

 **BusterSci** Making bagels this morning. Will join about 30-45 minutes late. 08-31-2020
06:05:59

 **BusterSci** Break of three. 08-31-2020
06:37:13

 **BusterSci** Cosnefroy, Perez and Cousin in the lead. 08-31-2020
06:53:28

 **Tim in KY** Oooh. KOM fight. 08-31-2020
07:09:48

 **BusterSci** Since it's a long morning, I'm going to do clean the kitchen.
Ivanka canned some stuff yesterday and between that and bagels it's a disaster. 08-31-2020
07:20:54

 **Tim in KY** I'm done with morning chores except at some point while the paint
dries I need to whip up a batch of gazpacho. 08-31-2020
07:32:18

 **Tim in KY** The break is only being allowed about 2:00. 08-31-2020
07:34:32

 **Tim in KY** Onto the first Cat 3. 08-31-2020
07:35:28

 **Tim in KY** Rain jackets going on. It's raining here, too. Dreary morning. 08-31-2020
07:37:06

 **mcnally_mi** Nice job with the masks in the town of Grasse. Only a few non-
wearers and chin cover types. 08-31-2020
07:39:30

 **Joanna in Virginia** How have you settled in to your new place, Tim? 08-31-2020
07:41:41

 **Tim in KY** Pretty much, Jo. 08-31-2020
07:42:07

 **Tim in KY** Yikes. DQS is without jackets in this downpour. 08-31-2020
07:43:11

 **Tim in KY** Never been to Grasse. I wonder what it smells like there. 08-31-2020
07:45:19

Joanna in Virginia Heavy, heavy rain.

08-31-2020
07:48:53

Joanna in Virginia Yuck!

08-31-2020
07:48:58

Tim in KY Letting up a bit now.

08-31-2020
07:51:14

Tim in KY This is a looong Cat 3.

08-31-2020
07:51:26

BusterSci Back for a bit.

08-31-2020
07:54:05

BusterSci Cosnefroy just doesn't have quite the kick to take those KOM sprints

08-31-2020
07:58:16

Tim in KY They go right on to another Cat 3 now.

08-31-2020
07:59:08

Mikey In and out this morning. Back later I hope.

08-31-2020
08:08:17

Tim in KY I have a yellow mask I could loan WHF.

08-31-2020
08:13:25

BusterSci Perez again with the KOM

08-31-2020
08:19:08

Tim in KY Cosnefroy just doesn't have it today.

08-31-2020
08:19:23

BusterSci Perez took him yesterday, too.

08-31-2020
08:19:44

BusterSci When they went head to head. Â Cosnefroy took the first KOM by jumping out early.

08-31-2020
08:20:18

Tim in KY 50 km to the next climb. I'm going to get the gazpacho made now.

08-31-2020
08:21:53

BusterSci Well, now it's time to take Rip to daycare. Â It's going to be a tough day for her with storms moving through. Â She is very afraid of thunder. Â We've tried a couple anti-anxiety meds with little luck. Â However, the last two storms we gave her some broad spectrum CBD treats and they seem to help. Â So she's a 420 gal.

08-31-2020
08:22:29

Joanna in Virginia Poor Sofie (rest her soul) hated thunderstorms. She didn't like the anti-anxiety meds either, she didn't like feeling like she wasn't "on top of things". She was our care-taker and took her job very seriously. I miss that Little Yellow Dog (all 75lbs. of her).

08-31-2020
08:25:07

Joanna in Virginia NRRBBB - As ill-prepared as I was/am for the TDF in September, the Kentucky Derby happening on Saturday is equally unsettling. Very bizarre year.

08-31-2020
08:42:57

BusterSci Well, the Daycare people say she's not too bad there in storms, so maybe other dogs help, too. Â I've always been dubious about CBD oil claims. Â This morning Frau suggested we do blind testing, where one of us chooses med vs placebo and the other assesses behavior without knowing.

08-31-2020
08:42:57

Katie S G'mornin' ... that's some science that is ... or just a party game.

