Prudhomme's vehicle.

BusterSci Sounds like they're double testing Prudhomme. Â Inside a bubble, double tests should be standard practice. 09-08-2020 07:16:31

BusterSci I have a stream

09-08-2020 07:20:50

mcnally_mi I saw a quote in VeloNews saying he was leaving the race for 8 days. Rob Hatch tweeted that Prudhomme didn't stay in the race bubble as he had more public facing dealings. 09-08-2020 07:21:19

Tim in KY I'm betting the polka dots don't shange hands today.

09-08-2020 07:23:46

BusterSci I won't take that bet, Tim.

09-08-2020 07:24:23

BusterSci It isn't a bubble if you keep inserting a prick into it.

09-08-2020 07:24:53

Tim in KY A very wet island.

09-08-2020 07:27:16

Mikey Good Morning

09-08-2020 07:29:26

BusterSci A Tony Martin day. Â Meaning he should be spending a lot of time on the front. 09-08-2020 07:34:07

Tim in KY Any Twitter talk about crosswinds.

09-08-2020 07:35:33

BusterSci Nothing

09-08-2020 07:35:42

Tim in KY Without crosswinds, this will be a real snozzler.

09-08-2020 07:36:26

BusterSci Although I would hav to get it through one of my carefully curated sources. Â I joke, but I have about 6 cycling people that I follow. Â I have chosen them because they don't tweet a lot of nonsense. Â They're informative, amusing, and/or a bit "inside." Â And they also don't chatter a lot. 09-08-2020 07:38:13

BusterSci Looking for a flag or something

09-08-2020
07:41:41

BusterSci I'm seeing 15kph from the NE for the region

09-08-2020
07:42:48

Tim in KY Trees aren't moving.

09-08-2020
07:42:54

BusterSci Don't look to be.

09-08-2020
07:43:29

BusterSci Two off the front

09-08-2020
07:43:48

BusterSci Kung and Schar

09-08-2020
07:44:03

BusterSci Looks like they'll be allowed to go.

09-08-2020
07:45:08

BusterSci 24s

09-08-2020
07:45:38

BusterSci It's a good duo for a day like this.

09-08-2020
07:45:59

BusterSci 49s

09-08-2020
07:47:25

BusterSci There's a bit of wave action on the water, but nothing significant

09-08-2020
07:48:12

Tim in KY What are all these rectangular ponds?

09-08-2020
07:51:10

BusterSci Salt making

09-08-2020
07:51:29

BusterSci Evaporation ponds

09-08-2020
07:51:36

BusterSci Could be some sort of aquaculture, but looked like salt to me.

09-08-2020
07:52:42

BusterSci Looks like a tailwind right now, what wind there is.

09-08-2020
07:53:19

Tim in KY I was thinking oysters and such.

09-08-2020
07:53:35

Tim in KY EF is at the front so there must be something that concerns them.

09-08-2020
07:54:51

BusterSci Those are very regular. Â Likely aquaculture

09-08-2020
07:55:19

Tim in KY Okay, I have some chores to do. Back in a bit.

09-08-2020
07:56:16

BusterSci Salt ponds are generally irregular and have many odd colors.
Â They're older and were made organically. Â Aquaculture ponds are newer, regular, and clear water.

09-08-2020
07:56:32

BusterSci 1:17 the gap

09-08-2020
07:58:18

BusterSci It's not a slow pace

09-08-2020
07:58:28

Mikey I listen to an ITV feed with David Millar, he says they are oyster ponds.

09-08-2020
07:58:36

BusterSci Makes sense, for the clear ones

09-08-2020
07:58:52

BusterSci That's a lot of oysters!

09-08-2020
07:59:43

Mikey Do we have an award or something for Timothy?

09-08-2020
08:00:09

BusterSci Tip of the cap. Â A piece of pie. Â A for the day.

09-08-2020
08:00:46

BusterSci Suggestion on Twitter to get HWSNBN to fill in as Tour director for Prudhomme. ^ That way they have somebody who has no chance of testing positive in France.

