

**Tim in Ky** Giro stage 14 is a very short 131 kilometers. It's mostly flat. Mostly.

**Tim in Ky** Although mostly flat, it's false flat and with about 30 km to go it kicks up

05-19 16:04

seriously although the official length of the climb is 11 km.

**Tim in Ky** The average gradient is 7% but there are sections as steep as 13%.

**Tim in Ky** There are also some sections of stone pavement on the climb. Not Belgian

05-19 16:11

cobbles, but not smooth, either.

**Tim in Ky** Kilometer 0 is scheduled for 13:55 CET (7:55 EDT). Live video from the

05-19 16:12

get go.

**Jennifer Simon** Morning, Nuts. Looks like you're all still sleeping. I have to teach an

05-20 06:03

early class, so will be catching up after hours. Thanks for teeing this up, Tim. I'm looking forward to seeing how that nice little kicker at the end shakes things out.

**BusterSci** Jen, hopefully you read the archive, because I'd like an explanation for

05-20 07:35

"Saskia Weatherwax."

**Tim in Ky** What kind of class meets at that hour on a Saturday in Charleston?

05-20 07:45

**BusterSci** Breakfast Club?

05-20 07:45

**Tim in Ky** The Allerton Hotel is in Chicago.

05-20 07:47

**Tim in Ky** I'm afraid this stage is going to play out like a sprint stage. Break, chase, catch, climb. Only maybe not catch.

05-20 07:49

**Tim in Ky** In the neutral zone now.

05-20 07:52

**Tim in Ky** And, they're off.

05-20 07:57

**BusterSci** I've got a low res feed today but even that is choppy.

05-20 07:57

**Tim in Ky** Fubo is always fuzzy.

05-20 07:58

**BusterSci** Tiz is good, my my parent's haven't entered the true broadband era. They've got some lousy DSL that can't maintain a constant download speed.

05-20 07:59

**BusterSci** I'm still watching neutral start.

05-20 08:00

**Tim in Ky** There's a Bardiani well off the front. Nobody else seems to be trying very hard.

05-20 08:01

**Donny** Hello Sir and Sir penguin, happy Saturday to you both.

05-20 08:01

**Donny** No catch would be kind of fun no?

05-20 08:02

**Donny** Gazprom better get out there or they will see the whip again!

05-20 08:03

**Tim in Ky** Gaviria giving it a go. Why?

05-20 08:04

**Donny** Small break easy sprint points?

05-20 08:05

**Tim in Ky** He's so far ahead on points, he doesn't need intermediates.

05-20 08:07

**Tim in Ky** He's caught, anyway.

05-20 08:07

**Tim in Ky** Kirby thinks any break that sticks will stay away.

05-20 08:12

**BusterSci** And Gaviria is the designated chaser for QS.

05-20 08:12

**BusterSci** Muhlberhger (Bora) away

05-20 08:13

**BusterSci** CCC, BArdinari chasing

05-20 08:13

**BusterSci** Caught

05-20 08:14

**Tim in Ky** Boy, you are way behind.

05-20 08:14

**BusterSci** I'll shut up

05-20 08:14

**BusterSci** I've tried reload a couple times to get caught up but the video won't start

05-20 08:15

until the buffer is full and, well,

**BusterSci** Have I mentioned that it wasn't until last year that I even got my Mom off

05-20 08:15

AOL?

**Tim in Ky** My mother-in-law is still on AOL.

05-20 08:17

**Tim in Ky** Still no stickage.

05-20 08:18

**BusterSci** My mom actually tries to stay technologically relevant but my dad would

05-20 08:20

rather go out and smash up mechanical looms.

**Tim in Ky** I'm getting to that point myself.

05-20 08:20

**Tim in Ky** Still no break.

05-20 08:27

**Tim in Ky** Average speed so far is 53 kph.

05-20 08:29

**Tim in Ky** With 100 km to go we may finally have a break.

05-20 08:32

**Tim in Ky** Nature break in the peloton.

05-20 08:34

**Tim in Ky** Natnael Berhane DDD, Daniel Martinez WIL and Sergey Lagutin GAZ

05-20 08:36

have 1:07.

