07-19-2024
07:19:27 am

BusterSci I've been laughing at the Xitter posts saying VLAB made a huge mistake bringing Vingo because he just wasn't ready. Â Because he's minutes ahead of every other rider in the race but Pog, who is either doped to the gills or a freakish harbinger of what modern training and race prep will bring to the sport. Â He just wasn't read.

Alaska Dave Good morning from the rainforest. 60 degrees is shorts weather up here.

07-19-2024
07:38:37 am

07-19-2024
07:39:38 am

Alaska Dave In July I sometimes feel like the dyslexic agnostic insomniac who stayed up all night questioning the existence of dog.

07-19-2024
07:40:09 am

Alaska Dave I've also pondered the question of VLAB team strength: WVA and Vinego recovering from injuries. Crosswalk and sepp missing. If I'm any other team but UAE, I'm grateful that the race isn't harder with two super teams trying to rip each other apart.

07-19-2024

07:49:12 am

BusterSci That bridge is so cool.

07-19-2024
07:49:24 am

Charlie in Tenn I think Pog is doing the double. That is an almost impossible thing. Vinge did have a wreck and recovery but he is still beating everyone else. Remco is in his first Tour. He is third. It has been a very good race and so far Pog has been the best.

07-19-2024
08:12:20 am

BusterSci I'm totally on board with what VLAB is doing here. Â Fine to argue how they're going about it, but it's time to go all in. Â What I like about having guys like Vingo and Pog in a race is neither of them cares about their place other than yellow. Â You have to try to win. Â Very Contadorian.

07-19-2024
08:13:18 am

07-19-2024
08:19:36 am

mmcally The nice thing with Tadej and Jonas is we probably have a few more years of them battling it out while still in their prime years. Both likable, yet different in so many ways. For me, it is very enjoyable to watch.

07-19-2024
08:20:22 am

BusterSci This sort of long climb really could favor Remco. Â My understanding is it isn't a lot of quick hairpins that varies speed. Â More a steady pace--it's a TT.

07-19-2024
08:55:44 am

Katie S I would like the kiddos to have as long a summer vacation as possible. The reason: The traffic on our main thoroughfare (Highway 1) is blessedly light when school is not in session. We have that one road that all of our neighborhoods feed into. It's the only road that leads to town from the north or the south, and that's where the one middle school and the one high school are. The traffic to and from school is madness.

BusterSci A few years ago there was a dude calling himself Batting Stance Guy who would imitate the plate behavior of various MLB players. Anybody who watched baseball would have recognized who he was doing. He exaggerated, but in a way that made it more obvious who he was imitating. Well, a few days ago I saw a group that was imitating Pog and Vingo, amongst others. I'll post a link if I can find it, but it was really good.

09:26:38 am

PasadenaK8 I like reading the "On this day in" on the PCS LiveStats feed. The last couple of days have been about crazy rescues, One was about a rider who crashed as they were going over a bridge. He was hanging off the bridge, by his skinny little cyclist arms, until they could get to him. Another one was about when a rider went off-road, down the side of a huge mountain, and they had to tie 40 tire tubes together to rescue him. Today is a less harrowing one, and more of a fun TdF factoid, about the very first yellow jersey, from 105yrs ago! On this day in 1919: "The first yellow jersey was worn during stage 11 of the 1919 Tour de France by the Frenchman Eugène Christophe."

07-19-2024

BusterSci Simon leaves Crapass

07-19-2024

07-19-2024
10:20:52 am

07-19-2024
10:21:53 am

Tim in KY 5km and Pog only a minute behind.

07-19-2024
10:22:47 am

bikerabe Simon coming back to MatteoÂ Pog is coming

07-19-2024
10:22:52 am

BusterSci Now I'm hoping for Matteo and Yates to hang on and keep some points away from Pog. Â If Pog only picks up 1 point on Crapass that gives Richard a chance

07-19-2024
10:23:50 am

bikerabe Vinego alone with Remco

07-19-2024
10:25:04 am

BusterSci Man, Pog just eating seconds

07-19-2024
10:27:32 am

Katie S pretty much, K8.

07-19-2024
10:28:05 am

Katie S Since Lo Squalo is taken (Nibali), let's call him "Morski Pes"

07-19-2024

07-19-2024

07-19-2024
10:35:32 am

bikerabe same time Vinego and Remco

07-19-2024
10:36:46 am

BusterSci The handshakes when crossing always impress me. Â That offer from Vingo was certainly and acknowledgement that Remco did all the work.

07-19-2024
10:37:02 am

Tim in KY Faster than the imagined time but not faster than the fastest.

07-19-2024
10:37:09 am

BusterSci Vingo shattered

07-19-2024
10:37:49 am

Katie S Jonas is spent, physically and emotionally. Chapeau to him for his courage.

07-19-2024
10:37:55 am

BusterSci That's really a lot more of "I couldn't do it" than anything else.

07-19-2024
10:38:45 am

Katie S i'm sure that shower, massage and food can't come too soon for Vinego - in whatever order and repeat.

07-19-2024
10:39:40 am

PasadenaK8 Vercher had the same reaction yesterday. Totally broke down in tears, after his hope of winning was smashed by Pog.

07-19-2024
10:41:46 am

BusterSci Campernuts, though.

07-19-2024
10:42:26 am

10:42:35 am

PasadenaK8 Was a sweet post-race interview with Campernuts, yesterday.

07-19-2024
10:43:09 am

Katie S it really was. people in my house got choked up. ;-)

07-19-2024
10:43:23 am

BusterSci I think Vingo has the added pain of the whole team working their part of the plan and he couldn't deliver. Especially if he thought he could (rather than hoped he could.)

07-19-2024
10:43:36 am

BusterSci Agree on the post race yesterday.

07-19-2024
10:43:56 am

Katie S All righty, mes amis... see you tomorrow.
