05-07-2022  
02:03:55 pm

**Tim in KY** The profile is essentially flat. There is a small Cat 4 hill that crests 12.6 kilometers from the finish but it is not likely to have any influence on the expected bunch sprint.

05-08-2022  
06:48:11 am

**Tim in KY** Now chores.

05-08-2022  
06:48:38 am

**BusterSci** This is the latest I've slept in at least a year.

05-08-2022  
07:02:40 am

**Tim in KY** Good for you.

05-08-2022  
07:15:13 am

**Tim in KY** Gap is out to 6:00.

05-08-2022  
07:16:39 am

**Tim in KY** If they continue this slowly, I will miss the finish. Big family brunch this morning. Combination Mother's Day and granddaughter's 16th birthday.

05-08-2022  
07:18:38 am

**BusterSci** We did Mothers' Day and FIL's birthday yesterday.

05-08-2022  
07:19:11 am

**Tim in KY** Alpecin holding the gap at 6:00 for now.

05-08-2022

**Tim in KY** Next month we have MIL's 101st birthday.

05-08-2022

**Charlie in Tenn** Hello Happy Mothers Day

05-08-2022  
07:29:17 am

**Charlie in Tenn** I am worn out from putting up and taking down canopies and setting up chairs from yesterday.

05-08-2022  
07:31:08 am

**Tim in KY** Morning, Charlie.

05-08-2022  
07:31:31 am

**Charlie in Tenn** I need to find the pottery I bought for my wife. I got to be in one of my hiding spots.

05-08-2022  
07:32:27 am

**Tim in KY** Gap is down to 4:15.

05-08-2022  
07:32:39 am

**Tim in KY** Alpecin needs to let up a bit.

05-08-2022  
07:41:39 am

**Charlie in Tenn** Seems odd to be closing that much. Maybe someone needs to stop for a bathroom break?

05-08-2022  
07:45:06 am

**BusterSci** Just did, thanks.

05-08-2022  
07:49:44 am

**Tim in KY** Maybe the break needs to speed up. But this is a bit weird.

05-08-2022  
07:50:52 am

**Tim in KY** Seems to be holding at 2:30 for now.

05-08-2022  
07:54:32 am

**Katie S** Good morning. I see Alpecin is showing off their kits for Tim

05-08-2022  
08:06:49 am

**Tim in KY** Good morning Katie. Find the falcons yesterday?

05-08-2022  
08:07:33 am

**Tim in KY** Gap holding at 2:30 still. But ten minutes slower than the slowest imaginable...

05-08-2022  
08:10:47 am

**Tim in KY** Still raining at the finish.

05-08-2022  
08:11:51 am

**Katie S** Yes, I did see falcons. I am not sure when they hatched, but they are pretty much feathered out, but I'm not sure if they're flying. They didn't yesterday. They stayed at the mouth of their cave up on the cliff above the road/ocean. I saw four - two young and two adults. I did see one adult snatch a smaller bird out of the air and bring it on back. But it was blustery, misty and about 52 degrees, so miserable for bird and birder.

05-08-2022  
08:15:14 am

**Katie S** and, yes, blustery and misty sounds like an oxymoron.

05-08-2022  
08:16:59 am

**Katie S** Those rape fields are brilliant. Makes our mustard fields look low wattage.

05-08-2022  
08:20:23 am

**Tim in KY** The tour of Romandie was nothing but rape fields.

05-08-2022  
08:23:12 am

**BusterSci** Back 30 years ago, when peregrines were just coming back to the MSP area, there was a male that took the area around my place of work as his territory. There was a nest in a siren tower near the property. The building had the obligatory mirrored glass walls, and for a week the male would fly laps around the building much of the day, occasionally turning to attack it's reflection in the glass.

