Tim in KY The first 50 kilometers of the route are flat, the next 20 km are a gradual incline up to the start of the first of four categorized climbs, a Cat 1.

The remainder of the stage is all climbing or descending. The first climb is followed by a Cat 2, then another Cat 1. The final climb is a Cat 3 that crests 5 km from the finish.

Tim in KY The Cat 1s are long rather than terribly steep. The first is 15 kilometers at 5.5% with a few short double-digit ramps. The second is 20 km at a fairly steady 5.4%.

Tim in KY Break fight.

08-29-2021
05:58:01 am

Tim in KY There is a group of 25 off the front by 30 second that has two top ten GC riders in it. 08-29-2021 06:16:10 am

Tim in KY Movi just figured that out. 08-29-2021 06:17:23 am

Tim in KY Front group has split. 08-29-2021 06:26:48 am

Tim in KY Kuss and De La Cruz are in the second split so if that group is caught the front group will be left alone. 08-29-2021 06:29:18 am

Tim in KY Best placed in the front group is at 43:00. 08-29-2021 06:32:46 am

Tim in KY Kuss group is caught. 08-29-2021 06:35:07 am

Tim in KY Front 10 have half a minute. 08-29-2021 06:35:20 am

BusterSci Checking in before heading north. 08-29-2021 06:44:23 am

BusterSci looks like those ten are yo-yoing a bit, as the gap is bouncing from 10 to 20s in the couple minutes I've watched. 08-29-2021 06:48:00 am

BusterSci 32s now with 150 to go 08-29-2021 06:49:27 am

BusterSci Cort and Sivakov trying to separate from the other 8 08-29-2021 06:54:38 am

BusterSci And they have 34s while the peloton catches the rest 08-29-2021 07:01:15 am

BusterSci Peloton not quite letting them ride away, though. 08-29-2021 07:03:28 am

Charlie in Tenn Morning gang. Buster, you are trading off the guest today? 08-29-2021 07:35:40 am

Rocket City Gal Good morning all! Â The first of the mystery volunteer squash were picked today.

08-29-2021
07:37:56 am

Rocket City Gal I think this is what happens when you plant yellow squash and zucchini squash next to each other, they hybridize and you get volunteers the following year.

08-29-2021
07:38:16 am

BusterSci Guest left Friday. Â North is to Ely to look at a (as yet unburned) cabin and a few lake lots for building.

08-29-2021
07:41:16 am

BusterSci 4 hour drive, 2-3 hours of looking, 4 hours back. On my Monday rest day I'll be moving around as much as possible.

08-29-2021
07:47:44 am

BusterSci Aru and MajkÄ... in front, Van Gils trying to catch 50s back or so, a group of 15 and one of 5 around 75s back, peloton at 2:10

08-29-2021
07:49:12 am

Tim in KY In the ER with chest pain. Seems to be false alarm.

08-29-2021
07:50:13 am

BusterSci Packing time. Â I'm driving the outbound leg so I'll be done here for the day, I think.

08-29-2021
07:50:18 am

BusterSci GEEZ! Â Lets keep the alarm as fall as possible.

08-29-2021
07:50:30 am

BusterSci false

08-29-2021
07:50:35 am

Tim in KY Iâ€™m surprised they wonâ€™t let the break go. Looked like a break sort of stage.

08-29-2021
07:52:33 am

BusterSci Any hint at an alternative explanation that can be confirmed?

08-29-2021
07:52:40 am

Tim in KY Not yet. Probably be put down to reflux.

08-29-2021
07:53:36 am

BusterSci Yeah, a big worry of mine. Â My reflux is mostly under control, but a few times a year its so bad...and meets nearly every description of a heart attack. Â Do I go in every time it happens?

08-29-2021
07:56:10 am

Tim in KY This was different than any reflux pain Iâ€™ve had before.

08-29-2021
07:57:46 am

BusterSci Mine is a whole upper body pain, intense in the shoulders and neck but primarily focused right in the "danger zone". Radiates to the back too.

