Tim in KY Kilometer zero is scheduled for 12:20 CEST. Finish is imagined either side of 17:15. Forecast is for mostly sunshine with again the possibility of rain at the finish. Temps start in the scorching low 30s and decrease into the upper teens as the elevation increases.

05-26-2026
01:00:33 pm

Rocket City Gal There were no DNFs yesterday. Pellizzari had a very, very bad day and dropped 13 places in GC as he finished 22:38 after Vingegaard. He now has no chance of a GC top 10 or the white jersey, and his team will now focus their hopes on Hindley.

05-26-2026
10:58:11 pm

Tim in KY No DNS reported so far today and there is now the likelihood of rain at the finish. Also much warmer in the mountains than was forecast yesterday.

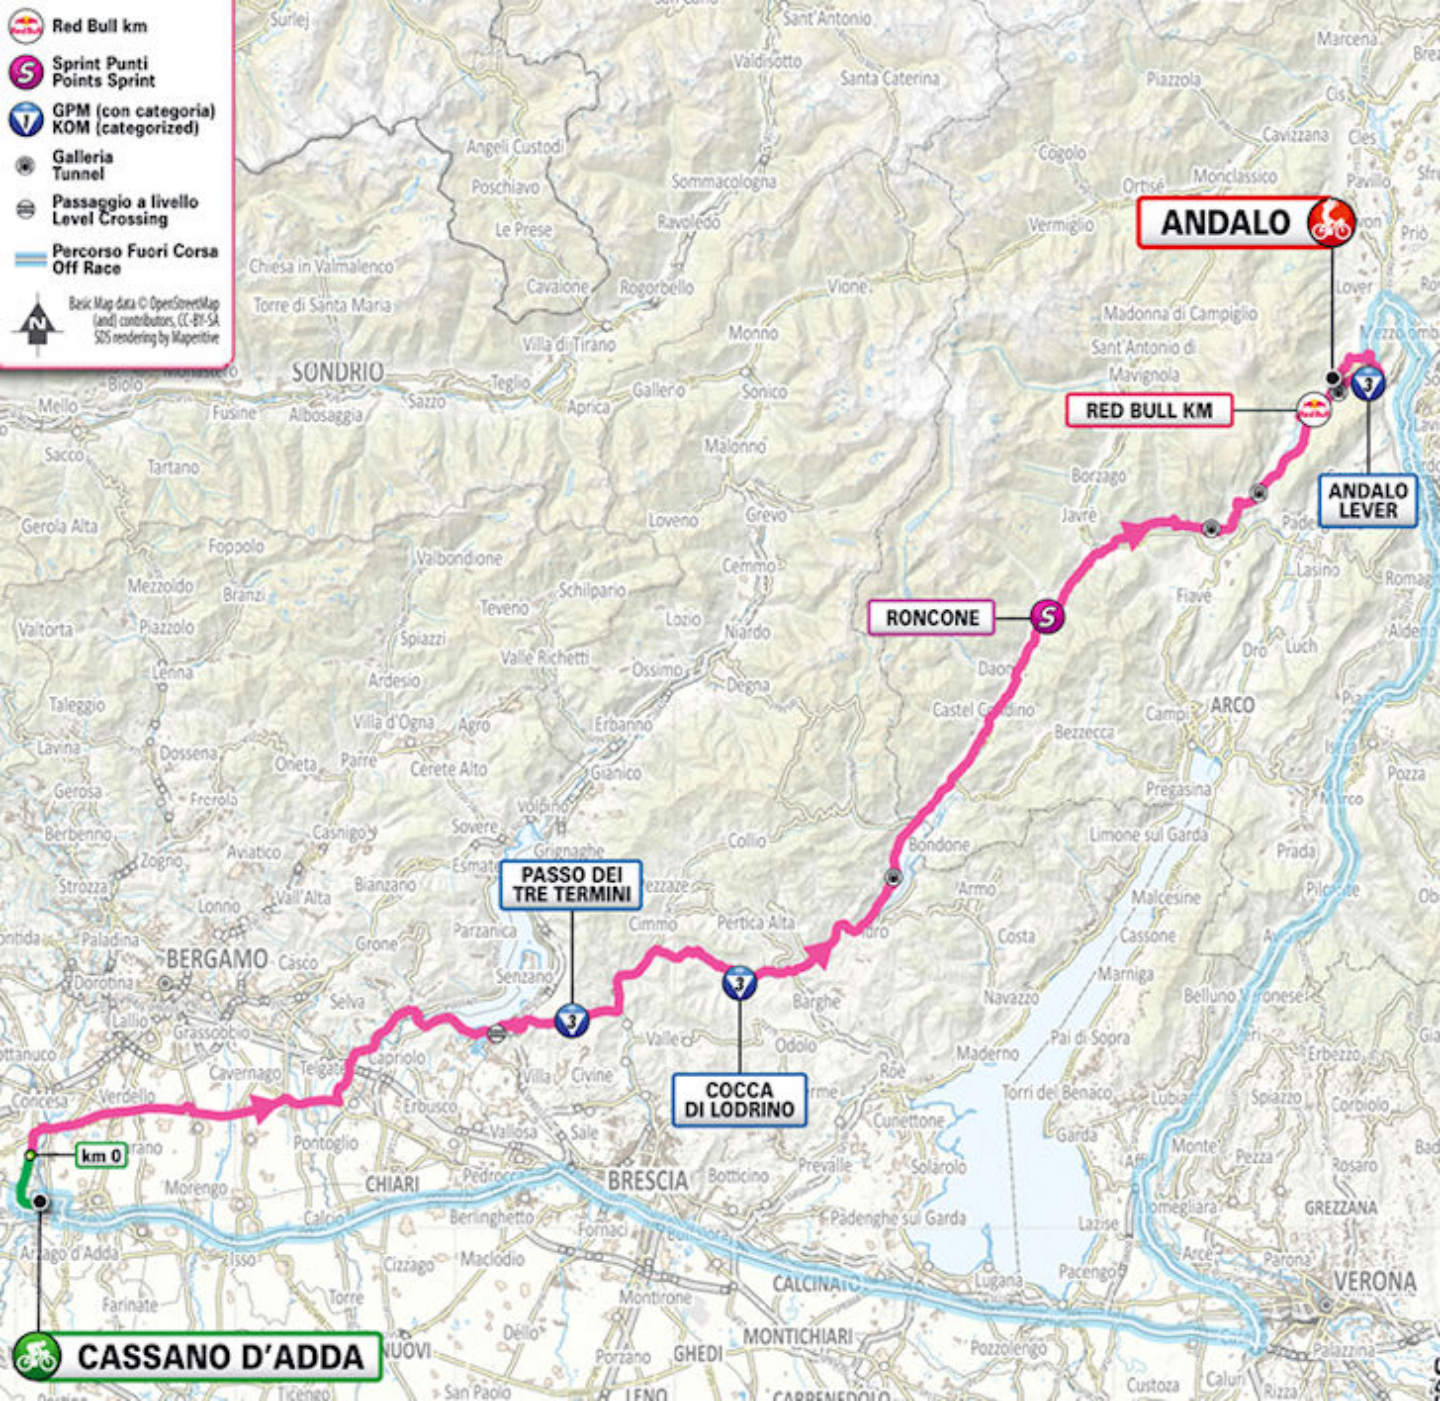

05-27-2026
06:16:01 am

Tim in KY Km0 finally ten minutes late.

