AVILÉS / 29 m

Charlie in Tenn Good morning. I took my laptop apart yesterday and dusted it and put it back together. It is working fine now. I won't be around for the race but might check in as the morning progresses. I think this is the second hardest stage according to PCS. Yesterday being the 1st.

09-06-2025
07:36:44 am

John Good evening everyone!

09-06-2025
07:41:01 am

PasadenaK8 Mornin' everyone ~ Another cool start location today.

09-06-2025
07:43:33 am

Charlie in Tenn I expect Mads to try and join the break and ride until the sprint point. Jay Vine will probably ride at the front of the peloton and try to get whatever KOM points he can. The 2 young guys will watch each other and continue to fight for the white jersey. Jonas and Joao will fight for the win. Ayuso will give one big pull at the front and then coast in.

09-06-2025
07:43:48 am

Charlie in Tenn OK, I am out of here. Enjoy your Saturday.

09-06-2025
07:44:38 am

PasadenaK8 Hi and bye, Charlie. See ya tomorrow...

09-06-2025

07:47:34 am

PasadenaK8 More protests in the neutral.... Mornin', Mikey!

09-06-2025
07:47:55 am

Mikey Protests even made the national news last night. Now some folks called for Premier Tech to drop out

09-06-2025
07:49:38 am

PasadenaK8 Saw that too - Spain's foreign minister said he would support expelling.

09-06-2025
07:51:27 am

KatieS Good morning. I think the calls for IPT to drop out are tinged. No one called for Euskaltel to drop out when there were the separatist protests.

09-06-2025
07:57:43 am

KatieS i just don't like seeing politics getting involved in sports, but that's naive on my part

08:07:02 am**Trish in MA** Good morning, all. I'm so used to opening up Peacock and seeing the race underway, the break established, etc. Not sure how to view a race from the start.09-06-2025
08:12:08 am**KatieS** For a scene setting: I'm at my mother-in-law's house in Salt Lake City, no one else is awake, and I've made my tea -- as quietly as I can -- and am sitting in the formal living room because there's a really comfy chair with ottoman. Got an earphone attached to my laptop and enjoying the ride. Shhh09-06-2025
08:28:04 am**Trish in MA** I'm mostly not awake, even though I'm up and in the living room with the TV on. They just said the barrage is up , so we have a solo rider in the break . Lots of riders taking nature breaks. And here come more attacks.09-06-2025

PasadenaK8 Hey Tim ~ What's on the menu today, with those tomatoes? And how exciting that you're going to Paris soon!!!

09-06-2025
08:40:09 am

Tim in KY Katie, the tomatoes are for a Caprese on Monday.

09-06-2025
08:40:36 am

KatieS yum.

09-06-2025
08:40:45 am

09-06-2025
08:45:37 am

Tim in KY K8, we've been to Paris every year since 1998 except for '99 and the pandemic years of 20 and 21. But we've never been in the fall. Always spring or the dead of winter.

Joanna in Virginia I forgot I had to change the video type to post in the feed. First attempt was wrong format. :-)

09-06-2025

Tim in KY I wonder if Finlay is a descendent of Colonel Pickering.

09-06-2025
09:06:44 am

Mikey After yesterdays car and bike talk I was awakened this morning with the thought: Why do we remember what we remember? Big events? Certainly. But why do we remember some insignificant small item from 50 years ago? Was it from the senses? Why do I know Colonel Pickering!

09-06-2025
09:10:32 am

Mikey By the way new car smell is still a thing

09-06-2025
09:11:35 am

09:14:48 am

PasadenaK8 People tell me my car smells like crayola crayons.

09-06-2025
09:14:50 am

Tim in KY Probably some slowly melting under the back seat.

09-06-2025
09:16:42 am

PasadenaK8 I looked it up once. It's not a good thing. Something about chemicals in the seats or interior. I'll be a goner, sooner or later.