05-08-2022  
08:23:26 am

**BusterSci** Not a fan of mirrored glass curtain walls.

05-08-2022  
08:23:41 am

**Katie S** yikes

05-08-2022  
08:24:22 am

**Tim in KY** We had peregrines downtown for a while but there really weren't enough pigeons to keep them happy.

05-08-2022  
08:25:25 am

**Tim in KY** The battle for sprint points brought the gap under 2:00 briefly.

05-08-2022  
08:33:00 am

**BusterSci** Cav has to think if there's a chance of him winning a stage in the Tour this year, he needs to win today.

05-08-2022  
08:37:10 am

**BusterSci** No additional nitrogen needed in that section of road for a while.

05-08-2022  
08:38:12 am

**Tim in KY** Cav needs more than one stage win to get himself into the Tour.

05-08-2022  
08:39:19 am

**Charlie in Tenn** Exciting sprint. Kinda. Front three do whatever. Then Gaviria and Demare fight for the leftovers. Seems like we need to discuss the ciclamino jersey. Who is going to finish the race and try for that jersey?

05-08-2022  
08:39:51 am

**Charlie in Tenn** Cav and Ewan are leaving. MVDP, Nizzolo, Demare, Grmay seem like they may be staying.

05-08-2022  
08:41:55 am

**Tim in KY** The blob of rain on the north side of the lake hasn't moved for the last two hours.

05-08-2022  
08:45:36 am

**Katie S** Wonder what the sense is among the locals about the Russian war on Ukraine. We know Orban is an ally of Putin. One of my best friends in early elementary school was the daughter of a couple who escaped Hungary with pretty much

05-08-2022  
08:48:01 am

nothing but their shirts on their backs in 1956. Through Mary's life through high school, her family of four lived in a two-bedroom house. Mary got a bedroom, but her older brother slept on a divan in the kitchen. I don't know what her folks did, but I remember their heavy accents. And I remember my mom had tremendous respect and admiration for them. Being in California, we didn't have many Eastern Europeans in our communities.

**Tim in KY** Alpecin only has one man on the front now.Â Used to be five.

05-08-2022  
08:52:13 am

**Tim in KY** 15 minutes slower than...

05-08-2022  
08:52:54 am

**BusterSci** Nothing is absolute, but generally the support for Putin comes from older, rural folks while younger, urban people are more western in their outlooks. Â But there are weird dynamics in places like Serbia, Hungary, Slovakia, Czechia, etc. Â Russian support is a distinct minority in most of the former republics, but is much stronger in these places.

05-08-2022  
08:55:10 am

**BusterSci** Plus former Yugoslavia is a different animal altogether.

05-08-2022  
08:55:39 am

**BusterSci** Also, there's a much stronger anti-western vibe in Central European slavic countries. Â Not necessarily pro-russian for Putin sake, but because it's the alternative to the West.

05-08-2022  
09:02:31 am

**Katie S** This is a good book for some perspective on the complex history of that end of the Danube: The Bridge on the Drina, by Ivo Andric.Â From Amazon: The Bridge on the Drina is a vivid depiction of the suffering history has imposed upon the people of Bosnia from the late 16th century to the beginning of World War I.

05-08-2022  
09:02:43 am

**Katie S** it's a novel. I bought it (in English, of course) during my Danube riverboat trip w/ Mom.

05-08-2022  
09:03:28 am

**BusterSci** Similarly, if you want something on the situation in Ukraine, The Gates of Europe by Serhii Plokhy is currently considered a definitive text.

05-08-2022  
09:04:44 am

**bikerabe** Most important book now is '1984' not only Putin's Newspeech, but American states outlawing teaching about non-binary gender identity, abortion and systemic racism

05-08-2022  
09:04:52 am

**Katie S** yes ... and Fahrenheit 451 in which firemen don't put out fires but burn books...

05-08-2022  
09:07:49 am

**BusterSci** Although thanks to the digital revolution, burning books doesn't mean all that much any more. Â I wonder if the symbolism of that will last even another 50 years?

05-08-2022  
09:09:12 am

**Katie S** maybe the modern version would be the IT "Help" Desk is the group that blocks sites

05-08-2022  
09:13:05 am

**BusterSci** That's good.

05-08-2022  
09:15:48 am

**bikerabe** Look at how much thought control is imposed on the Internet in China. Bradbury was so right in forecasting giant wall TVs.

