|  | BusterSci | Ta da! | 03-23 07:32 |
|  | Joanna in New York | Mornin'! | 03-23 07:32 |
|  | BusterSci | Your buddy was the first abandon. Van Hooydonck. | 03-23 07:36 |
|  | Joanna in New York | Oh brother... | 03-23 07:38 |
|  | Joanna in New York | Phooey! | 03-23 07:39 |
|  | BusterSci | Taco is still spicy, however. | 03-23 07:39 |
|  | BusterSci | I was hovering over Charles Planet--because his name is Charles Planet. Picked a different 4 pointer, though. Break points would have been nice. | 03-23 07:40 |
|  | Joanna in New York | Lettuce hope that taco doesn't get shelled... | 03-23 07:40 |
|  | BusterSci | That was cheesy. | 03-23 07:41 |
|  | Joanna in New York | Yay, Tim is here! | 03-23 07:41 |
|  | BusterSci | Haven't mentioned for a while that for many years on LUG I thought he was Tim Inky. | 03-23 07:42 |
|  | Joanna in New York | LOL! | 03-23 07:42 |
|  | Tim in KY | The screen is all mushed up and I can only see one post at a time. | 03-23 07:43 |

|  | Joanna in New York | Tim, are you on a computer, tablet, phone? | 03-23 | 07:44 |
|  | BusterSci | Good tweet from this morning | 03-23 | 07:44 |
|  | BusterSci | The new look is very clean on my computer. Haven't tried the phone. | 03-23 | 07:46 |
|  | Tim in KY | This is totally unusable for me. | 03-23 | 07:46 |
|  | Donny | For me I don't see any difference from the past, at least on mobile | 03-23 | 07:48 |
|  | BusterSci | Mobile about the same. Text may be a touch smaller. | 03-23 | 07:48 |
|  | BusterSci | Somewhere shy of 190km remaining. CN just posted a familiar looking photo of Adam Hansen leading the peloton. | 03-23 | 07:51 |
|  | Charles Pelkey | Greetings Earthlings | 03-23 | 07:51 |
|  | BusterSci | 180km. 7:57 the gap | 03-23 | 07:51 |
|  | BusterSci | Hi, CP. | 03-23 | 07:51 |
|  | Joanna in New York | Rumbletalk made some changes to their interface, but basically left the chat room functionality the same. I did a redesign of the site, but did test everything. Sorry that Tim is having difficulty. | 03-23 | 07:51 |
|  | Joanna in New York | Good morning, LUG! | 03-23 | 07:52 |
|  | Charles Pelkey | Good morning. I am just passing through, but wanted to say hello. | 03-23 | 07:52 |
|  | Tim in KY | The Rumbletalk link works. Not sure why the difference. | 03-23 | 07:53 |
|  | Joanna in New York | So glad you did! | 03-23 | 07:53 |
|  | Joanna in New York | Great, Tim! | 03-23 | |

BusterSci What's shakin' at chez LUG?

03-

23

07:53

07:53

Donny Beautiful on the old laptop and just in time for THE LUG!

03-

23

07:53

Charles Pelkey I am just recovering from a long, long legislative session and trying to

03-

23

07:53

get back into the work groove.

Donny The first monument of the year is a good place to start Sir.

03-

23

07:54

BusterSci Getting back into the work groove stinks. Had an old acquaintance drag me

03-

23

07:55

into a too many hour contract. Got another month before I can return to my life of leisure. But, I'll have money to spend.

Tim in KY A race? Ten man break at 8:10 on the peloton with a zillion Km still to go.

03-

23

07:56

BusterSci All wildcard teams in the break.

03-

23

07:56

BusterSci Androni, ICA, Bardiamo, Sella Italia, Novo Nordisk.

03-

23

07:57

Joanna in New York When I did the website redesign over the winter it brought into

03-

23

07:57

focus just how many of these events Tim and Buster have Moderated (just look at the archives). Thanks, Dudes! Thanks also to all the other Nuts that pick up the reins when needed, it is good to be back together. A visit from LUG himself is like getting a blessing from the Commodore on Opening Day. :-)

BusterSci I'm so thankful for the UK. Helps me realize we aren't the only place that's

03-

23

07:58

screwed up (photo coming)

Donny Yes, Tim is is a race that eases you back in to the season. You can watch while

03-

23

07:59

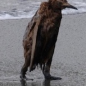

binging bored for the first 5 hours. It is the perfect race to brush up on the NRRBBB, gets he juices flowing again.

