Tim in KY Except for 20 kilometers of false flat leading to the final climb, the route is up and down all day. But not steeply. There are two Cat 4s, a Cat 3 and the final Cat 2.

08:09:12 am

Kim Crosby Bikerabe- I just have to confess that my eyes always read your name and say "biker Babe" in my head... and then have to re-read it more carefully. :)

07-12-2022
08:09:31 am

Tim in KY Still no break.

07-12-2022
08:12:36 am

BIKERABE when I logged in tdF caps lock was on so my name os shouting

Tim in KY Speaking of veggies, I have to go butcher a cauliflower.

07-12-2022
08:47:02 am

RCG I'm getting a few tomatoes, but the squirrels are winning, in general. My newer neighbors have dogs, so all of the squirrels and chipmunks find that life is easier in our yard now- especially with the salad bar at hand.

07-12-2022
08:51:01 am

Charlie in Tenn We have some grape tomatoes. I picked a handful yesterday. Plenty more starting to ripen. The larger other type that I planted

07-12-2022
09:55:09 am

SFinAus Innies are well placed in the race for third overall with three. My sentimental choice at this point though would be Bardet. Standard caveats apply: anything can still happen, there's still a lot of racing ahead. ðŸ™„