05-08-2022  
09:16:35 am

**BusterSci** And we LOVE them!

05-08-2022  
09:17:23 am

**bikerabe** 101 km to go 3' gap

05-08-2022  
09:17:38 am

**BusterSci** Although that was Orwell, not Bradbury, right?

05-08-2022  
09:18:12 am

**Tim in KY** 3 KU to go.

05-08-2022  
09:19:07 am

**Tim in KY** Puddles on the road now.

05-08-2022  
09:19:32 am

**Katie S** Fahrenheit 451 had living rooms with full-wall TVs. Remember wife would sit with her friends and they were all involved in what was the contemporary version of The Kardashians

05-08-2022  
09:19:58 am

**BusterSci** Oh, right. Â Been a long time.

05-08-2022

05-08-2022  
09:20:41 am

**Tim in KY** Still 15 minutes slower....

05-08-2022  
09:21:51 am

**BusterSci** Only the state doesn't much care most of the time. Â It's surveillance commerce, not surveillance state.

05-08-2022  
09:22:20 am

**Katie S** Thanks, Tim ... Funny that our commentators are even apologizing for NRRBBB because "there's not a lot going on in the race right now"

05-08-2022  
09:28:25 am

**BusterSci** Well, Tiz is hosed

**mmcally** Hello everyone. Mother's Day and my wife's 50th B-day festivities today.

05-08-2022  
09:35:53 am

**Charlie in Tenn** Sorry Buster. I am on GCN+ now.

05-08-2022  
09:37:56 am

**Charlie in Tenn** You celebrate the big 5-0 and announce it to the world. You have a great relationship.

05-08-2022  
09:38:52 am

**BusterSci** No reason to be sorry. Â This is hardly a stage where one feels bad when the stream cuts out.

05-08-2022  
09:39:13 am

**Charlie in Tenn** No kidding. I was listening to both feeds on Tiz and didn't even realize it was happening.

05-08-2022  
09:40:01 am

**mmcally** We celebrated my 50th in Paris this past December. We will be celebrating hers in France in July.

05-08-2022  
09:43:40 am

**Katie S** Happy Birthday to your wife!

05-08-2022  
09:44:31 am

**Katie S** I'm getting ready to drive with Mom down to Salinas (2 hours away) to go to church where my brother is the pastor AND to celebrate his birthday,

05-08-2022  
09:45:24 am

which is today.

**BusterSci** Our European travels may be over for along while. Ripley no longer wants to be at day care or boarding (to the point she's too much trouble for the people there) and Frau's parents have too much going on with health issues. That's one reason why we've started looking for a cabin. We figured that could be most of our vacations until things change.

05-08-2022  
09:46:11 am

**Mikey** Thanks Tim for the early morning bison....

05-08-2022  
09:46:49 am

**Tim in KY** It was a substantial herd.

05-08-2022  
09:47:13 am

**Tim in KY** De Gendt has been minding the gap for 50 km now.

05-08-2022  
09:47:45 am

**mmcally** We have one daughter graduating from college next week and the other is a two years away. We waited on our European travels, so now trying to take full advantage of it. But Covid still complicates things.

05-08-2022  
09:48:00 am

**Tim in KY** And now he's not.

05-08-2022  
09:48:08 am

**Mikey** Don't know if you remember but Mons talked about the Quad City area being a great spot to watch eagles. Eagles but the hundreds! Sometimes the trees look almost solid with them.

05-08-2022  
09:49:03 am

**BusterSci** Same true in the river bottoms in MSP, and all along the Driftless.

05-08-2022  
09:49:54 am

**Charlie in Tenn** We are cruising from Italy to Greece to Turkey and back this fall. I have an actual itinerary somewhere but I will fill in later. I am happy to be back to traveling.

