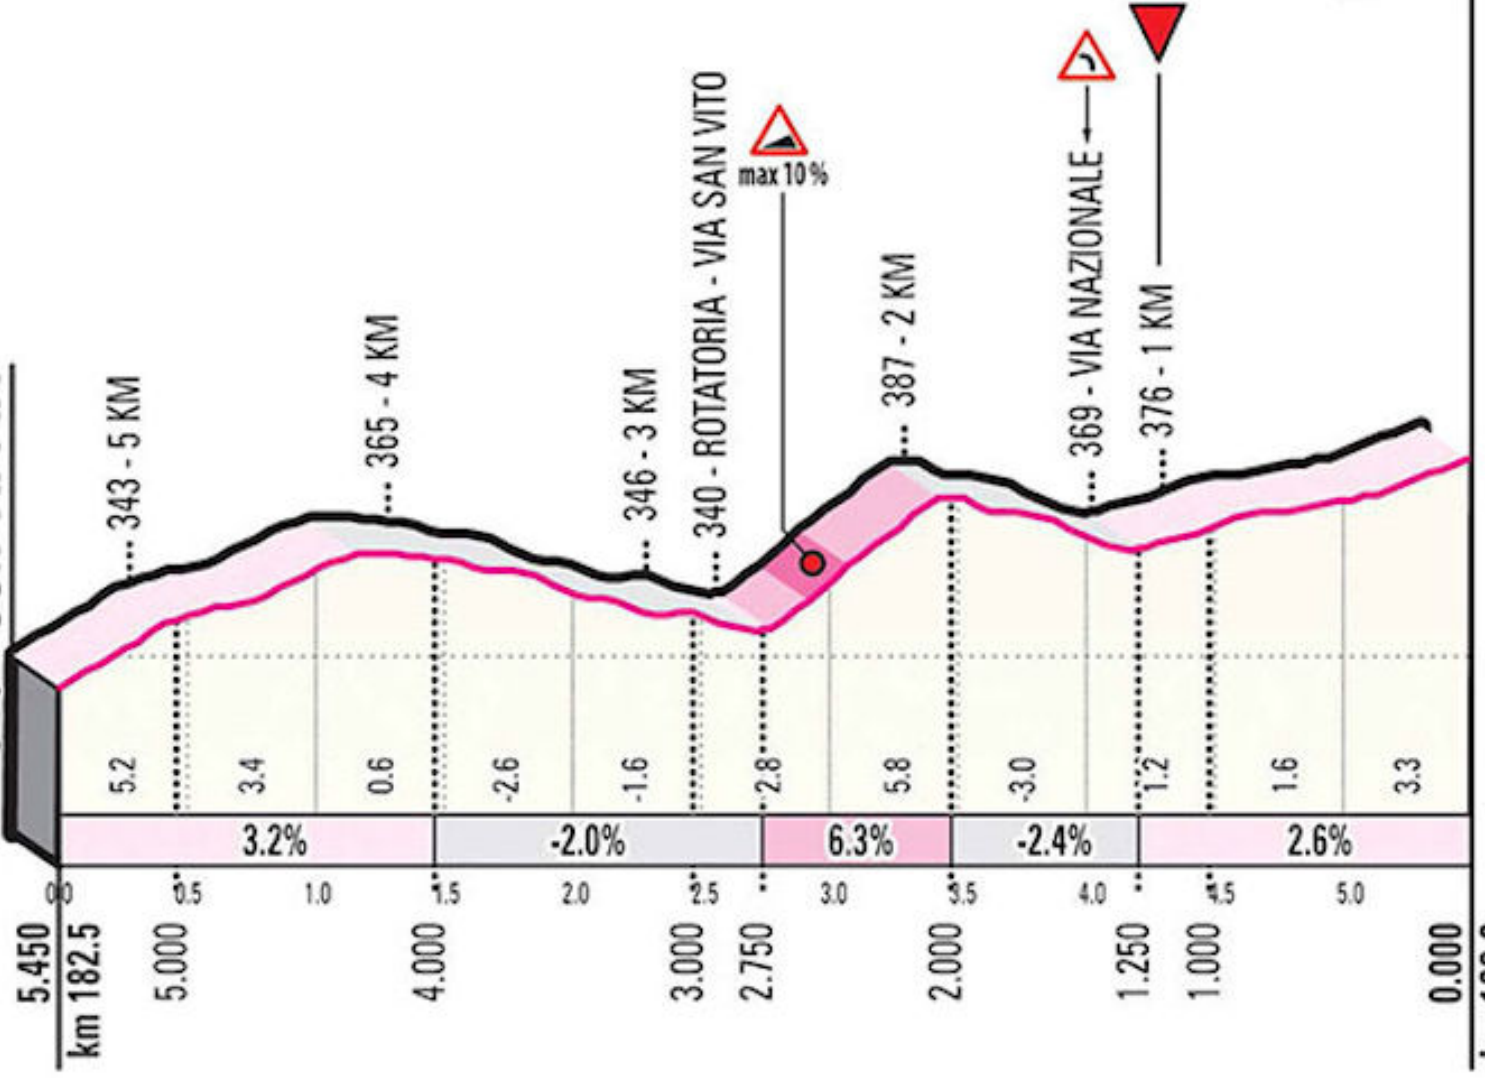

Charlie in Tenn Bernie Eisel says at 4 kms there is a snaking downhill. 2.7 there is a right turn to a more narrow road and it goes up. 9% All teams will want to be at the front at that turn . He expects the pack to break up (carnage) on the uphill. Sounds like fun.
