**Tim in KY** It's strange to see New York Avenue totally shut down.

07-24-2022  
07:00:18 am

**Tim in KY** It's tolerable in the breeze in the shade but it's brutal in the sun.

07-24-2022  
07:04:20 am

**Charlie in Tenn** 80 here at the moment, zero wind, 94% humidity, 2% chance of rain. I am staying inside and watching racing.

07-24-2022  
07:10:31 am

**Tim in KY** TV chopper is flying up and down the River.

07-24-2022  
07:11:41 am

**Trish in MA** Well, coverage says it's started, but I just have a dark screen.

07-24-2022  
07:24:54 am

**Trish in MA** Tell that chopper to start sending images!

07-24-2022  
07:25:19 am

**Trish in MA** And they are off!

07-24-2022  
07:31:04 am

**Katie S** Bonjour! Tim, great to see you at the barriers and in Paris.

07-24-2022  
07:36:03 am

**Katie S** It's dark here in California, but I slept like a kid on Christmas Eve. Looking forward to seeing the women on the Champs.

07-24-2022  
07:37:22 am

**Charlie in Tenn** WHF won at the Wallonie race yesterday. Good to see him back. Girmay finished 23rd. Also good to see him back.

07-24-2022  
07:41:26 am

**Trish in MA** The race is on!

07-24-2022  
07:41:30 am

**Charlie in Tenn** So was anyone brave enough to not take VAN VLEUTEN Annemiek ?

07-24-2022  
07:48:08 am

**bikerAbe** I didn't

07-24-2022  
07:50:31 am

**Charlie in Tenn** I didn't either but I dreamed about re-picking my team all night long. I got up and checked to see if I could change this morning but I was to late.

07-24-2022  
07:53:00 am

**Katie S** Me neither. Because I'm trying to replicate Tim's results with the men's race

07-24-2022  
07:53:08 am

**Charlie in Tenn** OK, did anyone take Balsamo and Weibes and Vos? I took Vos and Weibes though my heart really wanted Balsamo.

07-24-2022  
07:54:28 am

**Katie S** I took Balsamo and Vos

07-24-2022  
07:54:56 am

**bikerAbe** I took Vos and Weibes, too

07-24-2022  
07:56:42 am

**Tim in KY** Neutral start goes by a whole lot faster than it looks n TV.

07-24-2022  
08:00:45 am

**Trish in MA** There were so many choices. But how could you not take Van Vleuten?

07-24-2022  
08:00:48 am

**Katie S** I feel like I'm there, Tim. Thanks!!

07-24-2022  
08:01:08 am

**Trish in MA** Tim, thanks. It is amazing how fast they go.

07-24-2022  
08:02:01 am

**bikerAbe** my Peacock stream is constantly stopping and starting very v2nd class

07-24-2022  
08:02:13 am

**Katie S** Just under 2 KU

07-24-2022  
08:02:21 am

**Katie S** So, other than seeing each other's progress in the league, is there a way to communicate about it amongst ourselves on that site, or?

07-24-2022  
08:04:20 am

**Tim in KY** Having to rehydrate. Water.

07-24-2022  
08:05:51 am

**Tim in KY** Norwegian corner blocked off. Why? Â Every other spot is packed.

07-24-2022  
08:07:39 am

**Katie S** Paris in 1990 was the first st place and time I ever saw people walking around with bottled water

07-24-2022  
08:08:03 am

**Charlie in Tenn** Katie, no. You have to use some other forum, like this or FB or discord . However, I will be happy to chat with you on any of those or emails or texts or whatever.

07-24-2022  
08:08:26 am

**Charlie in Tenn** So all of this pollution is because of the French. I knew it.

07-24-2022  
08:09:05 am

**Katie S** Thank you!

07-24-2022  
08:09:07 am

**Tim in KY** If itâ€™s like other stages, Mike is in one of those yellow three-deckers where the Place meets the Champs.

07-24-2022  
08:11:36 am

**BusterSci** Same. Â Katie, as someone who has thought long about quitting Facebook, can I ask if there is a reason you don't join us there that maybe can be addressed?

07-24-2022  
08:11:51 am

**Charlie in Tenn** I just checked velogames to see if there was any communication tools. I don't see any. BTW, Buster was listed in 13th place when I checked.