09-08-2020
08:02:09

BusterSci I see some DeGendting on the front

09-08-2020
08:02:50

BusterSci That looks oystery

09-08-2020
08:03:05

BusterSci They usually farm oysters in large bags or cages, and have long piers on which to hang the bags.

09-08-2020
08:03:43

BusterSci <https://rumbletalk-images-upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1599566976-Screen%20Shot%202020-09-08%20at%207.04.21%20AM.png>

09-08-2020
08:04:44

BusterSci That's Hog Island.

09-08-2020
08:05:10

BusterSci Looks like oysters and mussels, says the gubment map.

09-08-2020
08:07:37

BusterSci <https://rumbletalk-images-upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1599566976-1599566863110.png>

09-08-2020
08:07:47

BusterSci 1:35 the gap. ^ Not a significant one.

09-08-2020
08:10:07

BusterSci DWS and Lotto watching the front. ^ Thinking both a sprint finish and guarding for crosswinds

09-08-2020
08:11:27

BusterSci Maybe 5 minutes or so from a left into possible crosswinds. ^ But if my weather report is right, the wind is coming from the land side, which means it will be somewhat blocked compared to a sea wind.

09-08-2020
08:15:16

BusterSci Carthy and Stuyven are OTB, as is Polanc. ^ Not clear if they had mechanicals or are having bad days.

