 **Charles Davis** Hi all 04-07 08:00

 **Donny** He is already back 04-07 08:00

 **Donny** Hey Charles 04-07 08:00

 **Charles Davis** I have been checking the pub during other races but evidently not when 04-07 08:03
any of you were there. It has been a good season so far.

 **Donny** Charles you and Sean Kelly showed up at the same time, coincidence or just 04-07 08:04
good timing?

 **Charles Davis** I am not saying. 04-07 08:05

 **Donny** Who is your man for the win today? 04-07 08:05

 **Charles Davis** BTW, I am a big Terpstra fan but did not put him on either team this 04-07 08:05
week. Hope he is ok.

 **Donny** Yeah, he was sitting in that collarbone position before laying back down. I hope 04-07 08:07
that is all it is, not that it is a good thing but could be worse.

 **Charles Davis** one of the Yankees, Sagan, MVA, VDP 04-07 08:08

 **Donny** I have that feeling about Sagan as well. GVA is also one that has seemed very 04-07 08:10
strong and is very motivated.

 **Charles Davis** I feel like Lampaert may want to get involved since he has not been on 04-07 08:10
the front of any of the races.

 **Charles Davis** Yes GVA will be trying hard. Those I mentioned were all on my teams. 04-07 08:15
Others, Benoot, Matthews, Kristoff, Degenkolb

 **Tim in KY** Lampaert hasn't done well in this race before. 04-07 08:15

 **Donny** DQS taking control of the pace on the front as Tim joins they action. 04-07 08:15

 **Tim in KY** I don't have Terpstra, either. I don't think he has enough support on that team. 04-07 08:17

 **Tim in KY** I don't have GVA because he's had a crappy spring so far. 04-07 08:17

 **Donny** I have no idea who is on what team, hope some good guys that do well. :) 04-07 08:19

 **Tim in KY** Instead of raining in Flanders, it's raining here. 04-07 08:20

 **Charles Davis** GVA has been strong but his team has not helped him enough. 04-07 08:21
Terpstra's team has been a lot stronger than I expected (second at Dwars) but I guess we will see if they have any strength left now.

 **Charles Davis** Demare tries to make a push. Looks like 10 followed by 4 then the bunch. 04-07 08:27

 **Tim in KY** CCC is going to let that attack go. Excet for the guy who hit the guardrail. 04-07 08:29

 **Tim in KY** Time for church. Hope to be back before the finish. 04-07 08:30

 **Charles Davis** Thanks Tim 04-07 08:30

 **Charles Davis** Donny, how has your spring been? 04-07 08:36

 **Charles Davis** How is the party at your house Buster? 04-07 08:37

 **Donny** Charles, I have had better. I spent the month of March laid up in bed after a surgery on the bottom of my foot. I have only been back on my feet for the past week. 04-07 08:39

 **BusterSci** Still quiet. DS Dagies should be here for the last 90 minutes or so. 04-07 08:39

-  **Charles Davis** This LUGNUT bunch is getting old. Someone is always going into the hospital or recovering. Hope you get well soon. 04-07 08:41
-  **Charles Davis** Looks like teams are starting to push. 04-07 08:41
-  **Donny** Thanks Charles. If the weather will improve I should be back out on the road this week. 04-07 08:43

