

Tim in KY Gd'l Stage 16 is a 34 kilometer time trial. A bit lumpy and a little twisty at the end. Preview is here: <http://www.ciclismointernacional.com/giro-ditalia-2018-stage-16-preview/>

21-May-2018
16:37:24

Tim in KY The first rider is off at 13:20 CET (07:20 EDT) The riders in play start with Rohan Dennis at 16:00 CET (10:00 EDT). Video, inexplicably for a ITT, from the get go.

21-May-2018
16:42:01

Tim in KY Oh, and rain.

21-May-2018
16:42:30

Tim in KY The Fonz is the first rider to start at 13:20 CET, Yates is the last at 16:30 CET. Start order is here: <http://www.cyclingnews.com/news/giro-ditalia-stage-16-time-trial-start-times/>

22-May-2018
06:06:25

Tim in KY My first order of the day is voting in the primary election.

22-May-2018
06:07:03

Tim in KY Okay. I have my sticker.

22-May-2018
07:00:54

BusterSci Some datapoints: This morning Daniel Friebe tweeted that after course recon, Sunweb feels that Dumoulin could gain as little as a minute. It's a fast, non-technical course, and there is a tailwind. Tailwind helps slower riders more than faster riders.

22-May-2018
07:05:05

BusterSci Cillian Kelly compared all head-to-head time trials between Dumoulin and Yates and on average, Yates loses a bit under 3 seconds per km to Dumoulin. At 34km, that suggests about 90s.

22-May-2018
07:06:08

BusterSci The Cycling Podcast looks at Yates' times in ITTs in the third week of a GT (there are 2) and Yates lost about 4s and 6s (or 2-3 minutes) to Froome in those time trials

22-May-2018
07:07:41

BusterSci Sunweb is not optimistic this morning. Dumoulin and Sunweb don't normally play the psych game like many others.

22-May-2018
07:10:36

Tim in KY There is a 50% chance of rain and rain in the area on current radar.

22-May-2018
07:14:59

Tim in KY Stream is up.

22-May-2018
07:18:02

BusterSci That's interesting for sure. Froome has already said he's gong to take corners more slowly. Unlike TD/Sunweb, Froome/Sky is happy to play psych games.

22-May-2018
07:18:20

Tim in KY The Fonz is off.

22-May-2018
07:20:47

Tim in KY And now, his teammate Zhupa.

22-May-2018
07:21:50

BusterSci SoooEY! Svein Tuft is off.

22-May-2018
07:23:35

Tim in KY That's interesting. There are three Wiliers in the bottom four.

22-May-2018
07:24:45

Tim in KY Apparently, Tuft is the Canadian TT champion.

22-May-2018
07:26:03

BusterSci One would expect them all to be ICA.

22-May-2018
07:26:07

BusterSci He is.

22-May-2018
07:26:17

Rob Even if TD gets into pink today I cant see him hanging on to it next week.

22-May-2018
07:27:29

Joanna in New York If Team Tourmalet J has any hope of catching Team Ranum 70, TD has to step it up! :-)

Maite Jaureguizar Ginger, Coffee and Saturn

22-May-2018
07:32:25

BusterSci Rob, while I generally agree with you, I'd suggest two potential challenges to our point of view. 1) If the theory that TD is looking to peak in the 3rd week combines with the trend that Yates generally fades in the 3rd week, things could be interesting. 2) Thursday, with one final climb, is the sort of stage that TD can treat as a second time trial. It isn't over yet.

22-May-2018
07:32:28

Tim in KY Fubo guys are saying it's going to be a headwind by the time TD and Yates start.

22-May-2018
07:33:18

BusterSci That's a plus for TD, I think.

22-May-2018
07:33:38

Tim in KY They think so.

22-May-2018
07:33:49

Tim in KY Tuft does not have a team car with him.

22-May-2018
07:34:48

BusterSci 6'1" and 157 vs 5' 8" and 128lbs. Yates is going to get blown around.

22-May-2018
07:35:07

Tim in KY Viviani in the house.

22-May-2018
07:35:48

BusterSci Ryan Mullen may be a long time occupant of today's hot seat. At least until the top 20 start finishing.

22-May-2018
07:35:50

BusterSci Ryan Mullen is 6'2" and 174. Not a climber's physique.

22-May-2018
07:37:43

Rob Froom has also maintained that he will peak in the third week, if he does well today and Yates does fade who knows what can happen.

