**Tim in KY** The first 62 kilometers of the stage are a false flat leading to the start of the first of three Cat 1 climbs. The descent of the first leads directly to the start of the second. There is 20 km of valley road between the second and third.

**Tim in KY** Kilometer zero is scheduled for 11:05 CEST. Finish is imagined either side of 17:00. Forecast is for the likelihood of rain along the entire route with temps in the low to mid-teens. Sounds miserable.

**BusterSci** Giro 2023: The race so cursed that half a stage decides to DNS.

**Rocket City Gal** Well, with Pedersen's™ DNS, my Velogames team is now devoid of anyone who will do anything.

05-19-2023  
07:30:11 am

**Tim in KY** Mine already was.

05-19-2023  
07:38:04 am

**Charlie in Tenn** I still have Rog, Healy, Nico, Konrad, Gaviria, and Postlberger. Everyone looks about the same. 1 Gc guy, 1 maybe sprinter, and some breakaway guys. No way to guess who will win.

05-19-2023  
08:01:44 am

**Tim in KY** I can guarantee that I won't win.

05-19-2023  
08:03:46 am

**Tim in KY** I have lots of chore and errands this morning. The St Bernard Pass was the part I was going to get to watch.

**1456 - CRANS MONTANA**

**BusterSci** They often say about big stages early in a GT "The race won't be won on this stage, but it may be lost." Â That's kind of how the abandons have affected Velogames teams. Â It's still a fairly wide open race in our league but there are certainly teams that can no longer win.

05-19-2023  
08:16:25 am

**BusterSci** Yes, Katie

05-19-2023  
08:16:28 am

**Katie S** a neutral start ... and then straight up the mountain. Not much of a warmup.

05-19-2023  
08:18:07 am

**BusterSci** Adam Hansen (CPAC head) posted on twitter that 90%+ of riders voted to invoke severe weather protocol and the Giro listened. Â Seems it may be as much about the effects of prior stages as it is about today. Â The peloton is cold.

05-19-2023  
08:18:14 am

**Katie S** and wet

05-19-2023  
08:18:48 am

**BusterSci** They did a false start in the original start town and then bused to the revised start.

05-19-2023  
08:18:50 am

**Katie S** apart from Mads P, were there other human DNSers?

05-19-2023  
08:19:23 am

**BusterSci** Nope

05-19-2023  
08:20:43 am

**Tim in KY** At least it's dry at the new start.

05-19-2023  
08:21:24 am

**BusterSci** BTW, I think we all know Adam Hansen has nothing to do with CPAC. Â My autocorrect thought the final C was required.

05-19-2023  
08:27:44 am

**Katie S** of course it did.

05-19-2023  
08:28:28 am

**BusterSci** Official start delayed to 15:00

05-19-2023  
08:28:28 am

**Tim in KY** Took too long to get to the new start.

05-19-2023  
08:29:30 am

**Charlie in Tenn** Big split in the womens race. Some favorite teams up front with a few stragglers. Everyone else chasing.

05-19-2023  
08:29:49 am

**Katie S** Race start delayed. have another espresso.

05-19-2023  
08:30:46 am

**BusterSci** We had a rainy morning yesterday and after it let up, the smoke from Canadian wildfires moved in and it was thick. Visibility was under a mile at one point. Then around 8PM a breeze came up and things were clear in minutes.

05-19-2023  
08:31:58 am

**Tim in KY** Now GCN now has a half hour to fill.

05-19-2023  
08:34:34 am

**Charlie in Tenn** Open crosswinds at the womens race.

05-19-2023  
08:34:36 am

**BusterSci** Going to hang out here today. I'll fish in rain. I'll fish in cold. I'll fish in wind. But Adam Hansen has taken a vote and I will not fish at 38F, 15mph wind and showers. I've delayed my start to later this morning.

05-19-2023  
08:35:09 am

**Katie S** yuck, Buster.

05-19-2023  
08:36:01 am

**Charlie in Tenn** Reasonable choice

05-19-2023  
08:36:01 am

**Katie S** Did you see that kid connected to parent's bike? That was an ingenious contraption. No need to remove the front wheel.