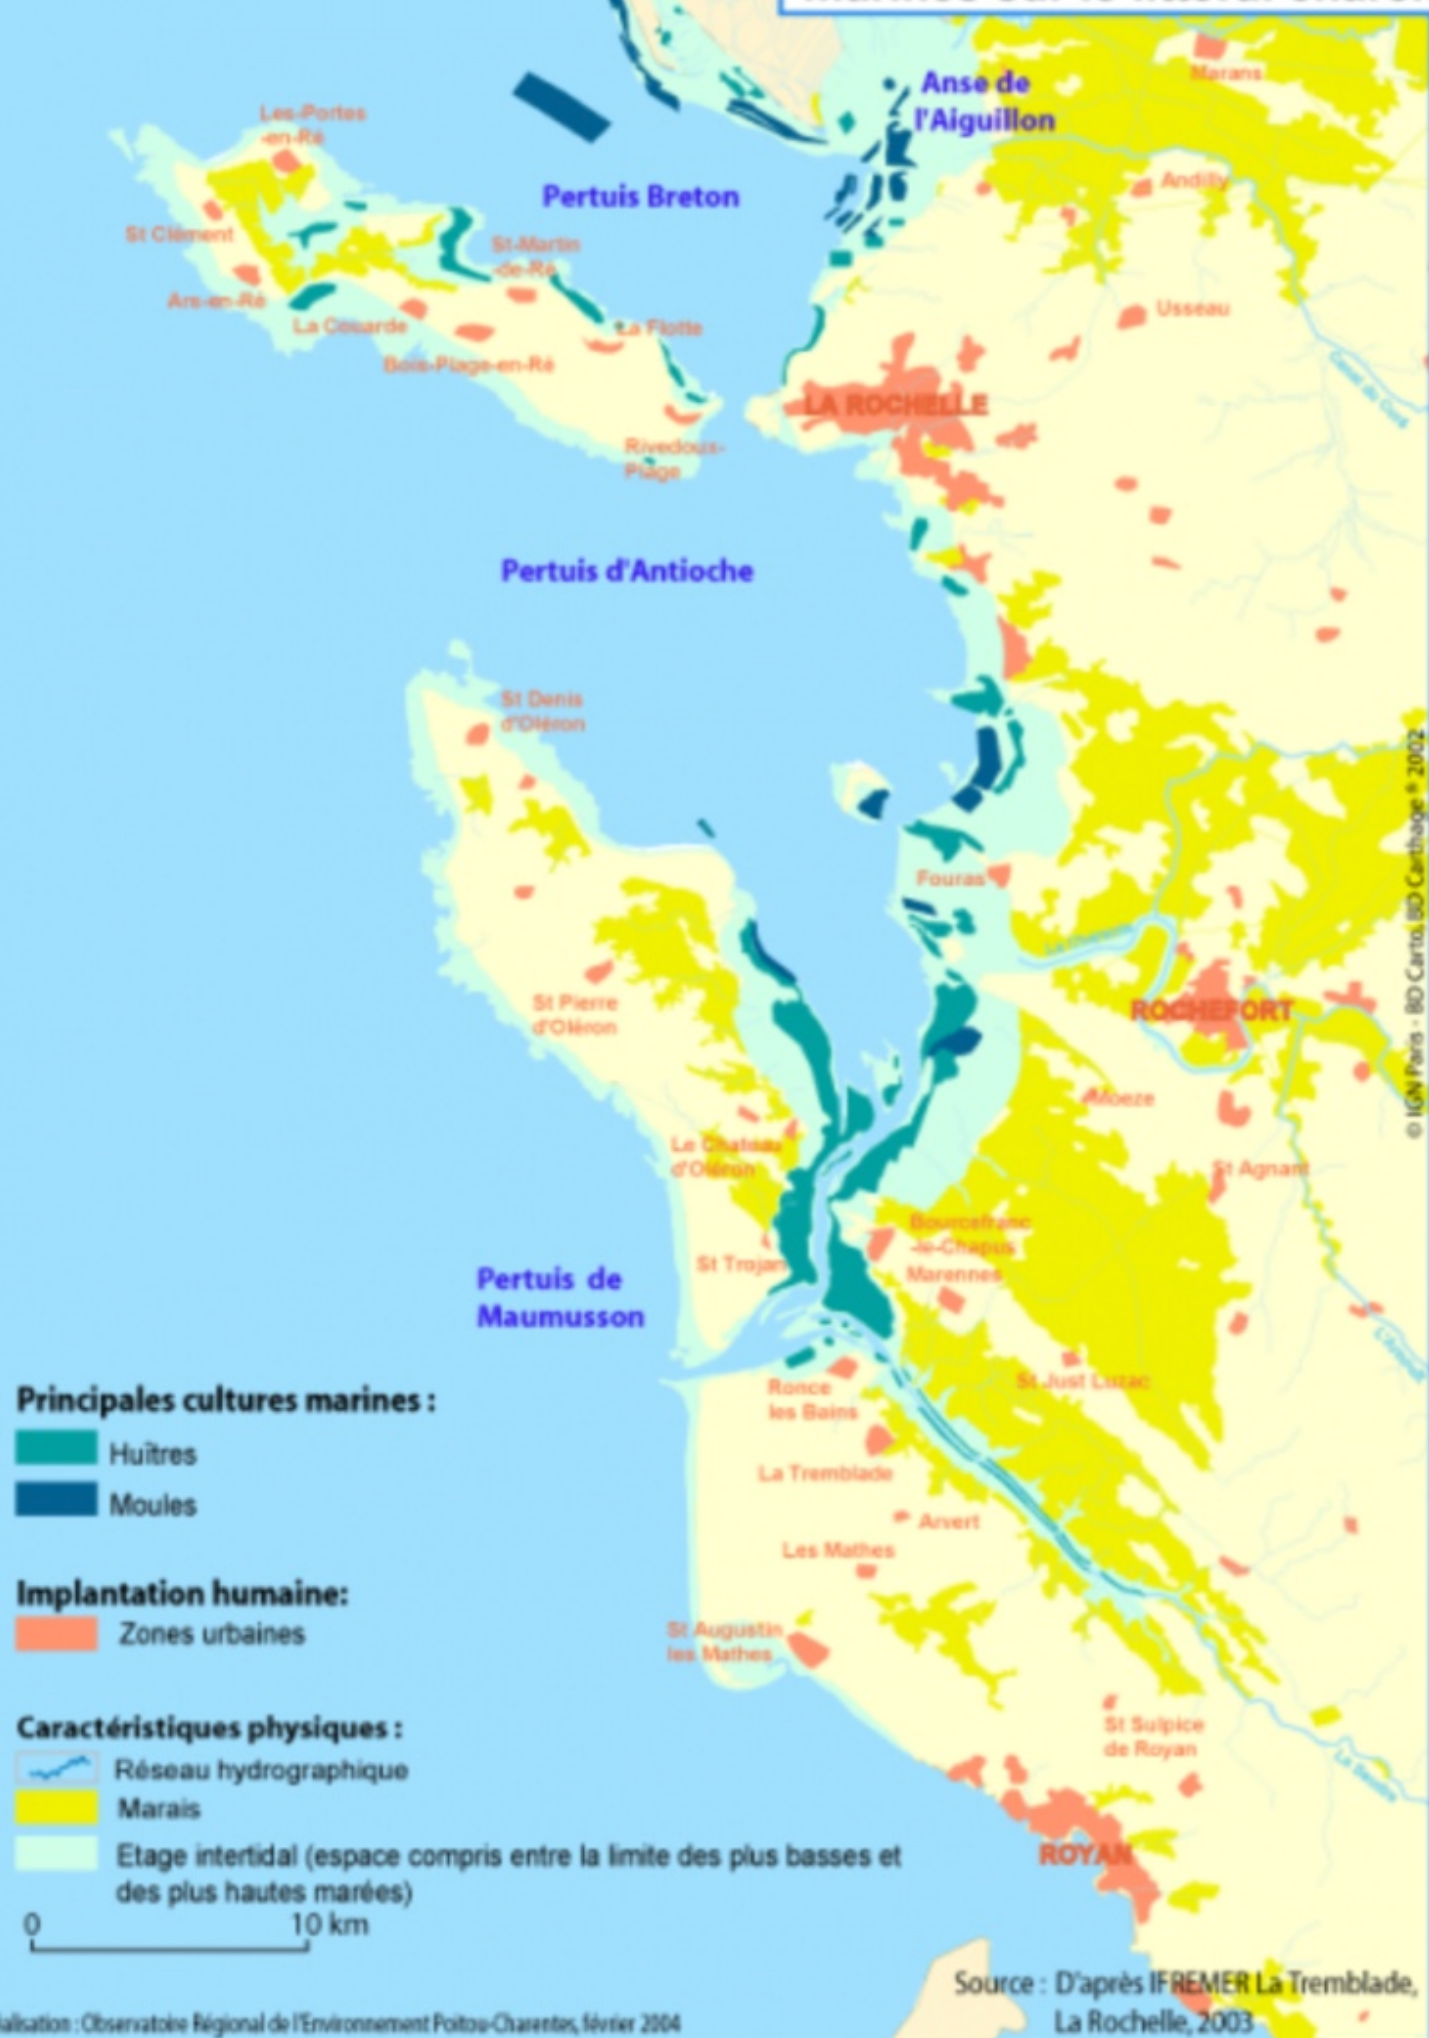

09-08-2020
08:18:12

BusterSci The break has made the turn into potential crosswinds. ^ Many trees, though.

09-08-2020
08:19:14

BusterSci Heffalump

09-08-2020
08:24:42

BusterSci Lotta people out in town here.

09-08-2020
08:26:07

Katie S Heffalump? Where are the Woozles? Good morning!

09-08-2020
08:26:44

BusterSci Hiya

09-08-2020
08:27:09

BusterSci Bernal and Kwiaty OTB by about 45s.

09-08-2020
08:27:22

BusterSci Prolly a potty stop.

09-08-2020
08:27:38

Katie S Pretty beach. Seems like it'll be a paint-drying day, but he scenery's pretty.