07-24-2022  
08:12:25 am

**BusterSci** I should be upside down.

07-24-2022  
08:12:45 am

**Charlie in Tenn** Good call

07-24-2022  
08:13:06 am

**BusterSci** I haven't accused anyone of cheating this Tour because apparently Jonas says I HAVE to believe in you.

07-24-2022  
08:13:33 am

**Katie S** I signed up once and freaked out when it started populating people I actually do know. How the heck did it do that?

07-24-2022  
08:13:45 am

**BusterSci** Because you leave a trail of yourself all across the internet. If your friends have given it permission to look at their contacts, it finds you.

07-24-2022  
08:14:46 am

**Katie S** So I slammed the door on that monster in the closet

07-24-2022  
08:14:52 am

**Katie S** Sigh

07-24-2022  
08:15:07 am

**BusterSci** Damn, I love that image. Â Tech is the monster in the closet.

07-24-2022  
08:15:33 am

**Tim in KY** I have FB set up so that the only posts I see and the only people who can see what I post are people I have approved.

07-24-2022  
08:17:05 am

**BusterSci** My issues with FB center mostly around how it serves information to people. Â I've found it is tolerable if I just don't friend anyone. Â Join the Lugnuts group but don't accept any friend requests. Â It determines what to serve you based on who your friends are and what they look at. I don't want anybody deciding what I should see. Â Thus I only get things from Lugnuts and a few relatives that don't use it stupidly.

07-24-2022  
08:17:33 am

**bikerAbe** Jobs unleashed the monster with 1st Iphone

07-24-2022  
08:17:33 am

**Tim in KY** Of course ads are annoying.

07-24-2022  
08:19:19 am

**BusterSci** I'm not sure I'd blame the iPhone. I think it was just an incremental step in hardware--allowing you to carry it with you. Â It's the apps that that are monstrous.

07-24-2022  
08:19:35 am

**bikerAbe** My policy also Buster

07-24-2022  
08:19:50 am

**Katie S** Do people know you are there but won't friend them, like real friends and relatives who would be offended?

07-24-2022  
08:19:50 am

**BusterSci** Yeah, but I like offending people so it doesn't bother me.

07-24-2022  
08:20:27 am

**BusterSci** I just ignore requests. And since I don't post anything outside of Lugnuts anymore people just think it's an idle account.

07-24-2022  
08:21:13 am

**Tim in KY** I don't know. I've never heard from anyone who was angry that I wouldn't friend them.

07-24-2022  
08:21:15 am

**BusterSci** I was going to say the same thing, Tim, but then I thought those people were probably just trying to be polite to me and were relieved that I ignored them.

07-24-2022  
08:21:55 am

**Charlie in Tenn** I on the other hand have 700 friends/associate/former students. I have gotten good at ignoring a lot of stuff and occasionally blocking something. I get so many posts that I seldom actually see a post from most of those friends. I have no idea if it is good or bad.

07-24-2022  
08:22:37 am

**BusterSci** If it works for you it's good.

07-24-2022  
08:22:58 am

**Tim in KY** Itâ€™s amazing how fast they set this up. None of that stuff was there yesterday afternoon.

07-24-2022  
08:23:02 am

**Katie S** Do they do that at night?

07-24-2022  
08:23:34 am

**BusterSci** Charlie, your method would never work for me. Â I can't ignore information coming my way. Â Kind of an ADHD thing, I suppose.

07-24-2022  
08:24:04 am

**Charlie in Tenn** No FB does it 24 - 7. Oh, setting up the tour stuff, yeah probably.

07-24-2022  
08:24:22 am

**Tim in KY** I donâ€™t know. Could be magic.

07-24-2022  
08:24:26 am

**Katie S** Iâ€™ll take magic

07-24-2022  
08:25:13 am

**BusterSci** Perhaps one downside of the French workweek is you have to give up your night any time the Tour comes through your town.

07-24-2022  
08:26:15 am

**RCG** Good morning! Â I hope both MOTS enjoy the spectacle today.

07-24-2022  
08:28:43 am

**Trish in MA** Vos takes the sprint point

07-24-2022  
08:28:51 am

**Katie S** Autocorrect changed my post to include a naughty term and the pub didnâ€™t postâ€¦

07-24-2022  
08:29:31 am

**Tim in KY** Speaking of pollution, as Charlie was, it is appalling how many cars and motos there are in the TdF parade that you never see on TV.