05-08-2022  
09:54:25 am

**Mikey** The wif and I did that cruise Charlie and we really enjoyed it. Especially Turkey

05-08-2022  
09:55:30 am

**Katie S** Fetish Palace!

05-08-2022  
09:56:20 am

**Katie S** oh, sorry Festecis..

05-08-2022  
09:56:26 am

**Charlie in Tenn** Thanks for sharing but...

05-08-2022  
09:56:46 am

**Mikey** We were just talking about whether we thought we were ready to cruise again

05-08-2022  
09:59:16 am

**Tim in KY** Break has really upped its pace. But not affecting the gap much.

05-08-2022  
09:59:20 am

**BusterSci** The banner ad on the Tiz page right now is for Naked and Afraid XL on Discovery channel. Â Let that sink in.

05-08-2022  
09:59:36 am

**Katie S** i am very afraid

05-08-2022  
10:00:07 am

**BusterSci** I will never be ready to cruise.

05-08-2022  
10:00:12 am

**Mikey** Thats what I thought Buster until I went on one...

05-08-2022  
10:00:38 am

**BusterSci** That's what I've heard, but I get edgy on a bus.

05-08-2022  
10:00:53 am

**Mikey** Think of it as a really big floating bus

05-08-2022  
10:01:15 am

**BusterSci** And there ya go.

05-08-2022  
10:01:23 am

**Katie S** floating hotel,with windows that open

05-08-2022  
10:01:43 am

**Mikey** I was surprised how much I liked it and would go again. We did have a balcony and that really made a difference for me. I won a ship held table tennis tournament for free drinks!

05-08-2022  
10:02:40 am

**BusterSci** Busy day in Ukraine. Â Jill Biden meeting Olena Zelensky, Justin Trudeau in Irpin, Bono and The Edge playing a free concert in Kyiv by invitation of Zelensky.

05-08-2022  
10:02:41 am

**Katie S** anyone else enjoying how much of a numbers wonk Robbie is? He loves to calculate things.

05-08-2022  
10:02:47 am

**Mikey** I'm using yesterdays suggestion and logged into Bein sports

05-08-2022  
10:03:38 am

**Tim in KY** Here is the slightly downhill finish Robbie has been talking about:

05-08-2022  
10:04:11 am

**Mikey** I have to figure out how to cast it to our stupid TV

05-08-2022  
10:04:21 am

**BusterSci** This is us: We travel to Europe in late October to early December to avoid crowds. We stay in 1 and 2 room VRBO and B&Bs to avoid fellow travelers. We canoe into the BWCA the first two weeks after ice out or after mid September. Our vacations--and much of our lives--are about avoiding people. I'm OK with up to about 8. 4 or 6 is better. Past 12 and I want to go hide.

05-08-2022  
10:06:48 am

**Mikey** And I thought I was anti-social

05-08-2022  
10:08:02 am

**BusterSci** Linus van Pelt has always been a role model for me. "I love mankind! It's PEOPLE I can't stand!"

05-08-2022  
10:09:32 am

**Mikey** But I am totally with you..... still I can't really explain why I enjoyed the cruise so much. Maybe because you get off the ship so often. And the food and the drinks

05-08-2022  
10:09:36 am

**mmcally** Our trip in December was nice. We walked up to Versailles with not one single person in front of us to enter. Did a chateau tour and again no lines and very few people. It was very nice. We are going to stages 17, 18 and 21 of the Tour, so guessing that will not be people free.

05-08-2022  
10:10:23 am

**Tim in KY** Gap is down to 1:37 with just under 2 KU to go.

05-08-2022  
10:11:44 am

**BusterSci** We did Versailles at about the same time. Had a great fancy meal for lunch--there was one business lunch group in the restaurant at the same time--and then went through the palace and have a photo of the hall of mirrors without a single person in it. But I will say, the grounds were uninspiring and seeing them in full leaf and bloom would have been nice.