Donny to whit, busters last comment. I love all the smiling faces at a protest.

|  | BusterSci We're an hour away from video. | 03-23 | |
| | | 08:04 | |
|  | BusterSci van Hooydonck had stomach issues. | 03-23 | |
| | | | 08:05 |
|  | Joanna in New York Poor dude, I appreciate him starting and will have some Pepto | 03-23 | |
| | for him back at the bus. | | 08:05 |
|  | BusterSci So says the team that looks like one of my college grade reports. | 03-23 | |
| | | | 08:05 |
|  | Joanna in New York Back in a bit, have some work to do... | 03-23 | |
| | | | 08:11 |
|  | BusterSci Tah. Just emailed the Yahoo group. | 03-23 | |
| | | 08:12 | |
|  | BusterSci Maybe get a little buzz going. | 03-23 | |
| | | | 08:14 |
|  | BusterSci 165km to go, 8:10 the last check | 03-23 | |
| | | | 08:14 |
|  | Tim in KY It's been 8:10 for 50 km. Seems unlikely. | 03-23 | |
| | | | 08:16 |

| | | |
|--|---|-------------|
|  | BusterSci True dat | 03-23 08:17 |
|  | Donny The gap was 10min at one point. If that helps. | 03-23 08:18 |
|  | Tim in KY Just looking at all the fantasy teams. AlaPhil and Groan Wagon are popular. Also Viviani. But why so many Van Emden? | 03-23 08:18 |
|  | BusterSci I don't mind the gap. | 03-23 08:18 |
|  | BusterSci A familiar name in the low cost category. | 03-23 08:19 |
|  | BusterSci I suspect GroanWagon will get dropped on the Poggio. WHF looks super strong this spring. Sagz has had a tough few weeks, say reports. | 03-23 08:21 |
|  | Tim in KY Sagan is on surprisingly few teams. | 03-23 08:22 |
|  | Donny Van Emden for value, he is cheap, and you never know | 03-23 08:24 |
|  | BusterSci He's one that would have to TT it in. | 03-23 08:24 |
|  | BusterSci I'd like to see a GC guy take it again. | 03-23 08:25 |
|  | BusterSci 42.97kph average speed | 03-23 08:25 |
|  | Donny I have Sagan and the worlds happiest frenchman to go along with Viviani and Gaviria. If the classics have taught us anything it is that you always put Sagan on your team and then as many DQsteppers as you can afford. | 03-23 08:25 |
|  | BusterSci Astana has more wins than DQS this year. But they get most of theirs in stage races. | 03-23 08:26 |
|  | BusterSci Kwiatkowski can't be dismissed. He looked super strong at P-N. | 03-23 08:28 |
|  | BusterSci 6:33 | 03-23 08:31 |

BusterSci Through the first feed zone and onto the climb up the Turchino. 03-23 08:31

BusterSci The day after Sky announced they were becoming INEOS, I was at my client reviewing some design documentation. There, at the top of a spec for Lustran ABS plastic, was the INEOS logo. I've seen Lustran used for years in a variety of medical devices, but never paid attention to the manufacturer until that. 03-23 08:33

BusterSci I immediately grabbed my inhaler. 03-23 08:34

Tim in KY Gap finally changed. 6:33. 03-23 08:35

Tim in KY EFD is EF1 this year. Drapac seems to have abandon. 03-23 08:39

BusterSci I thought that was part of the transition as EF became the owner. Drapac was going to stay on but not share the title sponsorship? I'm going to check the team website... 03-23 08:42

BusterSci I was wrong. They're totally gone. 03-23 08:43

Donny no matter who the sponsor is, they win the worst kit contest by a mile 03-23 08:45

BusterSci I hate them standing still, but I like them in the peloton. 03-23 08:45

BusterSci 142km to go, 5:50 the gap 03-23 08:46

BusterSci Over the Turchino and now just cruising for another 80km 03-23 08:46

Tim in KY Gap is down to 5:50. 03-23 08:47

Donny The home of the 200+km neutral start. 03-23 08:49

BusterSci So true. It's like doing an entire flat Tour stage before the racing starts. 03-23 08:50

BusterSci Less about having the legs for the distance than having the arse for the distance. 03-23 08:51

Joanna in New York Speaking of arse...I've been riding my recumbent cycle about 70 minutes/day - no tailbone pain! Plus, the fractured ankle is fairly happy.