08-29-2021
08:01:39 am

Tim in KY That sure sounds like a heart attack.

08-29-2021
08:04:06 am

Charlie in Tenn OK, both of you stop with the medical issues. Glad it was a false alarm.

08-29-2021
08:06:54 am

BusterSci No shortness of breath, no left side pain or "shock" pains. Â And all tests I've had so far in life have said there's no problem.

08-29-2021
08:06:58 am

BusterSci We're off.

08-29-2021
08:07:44 am

Charlie in Tenn Good shopping.

08-29-2021
08:11:18 am

Rocket City Gal Eeek, Tim. Â Gallstones? Â Glad it doesnâ€™t seem to be cardiac.

08-29-2021
08:20:01 am

Rocket City Gal Charlie, I'm gonna steam the mystery squash, put a bit of pesto on it, and call it good. It'll go well with the chicken I'm prepping for tonight (honey mustard marinated grilled leg quarters). A Quick and simple is good these days. A (Countdown: 4 days)

08-29-2021
08:22:06 am

Charlie in Tenn sounds good

08-29-2021
08:30:12 am

Charlie in Tenn We are having chicken as well. Not sure what I am doing with it yet.

08-29-2021
08:32:04 am

Charlie in Tenn Bernal looked good yesterday. He said later that it was the best he has felt the entire race.

08-29-2021
08:38:38 am

Toulouse Tim, I hope they come up with an easily-solved explanation.

08-29-2021
08:44:56 am

Katie S Geez, Tim. Hope you're feeling better.

08-29-2021
09:01:35 am

Tim in KY I'm doing fine. I just hope they let me go soon. It's boring here. I can watch the race on my phone, but that's boring too.

08-29-2021
09:03:30 am

Toulouse Do you still have the chest pain?

08-29-2021
09:03:58 am

Katie S I watched yesterday's final 20k after out day of being out and about. I had to rewind to see how Bardet did that thing that he did (the catch). Still seems like he came out of nowhere. I'm disappointed Vine didn't get the combativity prize. The sight of him with his race numbers flapping around on his backside was a constant reminder of what it took to finish third.

08-29-2021
09:04:07 am

Tim in KY No chest pain.

08-29-2021
09:04:44 am

Toulouse That's good.

08-29-2021
09:05:02 am

Katie S ERs, why it takes them so long to do the damned paperwork and get you out of there is another of those great mysteries. Seems they'd want to expedite that.

08-29-2021
09:05:43 am

John Yikes, Tim. Hope you get feeling better soon.

08-29-2021
09:13:04 am

Rocket City Gal Took the ER 5 1/2 hours to get my cast cut off when my foot swelled massively over the weekend several days after I went from post op split cast to a regular cast (before my doc decided to stick with a split cast to accommodate the swelling). It took them another 2 1/2 hours to get me into a splint and discharge me. The ER didn't seem overly busy, and the waiting room was pretty sparsely populated when I arrived. Just super, super inefficient. All they had to do was call the orthopedic guy from the group that I had contacted before I went so he could come and cut it off (he was taking in-house call). They kept farting around doing stuff that didn't need to be done while I was in agony from the pressure beneath the cast.

08-29-2021
09:13:12 am

Rocket City Gal John, check your email. I need some info :-)

08-29-2021
09:13:43 am

John On it!

08-29-2021
09:13:53 am

John I owe you some info

08-29-2021
09:13:59 am

Rocket City Gal Thx

08-29-2021
09:14:07 am

Toulouse 5.5 hours? My vet used to have a sign in one of the exam rooms comparing the time frame for a human surgery versus a dog's, concluding the better place to go for treatment was a vet's office.

08-29-2021
09:16:09 am

Rocket City Gal Katie's here's today's fascinating tie dye thing! dye splits. A pure dye does not split; a dye that's a mixture of other colors will split into component colors especially with ice dyeing.

08-29-2021
09:18:02 am

Katie S That is amazing!