Katie S Good morning! I had trouble getting the keyboard to come up to be able to sign in. Must be because of the humidity suffering and the boomier booms affecting RCG and the bus and train traveling by Trish

Katie S "Humidity suffocating Tim"

Rocket City Gal Kitten room successfully re-re-re-re-re(to the nth)-decontaminated and ready for the next group of kittens. All I know is they have the eye goops, respiratory crud and were pulled from a feral colony over the weekend and are about 6 weeks old. The person who takes care of the ferals (trap and neuter, pulling kittens to get fixed/adopted) has thankfully socialized them somewhat so they're not hissy.

05-27-2026
09:07:56 am

Rocket City Gal But that doesn't mean they haven't caught every blessed thing the other cats have.

05-27-2026
09:08:23 am

Rocket City Gal Previous group had coccidia (a difficult-to-eradicate parasite), eyegoops, and one had a mysterious febrile illness with temps close to 106 F which the vet thought might be FIP but which resolved with antibiotics.

05-27-2026
09:09:34 am

Katie S You're a good woman, RCG, to foster these tiny critters.

05-27-2026
09:10:24 am

Rocket City Gal So, yeah. Thought I was getting 2 adults post-quarantine to help them "decompress" and to get to know their temperaments and help them come out of their shell a bit after a shelter situation, but... sick kittens. Why not?

05-27-2026
09:10:33 am

Rocket City Gal The adults have been named Doug and Linda. Who names these cats?

05-27-2026
09:10:50 am

Rocket City Gal Katie, I'm getting the kittens instead of the adults because the poor foster woman who got them yesterday currently has 17 other foster kittens/cats (several litters of kittens). I got up to 11 felines in the house once including our 3; it was insane.

05-27-2026
09:13:30 am

Rocket City Gal Cavagna still out front. The 28 chasers at +2.turdytree and the peloton at +6:00 with 79 km to go. The big chasing breakaway group is starting to fragment.

05-27-2026
09:15:15 am

Katie S On the giro site they have this guy listed like this: "Michael Valgren Hundahl (Andersen)"

05-27-2026
09:16:26 am

Katie S Why?

05-27-2026
09:16:32 am

Rocket City Gal Narvaez will want to contest the intermediate sprint. He is only 2 points behind Magnier in the cyclamen jersey competition.

There are 12 points max up for grabs at the intermedate sprint and 25 at the finish.

05-27-2026
09:16:55 am

Rocket City Gal Katie, some weird Danish naming convention? Dunno. Born Michael Valgren Andersen. Now Michael Valgren Hundahl.

05-27-2026
09:18:06 am

Rocket City Gal Found this: "Michael Valgren's birth name is Michael Valgren Andersen. The "Andersen" acts as his traditional Scandinavian patronymic (meaning "son of Anders"). He legally changed his name to Michael Valgren Hundahl (using his maternal grandmother's maiden name, Hundahl)."

Rocket City Gal UAE, with only 4 riders, has had some of the best tactics of the Giro and (4? so far) stage wins.... And despite losing their GC guys after that stage 2 crash, they have a good chance of coming away from the Giro with a jersey.

05-27-2026
09:50:34 am

Rocket City Gal Narvaez doing what he needs to to get into the points jersey. He has a 10 point lead now.

05-27-2026
09:51:32 am

Rocket City Gal Could increase that more at today's finish.

05-27-2026
09:52:32 am

Alaska Dave I don't think the ciclamino jersey will remain with UAE but they should get huge kudos for making the race interesting. Narváez has a huge task ahead. Win the stage, collect some bonus points the next few days, easier said than done.

05-27-2026

-  **Trish in MA** I wish Ciccone were up there, just to get some KOM points. I much prefer jerseys to be won by different folks. Don't like the GC guys hovering up everything 05-27-2026 10:56:44 am
-
-  **Rocket City Gal** And why did spellcheck change who to whom? 05-27-2026 10:57:05 am
-
-  **Rocket City Gal** "Fuga" is the breakaway award. Most aggressive is a popularity contest by vote. 05-27-2026 10:57:57 am
-
-  **Mikey** Caught up on kitty talk horse talk and such 05-27-2026 10:58:13 am