08-31-2020
08:43:33

Joanna in Virginia Like you, I am dubious. Please report back your findings.

08-31-2020
08:43:33

Joanna in Virginia Cousin went off on his own awhile ago, but I was eating my measly breakfast at the time.

08-31-2020
08:43:57

Joanna in Virginia I have to remember to bring my iPad downstairs - too many commercials.

08-31-2020
08:45:24

BusterSci I'm totally for a place on those slopes.

08-31-2020
08:47:41

Katie S The commercials seem even heavier this year ... but, then advertisers are desperate for eyeballs.

08-31-2020
08:48:14

BusterSci Ads annoy, but ads pay for all of it. Â So...yea?

08-31-2020
08:48:49

Joanna in Virginia Beautiful scenery.

08-31-2020
08:49:00

BusterSci On the CBD for the dog. Â Her behavior during the last two storms was definitely improved. Â However, we also know that as the season progresses her anxiety tends to go down, too. So we have to come up with some method of incorporating behavior, time and storm severity into our rating system. Â That's a job for Buster Science Company!

08-31-2020
08:51:00

Joanna in Virginia The lone breaker is Cousin, everyone else back in the group at 4:05.

08-31-2020
08:51:08

Joanna in Virginia CBD - Calm Buster's Dog

08-31-2020
08:51:54

BusterSci This is going to be an annoyingly long stage to listen to McCrossan. Â He sounds like he's announcing a parade--which may be close to the truth. Â "And there's Julian Alaphilippe. Â And to think, he's made entirely of roses."

08-31-2020
08:58:23

Tim in KY Gazpacho made and fridged.

08-31-2020
08:59:03

BusterSci yum

08-31-2020
08:59:09

BusterSci Frau canned a big batch of plum mustarda yesterday and some cupcakes. Â I think it may be time to wash that second batch of dishes.

08-31-2020
09:00:32

Tim in KY There is one rider out front and about 12 motos behind him.

08-31-2020
09:03:12

Tim in KY Canned cupcakes?

08-31-2020
09:03:21

BusterSci A yes. Â Revision on the fly. Â I originally typed "...made a big batch..." but changed it to "canned" and then didn't follow up that change through the sentence. Â But I love the idea of canned cupcakes. Â Like that weird New England canned brown bread.

08-31-2020
09:05:15

Katie S mmmm, my mom used to serve that. Warm. With lots of butter.

08-31-2020

08-31-2020
09:06:46

08-31-2020
09:08:02

Katie S Re the storms that have the critters afeared ... We had our first lightning storm hereabouts in about a decade two weeks ago. It was beautiful. we got up to watch it, at 3 a.m. on a Sunday morning. Spectatcular bolts. But it was a dry storm and then we got the fires. Here's a link to a NASA image of the fire scars. Brown = fire scar: <https://www.nasa.gov/sites/default/files/thumbnails/image/calif-burn-0826.jpg>

08-31-2020
09:13:02

BusterSci Yup. Â My best bud from college is a Berkeley resident.

08-31-2020

Charlie in Tenn Obviously, I have not been here but I am now for a few
minutes. Spent all morning learning how to submit homework. All videos and
notes seem to leave out a step or three. I have struggled. My solution is to print out papers,
have daughter fill them out, photo/scan them, send them in. I may be wasting time and effort
but it is comfortable waste. Anyway, we have a zoom class meeting at 10 and 3 more
assignments due today so I will be in and out.

08-31-2020
09:35:03

Thanks so much, Joanna, for keeping the doors open. Missed the last two days, but caught up the chats yesterday. Beautiful door that you made, Buster! 08-31-2020

08-31-2020
10:05:11

BusterSci Basement

08-31-2020
10:05:58

Dave Ringle My wife is weaning herself off books, and weâ€™re down to two rooms filled with bookshelves. I may have to take a trip with a car loaded with book boxes to my daughter in Minnesota, but I donâ€™t think Canada will open its border for such an essential service.