-  **Jennifer Simon** GVA isn't on my Spring Classics team. Did we even have a RVV league, maybe I missed it? 04-07 09:05
-  **Jennifer Simon** No, I didn't miss it. Looks like it wasn't an option on VG 04-07 09:06
-  **Jennifer Simon** I do have Sagan, tho :D 04-07 09:06
-  **Charles Davis** There is a new fantasy stage race starting Monday. Go pick a team. 04-07 09:07
-  **Jennifer Simon** Itzulia. TNG is already in! 04-07 09:08
-  **Charles Davis** Olivera had a good ride going last week but had a flat. He is really on good form. 04-07 09:09
-  **Donny** Jen, there are two spring classics VG leagues 04-07 09:11
-  **Charles Davis** GVA crossing to the leaders 04-07 09:11
-  **Jennifer Simon** I'm in the Spring Classics League 04-07 09:11
-  **Donny** the Classic Classics game and the new Spring Classics game 04-07 09:11
-  **Jennifer Simon** I'm so confused... 04-07 09:12
-  **Trish in MA** The Cycling News feed is now focusing on the last 16K of the women's race. 04-07 09:12
-  **Jennifer Simon** Going back to the group page to verify all leagues have been entered 04-07 09:13
-  **Charles Davis** The squad classic league is like last year where you have one team of 12 riders and only have 24 transfers for the whole spring season. The Spring classics league allows you to pick a new team for each race during the spring. It is confusing. 04-07 09:16
-  **Donny** Almost as confusing as trying to keep up with what is going on in this race at the moment, Charles 04-07 09:18

 **Donny** 77km to go and 35" is the gap 04-07 09:19

 **Donny** If it does come back together as it is looking that it will, there is a guy named Peter something that has not put a hard pedal down all day, he could not tell you which way the wind is blowing as he has not felt a breath of it tucking in the bunch 04-07 09:21

 **Trish in MA** 7Km to go in the women's race. Van Vleuten, Ludwig and Bastianelli lead by 30 secs. 04-07 09:23

 **Charles Davis** Terpstra broken coccyx. 04-07 09:26

 **Donny** What a pain in the ass that is 04-07 09:26

 **Trish in MA** With less than 3K, it's still our leading 3 in the women's race. 04-07 09:27

 **Trish in MA** Van Vleuten can't shake Bastianelli 04-07 09:27

 **Jennifer Simon** DStan thinks de Ronde is the greatest one day race. I say PR all the way. What's your favorite 1 day-er? 04-07 09:29

 **Trish in MA** Red Kite in the women's race 04-07 09:30

 **Charles Davis** Bastianelli 04-07 09:30

 **BusterSci** Jenn, I say "Yes" 04-07 09:30

 **Charles Davis** All of them 04-07 09:30

 **Trish in MA** Wow, she beat Van Vleuten! Good on her! 04-07 09:31

 **Trish in MA** I want to see that video. Outkicking VV 04-07 09:31

 **Jennifer Simon** Agree, they're all pretty great! 04-07 09:32

	Donny I go with P-R Jenn. I love that race, it is the one that I would want to ride the least so I have the most respect for it.	04-07 09:32
	BusterSci I think Flanders and P-R are equal and the best race is whichever one is most exciting in a particular year.	04-07 09:32
	Donny down to 2 KU's	04-07 09:33
	Charles Davis What happened with Olivera? I read that he got kicked out of the race for a safety violation.	04-07 09:36

	Charles Davis Olivera had a good ride going last week but had a flat. He is really on good form.	04-07 09:09
	Donny Jen, there are two spring classics VG leagues	04-07 09:11
	Charles Davis GVA crossing to the leaders	04-07 09:11
	Jennifer Simon I'm in the Spring Classics League	04-07 09:11
	Donny the Classic Classics game and the new Spring Classics game	04-07 09:11
	Jennifer Simon I'm so confused...	04-07 09:12

 **Trish in MA** The Cycling News feed is now focusing on the last 16K of the women's race. 04-07 09:12

 **Jennifer Simon** Going back to the group page to verify all leagues have been entered 04-07 09:13

 **Charles Davis** The squad classic league is like last year where you have one team of 12 riders and only have 24 transfers for the whole spring season. The Spring classics league allows you to pick a new team for each race during the spring. It is confusing. 04-07 09:16

 **Donny** Almost as confusing as trying to keep up with what is going on in this race at the moment, Charles 04-07 09:18

 **Donny** 77km to go and 35" is the gap 04-07 09:19

 **Donny** If it does come back together as it is looking that it will, there is a guy named Peter something that has not put a hard pedal down all day, he could not tell you which way the wind is blowing as he has not felt a breath of it tucking in the bunch 04-07 09:21