22-May-2018
07:40:09

Rob It should be a good week for us

22-May-2018
07:42:26

22-May-2018

22-May-2018
08:04:03

BusterSci I can't find a regulation on time cuts other than they shall be dependent on the characteristics of the stage. I'm going to give the official Giro site a quick perusal.

08:06:07

Rob I was only wondering as I am sure a few guys will take it easy today

BusterSci Rob, I think because of the tailwind it probably unlikely there will be any time cut issues.

22-May-2018
08:14:52

BusterSci Jos van Emden should do a decent time

22-May-2018
08:15:43

Tim in KY Camper Nuts currently fastest at second check.

22-May-2018
08:15:49

Rob So who do we think is going to get the stage? Any guesses?

22-May-2018
08:19:34

Tim in KY TD ought to win.

22-May-2018
08:19:56

BusterSci I'd be surprised if TD doesn't win the stage.

22-May-2018
08:19:58

BusterSci But a significant weather change could upset that.

22-May-2018
08:20:17

BusterSci Tom into a headwind will not do as well as some of these national champs with a tailwind.

22-May-2018
08:20:42

BusterSci And rain makes the technical parts scary.

22-May-2018

Tim in KY You are 250 meters ahead of me.

22-May-2018
08:22:09

Katie was that mooses?

22-May-2018
08:36:59

Mons Soseman Your "much improved" (s) are loathsome to me. You are probably for the shot clock and the three point shot in Basketball. Baseball would be a lot less boring with only 5 innings. Cycling sprint stages could just be the last 10 km to give the sprinters a big finish....

22-May-2018
08:37:01

Katie who needs real athletes, anyway? Just get some avatars and algorithms and pop open a Bud

22-May-2018
08:37:55

BusterSci Can't reply. Snoozing.

22-May-2018
08:37:57

Mons Soseman Katie, I like your thinking. :)

22-May-2018
08:38:20

Tim in KY Jos Van Emden 0:11 faster than Dowsett at the second check.

22-May-2018
08:39:51

Mons Soseman I am taking a pass on an essay today, unless I get inspired later. I have to go for Mass in a few minutes, and then afterward, not sure I would have time before 10:10. I will say that Trent was the sit of the Council of Trent, which formalized the Church after the Reformation. Also I should add that I am now following the Giro live on RAI, via the Dish Network. It is great to have some Italian programming. Well, the five hour wrap up of the Italian version of Dancing with the Stars was not so great on Saturday night, except for the interview and then Charleston with Gina Lolo brigida

22-May-2018
08:40:57

Tim in KY Still 2 and a half hours to go.

Joanna in New York The adjustments one must make when your legs are long and you need to graze. I just love my Miss Madeleine...

22-May-2018
08:41:54

BusterSci Truthfully, my TT comment was facetious. But if you're fighting the three point shot, you've lost--40 years ago.

22-May-2018
08:42:09

BusterSci And the shot clock is older than you are, Mons.

22-May-2018

22-May-2018
08:44:22

BusterSci Don't think he'll beat Dowsett

22-May-2018
08:45:06

Katie And for basketball ... to make it more interesting, I think the courts should be lengthened and the basket height raised to return the proportion of player size to court size as when the game was invented.

22-May-2018
08:45:07

Katie so there

22-May-2018
08:45:08

BusterSci For me, I'd just like to see traveling be called.

22-May-2018
08:45:44

bikerabe How about getting 4 points for a shot that goes in from past half court?

22-May-2018
08:46:32

Mons Soseman <https://www.youtube.com/watch?v=tsFiiEAACvM>

22-May-2018
08:46:42

Mons Soseman With basketball, I think that for fouls in the last two minutes, each foul should deduct 30 seconds from the time clock.

22-May-2018
08:47:16

Rob I have no idea what you guys are talking about, net ball I think.

22-May-2018
08:47:32

BusterSci In all the big 3 US team sports my biggest 2 complaints are both officiating related. First, it shouldn't matter who the player is or what he gets paid, the calls should be the same for everyone. Second, there is a thought that in the playoffs the refs should get out of the way and "let them play."

22-May-2018
08:48:55

BusterSci Jos van Emden is 13s to the good and the new leader

22-May-2018
08:49:11

BusterSci I don't care so much what the rules are, but I do care that they are enforced as uniformly as is practicable.

22-May-2018
08:49:58

bikerabe Jos ! 13"

22-May-2018
08:49:59

BusterSci Martin is 14s to the good at the second check

22-May-2018
08:50:20

Katie Buster, I completely agree with you. Traveling in the men's game in NEVER calls. It's irritating and irksome. Now, you want good basketball (uh, net ball, Rob), watch the women's college games. THAT's real basketball.

