---

 **Tim in KY** The first 20 kilometers of the route are flat along the coast. After the road turns west the stage is constantly up and down. There are three Cat 2s and a Cat 3 in the next 90 km and two uncategorized climbs in the next 30 km before the start of the final Cat 1. After the summit of that climb there is a short 3 km descent to the finish line. 09-01-2023 03:02:45 pm

09-02-2023  
09:20:17 am

**Katie S** Noooooo! Jimmy Buffett! I saw him in concert once. Love his more poetic songs best. He was a storyteller, a troubadour. Also wrote a fun beach-read mystery called, "Where is Joe Merchant?"

09-02-2023  
09:27:43 am

**Charlie in Tenn** The break is breaking up. Riders everywhere.

09-02-2023

**RocketC** Tip from someone I know: Â Never plug into a public charging

port.

 **RocketC** Charge with a charger if your own via electrical outlet. 09-02-2023 09:34:30 am

 **BusterSci** Are you implying that the public ports may not be power only? 09-02-2023 09:35:00 am

 **RocketC** <https://www.fcc.gov/juice-jacking-tips-to-avoid-it> 09-02-2023 09:35:44 am

 **RocketC** Juice jacking. 09-02-2023 09:35:54 am

 **BusterSci** That's what I call a Screwdriver 09-02-2023 09:36:26 am

 **RocketC** “Cybersecurity experts warn that bad actors can load malware onto public USB charging stations to maliciously access electronic devices while they are being charged. Malware installed through a corrupted USB port can lock a device or export personal data and passwords directly to the perpetrator. Criminals can then use that information to access online accounts or sell it to other bad actors.” 09-02-2023 09:36:58 am

 **BusterSci** Yup. My last employer told us not to use unknown USB ports and that was a decade ago. 09-02-2023 09:37:52 am

 **RocketC** I won't be watching most of today's stage until later. For only the 3rd time this year I'm vending tie dye and soap at an outdoor market. The temp prediction is for only highs of mid-80s today, with no rain and calm winds. 09-02-2023 09:39:03 am

 **RocketC** Buster, did you try the soap? Opinion? 09-02-2023 09:40:30 am

 **RocketC** Set my dad some and it cleared up his eczema a chronic patch he's had for most of a decade. I think it's the moisturizing shea butter. He'd tried steroids and all that. 09-02-2023 09:42:05 am

 **Tim in KY** After three days of lovely fake fall the humidity and temp are back up to normal (=awful) levels. Walk back from farmers market was quite unpleasant. Got ravioli from the Pasta Garage sweet corn, too. 09-02-2023 09:42:11 am

 **Katie S** Ugh, Tim. But good haul, anyway. 09-02-2023 09:43:37 am

**Mikey** Hard to believe we are corned out here but it is time passed for us. Back to hot and humid as well

09-02-2023  
09:43:55 am

**Mikey** Looking for fresh green beans

09-02-2023  
09:44:15 am

**Katie S** Iâ€™ve got some tasty Romano beans, Mikey. Câ€™mon over.

09-02-2023  
09:45:20 am

**Mikey** Sounds lovely.

09-02-2023  
09:45:52 am

**RocketC** I finally got a dehumidifier for my dyeing room. Â Itâ€™s not heated or air conditioned currently and doing anything out there has been beastly. Â Also, heat and humidity are not good for powdered dyes. Â Earlier this week it was so humid out there that a spoon dipped into the powdered dye and then shaken off remained heavily coated with the powderâ€” not good. Â Started the dehumidifier yesterday and itâ€™s pulled gallons and gallons of water out of the air and the RH is down to the mid-50 now.

09-02-2023  
09:46:37 am

**Katie S** G Thomas says Arensmen isnâ€™t too badly hurt, just a broken tooth and um that broken collarbone. Just such a different scale of serious than mine

09-02-2023  
09:47:49 am

**BusterSci** Sorry RCG, was eating breakfast. Â I've used the neutral soap. Â I liked but it didn't seem to make a lot of difference on the psoriasis--which I wouldn't expect due to how it works. Â But sometimes I'm just a big itchy and it seemed to help that. Â We haven't tried the bug repellent ones because it's been so dry that we really don't have a good test case. Â Minnesota without mosquitos. Â Must be one of those benefits of climate change the oil companies keep talking about. Â We'll take a bar up to Ely next week and try it if there are skeets up there.

09-02-2023  
09:48:38 am

**Katie S** Iâ€™d read collarbone for Thyemen. Good thatâ€™s not true.

09-02-2023  
09:50:36 am

thymenarensman Hi everyone, thanks for all the messages. I am unbelievably lucky, I think. Apart from a bit of pain everywhere, my head hurts and missing a tooth it looks like nothing broken, so far.

I can't remember anything from what happened and woke up in the hospital, I must have been out for a few hours. I am not my most handsome self anymore with stitches and injuries to my face + missing a tooth, but I'll take it 🤔 Probably my helmet saved my life 🙏

I'm relatively ok. I'll be cheering for my teammates now while trying to recover to full health. Adios 🤝❤️

**Charlie in Tenn** NEW CHAIR DAY!

09-02-2023  
09:50:45 am

**RocketC** The best thing I ever got at our outdoor market  $\hat{\text{A}}$  was fresh corn.  $\hat{\text{A}}$  One of the other vendors bought a tie-dye scrub top from me; she said they fit nice and loose, are cool, and she likes the pockets, she says she wears them a lot.  $\hat{\text{A}}$  She came up a few dollars short (it was early in the day, and she didn't have much cash yet); I told her don't worry about it. A couple of hours later she came over with a baker's dozen of ears of fresh corn.  $\hat{\text{A}}$  It was some of the best corn I've ever eaten.

09-02-2023

**BusterSci** Garrison Keillor told the joke that in the Garden of Eden, the first time Adam and Eve had sex, Adam said "That was pretty good!" and Eve replied "Yeah.  $\hat{\text{A}}$  Not as good as sweet corn, but pretty good."
