Charlie in Tenn TGD for a breakaway maybe.

05-23-2021
07:17:19 am

Tim in KY I think the break may stay away given that there aren't going to be any teams besides Bora that want to mind the gap.

05-23-2021
07:19:24 am

Charlie in Tenn Seems likely

05-23-2021
07:20:50 am

Tim in KY Been to this town briefly once just to see the Adriatic.

05-23-2021
07:21:30 am

Joanna in Virginia Sagan seems a popular choice amongst the "experts". Would be great for Team Tourmalet J and I might creep above Dagies. Then, I get to be called a "cheater" by two people...

05-23-2021

05-23-2021
07:25:17 am

Tim in KY At least two abandons.

05-23-2021
07:25:51 am

Joanna in Virginia Buchmann on the side of the road being tended to.

05-23-2021
07:26:22 am

Joanna in Virginia Berhane down, too.

05-23-2021
07:26:53 am

Charlie in Tenn I expect it is because the road was blocked for emergency vehicles.

05-23-2021
07:27:24 am

Joanna in Virginia Lots of shredded kits. And the race is completely stopped now.

05-23-2021
07:28:37 am

Tim in KY Looks like they're going to have a total restart.

05-23-2021
07:31:25 am

05-23-2021
07:31:56 am

05-23-2021
07:36:41 am

07:37:50 am

Tim in KY EFN with a concussion.

05-23-2021
07:40:56 am

Joanna in Virginia Well, they wanted to put Guerreiro on a stretcher, but he put his helmet back on and climbed on his bike. Buchmann, Berhane and Van Emden abandon.

05-23-2021
07:42:54 am

Joanna in Virginia Rolling again.

05-23-2021
07:48:31 am

05-23-2021

05-23-2021

Toulouse Toulouse:

05-23-2021
08:26:07 am

Toulouse Not what I meant to type.

05-23-2021
08:26:15 am

Toulouse I was going to ask if you thought the peloton might take it even easier, given the big crash.

05-23-2021
08:26:39 am

Charlie in Tenn I doubt it has anything to do with the crash. Bora, UAE, Cofidis, and ISN probably want it to be a sprint but no one else cares.

05-23-2021
08:28:36 am

Charlie in Tenn That is a great looking memorial to the fallen of the Great War.

05-23-2021
08:31:32 am

Toulouse I haven't gone looking for race video yet. I was on my way to CN when I got side-tracked by a Guardian article on William Shatner at 90.

Charlie in Tenn What is up with Shatner?

05-23-2021
08:37:04 am

Toulouse So far the journalist is a lot more intrusive in the piece than she ought to be. But he is going to be, or was, on Shark Week. I'm not sure how old the article is, although I think he just turned 90 last month,

05-23-2021
08:38:11 am

Toulouse And he appears to be doing yet another spoken-word album. The journalist seems to think those are great, but I have high doubts.

05-23-2021
08:40:06 am

Toulouse CN reports there are 97k left to "race" and the gap is 9:37.

05-23-2021
08:52:22 am

Toulouse My newspaper reports there was a volcanic eruption near Goma in the Congo.

05-23-2021
08:53:33 am

Tim in KY With that gap and that distance, I don't think it's going to be a finish for the sprinters.

05-23-2021
08:53:49 am

Toulouse On the home front, one of the cats just turned around in a circle before lying back down. That's the most action we've seen from anyone this morning.

05-23-2021
08:55:19 am

Tim in KY Another sign of no sprint, IGD is minding the gap.

05-23-2021

09:14:58 am

Toulouse Lotto Soudal only has three riders left in the race, CN says.

05-23-2021
09:20:06 am

Charlie in Tenn Maybe why the rider was trying to get some reward(?) for the KOM point.

05-23-2021
09:23:30 am

Charlie in Tenn I know next to nothing about this part of Italy and less about Slovenia. I do know that Trieste is along the coast.

05-23-2021
09:26:43 am

Katie S Good morning. Slovenia. Here's what I know. In English, it starts with an S. There are people there. Some are cyclists.

Tim in KY 12:00 with 73 km to go.

05-23-2021
09:28:41 am

Charlie in Tenn The last sprint with the time bonus is about 4 km from the finish.

05-23-2021
09:29:43 am

Tim in KY Which is, of course, stupid.

05-23-2021
09:30:35 am

Toulouse I'm doing this without the glasses I only recently really started to need, so I read "last spirit" to go with Tim's wines.

05-23-2021
09:31:09 am

Katie S Alas, I will not be on hand to watch the final sprint and finish. We're going in search of Peregrine falcons, which rumor has it have some new offspring. Hoping for an early morning visit.

05-23-2021
09:31:32 am

Charlie in Tenn That sounds like a nice experience, Katie.

05-23-2021
09:33:07 am

Tim in KY Falcons usually nest in very high places.

05-23-2021
09:33:16 am

Katie S if the flacons cooperate, it will. Yeah, there's a stretch of road called Devil's Slide, which is on the rocky side of a mountain. The road was closed about 7 years ago and turned into a foot path . Traffic was rerouted through a tunnel drilled through the rock.. The road had a nasty habit of crumbling into the ocean below.

05-23-2021
09:34:32 am

Tim in KY Time for more chores so I can be back for the final spirit.

05-23-2021

05-23-2021
09:45:17 am