07-24-2022  
08:29:49 am

**Katie S** S: I wonder if French villagers are as pissy about having any portion of their day/roads taken up for a bike event as they are hereabouts. Any time the AIDS ride or a triathlon or even the Tour of California comes through here the complaining is shrill.

07-24-2022  
08:29:49 am

**RCG** We watched the world road and TT championships in Richmond and again in Austria. The set up /take down were pretty efficient.

07-24-2022  
08:30:30 am

**bikerAbe** my gal Vos gets inter sprint

07-24-2022  
08:30:45 am

**Katie S** S: I wonder if French villagers are as pissy about having any portion of their day/roads taken up for a bike event as they are hereabouts. Any time the AIDS ride or a triathlon or even the Tour of California comes through here the complaining is shrill.

07-24-2022  
08:31:40 am

**RCG** I think Vis will try to do what WVA has done "build a buffer by going for intermediate points. I don't really see Weibes doing that.

07-24-2022  
08:31:56 am

**Charlie in Tenn** Katie, about friends on FB. You can friend someone and still block them. They think you love them but you never have to see their posts. This is good for crazy relatives that only post generic crap. Not usually good for your former friend that will confront you about why you never respond. If you want to try FB just friend Buster and Katie L. That will allow you to see 95% of the lugnut posts and you can add others if you want.

07-24-2022  
08:32:08 am

**bikerAbe** Peacock finally streaming w/o interruption

07-24-2022  
08:32:13 am

**Tim in KY** How did you do that Katie??

07-24-2022  
08:32:15 am

**Trish in MA** When we were in Calpe for the Vuelta, it was rolling road closures. Maybe 30 minutes before the peloton arrived and then they opened the roads right after.

07-24-2022  
08:32:29 am

**BusterSci** Hey! I don't post that much except a) during events, and b) when people post penguin memes.

07-24-2022  
08:33:16 am

**RCG** I have a friend who posts about every detail of every day of her life. Â When I blocked her, suddenly I saw posts from other people.

07-24-2022  
08:33:30 am

**Charlie in Tenn** Yeah but you and Katie L overlap well. The big point was that you don't have many friends and thus she won't get as many friend requests that are not already lugnuts. And your posts are pretty good..

07-24-2022  
08:35:14 am

**BusterSci** Oh. Â I'm not used to being complimented.

07-24-2022  
08:35:36 am

**BusterSci** Thank you

07-24-2022  
08:35:39 am

**BusterSci** And anyway, I'm contractually obligated to reply to penguin memes.

07-24-2022  
08:35:55 am

**Katie S** All rightyâ€¦ Iâ€™ll give it another go. I really do miss you guys during the rest of the year.

07-24-2022  
08:36:23 am

**RCG** I basically snooze her for 30 days. Â Fortunately she wasnâ€™t snoozed when she posted that her husband had passed away. Â Itâ€™s a good way to peripherally keep in touch with far-flung friends and family. Â I use FB for my small business. Â My personal acct has a slightly different name, not my real age or bday, and my profile picture is usually cats or landscapes. Â The settings on the personal account are pretty restrictive.

07-24-2022  
08:36:36 am

**Charlie in Tenn** and Jo is good to friend, if you are ok with horse stuff...

07-24-2022  
08:36:59 am

**Tim in KY** Rue Rivoli looks so over-furnished on TV. See it for real on Tuesday.

07-24-2022  
08:37:30 am

**RCG** I drool over Joâ€™s pictures of Artie, Mads, Artiefoalsâ€¦. Â My husband just rolls his eyes. â€œLook, look at this gorgeous horse!!â€ (Eyeroll)

07-24-2022  
08:38:56 am

**Charlie in Tenn** Go Vos. Sorry I missed that part of the chat.

07-24-2022  
08:39:13 am

**Charlie in Tenn** I like Artie and kin but love to see Jo on Artie with that big grin on her face.

07-24-2022  
08:40:47 am

**BusterSci** Agree to that, Charlie

07-24-2022  
08:41:03 am

**Tim in KY** Woah! Theyâ€™ve finally categorized the Champs as a Cat 4. At least for the women.

07-24-2022  
08:41:28 am

**RCG** We escaped to the mountains of VA only to find that itâ€™s 90 here. Â Oh, well, at least itâ€™s 10 degrees cooler and a bit less humid. Â Had a visit from our deer regulars this am â” doe and spotted fawn. Â They showed up with another doe. Â On the drive here yesterday, a black bear crossed the road in front of us.