05-19-2023  
08:38:12 am

**Tim in KY** Windy.

05-19-2023  
08:38:18 am

**Tim in KY** Never seen that setup.

05-19-2023  
08:38:41 am

**Katie S** huh. ingenious. Just found one on Amazon (hush): [https://m.media-amazon.com/images/I/71lad1QmkdL.\\_AC\\_SL1170\\_.jpg](https://m.media-amazon.com/images/I/71lad1QmkdL._AC_SL1170_.jpg)

05-19-2023  
08:40:14 am

**Tim in KY** Looks like a complicated setup.

05-19-2023  
08:41:34 am

**Katie S** and heavy - despite being aluminum. My guess is that kid and parent duo is not heading up to watch the summit...

05-19-2023  
08:42:03 am

*follow***w***me*

**BusterSci** When I was a kid we fell over and skinned our knees and elbows and ground gravel into our palms until we learned to stay upright and we liked it! We liked it fine.

05-19-2023  
08:43:26 am

**Katie S** we did! I probably still have a bit of gravel in my elbow when I crashed riding my bike down our gravel road at age 6. I failed to execute the turn at the T at the bottom...

05-19-2023  
08:45:15 am

**SFinAus** What Buster said. Parents even ride their kids bikes for them these days. Seriously, I've used a Tag-along many times and it's great fun. This Follow me looks like a complicated set up.

05-19-2023  
08:46:06 am

**SFinAus** Good morning!

05-19-2023  
08:46:13 am

**Katie S** funny - a pace line of stationary bikes

05-19-2023  
08:47:52 am

**BusterSci** My two big crashes as a little un were hitting an ice patch, sliding, until the bare gravel patch got me and I had a kneecap raw to the bone with lots of gravel, and having my front brake fall off and stop the wheel, sending over the handlebars into the asphalt and holing my upper lip in two places.

05-19-2023  
08:48:53 am

**Charlie in Tenn** The womens race is on TIZ if anyone wants to watch. Less than 40 kms left and they are flying.

05-19-2023  
08:49:28 am

**BusterSci** Katie, to go with your pace line of stationary bikes, there's this rowing team:  
<https://twitter.com/buitengebieden/status/1658954890880712708?s=20>

05-19-2023  
08:50:00 am

**Tim in KY** I have no recollection of learning to ride a bike or of falling.

05-19-2023  
08:50:26 am

**SFinAus** Thanks, Charlie. I was about to ask. I have not been able to find coverage or even highlights.

05-19-2023  
08:51:23 am

**BusterSci** I don't recall learning. But I was a speed-demon risk taker in my youth and paid for it a number of times. Fortunately, I got through my motorcycle years without paying for it.

05-19-2023  
08:51:41 am

**Tim in KY** And now it's errand time for me. Back in a bit.

05-19-2023  
08:52:06 am

**Katie S** Oh, that's hilarious - the rowing team

05-19-2023  
08:57:23 am

**BusterSci** And this is good. ^ There's always one...<https://twitter.com/buitengebieden/status/1659466246801195008?s=20>

05-19-2023  
08:59:39 am

**SFinAus** Annnnd they're off.

05-19-2023  
09:01:05 am

**Katie S** and UP

05-19-2023  
09:01:40 am

**Katie S** Sprinters are saying WTF, guys. I'm OTB, gonna stop for a beer.

05-19-2023  
09:02:20 am

**Charlie in Tenn** 13 riders in the front group at Burgoes - 4 SD works, 4 Trek, 3 Canyon SRAM, 2 others

05-19-2023  
09:02:27 am

**Charlie in Tenn** They have dropped at least 10 riders from the front group since I first mentioned the race. Persico, Manly, 4 movi, etc. The leaders are killing it.

05-19-2023  
09:04:43 am

**BusterSci** Healy, JoDo, Pinot, Cepeda, Armirail in a break

05-19-2023  
09:09:59 am

**BusterSci** Vine too

05-19-2023  
09:10:12 am

**BusterSci** Names coming in...

05-19-2023  
09:10:17 am

**BusterSci** Carthy

05-19-2023  
09:11:18 am

**BusterSci** Hugh is the danger man in that group if there is one.

05-19-2023  
09:11:44 am

**BusterSci** The wrong Parrot Painter, Barta, Champion, Prodhomme

05-19-2023  
09:13:55 am

**Charlie in Tenn** Pinot 4:48, Carthy 3:22 others way back Vine at 24+

05-19-2023  
09:14:07 am

**BusterSci** Champ dropped.

05-19-2023  
09:14:13 am

**Katie S** I had expected today to change the maglia rosa to other shoulders. I suppose that could still happen, but it's less likely than it would have been had the course remained intact.

