

Tim in KY Gdl Stage 8 is another long day on the bike â€” 208 kilometers from Terni north and east to Fossombrone. The final 50 km consists of two loops through the finish town and three categorized climbs.

05-12-2023
04:26:38 pm

Tim in KY The stage starts with an uncategorized climb followed by 120 kilometers of essentially flat road to the first ascent of the Cat 4 Muro dei Cappuccini, 3 km at 8%, but the second half of the climb averages over 10%. That climb is followed immediately by the Cat 2 Monte delle Cesane, 8 km at 6.5%. The second descent of the Cat 4 ends at the red kite.

04:28:44 pm

Tim in KY Kilometer zero is scheduled for noon CEST. Finish is imagined either side of 17:10. The forecast is for rain all day with thunderstorms likely on the finish loop. Temps in the mid-teens.

05-12-2023
04:29:32 pm

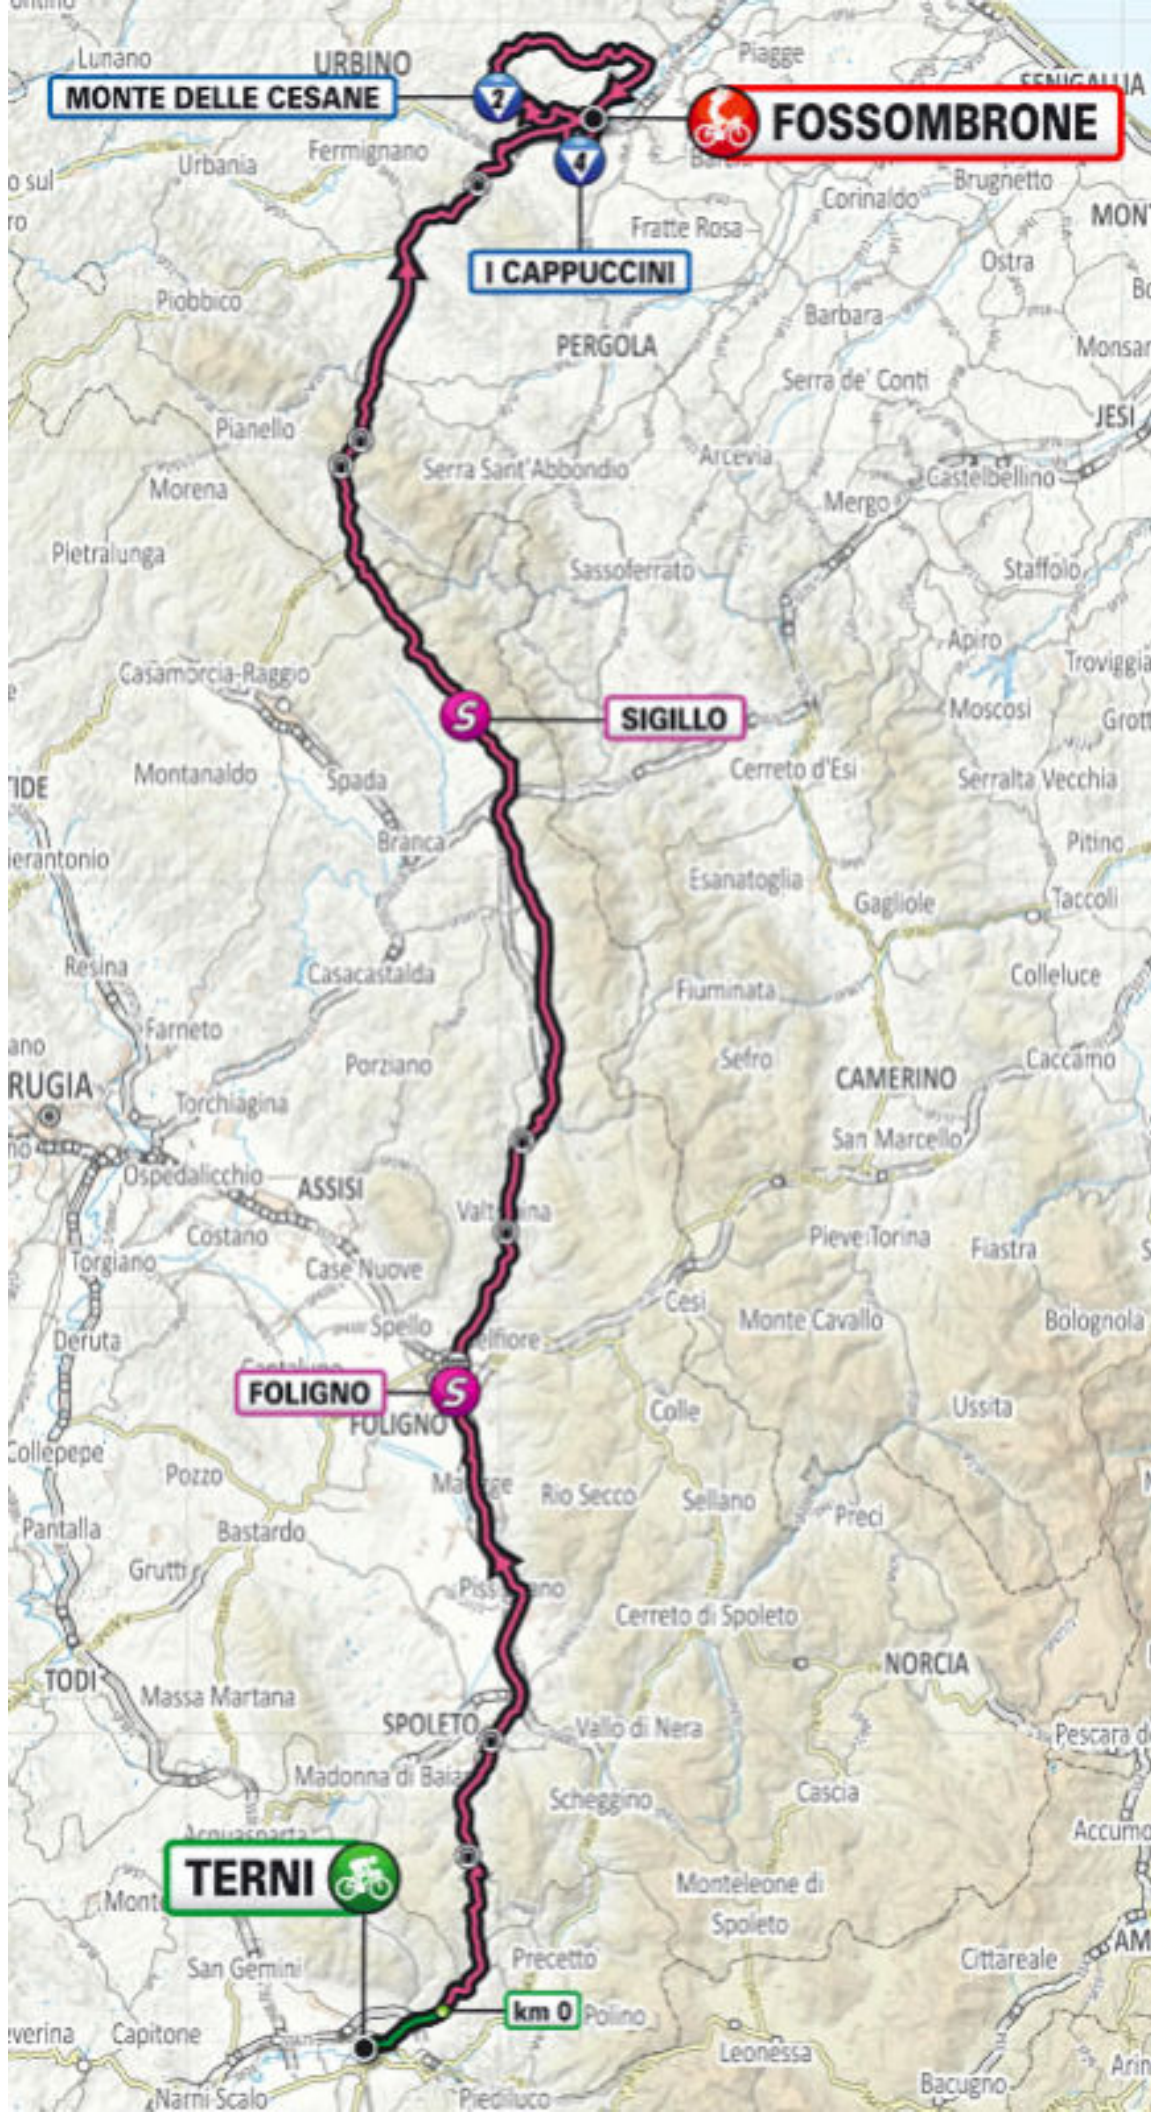

Tim in KY Break fight underway on that early uncategorized climb. Fortunately the thunderstorm forecast for the finish has been withdrawn. May still be some showers early.