08-29-2021
09:18:04 am

Rocket City Gal Single circle - wisteria with splits. Double circle -grape, Which is a pure color & does not split

08-29-2021
09:19:08 am

Rocket City Gal I can do some limited I e dyeing while still casted &"less time on my feet with ice dyeing.

08-29-2021
09:20:04 am

Katie S How often do these come out more or less as you expected, and how often are you utterly surprised ?

08-29-2021
09:20:16 am

Rocket City Gal Toulouse &" the total time in ER was 8 hours. Since I had insurance they did a whole bunch of other stuff that didn&"t need to be done, and I was pretty mad about it. I kept telling them him you don&"t need to do a chest x-ray, blood cultures, or an IV&" I just need my stinking cast cut off

08-29-2021
09:22:09 am

Rocket City Gal Katie &" Part of the reason for doing these shirts was to see how some of my new colors split. Once you get an idea of splits you know what colors will and won&"t work well together. Ice dyeing yields a lot more surprises than traditional liquid dyeing. & The moment of opening up a shirt after you&"ve rinsed it out is known in tie-dye circles as &"hippie Christmas&" &" you never quite know what you&"re going to get until it&"s opened up / unfolded.

08-29-2021
09:24:20 am

Katie S Love that! Hippy Christmas!!

08-29-2021
09:24:53 am

Toulouse You don't want to get me started on insurance. Or our health system in general.

08-29-2021
09:25:49 am

Rocket City Gal The annoying thing is that worldwide shortages of some dyes and dye components have led dye companies to reformulate their colors. Which means that the colors are slightly different, and split differently. So you have to basically test every jar. Some companies are good about telling you that a color is reformulated; some are not.

08-29-2021
09:26:57 am

Rocket City Gal Toulouse, If it had been a weekday, I would've just gone to the orthopedic doctor's office, had it cut off and had a new cast put on - probably an hour total tops. And much less cost. But they're not open on the weekend and my toes were turning purpleish red and things were getting pretty uncomfortable. I toughed it out until Sunday morning but at that point it was clear something needed to be done and couldn't wait till Monday.

08-29-2021
09:29:35 am

Rocket City Gal Still 49 km to go!

08-29-2021
09:30:03 am

Charlie in Tenn CRapass said the heat got him. He is done for the tear, I think.

08-29-2021
09:30:48 am

Rocket City Gal I wondered! His tweet yesterday made it sound like it was a fatigue/end of a long year burn out kind of thing.

08-29-2021
09:31:48 am

Toulouse Sounds like your toes were just trying to match your shirts.

08-29-2021
09:32:06 am

Katie S RCG, should just fired up your multi-tool and sawed it off yourself!

08-29-2021
09:32:27 am

Charlie in Tenn Agreed.

08-29-2021
09:33:47 am

Charlie in Tenn Crosswalk - When was his last win? How many world Tour wins does he have?

08-29-2021
09:34:50 am

Toulouse This is like in school when no one knew the answer and everyone was waiting for someone else to come up with something before getting called on themselves.

08-29-2021
09:37:46 am

Charlie in Tenn Aru was caught by the peloton a little while ago. Maybe he will get another chance this week.

08-29-2021
09:38:24 am

Rocket City Gal Katie - I was about to just take the leg off. I have a neuropathy on that side and the cast has been very unfun.

08-29-2021
09:38:47 am

Rocket City Gal Not a very wide road

08-29-2021
09:39:45 am

Katie S 2019 TTT win in the TdF for Crosswalk. According to a quick check of Wikipedia

08-29-2021
09:40:11 am

Charlie in Tenn OK the answer is 7 yrs ago. Artic race of Norway. He has ONE other win in 2011.

08-29-2021
09:40:24 am

Rocket City Gal The womenâ€™s Simac tour has had even narrower roads

08-29-2021
09:40:26 am

Katie S So, go Crosswalk!!!

08-29-2021
09:40:53 am

Charlie in Tenn Team TT don't count

08-29-2021
09:40:58 am

Rocket City Gal Majka looks pretty comfortable.

