memb54 Maybe this short time trial would have been in Quintana's capacity.

06-07 08:02

Tim in Ky Well, he wouldn't have lost as much time, anyway.

06-07 08:03

Tim in Ky Right now, Cyril Lemoine (Cofidis) is in the hot seat at 29:46. 31 riders

06-07 08:06

have finished.

Tim in Ky 42 riders now in, Lemoine still has the best time.

06-07 08:20

Tim in Ky Lots of domestiques are phoning this one in. As usual.

06-07 08:22

Tim in Ky Hoping the laptop works now.

06-07 08:25

BusterSci I tried logging in on laptop, desktop, phone and tablet (all Apple) from

06-07 08:27

about 6:15 through 6:45 and the Pub wouldn't even load (Jo's page loaded but the window with Tim's pre-race info did not.) But got to a client and everything is fine on my notebook.

Tim in Ky It seems to be working for me now.

06-07 08:28

Tim in Ky We're almost halfway down the start list now.

06-07 08:28

Tim in Ky Good morning Katie.

06-07 08:29

BusterSci Don't have a stream today so I'm here for info.. Not enough bandwidth (for

06-07 08:29

me or the client's internet.)

Tim in Ky Riders who reconned the route this morning say it's tougher than it looks on

06-07 08:31

the profile.

Tim in Ky How was the fishing yestersay, Buster?

06-07 08:31

Tim in Ky New Hot Sitter. Daryl Impey (Orica).

06-07 08:32

Tim in Ky 29:02.

06-07 08:32

BusterSci Got a couple walleyes so I was able to send my dad home with fillets to

06-07 08:35

share with my mom for lunch. Bass, big bluegills and perch were also caught. It was a fair day, not great. Too early to go after bass seriously, as they were still sitting on their spawn beds and I don't like catching them in that situation. The walleye appeared to be mostly off the beds and moving to early summer spots and hadn't schooled up yet.

Tim in Ky Anybody know if Samuel Dumoulin (AG2R) is any relation to Tom? I 06-07 08:37

expect that a pretty common name, the French equivalent of Miller.

BusterSci I believe not. Sam is French and Tom is Dutch. 06-07 08:37

Tim in Ky Chad Haga (SUN) is 0:08 better than Impey at the time check. 06-07 08:48

Tim in Ky Tony Martin starts in 3 minutes. 06-07 08:48

Katie Good morning. Sounds like a great day of fishing, Penguin. 06-07 08:49

BusterSci It'll be interesting to see Tony's form. 06-07 08:49

BusterSci Twas, Katie. While turbulent weather generally improves the catch, sitting 06-07 08:51

in a boat with bright, sunny skies, a steady stiff breeze and 78 degrees is about perfect for just enjoying life.

Tim in Ky Chad Haga in the Hot Seat at 28:39. 06-07 08:54

BusterSci Nice. I had Chad on my Giro team but didn't pick him here. Good on 'im, 06-07 08:55

even though he'll be getting up when Tony comes in.

Katie Yeah, but he can enjoy it for that bit. Fun day. 06-07 08:58

Tim in Ky If you want a good giggle, look at tomorrow's stage profile knowing that 06-07 08:59

BusterSci I suspect a lot of the stage profile designation comes down to "If I have 06-07 09:02

Froome, Sagan and Cav racing, who's likely to win? Regardless of the bumps, tomorrow would still be a Cav stage.

Tim in Ky Martin 0:27 better than Haga at the time check.

kilometres of the course, clocking a time of 14:31 at the intermediate check, 27 seconds clear of Haga. says my feed.

Katie Wearin' a fishnet jersey, he is.

06-07 09:09

BusterSci I'd love to see Bert get one more big win before his career is over. Say what 06-07 09:09

you like about his relationship with beef, I love the way he rides a race.

Tim in Ky 4 km left for Tony.

06-07 09:10

Tim in Ky Martin doing a km per minute.

06-07 09:12

Tim in Ky It's downhill.

06-07 09:12

not his Precious.