09-08-2020
08:30:49

BusterSci The stage is designed for crosswinds. ^ The wind isn't strong, and it's blowing from the NE, meaning from land, not water. ^ Thus, it should be a snoozer unless something odd happens

09-08-2020
08:40:55

BusterSci Wow. ^ Study out suggesting 250k of August Covid cases were related to Sturgis. ^ 19% of cases, at a cost of \$12B.

09-08-2020
08:46:19

Tim in KY Not much leash.

09-08-2020
08:47:40

BusterSci Nope

09-08-2020
08:48:08

BusterSci In a theoretical headwind for a while

09-08-2020
08:49:14

Katie S geez. Big^ number, but I'm not surprised. Drove through there last year when it was its usual quiet self and was amazed by the massive bars with big decks and parking lots - ample opportunity for cheek-to-jowel transmission.

09-08-2020
08:49:18

BusterSci Knowing what happens at Sturgis, cheek to jowl would be social distancing.

09-08-2020
08:51:53

Tim in KY Those flags were pretty flappy.

09-08-2020
08:53:58

BusterSci I missed them. Â In what direction? Â Headwind?

09-08-2020
08:54:14

Katie S ewwww, Buster

09-08-2020
08:54:41

Tim in KY Looked cross.

09-08-2020
08:55:28

Charlie in Tenn Hi all, getting a late start.

09-08-2020
08:55:36

Katie S Mornin' Charlie

09-08-2020
08:55:59

Charlie in Tenn Down to 37 secs? The group all want to be at the front.

09-08-2020
08:59:12

BusterSci I'd say a cross-headwind?

09-08-2020
08:59:24

Charlie in Tenn Movistar going for team titla again.

09-08-2020
09:00:37

09-08-2020
09:00:46

Tim in KY Bigger crowds than we've been seeing.

09-08-2020
09:00:50

Katie S Smoke from the eejit flare indicates a light crosswind.

09-08-2020
09:02:10

BusterSci Agree on crowds. Â Movi has to go for something.

09-08-2020
09:02:11

Katie S Good news from my friend in Bozeman. The fire singed trees and grass near her house, but her house and her immediate neighbor's were spared. Another neighbor wasn't so fortunate. And of course, now all of a sudden it's winter in Montana. Sandy said she's never been so happy to see winter.

09-08-2020
09:04:53

BusterSci They've just turned to the NW

09-08-2020
09:04:53

BusterSci Very light crosswind

09-08-2020
09:05:41

BusterSci hardly enough to wave the flag on a crane.

09-08-2020
09:06:02

BusterSci Kung: What's up with them today? Â Schar: Beats me.

09-08-2020
09:07:10

09-08-2020
09:08:02

Charlie in Tenn DQS on the front

BusterSci And he's shattering it

09-08-2020
09:11:43

BusterSci Serious work in front.

09-08-2020
09:12:49

Katie S That crash looks likely to be the deciding influence on this stage.

09-08-2020
09:13:20

BusterSci I don't see any big names out, but a lot of helpers are.

09-08-2020
09:15:03

BusterSci Looks like the pace has dropped just a touch

09-08-2020
09:15:29

BusterSci I show 7 groups on the road

09-08-2020
09:15:47

BusterSci Sagan in 2nd group

09-08-2020
09:17:31

Charlie in Tenn group 2 catches on

09-08-2020
09:20:59

09-08-2020
09:21:18

BusterSci Turning to a headwind in a minute or so

09-08-2020
09:21:19

BusterSci And here's the turn.

09-08-2020
09:23:29

BusterSci Sun at their backs

09-08-2020
09:23:45

Tim in KY Just looking at tomorrow's profile. Cosnefroy is safe again.Â Just one Cat 4.

09-08-2020
09:38:08

Katie S Yikes, Skujins at doc mobile, looking shredded

09-08-2020
09:38:32

BusterSci He looks cheeky

09-08-2020
09:39:21

Katie S his Boston Butt is showing, too

09-08-2020
09:40:05

BusterSci does the doc mobile giving him the freeze spray mean he's getting the cold shoulder?