22-May-2018
08:56:26

Katie Hi Katie!

22-May-2018
08:57:08

Katie Buster, what do you think are Froome's chances in this TT ... seems like the course might suit him.

22-May-2018
08:57:24

BusterSci Depends on weather, but I think Dumoulin beats him.

22-May-2018
08:57:45

Charles Davis I always liked the idea of raising the basket for net ball but I just don't care anymore. I watch a few NCAA games around March Madness and that is about it.

22-May-2018
08:58:09

Katie Lane Hi other Katie. How's your dad doing?

22-May-2018
08:58:13

bikerabe Rohan Dennis starts in 1 hour 7 PDT

22-May-2018
08:58:55

Katie Lane Rohan Dennis is having a good Giro.

22-May-2018
09:00:22

Katie We had a meeting with his hospice team yesterday ... caring for him at home is really tough, and there are only so many friends and family that can step up regularly to take the nighttime watch. His condition seems stable, but he's completely oxygen-dependent and bedridden. It's tough. (He has interstitial lung disease, exacerbated by surgery to remove a lung lobe that had cancer in it)

22-May-2018
09:00:25

Charles Davis Tommy should win. Froome on a good day should be 15-25 secs down. Yates should be 75 - 90 down. I should be packing the car faster also.

22-May-2018
09:00:35

Katie Hurry, Charles!

22-May-2018
09:01:33

Katie Lane Ugh. That's rough. Would an around-the-clock caregiver be an option, to help ease the burden some?

22-May-2018
09:01:34

Charles Davis Sorry Katie. Make sure you take care of yourself. You can't wear yourself down to the point that you can't help.

22-May-2018
09:02:25

Katie My dad's a "peacetime vet," which means the VA insurance won't cover that level of care. And he doesn't have Medicare (retired teacher post military) or personal financial resources.

22-May-2018
09:02:33

Katie yeah, thanks Charles.

22-May-2018
09:03:43

Tim in KY How are Pinot and Pozzo at time trialing?

22-May-2018
09:04:51

Katie Lane Ditto what Charles said. Pretty rough when there's a fairly small core of folks to help.

22-May-2018
09:05:06

BusterSci Through last year, my favorite sight in cycling was Contador out of the saddle. it's a totally different look, but I also love Tom's look when he gets up to climb. Looks so impressive.

22-May-2018
09:05:11

Katie Pinot did a nice job of ITT-ing ... but he had the guy in the team car banging on the side of teh car for encouragement...

22-May-2018
09:05:15

BusterSci Tim, from what I've taken from podcasts, Pinot should do better than Pozzo.

22-May-2018
09:05:29

BusterSci Pozzo is such a tiny little guy that if there is a headwind he's going to lose huge time.

22-May-2018
09:06:28

Gilliemarie Morning all. I will be here sporadically for the rest of the week due to health issues. I have surgery re my gallbladder on thurs. hope to catch as much as i can

22-May-2018

22-May-2018

Joanna in New York May your recovery be speedy, like a galloping horse!

22-May-2018

BusterSci nobody taking that bait?

22-May-2018
09:11:38

Joanna in New York Soft gall...er...ball.

22-May-2018
09:11:55

Katie Lane The gallbladder exists to earn surgeons a living. Seriously, though, it stores bile salts made by the liver, which travel through a duct into the small intestine, whereupon they can mix with what's just been eaten and help with breakdown / digestion of fats.

22-May-2018
09:14:02

Charles Davis We will let that one go but I almost told Katie that she didn't want to turn into a curmudgeon penguin while helping her dad. 22-May-2018 09:14:21

BusterSci Nobody WANTS to turn into a curmudgeonly penguin, but once you become one you like it! You like it fine! 22-May-2018 09:15:14

Katie Would I have to eat herring every day? 22-May-2018 09:15:29

Katie Lane Scrolling back to see earlier comments that I missed this morning. World's cutest kittens and world's most beautiful foal. 22-May-2018 09:15:36

BusterSci Have to? Have to? Privileged to, is the proper form. 22-May-2018 09:15:54

Katie Lane I've heard that having penguins around induces herring loss. 22-May-2018 09:16:23

Joanna in New York LOL! 22-May-2018 09:16:33

BusterSci Winner. 22-May-2018 09:16:48

Charles Davis I just want everyone to know how much I enjoyed Mons' essays through the years but his one comment on Saturday may be the thing I remember forever. Too, too funny. 22-May-2018 09:17:05

Alison Quarles :) 22-May-2018 09:17:06

Katie HA! 22-May-2018 09:17:07

Charles Davis Good one Katie L 22-May-2018 09:17:25

Joanna in New York Poor Mons, the unfortunate victim of filter failure... 22-May-2018 09:17:40

Katie Lane Yes. Gotta watch it... sometimes "tests" that you don't think will go through slip out into the public anyway. 22-May-2018 09:17:50

bikerabe Humans' main "design" flaw is the backbone and supporting tissue, Genesis could have said 'For your sin you will walk on two legs and endure continual back pain'.

