

 **Tim in Ky** Vuelta stage 9 is 174 kilometers of flat riding north along the Mediterranean coast for about 130 km. The route heads into the coastal mountains for a Cat 2 climb and a finish atop a Cat 1. 08-26 14:35

upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1503772873-VaE%20stage-9-route.jpg

 **Tim in Ky** Both of the climbs are relatively short, 3.2 km and 4 km respectively but they average over 9% and have much steeper ramps than that. 08-26 14:39

 **Tim in Ky** //rumbletalk-images- 08-26 14:39
upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1503773089-VaE%20stage-9-profile.png

 **Tim in Ky** The final climb has a lot of double digit inclines, including a section at 21%. The final section averages 8.7% only because there is a short downhill to the 4 km banner. And then it gets really steep again. 08-26 14:44

 **Tim in Ky** Kilometer zero is scheduled for 13:26 CET (07:26 EDT). Finished is expected between 17:30 and 18:00 (11:30-noon EDT). Live video is scheduled for 15:00 CET (09:00 EDT). 08-26 14:48

 **Trish in MA** Greetings from Spain! Few road preparations here in Calpe, except for shutting down parking on one side of the street in the main drag. My personal disaster is that I can't find a live broadcast on the TV. 08-27 06:04

 **Trish in MA** It appears the Dutch would prefer to watch motor sports on the weekends. What's Charlie's pirate feed? 08-27 06:04

 **Trish in MA** Found it in the archives. Whew. 08-27 06:16

 **donny** trish that feed is tiz-cycling.com if I am not mistaken 08-27 06:25

 **donny** <http://tiz-cycling.stream> this link should take you directly there 08-27 06:27

-  **Tim in Ky** Boy, that CDT news is depressing. 08-27 06:43
-  **Tim in Ky** Still an hour away from racing. 08-27 06:43
-  **donny** Yep, sad. Maybe, Taylor will sign with QS and win Paris-Roubaix 08-27 06:45
-  **BusterSci** CDT: On the same night, a boxer and a street fighter are paid at least 130M 08-27 07:02
for a fight that was never really expected to be competitive.
-  **donny** Buster that is our reminder that we are still a fringe spot. Just when we start 08-27 07:12
thinking that it is becoming popular, reality comes and punches you in the face.
-  **Trish in MA** //rumbletalk-images- 08-27 07:12
upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1503832595-IMG_9528.png
-  **BusterSci** Nice, Trish! 08-27 07:12
-  **Trish in MA** Here is the final climb - Cumbres del Sol - from the bottom of the climb. 08-27 07:14
-  **Trish in MA** This is the valley they descend into after the first ascent of the Cumbres 08-27 07:15
del Sol. They will have that little mountain range on their left as they make the return to the Cumbres del Sol
-  **Trish in MA** Stupid autocorrect. Cumbres del Sol 08-27 07:16
-  **Trish in MA** //rumbletalk-images- 08-27 07:17
upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1503832874-IMG_9531.png
-  **donny** Very cool WOTS! 08-27 07:18
-  **Tim in Ky** Why is it a Cat 2 the first time and a Cat 1 the second time? 08-27 07:19
-  **BusterSci** Donny, to be honest, after years of VPNs and dodgy feeds, teams coming 08-27 07:19
and going, doping and lies, directionless oversight and random rulings, I've never though cycling was anything but a fringe sport and never will.

 **BusterSci** different route the second time, innit? 08-27 07:20

 **Tim in Ky** It's hard to tell on the map. 08-27 07:21

 **Trish in MA** They don't go to the top the first time through. The last ascent (which we 08-27 07:21
couldn't go up - blocked off and not sure our rental car would have made it, anyway), ascends up to the weather station. You do most of the climb twice, except for that last bit. We saw many cyclists paper-boying their way up the climb.