09-08-2020
09:41:51

Katie S rimshot

09-08-2020
09:42:15

Tim in KY They are currently well ahead of the fastest....

09-08-2020
09:43:28

Tim in KY DQS's surge appears to have accomplished nothing.

09-08-2020
09:44:10

BusterSci I think that gag deserved more of a groan than a rimshot.

09-08-2020
09:44:12

BusterSci Crashed some people out.

09-08-2020
09:44:21

Tim in KY I don't count that as an accomplishment.

09-08-2020
09:44:53

Katie S i'm feeling generous ... plus I'm still savoring the smoked pork shoulder a friend did for our socially distanced 7-person Labor Day gathering... It was shredded, too. And delicious.

09-08-2020
09:45:07

Alison Quarles Morning!

09-08-2020
09:50:14

Katie S Howdy!

09-08-2020
09:50:22

Alison Quarles Katie - a friend in CO said that it was 98 one day and they were expecting a snow storm last night. She was pretty happy about it!

09-08-2020
09:51:06

Katie S Bizarre

09-08-2020
09:51:55

Alison Quarles They're having wold fires also near where she lives.

09-08-2020

09:56:17

Donny Morning folks, just caught up on the not much is happening, except for the nice HWSNBN joke and a groaner that got a rimshot along with crash that left me wanting BBQ somehow?

09-08-2020
09:56:39

Charlie in Tenn You always want BBQ don't you?

09-08-2020
09:58:46

Donny That's true Charlie but was considering BBQ oysters to go with the pork.

09-08-2020
10:00:15

Mikey Nice dredging Donny!

09-08-2020
10:02:02

Donny Pog back in the front

09-08-2020
10:03:38

Donny looks like it is all going to comfortably come back together soon, for what is sure to be an uncomfortable sprint.

09-08-2020
10:06:49

Tim in KY Crappy little road.

09-08-2020
10:11:42

Dave Ringle Good morning from the rainy forest. I wish we could send this liquid to where it is needed.

09-08-2020
10:12:51

mcnally_mi Nice article from James Startt at Velonews: Guillaume Martin: The Tour de France™s podium philosopher - <https://www.velonews.com/events/tour-de-france/guillaume-martin-the-tour-de-frances-podium-philosopher/>

09-08-2020

PasadenaK8 Mornin' ~ Nice VeloNews article, Mcnally_mi. Amazing that Guillaume had the time and energy to write a theatre piece on Plato, while racing the 2018 TdF.

09-08-2020
10:22:17

Tim in KY Michael Mathews is not doing me any favors.

09-08-2020
10:23:40

Charlie in Tenn MVDP put a big 1.4km drive at the front and lined everyone out. It was a good sprint.

09-08-2020
10:24:23

BusterSci Sunweb sucked every bit of joy out of Mick's career.

09-08-2020
10:25:28

Charlie in Tenn Other interesting things from A-T. Froome was on the front pulling a lot. Zabel was the leadout for Cimolai but there was no place for Cimolai to come around. Merlier was by far the fastest at the finish but he got started late.

09-08-2020
10:27:45

Charlie in Tenn Gaceria for the second day in a row got to the front early and Ackermann past him at the line.

09-08-2020
10:28:55

Charlie in Tenn OK back to the studio for the little race in France.

TISSOT

PasadenaK8 Sprint: (1) Trentin, (2) Sagan, (3) Bennett

09-08-2020
10:32:50

Dave Ringle Largest crowds of the race so far

09-08-2020
10:36:26

BusterSci Certainly the largest maritime crowds

09-08-2020
10:37:54

Charlie in Tenn Again, the Nice area was a RED area per COVID-19 so smaller crowds were expected. This is the first time the tour has ever been here so bigger crowds are also expected.

09-08-2020
10:38:50

Katie S With all the COVID precautions, does it seem to anyone there is less illness overall in the peloton? I think someone had tummy issues, but we aren't hearing about other "bronchitis" issues etc.

09-08-2020
10:39:46

BusterSci Or maybe the bubble just makes getting "products" harder?