03-23
08:55

BusterSci Inside or out?

03-23
08:56

Joanna in New York Inside.

03-23
08:56

BusterSci Regardless, that's good. I've been getting the Ripster out for walks again, but can't do my full 8 miles because the trails are still soaked and icy.

03-23
08:57

BusterSci Isn't it interesting that sometimes the best things we can do for the stuff that hurts is exactly the stuff that makes it hurt?

03-23
08:58

Joanna in New York It is a good workout, and I suffer no pain. When I was riding my regular bike on a trainer, after 15 minutes I was able to dismount without excruciating tailbone pain, and I couldn't move my ankle to get out of the clips.

03-23
08:58

Joanna in New York I'm all for the "good kind of pain", the incapacitating pain...not so much.

03-23
08:58

BusterSci Tiz saying 30m to start of live video

03-23
08:59

BusterSci I thought Steephill said top of the hour. Hmm.

03-23
08:59

BusterSci Sunweb's Casper Pedersen has also abandoned.

03-23
09:03

Tim in KY Nope. 14:30 CET.

03-23
09:03

BusterSci Schonberger punctured from the break but caught back up after a change.

03-23
09:03

BusterSci Steephill does still say 14:00.

03-23
09:04

BusterSci Which is clearly an error.

03-23
09:06

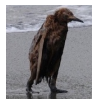

BusterSci Ah. RAI Sport has the pre-coverage show.

03-23
09:07

BusterSci Bobke-ini?

03-

BusterSci 5:10 the gap

BusterSci And greetings to our two lurkers.

03-

09:12

Charles Davis Hi all. I am traveling. Who is in the break?

03-
23
09:13

KinPA Correction...one lurker.

03-
23
09:13

KinPA Catching up before signing in.

03-
23
09:13

BusterSci Bunch of wildcards in the break, Charles

03-

03-

09:15

BusterSci Scroll up. It's all there.

03-
23
09:15

Tim in KY I can remember M-SRs when it snowed. Today it's a sunny 20C.

03-
23
09:16

Charles Davis I have Maestri. Go break.

03-
23
09:16

BusterSci 2013 it snowed. Hard

03-
23
09:16

BusterSci They did a 50km transfer and restarted.

03-
23
09:17

BusterSci You'll get break points, but there's no way a wildcard is going to win this sucker, Charles.

03-
23
09:18

KinPA Is CD cheering on the the leaders or going to the loo?

03-
23
09:18

Charles Davis On my phone hard to scroll and see everything. Thought I read everything.

03-
23
09:18

BusterSci No worries. Frau just delivered scrambled eggs with prosciutto and Humboldt Fog cheese.

03-
23
09:20

Tim in KY Welcome Marc.

03-
23
09:21

BusterSci Ah, Toad Hall. My favorite Nut location.

03-
23
09:22

Tim in KY I have video of the finish line.

03-
23
09:22

Donny That will be useful in about 3 hours tim

03-
23
09:23

Marc@ Toad Hall Kind friends, I'm glad to join in. Thought I might have heard from you during PN. Joanna, love those equines. Here in CT, we have a dusting of snow, nut I fear the Mad Plawman, since the driveway's texture is a mix of Nutella and Bosco.

