Joanna in New York Morning, Charles!

03-Sep-2019
07:00:38

Charlie in Tenn of course

03-Sep-2019
07:00:41

Charlie in Tenn Today I work on getting new doctors, dentists, vets, plumber, finding buried gas/water/electric, how to get rid of moles or their kinfolk, and replacing flat baking pans because we can't find any. Should be a interesting day on the phone for the most part.

03-Sep-2019
07:03:37

Joanna in New York The "new doctor" and "new vet" part of moving is always the part I hate. Thankfully, I have good relationships with veterinarians already in VA, but doctors are another story.

03-Sep-2019
07:04:54

Charlie in Tenn Wife has done the prep research now I have to actually call all the numbers.

03-Sep-2019
07:28:14

Charlie in Tenn I assume early morning after a holiday is a bad time to call doctors/vets so am going to work on utilities first.

03-Sep-2019
07:30:02

Tim in KY Tony Martin starts 7th today, as at le Tour, I expect he will take it easy in support of his domestique duties the rest of the week. Nobody really interesting in the first hour.

-  **PasadenaK8** Morning everyone! Was catching up on a bit of racing news over the holiday weekend and saw that Rigoberto Uran has been in intensive care with a punctured lung. Waiting for inflammation to go down so they can operate *:-(

-
-  **Tim in KY** Interesting because EF hasn't said a word about that on their FB page. 03-Sep-2019 10:22:42
-
-  **PasadenaK8** It is strange, Tim. Not much other mention about it online. 03-Sep-2019 10:25:26
-
-  **Trish in MA** Here's a link about it: 03-Sep-2019 10:28:12

 **SFinAus** I hadn't seen anything other than broken clavicle so I assumed all was relatively well for Uran. Yikes. 03-Sep-2019 10:29:48

 **Tim in KY** Hard to tell what's really what. Picture is definitely not in intensive care and none of it it doctor talk. 03-Sep-2019 10:31:40

 **bikerabe** Pog is off 03-Sep-2019 10:38:14

 **Tim in KY** The imagineers thought the best time would be 46:00. Still 1:30 off that. 03-Sep-2019 10:39:37

 **Tim in KY** Lopez off. 03-Sep-2019 10:41:45

 **Tim in KY** Ruglick goes. 03-Sep-2019 10:43:57

 **Tim in KY** And Quintana. 03-Sep-2019 10:46:07

 **Trish in MA** Jo, I can't roll up to the top of the chat. Is it me or the site? I did all that cache clearing stuff. 03-Sep-2019 10:48:04

 **Joanna in New York** Scrolling should be fine, allow for the archived posts for the day to populate. 03-Sep-2019 10:49:33

 **Miren Brinkman** Nothing mentioned about Uran in Colombian/Latin American pages. Strange. 03-Sep-2019 10:50:32

 **Miren Brinkman** I did read that there was a broken rib, and that that was more serious than originally thought, not just a broken clavicle. 03-Sep-2019 10:51:06

 **Trish in MA** Ok, it must be my browser. When I scroll to the top of today's chat, I start with your "Ah Paris" comment. Maybe I'll reboot. 03-Sep-2019 10:51:22

 **Katie** Argh. I missed the starts of the top guys. Was getting some breakfast and turned on the telly to tune into the race and got distracted by Boris Johnson's address to Parliament and John Bercow trying to get everyone to "Order! ORDER!" 03-Sep-2019 10:52:00

 **bikerabe** Nairo 10 secs ahead 03-Sep-2019 10:52:35

bikerabe Brits going back to times of Charles I and Cromwell

03-Sep-2019
10:54:03

Joanna in New York One of the issues with the Rumbletalk chat is that it archives posts throughout the chat. If you join midway, you do need to scroll and it needs to retrieve those archived messages. This often takes a few seconds, and tends to duplicate them. Sadly, there is nothing I can do about that, except spend a LOT more money on another chat room option. Not willing or able to commit to the extra cost. Sorry...

Katie Lane Uran has broken rib(s), collarbone, shoulderblade... punctured lung with pneumothorax. Apparently after he went down a lot of guys landed on top of him.

03-Sep-2019
10:54:57

bikerabe Valverde 29' ahead of Lopez

03-Sep-2019
10:55:36

Katie Lane Van Garderen out with... a broken finger ("and other injuries.") CCC's de la Parte broke his shoulder blade and a rib in the crash. Nico Roche had 12 stitches for a forearm laceration, and large deep thigh hematoma. Davide Formolo also abandoned because of injuries (left pelvis pain). Other Watermelons (EF) riding injured, with stitches, abrasions and bruises. Tony Martin riding with "deep cuts" of his hips.

03-Sep-2019
10:56:20

bikerabe Save your money Joanna we'll deal with it

03-Sep-2019
10:56:32

Katie Lane It was a costly crash, for many riders and many teams. And may explain why Der Panzerwagen wasn't exactly tearing things up out there today.

03-Sep-2019
10:56:58

Tim in KY But in that picture, Uran does not have a chest tube. You can't treat a consequential pneumothorax without a chest tube.

Joanna in New York I have been exploring options (apps) through my website hosting company (that would likely solve the floating chat window in the mobile interface), but I'm not comfortable changing anything mid-season. As was seen with the Archives redo.

Do not go gentle into that good night, Old age should burn and rave at close of day;
Rage, rage against the dying of the light. Though wise men at their end know dark is right, Because
their words had forked no lightning they Do not go gentle into that good night. Good men, the last
wave by, crying how bright Their frail deeds might have danced in a green bay, Rage, rage against
the dying of the light. Wild men who caught and sang the sun in flight, And learn, too late, they
grieved it on its way, Do not go gentle into that good night. Grave men, near death, who see with
blinding sight Blind eyes could blaze like meteors and be gay, Rage, rage against the dying of the
light. And you, my father, there on the sad height, Curse, bless, me now with your fierce tears, I pray.
Do not go gentle into that good night. Rage, rage against the dying of the light.