06:34:05 am

Tim in KY Oh great! Phillip O'Ganna DNS this afternoon. Another blow to my horrible VG team. Also Lars Van Den Berg of FDJ.

05-13-2023
06:35:07 am

Rocket City Gal Ganna's got The COVIDS, as Bob would say

05-13-2023
06:36:11 am

Rocket City Gal Ayant souffert de problèmes gastriques et de fièvre toute la nuit (test covid négatif), Lars van den Berg ne pourra pas s'aligner au départ de la 8e étape du Tour d'Italie. Van Den Berg has GI issues, according to a team tweet.

05-13-2023
06:40:07 am

Rocket City Gal I think that means something like he had GI issues and fever all last night but tested negative for COVID.

05-13-2023
06:40:14 am

Rocket City Gal There are 16 dropouts in the women's Itzulia race so far. Looks like stage 2 will probably come down to a sprint finish.

05-13-2023
06:42:49 am

Tim in KY Apparently everybody thinks the break will win again so everybody wants to be in it.

05-13-2023
06:46:48 am

Tim in KY Even after the first sprint the break isn't settled.

05-13-2023
07:11:35 am

Rocket City Gal No one's being given a very long leash today, for sure.

05-13-2023
07:16:50 am

Rocket City Gal So our fun for yesterday: While I continued weeding of fun stuff including briars, blackberry bushes (I like blackberries, just not in undesirable places, and poison ivy, my husband was tearing out a vanity in a bathroom. Surprises are always fun:

07:16:55 am

Rocket City Gal Yes, that would be hickory shells. Along with mouse droppings and water damage.

05-13-2023
07:16:57 am

Rocket City Gal We have no idea how these got underneath the vanity. Seems like they'd be too big for a mouse to carry, and we can't find a crack or hole that would've been big enough to drag them through. A mystery!

05-13-2023
07:16:59 am

Rocket City Gal But we're glad we decided to replace the vanity, so that water damage and insulation issues can be addressed.

05-13-2023

05-13-2023
07:24:27 am

05-13-2023
07:38:13 am

05-13-2023

Rocket City Gal Yep, they won't like that Argy-Barguil is in there. Heâ€™s down 6:39 on GC. No other real GC threats in there. Not that I really think Barguil is much of a GC threat these days.

 **Rocket City Gal** UCI condemns transfer of some teams by helicopter yesterday (hotels were a couple of hoursâ€™ drive away from the finish). 05-13-2023 08:55:51 am

Charlie in Tenn I have been away. Cleaning the garage (in case we need to put kids out there), got the croquet set out in case we need give the kids some old school competition, moved cars, and cleaned most of the flat surfaces for cakes, ice cream, snacks, and eating spaces. Ready for the adult guests and semi-ready for the kids. Also doing laundry.

Katie S Enjoy the finale. I'm off to the 5k race with the niece. Cheers, all. 05-13-2023

Rocket City Gal 20 K to go; Healy still 1:40 ahead of group 2. Looks like the peloton has given up for the day; they're at 5:56 now (and growing) 05-13-2023

Tim in KY I just hope he stays upright on the last descent. It's very tricky. They didn't show it much the first time. 05-13-2023
10:31:43 am

Rocket City Gal 3 DNFs reported for the day: Zoccorato, Dekker and Stork. (that would be a good name for a law firm, eh?) 05-13-2023

10:32:31 am

Charlie in Tenn The head wind seemed to be what most of the riders talked about yesterday. Nobody wanted to push into it. 05-13-2023
10:35:00 am

Rocket City Gal He was using every inch of the road the first time down and then some. I think he may be a wee bit less aggressive going down the 2nd time. He's got nearly a 2 minute lead and they're not going to be able to put significant time into him going up or down. 05-13-2023