BusterSci Froomey did some nice gut racing at last year's Tour. I was impressed. That 06-07 09:13

day he a Sagz drove it home ahead of the peloton was great racing.

Katie Tony! Yikes.

Tim in Ky 0:20 faster than Haga.

06-07 09:15

BusterSci So Tony lost time in the second part of the course.

06-07 09:15

Katie probably lost 2 seconds just dealing with the bobble

06-07 09:15

Tim in Ky The near crah really slowed him down.

06-07 09:15

Tim in Ky I think it was more than 2, Katie.

06-07 09:16

Katie yeah, i'm replaying it in my tiny mind. Definitely more than 2.

06-07 09:16

Tim in Ky Bardet is off.

06-07 09:17

BusterSci If the French ever want to win the Tour again they need to develop dudes that can ride against the clock again.

06-07 09:19

Tim in Ky Porte at 15:21.

06-07 09:19

BusterSci How's that against Tony?

06-07 09:20

BusterSci 50s?

06-07 09:20

Tim in Ky That's his start time CET.

06-07 09:21

Tim in Ky Porte starts.

06-07 09:21

Katie He's cranking it, having to shift his rear back into his saddle every couple of revolutions

06-07 09:22

BusterSci I thought 15:21 was Porte's time at the first check.

06-07 09:23

Katie Contador 14:55 through the check

06-07 09:23

Katie Dan Martin struggles to zip up before take-off

06-07 09:24

Tim in Ky It looked like he had a radion problem being fixed.

06-07 09:24

Katie Tony 14:31 at the split

06-07 09:24

Tim in Ky Bert's time is third best.

06-07 09:25

Katie Hi Kim

06-07 09:26

Tim in Ky Talansky starts.

06-07 09:27

Kim Crosby My video feed makes Alberto's legs SOOOO orange.

06-07 09:27

Tim in Ky Aru is off.

06-07 09:27

Tim in Ky They are orange, Kim.

06-07 09:30

Kim Crosby Quiet Riot off!

06-07 09:30

Tim in Ky I think he got a bad spray tan.

06-07 09:31

Kim Crosby Iivwrecwntly developed an aversion for orange.

06-07 09:31

Tim in Ky Bert nearing the finish.

06-07 09:34

Tim in Ky 28:42 for Bert.

06-07 09:36

Tim in Ky 4th place.

06-07 09:36

Katie Very strong

06-07 09:36

Katie Bardet chucks his water bottle

06-07 09:37

BusterSci Marginal gain

06-07 09:37

Tim in Ky Porte 0:02 down on Martin at the time check.

06-07 09:38

Tim in Ky Froome in the house.

06-07 09:39

Tim in Ky Has Froome always ridden an elliptical chain ring?

06-07 09:42

BusterSci Yes

06-07 09:42

Tim in Ky Valverde in the house.

06-07 09:43

BusterSci Or, more exactly, yes, since he started winning the Tour at least.

06-07 09:43

Tim in Ky I had not noticed that.

06-07 09:43

BusterSci Porte should beat Martin if he doesn't slip-slide away the more he nears his destination.

06-07 09:44

Bikerabe Brave brave Sir Wiggo always rode elliptical

06-07 09:44

BusterSci Tis true. So Froome probably rode them since Wiggo's win.

06-07 09:45

Tim in Ky Porte's number is flapping in the wind. Non-aero.

06-07 09:46

Tim in Ky Bardet coming in. 23rd place.

06-07 09:47

Tim in Ky Porte comes clean through Martin's corner.

06-07 09:48

Kim Crosby Porte!!

06-07 09:49

Tim in Ky WOW! Beat Martin by 0:12.

06-07 09:50

Katie Wow!

06-07 09:50

Tim in Ky De Gendt in the house.

06-07 09:50

Katie I don't think Tony's bobble mattered ... Think Richie would have beat him anyway.

06-07 09:50

Tim in Ky Need to see what Froome does at the time check.