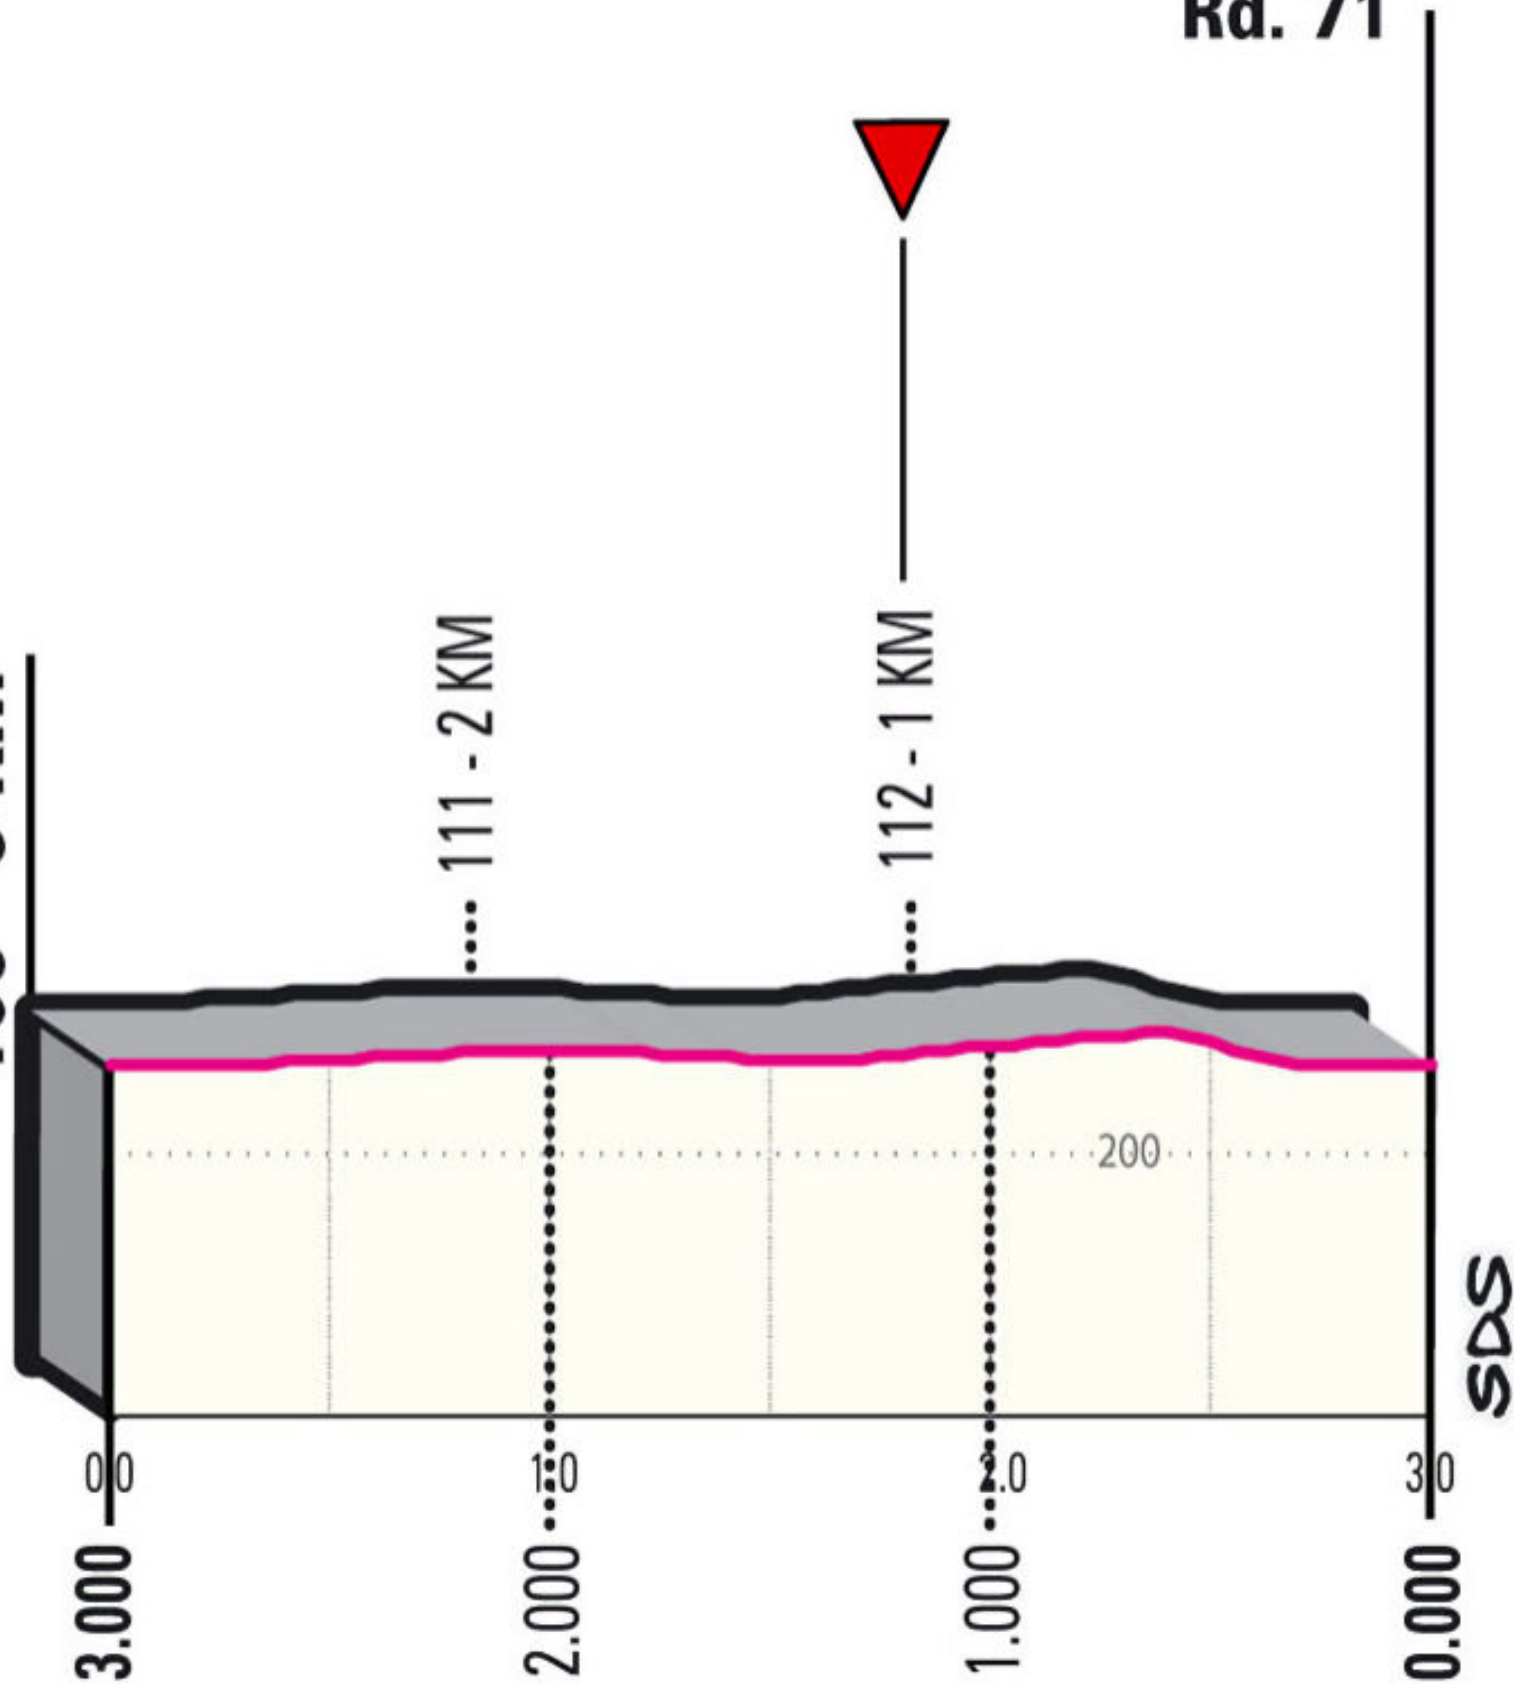

05-08-2022

# 108 - BALATONFÜRED

Rd. 71

108 - 3 KM

**Charlie in Tenn** My tour of Versailles was in July 84. Seemed like there were lots of people but I didn't mind. The gardens were beautiful.