**Tim in Ky** FDJ on point in the peloton. At 95 km the gap is 1:50.

05-20 08:39

**BusterSci** I've just been informed by a friend that HBO is producing a mockumentary

05-20 08:44

on cycling called "Tour de Pharmacy" starring Kevin Bacon and Andy Samberg.

**Tim in Ky** FDJ and Movi are keeping the leash very short. Just 1:31 now.

05-20 08:47

**Tim in Ky** 83 km to go, 1:32.

05-20 08:55

**BusterSci** I'm guessing Quintana, Pinot, Mollema, et al, are thinking a stage win

05-20 09:00

means 10 extra seconds made up on Dumoulin.

**Tim in Ky** Apparently.

05-20 09:01

**Tim in Ky** Orica has added a man to the front.

05-20 09:02

**BusterSci** Yates is one of the als that would be etted.

05-20 09:02

**Tim in Ky** Dumoulin was back at the team car with three teammates.

05-20 09:04

**BusterSci** CN thinks he had to water the vegetation.

05-20 09:05

**Tim in Ky** He could have teammate do that for him.

05-20 09:06

**Tim in Ky** Meaningless TV fact: Gaviria is the first Colombian to win four Giro

05-20 09:08

stages.

**Tim in Ky** At 74 km to go the gap has shot up to 1:51.

nobody there to pick it up, is it littering?

 **Donny** Technically speaking even if some one picks it up at a later time the person 05-20 09:29  
discharging unwanted material on the ground is littering.

 **Tim in Ky** What are all these flooded fields for? 05-20 09:30

 **BusterSci** rice 05-20 09:30

 **BusterSci** Donny, If the bidon is a treasure, can it be litter? Is a gold coin on the floor 05-20 09:31

 **BusterSci** Warning: HWSNBN makes an appearance. 05-20 09:33

 **Donny** Buster, no matter what one through out, the person doing the throughing is still 05-20 09:34  
commeting the act of littering.

 **BusterSci** Even if one throws out bits of wisdom? 05-20 09:34

 **Donny** How can there be a "mockumentary" of the tour de pharmacy. Isn't it just a 05-20 09:34  
reality show?

 **Tim in Ky** There's far more doping in football. And far less teasing for it. 05-20 09:34

 **Donny** Wisdom is not a physical substance. 05-20 09:35

 **Tim in Ky** Break go through the second sprint point. 05-20 09:35

 **Tim in Ky** Peloton through at 1:38. 05-20 09:37

**BusterSci** Grasshopper, go move the pile of stones from the front of the monastery to 05-20 09:37

the back and see if in that physical substance you can find wisdom.

**Donny** Again, Tim, the "others are worse argument" does not fly with me, it's sort of 05-20 09:37

like a penguin. It's got wings but they are of no use make it soar.

**BusterSci** Penguins soar just fine when shot from a cannon. 05-20 09:38

**Tim in Ky** I doubt that happens very often. 05-20 09:39

**BusterSci** Since at least one of us is in Europe I was going to ask Tim to clarify if he 05-20 09:39

meant American football and soccer football, but then realized it made absolutely no difference to the conversation.

**Donny** Master, in the moving of stones there is great use! I shall get fresh air, exercise. 05-20 09:40

Excellent idea. Though, one need not have wisdom to see this only common sense, a commodity perhaps more rare than a gold coin found on the side of the road.

**BusterSci** If Elanzo joins the conversation, will she stay logged in? Think on this, my 05-20 09:41

05-20 09:41

**Donny** Morning Gillie and Elanzo

05-20 09:41

**Gilliemarie** Good morning all, is this another paint drying stage?

05-20 09:41

**Tim in Ky** So far, Gillie.

05-20 09:41

**Tim in Ky** 50 km for the peloton. 1:20.

05-20 09:43

**Elanzo** Just caught up and I too would like to become a grasshopper in the school of

05-20 09:53

penguin transcendence. Although how grasshoppers become penguins is another mystery to me.