09-06-2025
09:18:30 am

Joanna in Virginia New car smell is a strong sense. My childhood scent memories are triggered by hay, leather and chlorine. My Dad

09-06-2025
09:19:37 am

would take me on weekend errands to the pool and feed stores - great memories. He will be 93 in October and I will visit him for his birthday.

Tim in KY Tomorrow Km0 is at 13:12 but live video doesn't start until 14:50. That mean we'll mis the Cat 1 and Cat 2 that come in the first 55 km.It's basically all downhill from there.

09-06-2025
09:32:16 am

Tim in KY My wife's mother is 104 and still plays piano duets once a week with one of her former students.

09:56:05 am

Mikey Glad you are mending

09-06-2025
09:56:59 am

Rocket City Gal His symptoms were mostly the first 3 days. So staying in is driving him nuts. Fortunately we have the foster kittens for distraction. At least it was weaker so I'm guessing he'll be negative on the next test. (Tues or Wed). Wouldn't bother with testing so much except that his lunch buddies are older with health issues.

09-06-2025

Rocket City Gal It's looking like the win will come from tbe break. Best placed on GC is Bruno Amirail at a tad over 12 minutes behind Vingo.

09-06-2025

KatieS I'm crossing fingers for Kevin V b/c he's on my team ... but I'm thinking Soler or Amirail will take it

Tim in KY Amirail works best for me.

09-06-2025

09-06-2025

KatieS so the gap came down almost 3 minutes with the prior climb. this one's longer but not as steep. Could be that the peloton - or an attack out of the peloton, more likely, can catch and pass the break for the win