05-19-2023  
09:14:29 am

**BusterSci** Gap is tiny.

05-19-2023  
09:14:38 am

**BusterSci** Assuming there are no crashes or similar, it will be one of G, Rog or JoWow.

05-19-2023  
09:15:49 am

**Tim in KY** No snow.

05-19-2023  
09:17:12 am

**BusterSci** I'm, of course, hoping it's JoWow. Rog has the best final kick and I don't think G can match it. Just the bonus seconds will be enough to put Rog on top

05-19-2023  
09:17:59 am

**Katie S** yeah. I think JoWow attacks and leaves them both behind.

05-19-2023  
09:20:18 am

**Tim in KY** GC group is already very small.

05-19-2023  
09:20:36 am

**Katie S** wait, where'd that water come from?

05-19-2023  
09:25:14 am

**BusterSci** The consensus is comet impacts over billions of years, Katie.

05-19-2023  
09:26:45 am

**bikerabe** descent today look for a Primoz crash?

05-19-2023  
09:27:35 am

**BusterSci** Or G

05-19-2023  
09:27:48 am

**Charlie in Tenn** or all of them

05-19-2023  
09:28:20 am

**BusterSci** But perhaps they have their tippies out of their systems already.

05-19-2023  
09:28:23 am

**BusterSci** I think I'll nap. didn't sleep well last night.

05-19-2023  
09:30:46 am

**Katie S** nite-nite

05-19-2023  
09:31:00 am

**Tim in KY** Really sketchy road.Â And wet.

05-19-2023  
09:36:18 am

**Katie S** Goat trail

05-19-2023  
09:41:01 am

**Katie S** good lord

05-19-2023  
09:41:11 am

**Tim in KY** If the descent looks like this there will carnage.

05-19-2023  
09:43:31 am

**Katie S** you almost expect to see grass growing in the center between the tread swales

05-19-2023  
09:44:09 am

**SFinAus** The paragliders have a novel view of the race.

05-19-2023  
09:44:30 am

**Tim in KY** This is crazy descent.

05-19-2023  
09:48:20 am

**Katie S** Here we go, leaders are over the top and it looks treacherous

05-19-2023  
09:48:21 am

**Charlie in Tenn** I am back. Good finish at the womens race. Wet downhill for the men.

05-19-2023  
09:50:30 am

**Trish in MA** Good morning! Â Definitely treacherous. Â Loved being serenaded by that long Swiss horn thing-y

05-19-2023  
09:50:32 am

**Alaska Dave** Mud, water, loose gravel. Dragons. Orcs. And velociraptors

05-19-2023  
09:50:34 am

**Katie S** Just like home, eh, Dave?

05-19-2023  
09:50:47 am

**SFinAus** Time to bring up "The Fear"

05-19-2023  
09:50:57 am

**Tim in KY** I'm not sure I can watch this.

05-19-2023  
09:51:04 am

**Alaska Dave** Everyone was complaining yesterday. Fourth day of sunshine and 75 degree temperatures. Everyone was hot and cranky

05-19-2023  
09:52:11 am

**Katie Lane** Women's race: Å Weibes, Vollering, Dygert. Å Good finish.

05-19-2023  
09:52:27 am

**Katie Lane** This is giving me The Fear

05-19-2023  
09:52:43 am

**Katie Lane** Wet, narrow!

05-19-2023  
09:53:00 am

**SFinAus** Perhaps "The Prudence" has come to the fore.

05-19-2023  
09:54:46 am

**Tim in KY** This goes on for 22 km.

05-19-2023  
09:55:04 am

**Charlie in Tenn** Crazy guy out front.

05-19-2023  
09:55:07 am

**Alaska Dave** Too sketchy for even an Astana attack

05-19-2023  
09:55:13 am

**SFinAus** Cheese-n-rice. Å I wouldn't want to do this on a dry sunny day.

05-19-2023  
09:55:51 am

**Charlie in Tenn** Funny Dave.

05-19-2023  
09:58:22 am

**Tim in KY** Parrot Painter is off the front by himself.

05-19-2023  
09:58:26 am

**Trish in MA** Shawn - that's one I've never heard. Å You'd think we'd all know all the "substitutions" for words we weren't supposed to say