22-May-2018
09:17:51

BusterSci Wasn't any filter that made him type it.

22-May-2018
09:18:00

Katie Lane Back pain... something I'm all too acquainted with. I was doing pretty good but then yesterday decided to test out the new sod plugger. BAD idea.

22-May-2018
09:18:33

Charles Davis and that is why I laughed so hard.

22-May-2018
09:18:43

BusterSci Bikerabe, I'd argue that it would be "For your sins you will sit at a desk all day and endure continual back pain.

09:52:07

Mons Soseman I didn't mean to come across as a complete antinomian regarding revising sports rules about an hour ago. Water Polo was an off season sport for rugby players, and the American Rules in the 1800s said a point could only be scored if the ball, with the player, were both launched together through the goal, from the water. In 1904 other countries refused to participate in Water Polo in the St. Louis Olympics because they considered this to be too violent. Soon thereafter the US was notified that they were unable to participate in international competitions because of that rule. Soon thereafter, say aught 5 or aught 6, the rule was changed. So, I support the water polo revision of the aughts.

Katie Lane Yes. I swear that's how I can keep them straight.

22-May-2018
10:14:31

Katie They're all Finns?

22-May-2018
10:14:32

BusterSci I only used one "n" but I did forget to change the capitalization.

22-May-2018
10:15:01

BusterSci Carapaz

22-May-2018
10:15:16

SFinATx I don't think I'll argue otherwise on your prediction Buster.

22-May-2018
10:15:23

BusterSci Since I made the prediction, I assure you it will be wrong.

22-May-2018
10:15:51

Tim in KY Dennis fastest at first check 0:12 better than Martin.

22-May-2018
10:16:45

Joanna in New York I fixed the snafu, Mons. And tested - you are safe.

22-May-2018
10:18:10

bikerabe On the Haggen-Bermans team at ToC was Sean Bennett, USA rider so no relation to other Bennetts

22-May-2018
10:18:50

Tim in KY Lopez starts.

22-May-2018
10:18:58

Alison Quarles @katie Lane that's a great way to keep them apart!

22-May-2018
10:19:03

Donny I just checked as well and you can no longer use the F-word

22-May-2018
10:19:26

BusterSci Tony Bennett is also no relation.

22-May-2018
10:19:28

BusterSci Aru!

22-May-2018
10:19:47

bikerabe Aruuu !

22-May-2018
10:20:08

Katie "Can I barf now?"

22-May-2018
10:20:26

Donny Well that was the best TT Aru has ever done.

22-May-2018
10:20:31

BusterSci 3rd!

22-May-2018
10:20:32

Tim in KY Unbelievable.

22-May-2018
10:20:32

Donny "Unbelievable" in cycling is just so scary.

22-May-2018
10:20:55

Joanna in New York "How on earth did he do that". Yeah...

22-May-2018
10:21:08

Tim in KY I meant it to be.

22-May-2018
10:21:10

Katie That's an "u-bomb"

22-May-2018

10:21:37

Katie and his noir whiskers

22-May-2018
10:21:44

Donny Like "amazing" "incredible" and all other superlatives every time you use on in cycling a fairy dies. (at least that is what I have been told).

22-May-2018
10:23:00

bikerabe 'Unbelievable' in cycling means wait for the blood test, unfortunately

22-May-2018
10:24:29

Tim in KY Pozzo.

22-May-2018
10:24:48

Tim in KY Just TD and Yates left.

22-May-2018
10:25:26

Joanna in New York How to guarantee a visit from doping control, lose 14 minutes in one stage, post your best TT time in the next...

22-May-2018
10:25:34

SFinATx Perhaps he had a sip of whiskey last night?

22-May-2018
10:26:04

Tim in KY Or a beer.

22-May-2018
10:26:31

Donny Worked for Floyd, right?

22-May-2018
10:26:48

Joanna in New York Beef for dinner...

