22-May-2019
07:47:50

BusterSci I think the GC guys don't want their domestiques to burn matches and the sprinter teams want to keep their reinforcements close so only the wildcard teams get in the break. Works out for everyone.

Charles Davis Thanks. I am behind on news. This birthday thing is on going. Here are some odd coincidences. Yesterday we delivered presents to a neighbor girl who is the same age as my daughter. They delivered some to us later in the day when her Mom got home. Both born on the same day. Her grandmother is also named the same as my daughter. Both families went to Chuck E. Cheese (different towns) for the birthday party. They went to Dollywood Splash park for yesterday and we are going next Wednesday.

22-May-2019

22-May-2019
09:42:58

Charles Davis They would be right

22-May-2019
09:43:20

Charles Davis There are still points available in the sprint so Demare will probably go for them and take Ackermann's Points jersey. Bora could send everyone to try and get them. It could be interesting.

22-May-2019
09:45:18

Tim in KY Looked like Demare got it, though.

22-May-2019

22-May-2019
10:03:44

BusterSci Ideal comms team for me would be Rob Hatch and Sean Kelly. Hayles and Quigley are inoffensive but not particularly interesting.

22-May-2019
10:04:45

BusterSci I like Robbie McEwan and his SBS partner as well.

22-May-2019
10:06:35

Tim in KY Why is there a huge 55 km banner?

22-May-2019
10:07:54

BusterSci I knew how Androni likes to be in breaks so I picked one of their riders as a 4 pointer. Just picked the wrong one. Frapporti would have been a nice 4 pointer.

22-May-2019
10:11:37

BusterSci Hello, sir.

22-May-2019

22-May-2019
10:21:56

BusterSci I still think Lopez and Landa could pay off, but I'm annoyed that I had Mollema and dropped him for some reason

22-May-2019

 **Charles Davis** Yes 22-May-2019 11:00:53

 **Charles Davis** I use a free one HOLA but If you have any money I suggest that you purchase a good one. 22-May-2019 11:01:47

 **BusterSci** My current one isn't doing what it should. I need to examine settings and such. 22-May-2019 11:03:02

 **Charles Davis** HOLA works and is rated good by the people that rate things but it is not as robust as a paid for one. 22-May-2019 11:03:26

Tim in KY Bora moves up finally.

22-May-2019
11:04:07

Charles Davis I think I saw it on a 10 free apps that everyone should try/use from CNET a few years ago. I have not had any problems with it.

22-May-2019
11:04:51

BusterSci I have used Private Internet Access for some years. It's like \$40 a year. But lately I've still been blocked, so I'm thinking I've got something set up wrong. I just don't use it as much as I used to so I haven't bothered with it.

22-May-2019
11:04:59

BusterSci 15km

22-May-2019
11:06:06

Charles Davis Could be, Technology above my pay grade I am afraid.

22-May-2019
11:06:26

Tim in KY Why is the banner in English?

22-May-2019
11:06:48

Charles Davis All of these riders have been saying the pace has not been good for their form. Why doesn't someone, anyone just speed up?

22-May-2019
11:07:25

Charles Davis They know the Americans are showing up for the finish?

22-May-2019
11:08:11

Tim in KY It looks like they will finish within the imagined time for a change.

22-May-2019
11:08:26

BusterSci Perhaps because English has become the default language in the peloton?

22-May-2019
11:08:34

BusterSci Let's see if Viviani actually follows his readout guys or instead just picks the wrong opponent's wheel.

22-May-2019
11:10:21

BusterSci leadout.

22-May-2019
11:10:28

Charles Davis Why doesn't Viv just stick with his train? Every race there is a DQS or two pulling and then looking around for Viv. Oh, there he is 5 riders back on someone else's wheel.

22-May-2019
11:10:32

Daniel Friebe @friebos

1h

Cipollini to [@Gazzetta_it](#) about Viviani:
"Don't call him the best sprinter in the world, otherwise I'll have to start training again."

BusterSci I think Viviani's head is super messed up since the relegation.

22-May-2019
11:10:54

Charles Davis Great minds...

22-May-2019
11:11:12

BusterSci Evidence 1: He's been taking Ewan's wheel as often as not. I don't care if Ewan might be the fastest, he's also the smallest.

22-May-2019
11:11:41

Charles Davis My announcers are chatting about him as well.

22-May-2019
11:11:51

BusterSci Giro. Italian. In the Italian National Champ jersey. Relegation. Pressure. Disappointment. Doubt.

22-May-2019
11:13:09

Tim in KY MTS and Jumbo riding next to each other. Like a swarm of bumble bees.

22-May-2019
11:13:24

Donny The mind of a sprinter is a difficult thing to judge, twitchy fellows that they are.

22-May-2019
11:13:29

Charles Davis Sabitini should just follow Jungels and go for the win. Not really, but Viv should.

22-May-2019

11:13:46

Charles Davis Not even funny any more

22-May-2019
11:14:05

BusterSci Because Cipo is an ass?

22-May-2019
11:14:30

Charles Davis We all know it is Gaviria.

22-May-2019
11:15:03

Katie S it's funny b/c it's pathetic. I just had a flash of that ridiculous lion skinsuit flash before my eyes...

22-May-2019
11:15:27

Donny Cipo, really needs to just go back to his yacht in Sardinia with the 20 or so beautiful women that would be happy to join him and leave the rest

22-May-2019
11:15:53

of us alone. I like the man best as a memory.

 **BusterSci** I don't think there is one. Cases could be made for Bennett, Gaviria, Groanwagon, 22-May-2019
11:16:06

 **Charles Davis** Some just can't let go of the glory. 22-May-2019
11:16:08

 **Charles Davis** ACKERMANN!!!! 22-May-2019
11:16:26

 **BusterSci** Ackermann needs a bit more consistency over a few more races to be in the conversation. 22-May-2019
11:17:28

 **BusterSci** There is nobody right now that is dominating like Cav did, or Kittel in his last QS year. 22-May-2019
11:18:11

 **Tim in KY** And Ackermann won't be at the TdF. 22-May-2019
11:18:26

 **BusterSci** Buchmann going for Bora. 22-May-2019
11:18:47

 **BusterSci** To the Tour that is. 22-May-2019

 **Charles Davis** Boro coming forward 22-May-2019
11:20:06

 **BusterSci** Lotto, and FDJ too 22-May-2019
11:20:19

 **Donny** exactly Buster, I don't think there is "a" dominant sprinter at the moment. They are all good and can win on any given day. They can all loose 22-May-2019
11:20:23

to a well placed fast finisher as well, even if they are not a pure sprinter, Sagan. So I think we are waiting for the next great sprinter to please stand up.

Tim in KY Now he's not.

22-May-2019