05-19-2023  
09:58:39 am

**Alaska Dave** Through a roundabout onto a wider road but worse pavement.

05-19-2023  
09:59:19 am

**Charlie in Tenn** Leaders on dry roads for now.

05-19-2023  
09:59:43 am

**Tim in KY** Now I'm off to get a pre-vacation Covid booster.

05-19-2023  
09:59:54 am

**Katie S** Paved roads with white lines

05-19-2023  
10:03:03 am

**Trish in MA** We got our boosters several weeks ago.

05-19-2023  
10:03:39 am

**Trish in MA** Oh well. Â It was a thought. Â Have a great lunch.

05-19-2023  
10:04:50 am

**Katie S** I'm wondering if I can pay for and get one though I'm a couple years off the official age threshold.

05-19-2023  
10:05:41 am

**Trish in MA** Never mind about my last comment. Â I was responding to someone else on my messaging app which just happened to be right above the LUGNUTS window.

05-19-2023  
10:08:17 am

**Charlie in Tenn** Thoughts and great lunches are ok in my book.

05-19-2023  
10:09:33 am

**Toulouse** I have been a bad Giro watcher this year. Yesterday I tuned in with 4K to go. Today I'm doing 10x better than that.

05-19-2023  
10:11:29 am

**Katie S** and we applaud you

05-19-2023  
10:12:26 am

**Trish in MA** Glad that everyone got down safely.

05-19-2023  
10:13:09 am

**Katie Lane** Back after setting up some gravity dyes. Â Tie dyers and ice dyers will use about everything. Â Current set-ups include racks and tubs, colanders, guttering, and a wire trash basket. Â Oh, and a pump sprayer.

05-19-2023  
10:20:35 am

**Katie Lane** Glad the guys get at least some non-rainy segments with dry roads. A It's still got to be pretty miserable.

05-19-2023  
10:21:54 am

**Charlie in Tenn** Mad scientist at work.

05-19-2023  
10:22:32 am

**Katie Lane** Pretty much. A It's a blend of science, innovation and magic.

05-19-2023  
10:23:37 am

**Katie Lane** There's one lady whose water-conserving setup includes a reptile mister, and a dehumidifier to reclaim the water. A The water collected by the dehumidifier supplies the mister and just keeps getting recycled.

05-19-2023  
10:25:16 am

**Charlie in Tenn** Looks like all of my projects. I always need that one or two items that I don't have so have to improvise.

**Trish in MA** I won't even take pictures of where all my yarn is stashed. A Yarn, knitting books, fabric, needles, a yarn swift and ball winder, embroidery and needlepoint supplies, pillow forms. A My cats like to go up there and burrow around.

**Katie Lane** Oh, Katie, I assure you itâ€™s messy. Â I learned early on: tie in a totally separate place from where you dye. Iâ€™m lucky that the area where I dye has a floor drain and isnâ€™t too far from a spigot; I clean it up and hose it down frequently. Powdered dye gets in the air as fine particles and can travel in the air and deposit on surfaces where you donâ€™t want them. I use a face mask with P100 filters when Iâ€™m using the powdered dyes.

**Trish in MA** Ive never tried dying anything - except putting henna on my hair. Â I once turned my hair orange with henna.

05-19-2023  
10:51:33 am

**SFinAus** Hopefully Pinot pulls this off and doesn't drop with Toulouse's GCN feed.

05-19-2023  
10:52:43 am

**Trish in MA** GCN discussing Pinot's tactics. Â They don't like them.

05-19-2023  
11:09:47 am

**Katie S** If flattish at the end, is it similar to the finish at Stage 8 of the 2012 TdF when he soloed to a win? Maybe he can hold off these youngster and beat them on the flattishes.

05-19-2023

05-19-2023  
11:20:39 am

11:22:30 am

**Charlie in Tenn** Shawn, the 480 speed(?) videos from TIZ are the only ones I ever use. They are delayed a few seconds but always work better. 05-19-2023

**BusterSci** resolution, Charlie. 05-19-2023  
11:23:43 am