09-06-2025
11:00:51 am

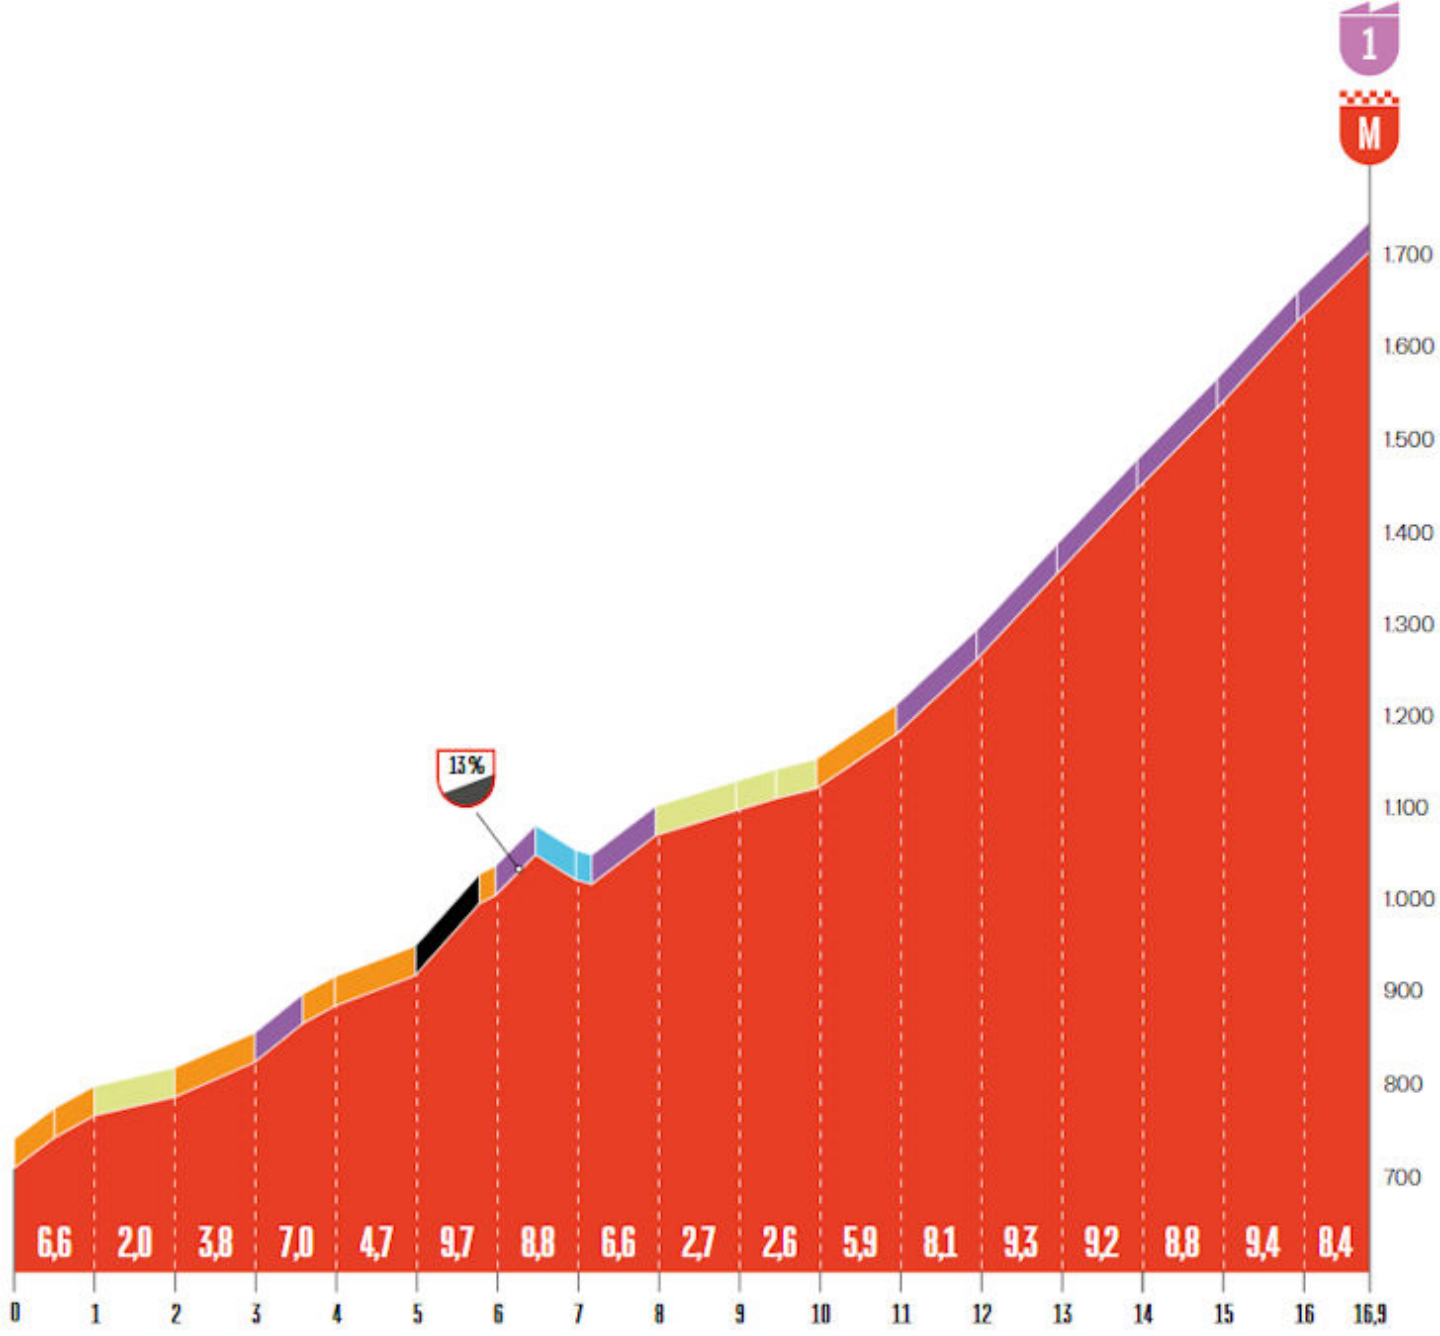

SFinAus That looks fearsome

09-06-2025
11:01:14 am

KatieS makes me want a cyclesiesta

09-06-2025
11:01:45 am

PasadenaK8 Noticed that same ad extravaganza during the Tour (beginning & end stages), and the first two days of the Vuelta this year. And here we go with some more....