03-
23
09:23

BusterSci We still have a foot of the white stuff in most areas, much more out of the sun. But it's melting fast, and we see mid 60s midweek.

|  | Marc@ Toad Hall | Lucky you | 03-23 09:25 |
|  | BusterSci | Ginormous plow drifts this year, so those will be melting for another month. | 03-23 09:26 |
|  | BusterSci | Tim, are you on FloBikes this year? | 03-23 09:26 |
|  | Donny | Here in the Fatherland, it is the first great day of Spring. I should be out on a ride as tomorrow, Spring goes cold and grey again. Ah well, I will watch some guys on bikes instead. | 03-23 09:26 |
|  | Tim in KY | Now actual video and commentary. | 03-23 09:27 |
|  | Tim in KY | Yes, Buster. | 03-23 09:27 |
|  | BusterSci | I'm trying to get over a personal obstacle to signing up for Flo. You can't find any information about costs on their website until you give them your info. I find that to be unacceptable practice, so I've held off. Objectively it's not a big deal, but for some reason it's a road block for me. | 03-23 09:29 |
|  | Joanna in New York | Thanks, Marc! I love those ponies, too! | 03-23 09:30 |
|  | Tim in KY | No racing yet, just travelogue. | 03-23 09:31 |
|  | Charles Davis | Traveling to DC. We have two foriegn exchange students. German and Spanish. Showing them stuff. The littles are doing good but sleeping with the daughter in bed is awful. I am exhausted already. | 03-23 09:31 |
|  | Donny | Those data mining devils! eh Buster | 03-23 09:31 |
|  | BusterSci | Exactly, Donny. Why I'm considering leaving Facebook as well. | 03-23 09:32 |
|  | BusterSci | It shouldn't be that big of a deal with Flo, because I'm happy to pay for their product. But I'm unreasonably attached to the principle of the thing. | 03-23 09:34 |
|  | Tim in KY | Bardet being interviewed in English! | 03-23 09:34 |

| | | | |
|--|---------------------------|---|----------------|
|  | Marc @ Toad Hall | I never considered Facebook. Phobic, and intimidated by the iPhone my darling gave me. | 03-23 09:34 |
|  | BusterSci | I'd be thrilled to see Bardet be WHF for a day. | 03-23 09:34 |
|  | Donny | Understandable, though, they have everything they can use on you already one would think. If you don't go through the trouble of creating a new identity for yourself through the witness protection program. | 03-23 09:35 |
|  | Donny | I have resigned myself to the Circle. | 03-23 09:36 |
|  | BusterSci | of Hell? | 03-23 09:37 |
|  | Donny | Of Dave Eggers, but your suggestion seems fitting as well | 03-23 09:38 |
|  | Tim in KY | 3 KU to go 5:43. | 03-23 09:38 |
|  | Joanna in New York | Now I have to see if I can finally add video. | 03-23 09:39 |
|  | Donny | GIFing in the pub, sounds dangerous | 03-23 09:39 |
|  | Joanna in New York | Yeah, why I deleted it. | 03-23 09:40 |
|  | BusterSci | Choosy LUGgers choose GIF. | 03-23 09:40 |
|  | Joanna in New York | LOL! | 03-23 09:40 |
|  | Donny | ha | 03-23 09:40 |
|  | BusterSci | Valverde is going to win and the cycling commentary world will explode even bigger than when he won worlds | 03-23 09:41 |
|  | KinPA | B-Sci - that's why I have an 'alter ego, who just happens to live nearby, in the next town, for the stuff I don't REALLY want to sign up for. | 03-23 09:41 |

