08:11:27 am

Charlie in Tenn I am back. I managed to get in the drop off lane at school as some hold-up stopped everything. The Mom in front of me got out and unloaded her kids and got back in her car. I was daydreaming as the line started moving again. Everyone just kinda pulled out and I just followed the lady in front of me. As we pass the last drop-off, I realized that I had forgotten to actually drop off my daughter. So I circle

10:42:27 am

SfinAus Very spotty race attn on my part today, but an hour or so I go I thought I heard best rider in the break at the time was ~5 minutes down. Does anyone know about virtual pink at this point? (JC, not really expecting a change.)

05-14-2024
10:45:40 am

Charlie in Tenn My daydreaming was about Mom's walking through the car traffic line to the school and not noticing that their son is 15 ft behind them and that their daughter was another 20 behind him. No cars were moving but that was part of the slow down. I was thinking about times I turned around and my kids were standing in a street or similar. I am sure there is no strategy to beat Pog at the Giro.