09-08-2020
10:40:22

Mikey What? No last minute requests for "patches"?

09-08-2020
10:40:39

BusterSci I've always assumed a significant percentage of illnesses in a race are doping related

09-08-2020
10:41:28

BusterSci It's definitely that way in tennis and golf. When someone skips a tourney or takes time off, it's usually because they've tested positive. But the sport would rather they just take time off than call it out.

09-08-2020
10:42:53

BusterSci <https://twitter.com/friebos/status/1303339771494895618>

09-08-2020
10:43:29

Dave Ringle In southern climates, a noticeable drop in flu occurrences happened with the concerns and isolation. I'd like to think positive, except when it comes to test results.

09-08-2020
10:43:48

mcnally_mi Sagan is up by 9 points over Bennett. Does he hold on to Green today? Points at the line will be - 50-30-20-18-16-14-12-10-8-7-6-5-4-3-2.

09-08-2020
10:45:04

BusterSci I've heard a lot of people talk about the flu season being awful this year. I think that's messed up. I suspect the flu season will be easier this year because all the behaviors we're supposed to do for Covid will help with flu, too.

09-08-2020
10:45:29

BusterSci I think Bennet takes it back.

09-08-2020
10:45:59

Dave Ringle Predicting the future uses a hazier crystal ball than usual these days.

09-08-2020
10:46:19

BusterSci I think the lesson we should all learn is to stop trying to predict the future and instead make our lives robust to the possibilities. Â He said after making a prediction about the future.

09-08-2020
10:47:24

Dave Ringle So much road furniture. A new way to get the fear.

09-08-2020
10:49:27

Mons Soseman good morning

09-08-2020
10:49:57

BusterSci Hi Mons

09-08-2020
10:50:29

Mons Soseman We'll see how this works.Â I am spending the week at Campbell's IslandÂ and am working from a neighbor's wireless hotspot, torrential rain makes that more iffy.

09-08-2020
10:50:45

BusterSci 6 Ineii on the front

09-08-2020
10:50:48

Dave Ringle Good morning fellow Marquette alum.

09-08-2020
10:51:05

Donny Mons!

09-08-2020
10:51:08

Mons Soseman Did Prudhomme actually get the COVID from the President of France, who rode with him on Saturday?

09-08-2020
10:51:10

BusterSci Could be. Â Or in reverse

09-08-2020
10:51:29

Mons Soseman Ring out Ahoya

09-08-2020
10:51:30

Dave Ringle Fortunately, they were outside the bubble. I'm thinking of

09-08-2020
10:52:00

COVID tests like soccer yellow cards right now.

Mons Soseman Worthy of a tragicomédie of Racine or one of those 18th century playwrights...

09-08-2020
10:52:33

BusterSci NTT on the front. Â EBH?

09-08-2020
10:53:18

Charlie in Tenn yep

09-08-2020
10:53:51

BusterSci Ineii again

09-08-2020
10:54:58

BusterSci JuVis now

09-08-2020
10:56:40

BusterSci NW wind now

09-08-2020
10:56:57

Mons Soseman Dave Ringle I like the analogy to soccer yellow cards.Â A twenty something friend of some Chicago friends needed to get tested for a job which started in a few weeks.Â She filled out the forms, but got bored with the wait. She left without waiting to be tested, thinking she would come back in a few days, when it was less busy.Â A few days later her positive test results came in the mail...Â We are still trying to get a handle on all this.

09-08-2020
11:00:56

09-08-2020
11:05:22

Dave Ringle The calm after the chaos but before the storm?

09-08-2020
11:07:17

BusterSci It drives me nuts to see top 10 riders in the back half of the peloton, especially as crashy as things have been.

09-08-2020
11:09:13

BusterSci EF and Uran staking a claim to the front, finally.

09-08-2020
11:10:42

09-08-2020
11:13:11

09-08-2020
11:13:13

Charlie in Tenn TIZ might have street paint coming up

09-08-2020