**donny** From grasshopper to penguin is a small hop of faith, Elanzo. At least that is

05-20 09:55

what I choose to believe.

**Tim in Ky** 40 km for the peloton. 1:20.

05-20 09:56

**Elanzo** I aim to hop right into the cannon.

05-20 09:56

**BusterSci** Aesop told the story of the grasshopper that played all summer while the

05-20 09:57

penguin collected delicious herrings to make it through the winter.

**Elanzo** Well apparently moss is growing in Antarctica (or was it the Arctic?) so maybe

05-20 09:59

the penguin needn't have worried about the cold. :(

**Elanzo** This is a watching-the-moss-grow-in-Antarctica stage.

05-20 10:00

**BusterSci** Winner.

05-20 10:01

**BusterSci** Winner

05-20 10:01

**BusterSci** Chicken dinner

05-20 10:01

**Elanzo** Yum.

05-20 10:01

**donny** now that is a bird lacking wisdom

05-20 10:01

**BusterSci** Is a penguin eating chicken cannibalism? Even if it's just a gamey leg?

05-20 10:02

**Gilliemarie** You guys are just making my Chick fil A craving worse!!

05-20 10:03

**Tim in Ky** 1 KU to go for the break.

05-20 10:04

**Tim in Ky** 0:50.

05-20 10:04

**BusterSci** It's not the official climb, but they'll start to go a little more up soon.

05-20 10:05

**Elanzo** Is the penguin

05-20 10:05

**BusterSci** It's called "bush meat"

05-20 10:05

**BusterSci** Many of the tropical diseases are believed to have jumped species through

05-20 10:06

the eating of bush meat.

**Gilliemarie** :-/

05-20 10:06

**Elanzo** I bet that chick-fil-a craving has lessened.

05-20 10:06

**Gilliemarie** Not much! It's been going on since yest afternoon!!

05-20 10:07

**Elanzo** Give innnn

05-20 10:08

**Tim in Ky** Gazprom and Bora moving up in the peloton.

05-20 10:08

**Elanzo** Time for me to go back to sleep. See y'all in an hour or two. I sure hope a bike

05-20 10:10

race happens sometime.

**BusterSci** Just a few minutes until the penguin cannons start firing.

05-20 10:11

**Tim in Ky** Break being left to dangle at 0:40.

05-20 10:14

**donny** Elanzo this thing will be over in about an hour

05-20 10:14

**Tim in Ky** If not sooner.

05-20 10:15

**Gilliemarie** PLEASE let it be sooner!

05-20 10:15

**BusterSci** Elanzo now working on her first penguin koan. To join, or not to join. That is the question.

05-20 10:16

**Katie** Howdy, all. Better late than never!

05-20 10:17

**donny** 23.2 to go katie

05-20 10:17

**donny** plenty of time considering not much else has happened.

05-20 10:18

**donny** Pink Jersey has his boys guarding the front of the bunch for him.

05-20 10:19

**donny** The way the peloton looks, you would think they are getting ready for a bunch sprint

05-20 10:19

**BusterSci** Ashley House just tweeted a video of the last km.

05-20 10:25

**SFinAustx** Its Saturday morning with a mountain finish, so all is sfine indeed

05-20 10:25

05-20 10:25

**donny** yep fat boy time, they are caught

05-20 10:26

**BusterSci** Elanzo, is it nobler in the pub to suffer the slings and arrows of snarky LUGnuts?

05-20 10:26

05-20 10:26

**Tim in Ky** Roundabout fest.

05-20 10:27

**Tim in Ky** Bahrain in the front now.

05-20 10:30

**BusterSci** Down here in Antarctica it's winter and there is no light.

05-20 10:31

**Tim in Ky** Now the climb officially starts.

05-20 10:33

**Tim in Ky** Adam Hansen crashed.

05-20 10:35

**Katie** Uh oh, Adam Hansen on the deck

05-20 10:35

**Gilliemarie** Hope he's ok

05-20 10:35

05-20 10:36

05-20 10:36