06-07 09:52

BusterSci Good on Porte. He's had a great season so far and looks to be really pushing

06-07 09:54

for a solid Tour. If BMC don't leave him on his own when he has a problem (as they are prone to do) he

should push Froome hard.

 **Tim in Ky** Froome 3rd at the time check, 0:10 behind Porte. 06-07 09:55

 **BusterSci** Gauntlet thrown by Porte. Flinch by Froome. July is looking fabulous. 06-07 09:56

 **Tim in Ky** Talansky lost 1:00 to Porte today. 06-07 09:56

 **Katie** Aru down considerably on Porte ... gives Richie some space in the pointy terrain.06-07 09:57

 **Tim in Ky** I don't think Aru is fully recovered from his knee injury. 06-07 09:58

 **Tim in Ky** Valverde 0:18 down on Porte at the check. 06-07 09:59

 **Tim in Ky** Katie, is your feed fubar? 06-07 10:02

 **Katie** no, clear 06-07 10:03

 **BusterSci** Sounds like Froomey might be struggling a bit with a rock in his ride? 06-07 10:03

 **Tim in Ky** It is on all my devices. Must be something in my network. 06-07 10:04

 **Katie** yeah, Froome's head's been moving around, and he doesn't look especially smooth. 06-07 10:04

 **Tim in Ky** EBH almost pulled a Martin on that corner. 06-07 10:05

 **BusterSci** Problem with Froome is he can look so ugly on a bike with the gangly arms and legs that you can have a hard time seeing that he's crushing it. 06-07 10:06

 **Katie** yup. he's all chicken knees and elbows. 06-07 10:07

 **Katie** but he's #1 on the road at the moment 06-07 10:07

Katie now, slipped to 2

06-07 10:07

Tim in Ky Completely lost the feed just as Froome comes in.

06-07 10:08

BusterSci Right on the edge, pushing harder at the end. He does that often.

06-07 10:08

Katie he hits the line at 7th place

06-07 10:08

Katie 37 seconds back from Porte

06-07 10:08

BusterSci Oh. My.

06-07 10:08

Tim in Ky De Gendt has to finish inside 29:13.

06-07 10:09

Tim in Ky 29:16.

06-07 10:09

Katie De Gent down 22 at the first check (13 km)

06-07 10:10

Tim in Ky He should keep yellow, then.

06-07 10:10

Katie yeah, he's still up by 49 over Porte on GC

06-07 10:10

Katie Looks like he just passed his minute man (Dumont)

06-07 10:11

Tim in Ky Valverde in 3rd.

06-07 10:12

Katie Woulda been in second except for the facial hair and gold jewelry dangling

06-07 10:12

around his neck

Tim in Ky De Gendt on the downhill to the red kite.

06-07 10:13

Katie De Gendt has 5 k to go

06-07 10:14

Tim in Ky I will be rocking the fantasy league today.

06-07 10:15

BusterSci Scenario 1: Porte makes a statement today. Froome is worried

06-07 10:16

Katie White Jersey is working hard, charging to the line, finishes 13th

06-07 10:16

BusterSci Scenario 2: Froome doesn't care. By letting Porte gain confidence from

06-07 10:16

today, when he crushes him later it will be even more devastating.

Katie I'd say #2 is more likely, Buster

06-07 10:17

Katie DeGendt in SuperTuck(tm)

06-07 10:17

Tim in Ky De Gendt clean through Martin's corner and under the red kite.

06-07 10:18

Tim in Ky 28:49. He keeps yellow.

06-07 10:19

BusterSci I'm off. Thanks for carrying the load the last two days Tim, and those who

06-07 10:20

assisted. I should be able to pull my weight again tomorrow.

Tim in Ky Two Americans in the top ten today, Haga and Bookwalter.

06-07 10:21

Katie Nice.

06-07 10:21

Katie Fun time trial - with departures every minute, it's not a paint-drying stage.

06-07 10:22

Thanks, everyone.

Tim in Ky The new GC will be interesting.

06-07 10:22

Tim in Ky I'm off until tomorrow.