 **Trish in MA** 7Km to go in the women's race. Van Vleuten, Ludwig and Bastianelli lead by 30 secs. 04-07 09:23

 **Charles Davis** Terpstra broken coccyx. 04-07 09:26

 **Donny** What a pain in the ass that is 04-07 09:26

 **Trish in MA** With less than 3K, it's still our leading 3 in the women's race. 04-07 09:27

 **Trish in MA** Van Vleuten can't shake Bastianelli 04-07 09:27

 **Jennifer Simon** DStan thinks de Ronde is the greatest one day race. I say PR all the way. What's your favorite 1 day-er? 04-07 09:29

 **Trish in MA** Red Kite in the women's race 04-07 09:30

 **Charles Davis** Bastianelli 04-07 09:30

	BusterSci Jenn, I say "Yes"	04-07 09:30
	Charles Davis All of them	04-07 09:30
	Trish in MA Wow, she beat Van Vleuten! Good on her!	04-07 09:31
	Trish in MA I want to see that video. Outkicking VV	04-07 09:31
	Jennifer Simon Agree, they're all pretty great!	04-07 09:32
	Donny I go with P-R Jenn. I love that race, it is the one that I would want to ride the least so I have the most respect for it.	04-07 09:32
	BusterSci I think Flanders and P-R are equal and the best race is whichever one is most exciting in a particular year.	04-07 09:32
	Donny down to 2 KU's	04-07 09:33
	Charles Davis What happened with Olivera? I read that he got kicked out of the race for a safety violation.	04-07 09:36
	Donny After all of the crazy attacking earlier, what we have now is what we expected. The bunch with full teams gathering at the front to put the leaders in a good position	04-07 09:37
	Donny MvDP is out damn	04-07 09:39
	Charles Davis He flatted and then the front wheel locked up and over he went. Seems to have hurt his elbow.	04-07 09:41
	Charles Davis Vanderburg and Van Marke on the front	04-07 09:43
	David Stanley Wow. Hey! G'day. Finally found a livestream. That was quite a crash.	04-07 09:44
	Charles Davis MVDP is passing people going up the hill.	04-07 09:44

 **BusterSci** vdP is NOT out 04-07 09:44

 **Donny** WOW that is impressive! I was impressed he got back on a bike. Getting back to the bunch is just, WOW 04-07 09:45

 **BusterSci** Is it believable? 04-07 09:45

 **David Stanley** crossers are used to crashing. But not often on concrete. 04-07 09:45

 **David Stanley** believable? Well, I hope they scanned his bike this morning, 04-07 09:47

 **Trish in MA** Love the kiwi avatar. I knit a kiwi as a Christmas present for some friends. 04-07 09:48

 **David Stanley** It's hard to see but it's actually a crying Kiwi - in remembrance of the Christchurch massacre a few weeks ago. Thanks for noticing. 04-07 09:49

 **Charles Davis** I like Asgreen for thr future 04-07 09:51

 **David Stanley** That's a good bet. Naesen, too. 04-07 09:51

 **David Stanley** You probably talked about this already but I'm curious. Who pays for a subscription vs. watches a livestream and then kicks into the guys Paypal? 04-07 09:55

 **BusterSci** FloBikes. 04-07 09:57

 **Donny** over the top and they leaders have that 20" gap holding 04-07 10:00

 **Donny** will that motor to the finish? 04-07 10:01

 **Charles Davis** Pirate this year 04-07 10:01

 **David Stanley** The Koppenberg. Every man for himself and devil take the hindmost. 04-07 10:02

 **Charles Davis** Gilbert got a call out again. 04-07 10:02

 **BusterSci** When there were no other options I was happy to pirate. But if companies like Fubo and Flo are willing to give us solid feeds I feel like I should pay. 04-07 10:03

 **David Stanley** I don't disagree. 04-07 10:04

 **Charles Davis** I agree except I am broke. Two foreign exchange teenage boys are eating us out of house and home. 04-07 10:05