 **Tim in Ky** //rumbletalk-images- 08-27 07:23
upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1503833284-VaE%20stage-9-finish.jpg

 **BusterSci** Yup. Little kicker on the end the second time through. 08-27 07:23

 **Trish in MA** The blue and red line is what they do twice. 08-27 07:24

 **donny** I have seen a lot of people, around the cycling community, both giddy about and 08-27 07:24
pissed off about the popularity that the sport is receiving. Mostly it depends on who is doing the buying and who is doing the selling. However, when you look at the situation without the photo chromatic rose colored glasses, it is plain to see that both sides are delusional.

 **Tim in Ky** Trish, did you pick Calp because of the race or is this just serendipity? 08-27 07:26

 **Trish in MA** We won a stay in a house here in a charity auction for my friend's chorus. 08-27 07:28
We could pick anytime from mid-July to mid-September. I looked up the Vuelta route and my decision was made for me. Even if they didn't come through Calpe, they have been all over the place the last week, so I could have gone to a stage anywhere from an hour or two away.

 **Trish in MA** There are few Americans here. Mostly Spanish, British, a fair amount of 08-27 07:30
Dutch, some French and Germans. I would tell people where I was going, and why, and got blank looks back. Had to explain both the location and the race.

 **Tim in Ky** What's the weather Trish? 08-27 07:32

 **Trish in MA** Overcast. Cloud cover is keeping the baking heat down and perhaps even 08-27 07:34
the humidity. Definitely not as bright as the last few days have been. You understand the reason for the siesta once you've tried to stand outside in the summer at 1:00 in the afternoon.

 **Tim in Ky** No word yet of Km0. 08-27 07:34

 **Tim in Ky** Now they're off. 08-27 07:38

 **Trish in MA** //rumbletalk-images- 08-27 07:39
upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1503834177-IMG_9604.png

 **Trish in MA** Here's the road furniture I was talking about yesterday as they come into 08-27 07:39
Moraira. The photo was taken on our return trip, so they will be coming down the hill and then making a sharp left turn onto a street that has more of that furniture. Ugh.

 **BusterSci** ince I don't mix in casual or competitive cycling circles, and approach the 08-27 07:42
sport only as a spectator due to physical limitations, I don't have the opportunity to see much of that. I just don't know why anyone would be pissed about increased popularity or happy about decreased popularity..

 **BusterSci** That's an answer to Donny, by the way. 08-27 07:42

 **BusterSci** Racing has begun 08-27 07:42

 **Tim in Ky** Six riders have a tiny gap. That will change. 08-27 07:43

 **Trish in MA** Unlike football (either kind) or baseball, cycling teams don't have a 08-27 07:45
continual physical presence in a region with a big gathering place for fans to congregate. It makes it difficult to build the kind of popular support that can help cover the cost of running a professional sports team like cycling. And before we start complaining about the lack of support for men's cycling, give a thought to the huge lack of support for women's cycling.

 **BusterSci** The women's races I've had a chance to watch have been hugely 08-27 07:47
entertaining events. It's not nearly as controlled as a Tour stage and that makes for a thrilling race.

 **Tim in Ky** Now 13 riders but no increase in the gap. 08-27 07:47

 **Trish in MA** I love the fact that the breakaway has won in the last four (?) stages. 08-27 07:48
Much more exciting.

 **Tim in Ky** The gap has been 0:12 for several minutes now. 08-27 07:50

 **Tim in Ky** And now it's 0:00. 08-27 07:50

 **Tim in Ky** CDT did the chasing. 08-27 07:51

 **Rob** Do the teams get any money from the sport itself or do they exist solely on sponsorship? 08-27 07:51

 **Tim in Ky** Just sponsorship. 08-27 07:52

 **Rob** So who gets all the money from the TV rights? 08-27 07:53

 **BusterSci** The Organizers 08-27 07:54

 **Trish in MA** And how do you sell a sponsorship and even estimate fan support when all the tickets to the competition are essentially free? 08-27 07:54

 **BusterSci** ASO, for example. 08-27 07:54

 **BusterSci** Right Trish. You can't even measure click-throughs. 08-27 07:54

 **BusterSci** You might be able to estimate eyeballs on a sponsor name. 08-27 07:55

 **Trish in MA** I've seen no pro jerseys on the backs of any cyclists, or hats, or anything. My husband and I will be wearing our Red Sox hats to watch the race. 08-27 07:56