**BusterSci** Glad there's nothing in there but the Tidy Bowl.

07-24-2022

08:58:55 am

**BusterSci** Frau's trying to get me to say "I love crepes." Â Trying to decide if I'll compromise and say "I love really thin pancakes."

07-24-2022

09:00:29 am

**Tim in KY** We're nuku Picard for supper after we get back from the Blvd St Michel. Too hot to cook too crowded to go out.

07-24-2022

09:00:48 am

**Trish in MA** Tim, what did Jean-Luc do to you?

07-24-2022

09:01:33 am

**BusterSci** SHIELDS UP! Â RED ALERT

07-24-2022

09:02:23 am

07-24-2022

07-24-2022

**SFinAus** Good day all.Â What a fantastic table you set, Trish!

07-24-2022  
09:06:09 am

**Trish in MA** And here comes the KOM point

07-24-2022  
09:06:19 am

**RCG** Off to forage for blackberries. Â I hope I donâ€™t see the bear.

07-24-2022  
09:06:43 am

**Trish in MA** Sorry QOM points

07-24-2022  
09:06:49 am

**BusterSci** EMERGENCY! Â The Nutella has gone bad. Â So I'll have to go savory with Humboldt Fog and jamon iberico.

07-24-2022  
09:07:18 am

**Katie S** Mmmmmm Humboldt Fog

07-24-2022

07-24-2022  
09:09:15 am

**BusterSci** Royalty of the Ridges. Â Nobility of the Nobs. Gotta come up with a non-gendered, universal term. Â And I' haven't done a very good job of it so far.

07-24-2022  
09:10:34 am

**Tim in KY** Itâ€™s goat cheese.

07-24-2022

09:26:36 am

**Trish in MA** 33 secs

07-24-2022  
09:26:49 am

**BusterSci** Somebody questioned nuking goat cheese. Â It isn't quite the same, but the best Humboldt Fog I ever had was at Baru 88 in Des Moines, where a slab of super ripe HF was served on a slate at about 100F. Â It was so incredibly unctuous.

07-24-2022  
09:27:32 am

**Trish in MA** Another crash

07-24-2022

11:39:35 am

**Toulouse** I don't know what it is, but I've invested nearly a month in this race, and today no one wants me to see the stage. I'll have to hunt for a replay in peace and quiet later today. In the meantime, the Washington Post has this overly long article about how heat may force changes in Le Tour: <https://www.washingtonpost.com/world/2022/07/23/tour-de-france-heat-wave-climate-change/>

07-24-2022  
11:41:06 am

**Toulouse** Since this is probably my last chance, given the day, I'd like to thank you all once again for brightening my mornings, and for all the great pictures, from lions and cats to MOTS, for posting the race routes and finishes, and to Jo for hosting . . . it really enhances my race experience. But not enough to drive me to Facebook.

07-24-2022  
11:42:39 am

I'll let Katie wade in for me.

**Katie S** Happy to oblige, Toulouse. Enjoy the day.

07-24-2022

12:16:57 pm

Special thanks to Tim for always providing such wonderful race previews. The generosity of the Nuts never fails and almost all the Pub expenses have been covered for the upcoming year! Whoo hoo!

**Trish in MA** I never knew about the "mountain point" on the last day of the Tour.

07-24-2022

12:17:52 pm

**Katie S** I think this might be new this year. They said the route changed a bit

07-24-2022

**Trish in MA** I was thinking Powless. Â He was always trying for the break. Â Always there, even if he didn't win anything.

**RCG** I'm finally back after round 2 of berry picking. The wildlife didn't leave many ripe ones.

**Katie S** How rude

07-24-2022  
12:19:49 pm

**RCG** And theyâ€™re all pretty small.

07-24-2022  
12:20:06 pm

**BusterSci** Not uncommon during blueberry season in the BWCA to have to concede the patch to a black bear.

07-24-2022  
12:21:27 pm

**Trish in MA** Our blueberries are very small because the pond is quite low and they grow all along the shoreline.

07-24-2022  
12:21:38 pm

**RCG** Iâ€™m going for blackberries. Â I have enough to put with some strawberries for some kind of dessert now.

07-24-2022  
12:22:37 pm

**BusterSci** Earlier this year I think it was the OK department of natural resources that tweeted something to the effect of "We really hate to have to say this, but bear spray does not work like bug spray."