05-08-2022  
10:17:22 am

**mmcally** That was a tradeoff not seeing the grounds in the summer. But nice to be able to take our time inside without all the people pushing around.

05-08-2022  
10:17:24 am

**Charlie in Tenn** As for the cruise, I am concerned. I get motion sickness often. Wife just bought me an electronic motion sickness wristband. I will have fun or not. We will see.

05-08-2022  
10:21:06 am

**BusterSci** My understanding is you are VERY unlikely to deal with motion sickness on a large cruise ship.

05-08-2022  
10:23:33 am

**Mikey** The wif was really concerned too. So much that she went to see our Dr for meds. But she never had to take any ! She was surprised by how smooth it was even when it stormed

05-08-2022  
10:24:15 am

**Charlie in Tenn** There may be a dragon in this finish straight. The road is very slightly downhill and narrows and kinks to the right with 500 m to go. Could cause problems.

05-08-2022  
10:24:42 am

**Tim in KY** Sprint with time bonuses coming with 52 km to go.

05-08-2022  
10:25:15 am

**Mikey** Is that like 10 more k?

05-08-2022  
10:25:41 am

**Katie S** alas, I will miss seeing who slays this dragon. I'm off to fetch mom and then drive down to my brother's. From there, we come back home a different route and drop in on my sisters.

05-08-2022  
10:25:44 am

**Katie S** Enjoy the day, all.

05-08-2022  
10:25:49 am

**Tim in KY** GCN+ just showed the last KM and it was pretty benign.

05-08-2022  
10:26:15 am

**Charlie in Tenn** Yeah, I hope the 10 days is non-eventful in the motion sickness area.

05-08-2022  
10:26:18 am

**Charlie in Tenn** Bye Katie.

05-08-2022  
10:27:01 am

 **Tim in KY** Nice to see the breakaway actually contest the sprint. 05-08-2022  
10:30:25 am

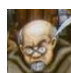

---

 **Charlie in Tenn** Yeah. Let's see who sprints for seconds from the pack. No Ciclamino pts here. 05-08-2022  
10:31:15 am

---

 **SFinAus** Greetings all. My Giro continues to be limited until Wed. :( 05-08-2022  
10:31:39 am

---

 **Charlie in Tenn** Glad to see you. How is the weather? 05-08-2022  
10:33:26 am

---

 **Tim in KY** Basal Quarry? Basalt, maybe? 05-08-2022  
10:34:11 am

---

 **BusterSci** Did Robbie say it? The Aussie twang would make the first a long and hide the t. 05-08-2022

10:35:11 am

---

 **SFinAus** Well, I'm actually SFinMKE for the past few weeks which has mostly been in 40s and cloudy/wet. Texas spring in March April was \*so damn windy\*. We went for our first ride yesterday in weeks and it was nice 05-08-2022  
10:35:22 am

---

 **Tim in KY** It was on the screen. 05-08-2022  
10:35:44 am

---

 **BusterSci** HA. No excuse then 05-08-2022  
10:36:27 am

---

 **BusterSci** Someone should move and be Mikey in MKE. 05-08-2022  
10:37:09 am

---

 **SFinAus** Along the lines of windy, we had a tornado touch down just a couple of miles from the house in Round Rock Tx. We had some really strong straight line winds for a minute and power outage, but escaped damage. Many did not unfortunately. 05-08-2022  
10:37:46 am