 **Rob** It doesnt help that the jerseys change so quick and are expensive. 08-27 07:57

 **Trish in MA** They're no more expensive than a baseball team jersey My husband (I am really going to have to come up with a nickname for him like Frau Buster) just spent \$30 on a Red Sox T-shirt 08-27 08:00

 **Tim in Ky** Break attempts have all failed so far. 08-27 08:00

 **Trish in MA** Who is shutting it down? 08-27 08:01

-  **Tim in Ky** CDT and Movi so far. 08-27 08:01
-  **BusterSci** I might spend \$30 on a Red Sox jersey if I was going to have a bonfire. 08-27 08:02
-  **Trish in MA** Buster, please don't tell me you're a Yankees fan. 08-27 08:03
-  **Tim in Ky** Here we go. Ten riders now have 1:18. 08-27 08:05
-  **BusterSci** I admit, I'd use the Sox hat as tinder to get the fire really hot before 08-27 08:07
throwing the Yankees jersey in.
-  **Tim in Ky** Gap isn't going up, though. 08-27 08:08
-  **Trish in MA** Fair enough. You're an equal opportunity hater. 08-27 08:08
-  **Tim in Ky** Breakers are Markel Irizar (Trek-Segafredo), Marc Soler (Movistar), Marco 08-27 08:09
Haller (Katusha-Alpecin), Bert-Jan Lindeman (LottoNL-Jumbo), Tobias Ludvigsson (FDJ), Anthony Turgis (Cofidis), Lluís Mas and Diego Rubio (Caja Rural-Seguros RGA), Conor Dunne (Aqua Blue Sport) and Ricardo Vilela (Manzana Postobon).
-  **Tim in Ky** Gap is 1:27. 08-27 08:10
-  **Tim in Ky** Well, some team is not happy. The gap is coming down. 08-27 08:12
-  **Trish in MA** Interesting that CDT doesn't have a rider in the break. 08-27 08:12
-  **Tim in Ky** Maybe that's who's unhappy. 08-27 08:12
-  **Trish in MA** A lot of riders now looking for a contract. They need someone in there. 08-27 08:13
-  **Tim in Ky** Yup, CDT and UAE doing the chasing. 08-27 08:14
-  **donny** Buster, here is the best I can explain something that I try to avoid. I love 08-27 08:15
cycling, both as a fan and as a sport in which I participate. I used to own a bicycle shop, have spent more time than I care to admit finding cycling shops around the world to be able to watch the sport. The people

in these shops and around the amateur races tend to be sort of outcast, they are not an inclusive bunch. They like to have some sort of elitist attitude. They are proud to have a passion for something that others don't care about or as they like to think don't understand. Then you have those that are trying to sell something or get you to invest in their product telling you how the popularity numbers are going up. Viewership is increasing, participation is on the raise! Cycling is the new golf, is a comment often made by both groups of people. You just change the tone of the comment and have a gist of the issue. I love this cycling group far more than any other cycling group that I have ever had any dealings with, that is for sure. This is the type of simple camaraderie that I wish existed in the sport at large.

 **Tim in Ky** Best placed rider in the break is Vilela at +25:33. 08-27 08:16

 **Tim in Ky** Gap is 1:45. 08-27 08:17

 **Trish in MA** Donny, kind of how I feel about some knitting groups. Believe it or not, there are elitist knitters. 08-27 08:17

 **Rob** Elitist knitters, thats made my morning. 08-27 08:21

 **Trish in MA** Glad I could help! 08-27 08:21

 **Trish in MA** My friend does Dog Agility. Now there's a snooty crowd... 08-27 08:23

 **BusterSci** Snootiness exists everywhere. Nearly everyone feels a need to be "better" than others, and tribalism exists as mush in hobbies as it does in sports and politics. 08-27 08:25