08-29-2021
09:41:30 am

Katie S Agree, Charlie

08-29-2021
09:42:33 am

Charlie in Tenn Majka has wins in stages of the TDF(3) and Vuelta(1) and KOM TDF x2. He will move up in the KOM for this race today.

08-29-2021
09:43:39 am

Toulouse I have to go stab a friend's diabetic cat. Don't let anything exciting happen while I'm gone. Either in the race or ER visits.

08-29-2021
09:51:40 am

Charlie in Tenn I still wish that Crosswalk had not had that crash in the Giro in 2016. He was so close to winning that year. It would have been career changing, I think.

08-29-2021
09:51:55 am

Charlie in Tenn Our dog is driving me crazy. I have been watching from upstairs most of this week. So the dog barks like crazy to go outside. I walk down and let her out. Walk back up. Get comfortable, almost. She barks to get back it. This has happened so much that I have now moved into the garage so that she can stay outside and still be near me. First world problem, I guess.

08-29-2021
09:56:46 am

John Iâ€™d like to see him do well today. Not sure heâ€™ll catch Majka though

08-29-2021
09:56:57 am

Tim in KY Iâ€™m having another EKG now and a repeat blood test. If both are still normal I get to go home.

08-29-2021
09:57:46 am

John Fingers crossed Tim

08-29-2021
10:01:11 am

Charlie in Tenn Hoping for good results

08-29-2021
10:01:36 am

Rocket City Gal Iâ€™m not sure I would even want to go down this in a car. Pretty, but scary.

08-29-2021
10:02:35 am

SFinAus Hi all.Â Running a little late this a.m..Â Very, very glad you're ok Tim.

08-29-2021
10:03:05 am

Tim in KY I donâ€™t think Crosswalk can catch him at this point.

08-29-2021
10:03:29 am

John Neither will get most combative anyway

08-29-2021
10:04:19 am

Katie S I agree, alas x2

08-29-2021
10:04:28 am

Charlie in Tenn Yep, Crosswalk is just riding to the finish.

08-29-2021
10:04:33 am

Charlie in Tenn 80 km off by himself, Majka deserves this win.

08-29-2021
10:05:23 am

Charlie in Tenn The important question is "How are my fantasy GC guys doing?" Bernal, Roglic, Odd.

08-29-2021
10:07:45 am

Katie S You have Odd?

08-29-2021
10:09:21 am

Katie S I see dark cloudsâ€ any rain forecast?

08-29-2021
10:10:57 am

Tim in KY I have Odd, too.

08-29-2021
10:11:19 am

Tim in KY No rain forecast.

08-29-2021
10:11:40 am

Tim in KY Currently 25 minutes faster than the fastestâ€™.

08-29-2021
10:12:14 am

Trish in MA Good morning, all. Â Tim, hope you get out of the ER soon.
Â My husband has gone in twice for potential heart issues and spent hours in the ER only to be released, once with "Bill Clinton syndrome" and the second time for vertigo.

08-29-2021
10:14:44 am

Charlie in Tenn Yes, I have Odd, Vine, and Hooydonck. I try to pick good 4 pointers.

08-29-2021
10:15:20 am

John At 4 points, Odd is turning into a huge bargain

08-29-2021
10:15:43 am

John Especially when compared to some of my terrible picks (cough Carthy)

08-29-2021
10:16:29 am

Charlie in Tenn Doesn't look like anyone has Majka on fantasy. McKyptonite, Slaughter, and Sakia have Crosswalk. I didn't check the other break riders but didn't see any that stood out. So not much change tonight.

08-29-2021
10:17:41 am

Charlie in Tenn The fantasy thing is a skill thing over the course of a year but any one GT is a crap shoot. If I had taken Yates instead of Landa, I would have 415 more points. But I want Landa to win so I take him all of the time.

08-29-2021
10:21:23 am

Katie S So weâ€™re in general agreement this stage is Majkaâ€™s?

08-29-2021
10:21:28 am

Charlie in Tenn Yes.

08-29-2021
10:21:39 am

Tim in KY Unless he falls over.

08-29-2021
10:22:13 am
