Froome's sky bots on parade  
Here they come!

They're here and there  
Froome's sky bots everywhere

Look out! Look out!  
They're riding around the bend  
In the saddle  
Clippity cloppity  
so very well paid  
Froome's Sky bots on parade

What can they do?

When things get hard or the pain is great  
yet seeing the same team dominate can  
fill the heart full of hate

What a sight!