 **Tim in Ky** Gap is 2:40. 08-27 08:25

 **donny** And is ridiculous everywhere 08-27 08:26

 **Tim in Ky** CDT still trying to chase. 08-27 08:27

 **BusterSci** Like most things, a little bit is OK, and can even be positive. Family is the core of tribalism. Part of it brings people together. It's the part that assumes togetherness can only come from excluding the "other" that becomes ridiculous. 08-27 08:27

 **Trish in MA** Donny, agreed. Good thing we only let the good Nuts in here! I'm signing off to go capture pictures and maybe some swag from the caravan. 08-27 08:28

 **Tim in Ky** Caravan swag. That will be a Nuts first. 08-27 08:36

 **Tim in Ky** With 129 km to go, gap is 2:54. 08-27 08:37

 **BusterSci** I thought Mons had posted some photos of swag he picked up. I've got 08-27 08:39
some old Giro swag that my brother got for me. It was likely not manufactured in Italy, as a significant number of the items spelled "Giro" as "Girro."

 **Tim in Ky** Gap is holding at 2:54. 08-27 08:42

 **donny** I have some stuff from the Giro the year AC did not win as well as a bunch of 08-27 08:46
stuff from the Tour, (used to live in Paris), for all the years nobody won. My track record on swag leaves a little to be desired.

 **BusterSci** As a total aside, I saw a really good cooking tip I thought the Nuts might 08-27 08:50
appreciate. If you stir some coconut oil into your kale it makes it a lot easier to scrape it into the trash.

 **BusterSci** Wow. Kale jokes don't go over well with this crowd. 08-27 09:01

 **Tim in Ky** That's my preferred destination for kale. 08-27 09:02

 **BusterSci** I have a stream 08-27 09:03

 **Tim in Ky** CDT still holding the break under 3:00. 08-27 09:03

 **Tim in Ky** Gold is up BTW. 08-27 09:04

 **Tim in Ky** A Lotto S has crashed. 08-27 09:06

 **donny** I really like Kale, never tried it with coconut oil after being scrapped into the 08-27 09:07
trash but as a general rule i like it.

 **Tim in Ky** Jens Debusschere is the rider and he has to abandon with a knee injury. 08-27 09:08

 **Trish in MA** The caravan blew past us at high speed, pretty women waving and 08-27 09:12

throwing absolutely nothing. All done in about a minute. Have to look at the 97 pictures I took and see if there is anything in focus.

 **BusterSci** I guess now I know what I have to do to get a pretty woman to wave at me. 08-27 09:13

 **BusterSci** Other than leave, of course. 08-27 09:13

 **Tim in Ky** 3 Ku to go. Gap is 2:43 08-27 09:17

 **Trish in MA** This is how you wait for the peloton to come past. 08-27 09:18

 **Trish in MA** Well, my roadside bar has very slow wifi so uploading pictures isn't 08-27 09:22
happening . We are settled down with a couple of cold beers and are contemplating Spanish snacks.

 **BusterSci** My understanding is that eating the snacks is even more satisfying than 08-27 09:23
contemplating them. But I haven't been to Spain so I'm not sure of that.

 **Tim in Ky** I Googled Spanish Snacks.Tofu nuggets and fried anchovies weere on the 08-27 09:26
list.

 **SFinAusTx** Good day gang. Trish, you're WOTS contributions are wonderful. How 08-27 09:27
long is the caravan - does it take some time to pass or is gone in a flash?

 **BusterSci** I've got no problems with either of those. 08-27 09:27

 **BusterSci** Ashley House said in a recent Viva la Vuelta that it was only about 15 08-27 09:27
vehicles long, compared to the Tour which was nearly 300.

 **donny** Pan con tomate, croquettes and my personal favorite gazpacho! Tortilla, Jambon08-27 09:28
iberico

 **SFinAusTx** Buster, I love your kale joke. I look forward to sharing it with plenty of 08-27 09:28
Austin coworkers tomorrow. Speaking of snooty bunches, this city is one of them. This is where Whole
Foods (er Amazon Foods) started.

