11-03-2020

07:48:52

Charlie in Tenn I started my day off great. I just woke my wife up and "Are you going to work today?" She said some unrepeatable stuff including election day and leave me alone. I think I am going to bake cakes and cookies today. soon.

11-03-2020

07:54:17

Tim in KY Fatal error, Charlie.

11-03-2020

08:01:23

11-03-2020
08:23:03

Tim in KY Okay. Wash is in the dryer and I'm off to run errands.

11-03-2020
08:30:12

Katie S Good morning. I think there must be something to be said about this being the day of the Race of Truth at the Vuelta and something about our Election here today...

11-03-2020
08:43:25

BusterSci Not sure I'm comfortable associating politics with truth, but I get your point.

11-03-2020
08:46:34

bikerabe Froome is oii

11-03-2020
08:55:08

bikerabe off

11-03-2020
08:55:16

Katie S he might be saying "oii" by the time he finishes...

11-03-2020
08:56:40

bikerabe Froome 20 " behind Cavagna

11-03-2020
09:00:06

bikerabe Froomey has wrinkles in his skinsuit, all Gold can talk about

11-03-2020
09:05:30

Katie S Question: Do the plastic advertising banners on the barriers make a sound if there are no eejits there to pound them?

11-03-2020
09:11:55

BusterSci Do they make a sound without one hand clapping them?

11-03-2020
09:12:31

bikerabe Froome now 2 minutes down to Cavagna

11-03-2020
09:15:38

Katie S Nice ref to PMU, the hand which sliced Thor

11-03-2020
09:16:36

Katie S Cavagna changes to road bike

11-03-2020
09:16:46

Katie S Pretty climb, rocks & conifers and such

11-03-2020
09:17:37

Katie S Cavagna finishes 47 seconds to the good of our fellow in the hot seat. Buh-bye.

11-03-2020
09:24:53

Charlie in Tenn Looks like the wind and the hill are a lot harder than expected.

11-03-2020
09:25:59

Katie S what's the wind speed? (I have the sound)

11-03-2020
09:27:51

BusterSci It's the velocity of air as it moves past a fixed point.

11-03-2020
09:31:43

BusterSci But that's not important right now

11-03-2020
09:31:53

Katie S THANK YOU.

11-03-2020
09:32:53

Katie S I *love* that Movistar skinsuit, so pretty & blue

11-03-2020
09:33:11

Katie S ...but i was actually looking for the velocity of a particular sparrow...

11-03-2020
09:34:33

BusterSci Not Jack?

11-03-2020
09:37:30

mmcally Good morning. A bike race in the morning, lunch with my daughter in the afternoon and a refreshing night ahead.

11-03-2020
09:38:16

Tim in KY Katie, wind is 22-25 kph from the west.

11-03-2020
09:40:15

Tim in KY Why does a disc wheel care what the gradient is?

11-03-2020
09:40:47

Katie S Thanks, Tim, on the windspeed. And what's the pitch of that cat 3?

11-03-2020
09:42:07

SFinAus So Gold commentators are talking about Froome expecting a bike change, but nobody was there with a bike.Â Nothing says good bye like that.Â :)

11-03-2020
09:42:42

Katie S Only think I can think of is if you're rocking back and forth on the bike as you climb, the disc wheel might beÂ a drag on forward motion.

11-03-2020
09:42:55

Tim in KY Officially 14.8%, but there are ramps in the mid-20s.

11-03-2020
09:44:05

Katie S eek

11-03-2020
09:44:32

Charlie in Tenn JJ Rojas is a manly looking fellow.

11-03-2020
09:46:22

BusterSci Not common in the pro peloton. Most look like boys.

11-03-2020
09:48:02

bikerabe Froome finished almost 5 minutes back

11-03-2020
09:48:36

Katie S that's why it's such a surprise to see someone who looks like a grown-up man. like, "What's he doing here at this kiddie race?"

11-03-2020
09:48:46

Tim in KY Froome must have been on the phone.

11-03-2020
09:49:10

BusterSci Checking with his DS to see how he might help Dan Martin in the last week.

11-03-2020
09:49:33

Tim in KY Two minute intervals now.

11-03-2020
10:01:21

Tim in KY N. Oliveira fastest at the second time check.

11-03-2020
10:03:37

Tim in KY 25 sec up.

11-03-2020
10:03:53

Katie S These bike changes just seem to eat up time

11-03-2020
10:08:45

Alison Quarles First thing I see is that Charlie thinks Rojas is manly???

11-03-2020
10:09:23

Katie S and good morning!

11-03-2020
10:10:26

BusterSci I think we all just assumed the "...for a cyclist" part.

11-03-2020
10:11:07

bikerabe Barta fastest 1st time check

11-03-2020
10:11:16

bikerabe Barta st as Oliviera 1st time chk

11-03-2020
10:14:36

Tim in KY But faster by hundredths.

11-03-2020
10:18:09

bikerabe Oliveira fastest 48"

11-03-2020
10:20:17

Tim in KY Anybody hear of Armirail before?

11-03-2020
10:22:06

Tim in KY Barta s.t. at the second check.

11-03-2020
10:24:14

Charlie in Tenn Barta was Carlton Kirby's pick for the day. Maybe his darkhorse pick.

11-03-2020
10:25:17

Charlie in Tenn Armimail, no.

11-03-2020
10:25:38

John Groschartner has a terrible porn stache

11-03-2020
10:25:40

Charlie in Tenn Armirail either.

11-03-2020
10:25:59

Katie S Wout Poels off

11-03-2020
10:27:02

Katie S no stache, not particularly manly looking, but a def stud on a bike

11-03-2020
10:27:17

Katie S The wind looks like it's picked up - those drapes sure were flapping around when Martin took off

11-03-2020
10:31:08

bikerabe Barta is from Boise Go Will !

