05-24-2025
08:54:45 am

Charlie in Tenn So I was looking for the girls and found them in the hot tub. The next time I looked they were on the trampoline, still in their swimsuits. I asked them to kindly return to the house and dry off and put clothes on. They grudgingly agreed. They are now doing make-up.

Katie S Hi Jo ! Beautiful photo!

05-24-2025
09:29:33 am

SFinAus I noticed the street names are Italian. I assumed it came down to who made the map, but maybe it's proximity. I remember being surprised my first time in Italy that some Italian citizens in Sud Tyrol preferred German. I was so young/dumb then.

Mikey I sort of have a MOTS but really just a cool grace moment. The wif and I were at our local church Sacred Heart for a special Eucharistic Pilgrimage. Anyway we were greeting people at the door and a lady in a wheelchair says you look really familiar but I can't place you. She says your name is really familiar as well. She says do you know the name Soseman? Then it clicked with me! I was Mons sister Cheryl! We talked quite a while and she thanked us again for the bench and our prayers. She said she needs our prayers now as well. She is headed to Mayo to sort out some serious issues of her own. 05-24-2025 09:58:55 am