 **Tim in Ky** Potted shrimp? 08-27 09:29

 **donny** Dude on a sweet Orbea Orca that rides for Cofidis changing socks and shoes 08-27 09:29
while riding along

 **BusterSci** By this time I'd be potted so it wouldn't matter, Tim. 08-27 09:29

 **Trish in MA** Tofu nuggets I have seen on zero menus. Fried anchovies - si. Trying to 08-27 09:29
talk husband into them. (I love me some salty snacks.). The caravan took about a minute. Almost every car
was red, I think, and there were a few with video screens on top.

 **Trish in MA** There was some crazy souped up car which revved its engine. It was 08-27 09:31
orange. It looked like it wanted to pop a wheelie, but our crowd was too small.

 **SFinAusTx** I heard Ashley's assessment and was surprised. I have no reason to doubt 08-27 09:31
him, and I know the Vuelta is a much smaller production than TdF, but I wondered if a weekend edition
was bigger. BTW, thanks again for the tip for Velocast. That is a great group of people and podcasts.

 **Mons Soseman** I always change socks when I am riding. I mean, who wouldn't? :) 08-27 09:31
Good morning/afternoon all

 **BusterSci** Monsarati. 08-27 09:32

 **donny** Morning Mons! 08-27 09:32

 **Tim in Ky** 88.8 km, 2:45. 08-27 09:33

 **Trish in MA** Afternoon, Mons. 08-27 09:33

 **donny** (well, afternoon for us) 08-27 09:33

 **Charles Davis** Hello All 08-27 09:33

 **Tim in Ky** Feed zone. 08-27 09:33

 **donny** Hey Charles. 08-27 09:33

 **donny** Fried tofu and anchovies for the brave cyclist? 08-27 09:34

 **Joanna in New York** I'm between trips to the dressage show, popping in to say "hi". 08-27 09:34

 **donny** "hi" jo 08-27 09:34

 **SFinAusTx** Hi. Quick hellos are always nice too. 08-27 09:35

 **BusterSci** SF, I started listening to them when John was still a Peebles postie and they were doing it for giggles. Now John and Scott, at least, are full time employees of their little podcast. And I think they're better than anything else out there. 08-27 09:36

 **SFInAusTx** Agreed 08-27 09:37

 **Trish in MA** I love The Cycling Podcast. Have only heard one of the Velocast. We are on to our second large beer with a half-hour to go. 08-27 09:39

 **donny** That beach needs me. 08-27 09:39

 **Tim in Ky** There is hardly anyone on the beach. ? 08-27 09:40

 **donny** after the second beer patatas bravas are a nice choice as well 08-27 09:40

 **donny** good prep for the 3rd beer 08-27 09:41

 **BusterSci** I enjoy the Cycling Podcast, too. They have some advantage because they are on site. But the Velocast gang seems more personal and are definitely more interactive. 08-27 09:41

 **Trish in MA** Our bar patio is filling up with Brits waiting for the race. Pastas Bravas aren't on the menu. It appears that only hamburgers are available right now. It's a bar that's not really geared up for a Sunday afternoon crowd. 08-27 09:42