07-24-2022  
12:23:13 pm

**RCG** I was at the north rim of Grand Canyon when a hiker dude accidentally activated his bear spray in a cafe/gift shop.

07-24-2022  
12:24:34 pm

**RCG** The FD came, and they were hosing him and his stripped-off clothes down outside as Â folks held sheets up around him for âœœprivacyâœ. Â It took hours for the inside of the building to become tolerable again.

07-24-2022  
12:26:21 pm

**Joanna in Virginia** "The pace is visibly starting to up" - I think Trish's earlier post made more sense...

07-24-2022  
12:26:22 pm

**Trish in MA** Our guides in Glacier Bay National Park were never without it when we went out for hikes. Â No one had to use it, but they all had stories when they had.

07-24-2022

**Katie S** Just entered Paris, Tim

07-24-2022  
12:28:58 pm

**Trish in MA** Did not know that a) Caleb Ewan holds the Lanterne Rouge and b) there is a little symbol on his number.

07-24-2022  
12:31:47 pm

**BusterSci** The old ranger joke to always carry bear spray and bear bells when you go into the wilderness and keep your eyes open for bear scat. When they are inevitably asked what Bear scat looks like they reply "you can usually identify it because it has bells in it and a peppery aroma."

07-24-2022  
12:32:40 pm

**Joanna in Virginia** :D

07-24-2022  
12:33:52 pm

**Trish in MA** The guides told us that bear bells meant "Dinner time!" Â On the other hand, you'd be chatting with them and they'd break off to shout out, "Hey, bear". Â My friend John (who was on the Alaska trip with me) and I were walking along a road in Italy when we both just burst out with "Hey, bear!"

07-24-2022  
12:35:14 pm

**Trish in MA** Seems to work. Â never saw a bear up close.

07-24-2022  
12:35:40 pm

**Katie S** Ha! We use that as a greeting now to friends we visited Alaska with a few years back.

07-24-2022  
12:36:43 pm

**BusterSci** People making their first BWCA trips are often overly concerned by bears but the blackies around there are generally very shy. You need to be sensible, but it's far more likely to have your food pack ruined by mice than by a bear--in my personal experience.

07-24-2022  
12:37:44 pm

**Katie S** On a hike, the leader would also sing out "Peanut!" And the designated last person in the column was to reply "Butter" to indicate no one had been nipped off

07-24-2022  
12:38:12 pm

**Katie S** That also seemed like a dinner bell to bears fond of PB

07-24-2022  
12:38:56 pm

**BusterSci** I would have replied "Buster" for all the DQ fans.

07-24-2022  
12:39:15 pm

**Trish in MA** I would think it shouting Peanut Butter would bring the bears to you

07-24-2022  
12:40:07 pm

**BusterSci** I see the line at the Louvre is shorter than usual today.

07-24-2022  
12:40:21 pm

**Joanna in Virginia** I don't remember that happening before today...

07-24-2022  
12:40:31 pm

**Katie S** I tried that but was stopped at the Baroque exhibit

07-24-2022  
12:40:38 pm

**BusterSci** Too many people see the Louvre just like that. Race through to the Mona Lisa and then race off to shop on the Champs.

07-24-2022  
12:41:37 pm

**Joanna in Virginia** Were you told to "baroque off" Katie?

07-24-2022

07-24-2022

**BusterSci** For all the crap the Brits get for the Elgin Marbles, isn't it about time France get over its imperialism and give Egypt their damned obelisk back? 07-24-2022 12:51:12 pm

---

**Joanna in Virginia** Not a fan of the big pointed stick? 07-24-2022 12:51:56 pm

---

**BusterSci** I think it's great. I'm just not clear why we don't hear the same todo about it. 07-24-2022 12:52:51 pm

---

**Katie S** In November 1830, Muhammad Ali Pasha, ruler of Ottoman Egypt, officially gave the Luxor obelisks to France. This was in spite of the fact that the obelisks had previously been given to the British and the fact that the French diplomat arranging the acquisition, Baron Taylor, had been authorized to do so by Charles X, who had been overthrown in July.[10] 07-24-2022 12:53:53 pm