 **David Stanley** I'm in a similar spot, \$\$\$\$. Lots of balls in the air, but money is close. I can afford \$10 to Walter Sandoval's Paypal, though. 04-07 10:06

 **BusterSci** Everyone's situation is different. But I think Flo charges a very reasonable price for 04-07 10:07

 **BusterSci** What they offer 04-07 10:07

 **Donny** I pay for Eurosport but they don't let me choose the language I want to hear it in so I watch one on tv and pirate the language I want. The aforementioned Fubo and Flo do not work over here. 04-07 10:07

 **Charles Davis** We did taxes yesterday. I cannot spend any money for a few months due to us realizing how many \$5-\$10-\$39.99 we have spent in the last year. Thankfully, we can feed those boys. 04-07 10:08

 **David Stanley** I think that's Dylan van Baarle coming up to the break. 04-07 10:08

 **Charles Davis** yep. 04-07 10:08

 **BusterSci** Is 04-07 10:08

 **David Stanley** I'm watching a Spanish stream and I can catch the names and the odd description. 04-07 10:09

 **Charles Davis** I watch Sporza some. I have no idea other than names. 04-07 10:09

	David Stanley 40 KM!	04-07 10:11
	Charles Davis I like the Flo package. Waiting to save some money. Ha. Dreams.	04-07 10:11
	David Stanley Taienberg soon. Charles, my big plan is to negotiate my cable package way down or leave ATT for comcast. Some financial planning, eh?	04-07 10:12
	Charles Davis Vanderburgh dropping back	04-07 10:13
	BusterSci Sagz!	04-07 10:13
	David Stanley Terpstra officially out for PR. Concussion and some other stuff, my medical French is not good.	04-07 10:14
	David Stanley Gaviria and Oss didn't make the split.	04-07 10:15
	BusterSci TBI and loss of consciousness says the team Twitter	04-07 10:16

	Charles Davis Anyone gonna chase?	04-07 10:20

	Donny Jungels is chasing	04-07 10:26
	BusterSci VdP going	04-07 10:27

	Donny Wout wout	04-07 10:29
	Donny the Sep Van out of the front three	04-07 10:30
	Donny GvA now on Bob's wheel	04-07 10:30
	David Stanley Has Sagan's nose seen the wind yet today?	04-07 10:33
	BusterSci He attacked a couple times early, but just to see the reaction.	04-07 10:34
	Donny nope, he has been tucked in tight	04-07 10:34
	David Stanley Another win to go with 2016 would bookend his shelves nicely.	04-07 10:36
	Charles Davis All pirate feeds dead. Back to Sporza.	04-07 10:36

	Charles Davis Three pinkies, 2 movistar good stuff	04-07 10:39

	BusterSci He's a good bet-tiol	04-07 10:43
	Donny 17km to go	04-07 10:44
	David Stanley Benoot was near the front when my feed died. Still hanging in there? He had a good year last season	04-07 10:44
	BusterSci He's with the chase	04-07 10:44
	BusterSci 14s	04-07 10:45
	Donny GVA Sagan Benoot Bob Valverde all trying to figure out what they are doing	04-07 10:45

 **David Stanley** Bettiol's pretty fair in a sprint, too. 04-07 10:48

 **Donny** VdP takes off! 04-07 10:48

 **Donny** VdP may have put too much into that attack 04-07 10:50

 **Charles Davis** Maybe, he can recover at the back. 04-07 10:50

 **Donny** 11km to go and Bettiol still holding 15" 04-07 10:51

 **Donny** hmmm maybe I can stop worrying about that gap timing 04-07 10:52

 **David Stanley** Bettiol has won (I think) 2 national TT champs. One as a jr, one as U-23. 04-07 10:54

 **BusterSci** Neither as a pro 04-07 10:54

 **David Stanley** 30 sec. 10 km. That means it comes together in the last 2 km. 04-07 10:54