 **BusterSci** Frau is planning tapas for next weekend. 08-27 09:42

 **Charles Davis** The TIZ feed has been removed due to complaints by ASO. Bummer. 08-27 09:42

-  **donny** a spanish bar full of brits that only serves hamburgers. What is the world 08-27 09:43
coming to?
-  **SFInAusTx** Quite the collection of skyline shot for a GT 08-27 09:43
-  **Charles Davis** That was the Tiz backup the real feed is still up WEIRD 08-27 09:43
-  **Tim in Ky** 80 km 3:11. 08-27 09:44
-  **BusterSci** I've got Gold streaming to the TV, my elite cycling fan friends on my 08-27 09:44
laptop, and I'm on the sofa with Ripley on my lap, nursing on her fleece blanket. First time this Vuelta I've
been able to do this right.
-  **donny** lime green on the front doing all the chasing. Putting the resume out there I 08-27 09:45
guess.
-  **BusterSci** Charles, I don't know why, but the Tiz backup feed doesn't get blocked 08-27 09:45
often.
-  **Trish in MA** We're trying tapas for the third time tonight. First night was "meh" (we 08-27 09:46
have better in Boston), second time was fine but a bit abbreviated. Hopefully tonight will be the full
monty.
-  **BusterSci** Ripley just noticed that Frau has a bandaid on her finger, and since puppies 08-27 09:47
are naturally OCD she decided she had to investigate the irregularity in her world. So I'm pupless for a bit.
-  **donny** We will expect a full report Tuesday Trish. 08-27 09:47
-  **Joanna in New York** Band aids are Dog Nip 08-27 09:47
-  **Trish in MA** Be on watch for a series of tunnels that route goes through. They are just 08-27 09:48
before Calpe. Husband just reported that an Astana van just went roaring by.
-  **donny** how much more of the same do we have to endure before these guys start the 08-27 09:50
first trip up?

 **Tim in Ky** Johan Le Bon (FDJ) has abandoned with injuries from a crash today. 08-27 09:50

 **Joanna in New York** Sofie already knows that she will be accompanying us to the show for the afternoon session, she's had her bag packed and ready to go all morning. 08-27 09:50

 **Trish in MA** The views along this part of the route could be spectacular, if it weren't for all the development. We've seen some pictures of the coast 30 years ago. It was completely undeveloped. 08-27 09:50

 **Tim in Ky** About 12 km to the start of the first climb, Donny. 08-27 09:51

 **BusterSci** Did you see the photo of the dog walking around, I think, Corpus Christi with it's bag of dog food in it's mouth? Better prepared for Harvey than it's owners, I suspect. 08-27 09:52

 **Joanna in New York** Clever pup! 08-27 09:52

 **Tim in Ky** Jo, the Pub doesn't really need to be swept out until tomorrow. 08-27 09:53

 **BusterSci** //rumbletalk-images-upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1503842301-Screen%20Shot%202017-08-27%20at%208.53.05%20AM.png 08-27 09:53

 **Joanna in New York** Oh yeah, rest day. :-)) 08-27 09:53

 **Trish in MA** Tape just went up across the road. Time to head out. 08-27 09:54

 **BusterSci** Tim/Donny, I think it's more like about 30km before the climb. 08-27 09:55

 **Tim in Ky** I was wrong Donny. The climb at 65 km is uncategorized. The Cat 2 comes at 43 km to go. 08-27 09:55

 **BusterSci** Hi, GM. 08-27 09:55

 **Gilliemarie** Hello. Not feeling very great today so may fall asleep here 08-27 09:56

	BusterSci We'll do Our best to bore you.	08-27 09:56
	Gilliemarie The pics are great WOTS	08-27 09:56
	Gilliemarie Been up most of nite with sore shoulders. Hard to get comfortable!	08-27 09:57
	Charles Davis Good photos WOTS. Hope the race is better than the caravan.	08-27 09:59
	Charles Davis Hope Jo and GM and everyone else with ailments starts feeling better.	08-27 10:00
	Joanna in New York Thank you, Charles. My ortho appointment this week always exacerbates the shoulder issue, but the doc was pleased that I am making steady progress. Constant pain is just no fun...	08-27 10:01

 **Trish in MA** OK, that was f-ing amazing! So fast. Zoom, zoom, zoom. It took longer 08-27 10:23

 **Trish in MA** Chatting with one of the Brits at the bar. He was telling us about last 08-27 10:28
year's time trial here. I gather a time trial in person is more exciting than on TV. I will try to post pictures
and video to a dropbox on Tuesday. The bar is quite full now.

 **BusterSci** I just signed Mons up for a \$100,000 pledge to the fundraiser. Donny is 08-27 10:28

your help.

 **donny** two jobless guys in lime green leading the row of sky riders as the advantage 08-27 11:06

drops under a min.