11-03-2020

Tim in KY Fast bike change for Barta.

11-03-2020
10:33:25

Katie S that was a clinic on how to do it right

11-03-2020
10:33:35

bikerabe Go Hugh

11-03-2020
10:33:38

bikerabe Will needs a contract !

11-03-2020

11-03-2020
10:36:22

Alison Quarles Barta!

11-03-2020
10:40:59

Tim in KY Barta by 0:09.

11-03-2020
10:41:03

bikerabe Barta !

11-03-2020
10:41:13

BusterSci Somebody play The Stripper in the hot seat.

11-03-2020
10:41:25

Tim in KY Mas was 0:44 down at the first check.

11-03-2020
10:44:55

Tim in KY Martin down 0:36.

11-03-2020
10:46:37

Tim in KY Carthy down 0:11 in 3rd.

11-03-2020
10:47:17

BusterSci Soler in at 1:11 down. 6th.

11-03-2020
10:49:00

Tim in KY To be clear, Carthy at the first check, Soler at the finish.

11-03-2020
10:51:02

John Rog 13s down at first split

11-03-2020
10:51:19

Tim in KY 5th for Rog.

11-03-2020
10:51:42

Tim in KY Crapass down 0:17.

11-03-2020
10:52:49

BusterSci Wonder what the pacing theory on this thing is. Â I'd expect a TT master like Rog would go hard on the flat to have time in hand on the climb, while the climbers would do just the opposite, trying to make up time late.

11-03-2020
10:53:12

John Since Rog lost so much time at the climb in the Tour TT, maybe thatâ€™s in his head and not helping any

11-03-2020
10:54:49

John Live tracking shows Rog 8s up on Crapass

11-03-2020
10:55:43

bikerabe need a NASCAR quality bike change

11-03-2020
10:56:26

BusterSci Jumbo changing good.

11-03-2020
10:58:47

Tim in KY G. Martin really blew this TT. Down 3:18.

11-03-2020
10:59:00

bikerabe KOM leader don't need good TT

11-03-2020
10:59:51

John For the change, it looked like the mechanics were there in advance & not coming out of the car like in the Tour. Yes? Or did I miss something?

11-03-2020
10:59:59

BusterSci You are correct

11-03-2020
11:00:15

Katie S that's what i looked like for Barta

11-03-2020
11:00:16

Katie S it (not I)

11-03-2020
11:00:20

Tim in KY Mas down 1:42 at the second.

11-03-2020
11:00:26

Tim in KY Mas was 1:22.

11-03-2020
11:01:11

John Different race, different rules

11-03-2020
11:01:15

SFinAus I wonder how much the ITT contenders' team practice their 'pit stop' bike change technique.Â Seems if they deem it worthwhile to make the change then it would be worth the time to practice.

11-03-2020
11:01:51

John If the change involves coming out of the car and grabbing a bike off the roof, I imagine they practice a lot

11-03-2020
11:02:53

Alison Quarles I would certainly want to practice.

11-03-2020
11:02:53

Tim in KY Martin not much better than Mas.

11-03-2020
11:03:13

Tim in KY Carthy also 3rd, down 0:18 on Barta.

11-03-2020
11:04:19

Tim in KY At the second check

11-03-2020
11:04:31

John Valverde looked like he didn't practice much

11-03-2020
11:04:39

Tim in KY Rog 0:01 better than Carthy.

11-03-2020
11:05:31

bikerabe Rog 1" down to Carthy 2nd inter

11-03-2020
11:05:53

Tim in KY Just Crapass left for the second chek.

11-03-2020
11:05:55

Katie S Not so good for Valverde. Couldn't clip in.

11-03-2020
11:05:58

bikerabe yes rog better

11-03-2020
11:06:48

Tim in KY Crapass down 0:36 on Barta.

11-03-2020
11:07:54

John That pits Rog in red by 8-9 seconds or so

11-03-2020
11:08:39

John *puts

11-03-2020
11:08:46

Katie S i thought Ruglick was supposed to take huge bites out of Crapass ... thoughts? 11-03-2020 11:10:18

Tim in KY No bike change for Mas. 11-03-2020 11:10:28

BusterSci And he changes outside the designated zone 11-03-2020 11:10:47

John Mas with a very late change 11-03-2020 11:10:56

bikerabe Mas took bike off car ! 11-03-2020 11:11:05

Katie S so... is that legal? 11-03-2020 11:11:33

BusterSci Yes. 11-03-2020 11:11:37

bikerabe but dumb 11-03-2020 11:12:04

BusterSci You can take off a car anywhere, typically. Â You can't take from a guy just holding the bike for you except in the designated zone. 11-03-2020 11:12:09

John Very smooth change by Carthy 11-03-2020 11:12:30

Tim in KY I don't think Mas planned a change but discovered he needed a road bike once he started the climb. 11-03-2020 11:12:30

Katie S they've been practicing 11-03-2020 11:13:53

Katie S and Rog's was very good 11-03-2020 11:14:27

BusterSci Great change Rog 11-03-2020 11:14:27

John Interesting to see not many besides Carthy using Speedplay's aero pedals

11-03-2020
11:15:21

BusterSci Interesting. The Wiki summary on the Google search page says Barta born in Albuquerque and the actual wiki says Boise. Â Don't much care which it is, but weird that they're different.

11-03-2020
11:16:37

Katie S ABnormal?

11-03-2020
11:16:51

BusterSci Great change Crapass.

11-03-2020

11-03-2020
11:19:00

BusterSci Carthy next to finish.

11-03-2020
11:20:28

BusterSci Here comes Rog

11-03-2020
11:20:58

11-03-2020
11:28:38

11:28:40

Katie S thanks, Tim & team. See you all tomorrow.