---

**SFinAus** Well, if Mikey MKE and I meet in AUS sometime, that will complete some kind of circle, right?

05-08-2022  
10:38:35 am

**BusterSci** You should move to San Francisco

05-08-2022  
10:39:10 am

**SFinAus** It could get so confusing. Would be nice to meet Katie though.

05-08-2022  
10:40:17 am

**Tim in KY** Too soon to catch.

05-08-2022  
10:40:35 am

**BusterSci** I think so far it's been as much about the break giving up as the peloton timing a catch.

05-08-2022  
10:41:36 am

**Tim in KY** 45 km banner.

05-08-2022  
10:43:25 am

**Mikey** I'm IN for a meet in Austin. My son lives in the area

05-08-2022  
10:43:39 am

**BusterSci** I still see Austin and think "Ooh, the SPAM Museum" But that's Austin, MN.

05-08-2022  
10:44:33 am

**SFinAus** We have Spam water bottles from Austin, MN.

05-08-2022  
10:46:38 am

**Charlie in Tenn** SPAM museum is to far south for our trip this summer. Maybe next time.

05-08-2022  
10:46:50 am

**Tim in KY** One DH has sat up.

05-08-2022  
10:47:07 am

05-08-2022  
10:47:41 am

**Tim in KY** Peloton has let up. Gap is going back up.

05-08-2022

05-08-2022  
10:48:42 am

**Mikey** The main group doesn't want to shut it down yet

05-08-2022  
10:48:50 am

**Charlie in Tenn** Buster, don't think I answered your question yesterday. We will boat from Copper Harbor in Michigan to Isle Royale. Something about when the boats leave and return makes it the better choice for us.

05-08-2022  
10:48:59 am

**Tim in KY** 40 km banner.

05-08-2022  
10:50:06 am

**BusterSci** I think you could have more difficulty with motion sickness on that trip than the cruise.

05-08-2022  
10:52:02 am

**Charlie in Tenn** Buster and everyone else, I will check on the drive and dates and fill you in later this week. It is all on the wife's computer and she is working on some things today.

05-08-2022  
10:52:24 am

**Tim in KY** There is no rain on the radar right now.

05-08-2022  
10:53:21 am

**Charlie in Tenn** Yes, I expect that I will.

05-08-2022  
10:54:11 am

**Mikey** Outriggers

05-08-2022  
10:55:05 am

**Mikey** I just like saying that

05-08-2022  
10:55:29 am

**BusterSci** Cool. Depending on timing, I'd be happy to meet you at a MSP stop of your choosing, or have y'all over for pizza if you're staying in the area overnight.

05-08-2022  
10:55:33 am

**Tim in KY** Time for me to go to the party.

05-08-2022  
10:56:38 am

**BusterSci** Party on, Tim

05-08-2022  
10:56:47 am

**Mikey** Enjoy

05-08-2022  
10:56:55 am

**BusterSci** I was going to give a race update but Tiz is coming across like dial-up right now.

05-08-2022  
11:00:14 am

**BusterSci** two digits point something to go and to digits seconds gap

05-08-2022

05-08-2022  
11:06:27 am

**Charlie in Tenn** Ewan has a big bandage on his leg. Hard to say.

05-08-2022  
11:07:03 am

**Mikey** I had Demare until the 23 1/2 hour and switched to Ewan

05-08-2022  
11:07:41 am

**Charlie in Tenn** I decided to go with Gaviria because I thought he would finish the race and might win the sprint jersey because of that.

05-08-2022  
11:09:15 am

**Mikey** Makes sense

05-08-2022  
11:09:40 am

**Charlie in Tenn** However, I think MVDP will win points on lots of days that Gaviria does not.

05-08-2022  
11:09:58 am

**BusterSci** Yeah, MvdP will be hard to beat in the sprint competition.

05-08-2022  
11:12:06 am

05-08-2022

**Mikey** KOMÂ yawn

05-08-2022  
11:25:25 am

**Charlie in Tenn** That is Nizzolo's lead out. Zabel. Maybe not good for Nizzolo.

05-08-2022