 **donny** with 24km to go 08-27 11:06

 **BusterSci** If we ride on the front will you hire us for next year? 08-27 11:06

 **Katie** Brushing up the ol CV is what that is 08-27 11:07

 **Mons Soseman** SF in AusTX, I hope you are keeping away from floodwaters. 08-27 11:07

 **Mons Soseman** I thought of you at Mass this morning. 08-27 11:07

 **Trish in MA** Coming into Gaga De Georges. They have a great outdoor art exhibit 08-27 11:08
based on the practice of drying bedspreads outside. I took many pictures yesterday of the art

 **BusterSci** Lady Gaga de Georges? 08-27 11:08

 **donny** they don't dope they were born this way 08-27 11:09

 **Trish in MA** In the time it took me to type that they went through Gaga des 08-27 11:09

 **Tim in Ky** Do they have the race on in the bar Trish? 08-27 11:09

 **SFinAusTx** I wonder if someone at the next higher corporate level was reviewing the 08-27 11:09
budget and said "What! A bicycle team? No way!" then fires the son in law who hoped to sneak it thru

 **Trish in MA** Gata de Gorgos 08-27 11:10

 **BusterSci** I've never heard of Lady Gata. 08-27 11:10

 **Trish in MA** We came back home. I have the pirate feed on husbands computer. The 08-27 11:11
Map on Mine and am following on my phone

 **donny** We still have the same two skinny dudes out front but they only have 43 08-27 11:11
seconds advantage at 20km to go

 **SFinAusTx** Thank you Mins. I was too busy being snarky to see your kind words in a 08-27 11:11
timely fashion. Yes Im fine and the immediate area is fine. However, many, many south and east of here
will need much help and prayers.

 **Tim in Ky** 20 km 0:41. 08-27 11:12

 **Gilliemarie** Yes Mons, i have a dear friend who lives in Houston & works/lives near 08-27 11:12
the Galleria!

 **SFinAusTx** Sorry, Mins. :) Doh! 08-27 11:12

 **Mons Soseman** so, did Cannodale drop cycling? or someone else? or what happened, I 08-27 11:13
guess I am out of touch with the drama.

 **Mons Soseman** I just got back from the drive back down the coast, and even the 08-27 11:14
Italian radio does not have cycling news reports. Alas

 **Trish in MA** They are on that stretch in one of the photos I posted earlier with the 08-27 11:14
mountains with clouds on the top. The mountains on on their left. The finish is ahead in the sistamce

 **donny** Apparently, all the sponsors are still on board and with the agreed upon 08-27 11:15
sponsorship in tact but there was another sponsor as yet unnamed that left decided not to pony up the
dough. That put the team 7 million in the hole

 **Tim in Ky** Goats! 08-27 11:16

 **Mons Soseman** Oh, and they were on a tight budget as it is. 08-27 11:16

 **Mons Soseman** Maybe Aaron Rodgers could give half of a months salary and fund a 08-27 11:17
cycling team, or Derek Jeter. His monthly pension is probably more than many cycling teams can spend in
a year, for the whole

 **Mons Soseman** "kit" and caboodle 08-27 11:17

 **donny** nice little tail kick by the FDJ rider going over a speed bump 08-27 11:17

 **Mons Soseman** Great experiences Trish! Thanks for letting us live along. 08-27 11:18

 **Tim in Ky** Thinks he's Sagan. 08-27 11:18

 **donny** that is one of the coolest things I have seen in a race in a while 08-27 11:18

 **SF** Dang. I missed it! 08-27 11:18

 **Tim in Ky** Irrelevant Sprint coming up. 08-27 11:18

 **donny** I really am happy they have put those sprints in the most useless places. 08-27 11:19

 **Tim in Ky** Is Bardet still out there somewhere? 08-27 11:19

 **donny** Who's job was that? 08-27 11:19

 **BusterSci** Bardet is not out front if Trek was trying for the last sprint point 08-27 11:21

 **BusterSci** I totally disagree now on the late sprints. We've seen GC riders go for sprint points. That's interesting. 08-27 11:21

 **donny** what's that buster? someone actually tried for a sprint point? 08-27 11:21

 **Tim in Ky** Berto. 08-27 11:22

 **donny** really? wow 08-27 11:22

 **Tim in Ky** He wanted the time bonus. 08-27 11:23

 **Gilliemarie** Exactly, Tim 08-27 11:23

 **SF** 1s. Or todennyFroome 1s. Geez. Ask Landa if its crazy though :) 08-27 11:24

 **BusterSci** 11km 08-27 11:24

 **Katie** He didn't want Froome to get it, either 08-27 11:24

 **donny** Way to be Berto. not enough bonus seconds from here to the end to make up the 08-27 11:25
3 min. you are down on GC but love the fight.