22-May-2018
10:27:02

Donny TD!

22-May-2018
10:27:24

Tim in KY That's Floyd's story.

22-May-2018
10:27:38

Joanna in New York Tiz took a powder...

22-May-2018
10:27:56

SFinATx In the vein of "It's not paranoia if they really are after you", perhaps "It's not cynicism if you're a long time cycling fan"

22-May-2018
10:28:00

Katie I think the crowd favors TD

22-May-2018
10:28:15

Joanna in New York Too true, Shawn...

22-May-2018
10:28:18

Donny The rainbow banded 1 bib wearing TD

22-May-2018
10:28:33

Joanna in New York I favor TD, too! Need to catch Michael Filosa!!

22-May-2018
10:28:37

Tim in KY Froome 6th at the check.

22-May-2018
10:28:52

Tim in KY 0:24 down.

22-May-2018
10:29:11

BusterSci I don't find Aru's time any more suspicious than any other.

22-May-2018
10:29:36

bikerabe Good one SF

22-May-2018
10:29:50

22-May-2018
10:30:13

Donny Yikes! on the road

22-May-2018
10:30:25

Donny He has really had "unbelievable" form so far this Giro.

22-May-2018
10:30:50

BusterSci 6s to the good at second check for Dennis

22-May-2018
10:30:58

Tim in KY Dennis 1st at the second check.

22-May-2018
10:31:02

Katie "This Tour de France will stand the test of TUE"

22-May-2018
10:31:26

Katie should have been Froome's line in his first victory speech

22-May-2018
10:31:43

BusterSci As they say, the pink jersey give you wings (for the purpose of cycling, "wings" is defined as the best medical support money can buy.)

22-May-2018
10:31:54

SFinATx I tried to find the "Sky" font once so I could write TUE with it. No luck, but I'm not adept at that type of stuff.

22-May-2018
10:32:22

SFinATx We've taken a turn here just as the day gets interesting. More ponies needed?

22-May-2018
10:33:42

Tim in KY I think we're all watching.

22-May-2018
10:34:45

BusterSci I'll just say that while I found Donny's interpretation of my Aru comment very amusing, I meant it without cynicism. Aru has a competitive heart that I really admire. I think he's fully capable of what he did today without help.

22-May-2018
10:35:09

Tim in KY Lopez is sucking.

22-May-2018
10:36:26

bikerabe Thanks Buster Aru showed plenty heart in last Il Lombardia win

22-May-2018
10:36:29

BusterSci I don't mean I'd vouch for him in a court of law or place a bet on his purity, but I don't see this particular performance as especially suspicious.

22-May-2018
10:38:05

Donny Pinot is not really much of a TT guy.

22-May-2018
10:38:38

Donny Dennis is

22-May-2018
10:39:04

Tim in KY Worse than Lopez so far.

22-May-2018
10:39:10

BusterSci He and Pozzo will try to stink each other off the podium.

22-May-2018
10:39:22

bikerabe Rohan coming in

22-May-2018
10:39:27

22-May-2018
10:40:08

BusterSci Think he is.

22-May-2018
10:40:16

Donny 14 seconds to the good for the Rohan

22-May-2018
10:40:28

SFinATx Must hurt so much

22-May-2018
10:40:31

Joanna in New York I dearly wanted to add an adorable Madeleine video, but I am completely unable to attach any sort of video file.

22-May-2018
10:40:36

BusterSci Donny way ahead.

22-May-2018

22-May-2018
10:40:47

Katie OK, Tony, off you go

22-May-2018
10:41:05

BusterSci Don't be sorry, Donny. And, be prepared to provide a valuable service. If something like a crash happens you can forewarn all of us.

22-May-2018
10:41:57

Donny Dennis looks like he might get sick from that effort.

22-May-2018
10:41:58

BusterSci And who can blame him?

22-May-2018
10:42:51

Tim in KY Froome 7th at the second check.

22-May-2018
10:43:11

bikerabe Beat That TD !

22-May-2018
10:43:27

Donny TD 17 seconds off of Dennis time at the first check? Did I see that right?

22-May-2018
10:43:49

Tim in KY TD 4th at the first.

22-May-2018

so. 22-May-2018

Mons Soseman If you have Dish Network, you can add RAI for \$9.99 a month, of course the commentary is in Italian, but no streaming issues as it is HD TV through the satellite

22-May-2018
11:10:18

Donny Yates will keep the Pink.

22-May-2018
11:11:14

BusterSci Yates will lose a minute and change

22-May-2018