09-06-2025
11:03:55 am

SFinAus Being ad-free makes me even fonder of Flo.

09-06-2025
11:05:13 am

Rocket City Gal Lots of Fireball ads today

09-06-2025
11:05:34 am

Toulouse The greatest innovation known to humankind.

09-06-2025
11:05:57 am

Tim in KY It's interesting that we all get different ads.

09-06-2025
11:06:16 am

KatieS nasty anytime, but in the morning, it's just the most ewww-gross thing imaginable

09-06-2025
11:06:17 am

Tim in KY Break started the climb 3 minutes faster than the slowest.

09-06-2025
11:08:02 am

Trish in MA When I did the river cleanup last weekend, we mostly fished out nips and the overwhelming brand was Fireball.

09-06-2025
11:08:06 am

KatieS There goes Soler.

09-06-2025
11:09:23 am

KatieS Free to fly, perhaps?

11:10:09 am

bikerabe 14 km Soler solo over 3 min. gap

09-06-2025
11:12:34 am

SFinAus One never can be sure with Soler.

09-06-2025
11:12:36 am

PasadenaK8 Posted earlier today in the RaceCenter... Soler: "It's a finish I know". Marc Soler was asked at the start if he has special memories of La Farrapona. "Yes, I came second behind Gaudu", he replied. "Well, it's a finish I know. It will be tough after yesterday's climb up Angliru, so we'll see...."

09-06-2025
11:13:59 am

KatieS UAE befuddles me. Why are they driving so hard at the front?

09-06-2025
11:18:11 am

PasadenaK8 Ads: Ryders Cup, Walmart, schizophrenia medicine, Whole Foods, AirBnB, Papa Johns pizza. What are they trying to tell me here?

09-06-2025
11:18:16 am

KatieS that would be a fun writing workshop story prompt

09-06-2025
11:30:50 am

Toulouse Shoot. Not going to make the finish. But less climbing to watch tomorrow before the actual stage. Enjoy your day, everyone.

PasadenaK8 Bye, Toulouse ~ Mañana...

09-06-2025
11:31:47 am

SFinAus Just one UAE left for Almeida. Hopefully we'll get some GC attacks soon.

09-06-2025
11:35:10 am

Joanna in Virginia So it used to be that only watching the descents set off my vertigo, now the ascents do, too. Boo! This stage is giving me the wobbles.

09-06-2025
11:36:32 am

KatieS i was just wondering that, Jo, as the camera kept bouncing between the two chasers

09-06-2025
11:38:11 am

KatieS i had to look away, too!

09-06-2025
11:38:19 am

Joanna in Virginia Not my imagination, then. The video seems a lot more unstable to me.

09-06-2025
11:39:27 am

09-06-2025
11:41:08 am

PasadenaK8 Booo, is right, Joann. Sorry to hear that. Curious, how large is your screen? I bought a pretty big TV once, thinking "Yeah, this is gonna be great to watch the GTs on!".... until the first descent came on *8-O Went back to a smaller screen after that.

09-06-2025

11:43:39 am

PasadenaK8 Oh wow! What a switchback!!

09-06-2025
11:43:45 am

KatieS how about a jigsaw puzzle of the switchbacks

09-06-2025
11:44:12 am

Joanna in Virginia The TV is large and I can usually manage most ascents and flats without issue. The camera work in this stage seems extra bouncy.

09-06-2025
11:44:39 am

Rocket City Gal Security shoving eedjits back

09-06-2025
11:44:52 am

09-06-2025