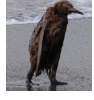

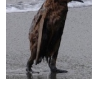

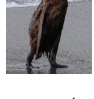

| | | |
|--|---|----------------|
|  | Joanna in New York Still cannot add video. WTF? Tried .mp4 and .mov. | 03-23 09:41 |
|  | Marc @ Toad Hall No sign of NBC Gold. Good when it exists, but not a bargain. | 03-23 09:43 |
|  | BusterSci Gold only covers ASO races | 03-23 09:43 |
|  | Marc @ Toad Hall Sigh. | 03-23 09:43 |
|  | Tim in KY UAE, Lotto, DQS and Bora at the front of the chase. | 03-23 09:45 |
|  | BusterSci 5:05 | 03-23 09:45 |
|  | BusterSci Rob Hatch is always my favorite Eurosport announcer. | 03-23 09:46 |
|  | Marc @ Toad Hall Those of us in the United States of America might cheer that the Muller report got delivered to the "Justice". Department | 03-23 09:47 |
|  | Donny "Justice" department, I like that. | 03-23 09:48 |
|  | BusterSci I suspect anyone hoping for something to happen will have to wait for SDNY to act. | 03-23 09:48 |
|  | Marc @ Toad Hall Right, Buster. | 03-23 09:48 |
|  | KinPA & if it's garbage maybe the DSNY will act | 03-23 09:50 |
|  | Donny Gap is dropping now, the race has started with 90km to go | 03-23 09:50 |
|  | Tim in KY Tommy Doom is back in the cars. | 03-23 09:50 |
|  | Marc @ Toad Hall We can stop yawning in two hours. | 03-23 09:51 |
|  | BusterSci Do they catch before the Capi? | 03-23 |

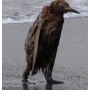

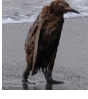

| | | | | |
|--|-------------------------|--|-------|-------|
|  | Marc @ Toad Hall | I hope Tom D is OK. | 03-23 | 09:51 |
| | | | 09:51 | |
|  | BusterSci | I say after the second, but before the third. | 03-23 | 09:51 |
| | | | 09:51 | |
|  | Tim in KY | Nature break for TD. | 03-23 | 09:53 |
| | | | 09:53 | |
|  | Donny | There's a shocker | 03-23 | 09:53 |
| | | | 09:53 | |
|  | BusterSci | Not a simple thing, given history. | 03-23 | 09:53 |
| | | | 09:53 | |
|  | Donny | Still think a toilet paper company missed a golden opportunity there. | 03-23 | 09:54 |
| | | | 09:54 | |
|  | BusterSci | Camelback mobile bidet | 03-23 | 09:55 |
| | | | 09:55 | |
|  | Donny | lol | 03-23 | 09:55 |
| | | | 09:55 | |
|  | BusterSci | Shop Vac? | 03-23 | 09:56 |
| | | | 09:56 | |
|  | Donny | yuck | 03-23 | 09:56 |
| | | | 09:56 | |
|  | BusterSci | Wet-or-dry | 03-23 | 09:56 |
| | | | 09:56 | |
|  | Donny | Where is Mons? | 03-23 | 09:57 |
| | | | 09:57 | |
|  | KinPA | Well, there's a non-sequitur...I hope. | 03-23 | 09:57 |
| | | | 09:57 | |
|  | Marc @ Toad Hall | Uhhhh. "Let's keep it sweet, Pete." Poor fellow had a nasty Giro in '17, but still won. How about crashing twice (!) in Italy, and still winning a TA stage? Hollywood would not buy that story. | 03-23 | 09:58 |

|  | Donny So in Brexit news, a petition to cancel Brexit has gained 4.2 million signatures | | 03-23 |

| | So for them it is very important. I just wonder where all these people were when the actual vote happened. | | 10:25 |
|  | Donny I think your prediction on the catch is about spot on today | | 03-23 |
| | | | 10:26 |
|  | BusterSci The referendum was a perfect example of why direct democracy can be a | | 03-23 |
| | dangerous thing. | | 10:27 |
|  | Donny yes sir. | | 03-23 |
| | | | 10:28 |
|  | Marc @ Toad Hall Let's keep our democratic principles as indirect as possible. | | 03-23 |
| | | | 10:29 |
|  | BusterSci It's why I'm personally against the movement to eliminate the electoral | | 03-23 |

| | | |
|--|---|----------------|
|  | Donny I think you should have to pass an "Issues knowledge test" in order to vote. | 03-23 10:30 |
|  | Marc @ Toad Hall It rarely exercised its power. | 03-23 10:30 |
|  | Donny Then you could have a direct democratic vote | 03-23 10:31 |
|  | BusterSci Donny, while on one hand I'm sympathetic to that, the notion was used to disenfranchise a race for many years. | 03-23 10:31 |
|  | Marc @ Toad Hall I think you should have to pass a course and test to have children; but then, I'm a family lawyer. | 03-23 10:31 |