 **BusterSci** Was actually Koen de Sort that got the last second. 08-27 11:26

 **Trish in MA** None of the banners or barriers were in evidence yesterday. 08-27 11:26

 **BusterSci** No bananas or bandanas? 08-27 11:27

 **donny** 8km to go with 32 ticks in hand 08-27 11:27

 **BusterSci** I found 2 ticks on the dog, but never 32 in my hand 08-27 11:28

 **SF** Flamingo! 08-27 11:28

 **Charles Davis** I found 7 ticks on myself one day. Kinda creepy. 08-27 11:28

 **BusterSci** Or, as they say here in Minnesota, "Flamingo guitar." 08-27 11:29

 **Charles Davis** Good on Trek to keep that time bonus from Froome. That will show those Sky boys! 08-27 11:30

 **BusterSci** Like being nibbled to death by ducks. 08-27 11:30

 **donny** FDJ sits up 08-27 11:30

 **SF** Ready with the suitcases and blue paper. 08-27 11:31

 **donny** 4 seconds for Soler 08-27 11:31

 **BusterSci** Don't forget the Jiffy bags, SF 08-27 11:31

 **Charles Davis** One of the Sky boys finished for the day. off the back. 08-27 11:31

 **SF** I dont have any records of a Jiffy bag 08-27 11:32

 **donny** 81kph there 08-27 11:32

 **Mons Soseman** they're moving as fast as a flamingo dancers fingers on the castanets. 08-27 11:33

 **Trish in MA** they are on the short part that they've done already. Just made the left turn
to go back to the Cumbers del Sol 08-27 11:33

 **Tim in Ky** Speaking of Jiffy bags, did you find your wallet Donny? 08-27 11:33

 **BusterSci** Right. And the testosterone was an erroneous shipment. 08-27 11:33

 **BusterSci** Good question ont he wallet. 08-27 11:34

 **donny** nope, gone with the wind that emergency zip lock bag is. 08-27 11:34

 **Mons Soseman** too bad! 08-27 11:34

 **Charles Davis** All together and Sky seems to be stretching out the bunch. 08-27 11:34

 **BusterSci** Bummer 08-27 11:34

 **donny** couple of frogs jump 08-27 11:34

 **BusterSci** We call them "Frenchman" these days, Donny. 08-27 11:34

 **Mons Soseman** at least your documents won't get wet until a gypsy finds them... 08-27 11:34

 **donny** hmmm, I'll see if I can find that memo buster. 08-27 11:35

 **SF** Those other GC guys! 08-27 11:35

 **donny** That's right mons 08-27 11:35

 **Charles Davis** My wife lost her work keys and ID a few days ago. Found it in the trash in the bin. I had cleaned her lunch bag and the keys were in an outer pocket which I did not see. Glad she thought to look in the trash. 08-27 11:36

 **donny** Bardet goes again but can't get anywhere 08-27 11:36

 **donny** they are about to be swept up by the bunch lead by sky 08-27 11:36

 **Mons Soseman** Used to be that you could tell Americans because they were the ones wearing shorts. Now that Italiand have running short which are like shorter versions of cycling shorts, you sometimes see those on the streets in teh summer, even in Rome. I long for the old days. 08-27 11:37

 **BusterSci** Why do they not ID the QS with Bardet? 08-27 11:37

 **Tim in Ky** It's Mas, Buster. 08-27 11:37

 **BusterSci** 2.5km 08-27 11:37

-  **BusterSci** Don't care for this method of revealing the top riders. Prefer seeing the 08-27 11:49
whole top 10.
