**Tim in KY** I'm hoping for a quick small break so I can do other stuff for a while.

10-14-2020

06:07:55

**BusterSci** I'll miss the finish. Â Ripley needs a vet visit.

10-14-2020  
08:39:50

**Katie S** Just wanted to share this ... I won't be able to be here for the finish... Have an unusual reason. I'll be watching the auction of a rare manuscript on Christie's website. My college has owned a complete First Folio of Shakespeare for about 45 years, and the time has come to let it go: If you're interested:  
<https://www.christies.com/lotfinder/books-manuscripts/shakespeare-william-comedies-histories-and-tragedies-6281272-details.aspx?from=salesummary&intObjectID=6281272&lid=1>

10-14-2020  
08:40:36

**John** I get a Page not Found error :(

10-14-2020  
08:41:49

**Tim in KY** Why selling, Katie?

10-14-2020  
08:42:23

**Katie S** ooops. you can go to the Christie's website, then click on the auctions tab, then go to the Exceptional Sale: <https://www.christies.com/>

10-14-2020  
08:42:40

**Katie S** It's unfortunate, but the funds it will bring are much needed by the college.

**John** what a fabulous piece of history

10-14-2020  
08:46:40

**Katie S** Thanks. Putting on my big-girl panties: We can do more for our students and programming with the funds we derive for the sale than with the possession of the folio itself.

10-14-2020  
08:47:08

**John** where do you work katie?

10-14-2020

10-14-2020

**Tim in KY** Kentucky and Tennessee used to play for a whiskey barrel. About twenty years ago they got rid of it because it was thought to be a bad influence on impressionable college students. After they got rid of it, all the kids stopped drinking.

10-14-2020  
09:18:00

**Mikey** I lived in Corvallis for a year and the OU and OSU rivalry is taken very seriously.

10-14-2020  
09:18:09

**Katie S** HA! Tim that's hilarious.

10-14-2020  
09:18:37

**BusterSci** Sports rivalries are all taken too seriously.

10-14-2020  
09:19:59

**BusterSci** There may have been a time when they were a pressure relief valve for tribalism. Now they simply exacerbate it.

10-14-2020  
09:22:17

**Katie S** Maybe it's because I've just gotten old, but it seems the Cal-Stanford rivalry has mellowed. It got pretty intense there for awhile. Yeah, it's probably just that I've gotten old...

10-14-2020  
09:23:45

**Tim in KY** Boy, they have gone from faster than the fastest to almost the slowest.

10-14-2020  
09:24:35

**BusterSci** Demare again today? Or was the chase yesterday too draining and it's a chance for Gaviria or Viviani?

10-14-2020  
09:25:00

**Mikey** For some reason the football rivalry in Iowa these days is with Nebraska, so you are ok Buster.

10-14-2020  
09:25:18

**Tim in KY** Demare only loses if he gets boxed or falls down.

10-14-2020  
09:25:47

**Mons Soseman** Katie S, you sound like a Stanford fan. :)

10-14-2020  
09:26:06

**BusterSci** That probably happened after they joined the B1G. Here, WI is bigger than IA. Also, until recently, the Gophers have been so bad that none of their rivalries really mattered much to the other team.

10-14-2020  
09:26:31

**BusterSci** Tim is right.

10-14-2020  
09:27:03

**Mons Soseman** Well, when they let Texas mess up the Big 12, and Nebraska fled to the Big 10, all of those things changed...

10-14-2020  
09:27:09

**Katie S** I have a t-shirt from Mills: it reads. "Mills College Football: Still Undefeated" ... because of course we don't have one. My entry-level marriage was to someone from Cal. My partner now is a Stanford alumna. So, my allegiances changed 3 decades ago...

10-14-2020  
09:27:34

**Mons Soseman** What was funny was that Texas made the big profit grab, ruined the Big 12, and then had several mediocre seasons, right Donny?

10-14-2020  
09:28:08

**Mons Soseman** What a great slogan for a T shirt...

10-14-2020  
09:28:38

**BusterSci** I think there needs to be one more major realignment in college football. Â They need to set up either 8 conferences or 4 super conferences, and then the playoff is decided between the conferences. Â This selection committee BS has to go.

10-14-2020  
09:28:45

**Mons Soseman** or shoud it read "Mills College Football:Â Still Unfeated"

10-14-2020  
09:29:04

**BusterSci** But never unfeted

10-14-2020  
09:30:00

**Mons Soseman** I HATE all of this playoff talk in College football, which is mostly about rivalries, which have been completely ruined but all the BCS, BS, Selection committees.Â Several teams CAN claim to be number 1 in a season, this is not a crisis.Â I am happy with a number one based onÂ coaches polls, AP polls, AND overall records, and keep the College bowls the great rivalries they always had been.

10-14-2020  
09:31:00

**Tim in KY** Break falls apart on a little hill climb.

10-14-2020  
09:31:07

**Mons Soseman** Not that I care that much about it...Â LOL

10-14-2020  
09:31:13

**Katie S** Are we laying odds yet on when the peloton reels them all back in?

10-14-2020  
09:31:28

**Mons Soseman** I am hoping that this COVID realignment will cause some realignment...

10-14-2020  
09:31:53

**Mons Soseman** in College football, that is.

10-14-2020  
09:32:00

**Mons Soseman** 15 k from the end of the stage.

10-14-2020  
09:32:18

**BusterSci** Mons, I'm somewhat with you, in that I would have been very happy if we'd stuck to polls and bowls and no attempt to do a national championship game. Â Since they did, though, I think it should be worked as "win your conference and go to the playoff". Â And if you do that, Notre Dame can stay an independent but they'll never get a chance at the playoff unless they join a conference.

10-14-2020  
09:34:07

**Mikey** Mons seems like the NCAA and UCI have a lot in common. Maybe the championship folks are from northern Italy

10-14-2020  
09:34:39

**Mons Soseman** Notre Dame can go to the Devil

10-14-2020  
09:35:15

**Mons Soseman** so, if they want to remain independent, they can do so, and I think that is not a bad thing.

10-14-2020  
09:35:35

**BusterSci** I don't think northern Italy has any monopoly on people who focus on their financial position over the good of the organization they purportedly represent.
