 **Tim in Ky** Neutral zone at a civilized 13:10 CET (07:10 EDT). Flag drops 15 minutes later. Still recovering from the weekend, I expect the riders will soft pedal this stage as they have the other sprint stages. 07-10 12:06

 **Miren Brinkman** Thank you, Timothy. I'd love to visit the grottes. 07-10 14:22

 **memb54** Morning, hoping for a terrific sprint from my rider, my last hope. 07-11 06:18

 **Tim in Ky** I'm pretty much without hope. 07-11 06:27

 **Tim in Ky** I thought Bergerac would be a brandy-producing AOC like Cognac and Armagnac, but it turns out to be only a wine AOC. And a very mixed bag one at that. 07-11 06:51

	Joanna in New York Good morning, Tim!	07-11 06:54
	Tim in Ky Hi, Jo.	07-11 06:54
	Tim in Ky Still 15 minutes until the depart fictif.	07-11 06:55

	Tim in Ky Or is it the penguin always rings twice?	07-11 06:56

 **BusterSci** I have a hard time getting upset about the color of someone's shorts when 07-11 07:15
AG2R is still allowed the brown ones. That might be a good transfer destination for Dumoulin.

the other suitcase that has more functional substances, to get on the podium.

finishing off everything I could so that I could follow today's stage. One great result is that I had a 9-hour sleep with no nature calls - first time in decades. Usually sleep 3 - 4 hours.

 **BusterSci** We've had the pup 2 weeks today, and she already makes it longer at night 07-11 08:59

out what's wrong with her. Last night we took her to an emergency vet hospital in San Francisco, and today she'll see an internist.

 **BusterSci** So with the mention on Facebook of Cleese, silly walks, and Fawlty 07-11 09:04
Towers, I was imagining a sketch with Sky preparing for the Grand Depart with Brailsford running around maniacally saying "Don't mention the war!"

 **Bill Wilkinson** Catching up, on the smartass comments, I replied to a friend's facebook 07-11 09:04
post about when did her son get to be 18 with "presumably at his last birthday". I followed up with "My art

form is droll smartassery"

 **Bill Wilkinson** Froome did Silly Walks on Ventoux last year... 07-11 09:05

 **Miren Brinkman** You never stop feeling useless while pets are sick. 07-11 09:06

 **Bill Wilkinson** I read an interview with Contador on CN yesterday. Apparently the 07-11 09:08
crashes did more damage than we thought. According to Jens he didn't even get on the bike yesterday, preferring R&R to try to recover

 **BusterSci** Yup. That news came out about 3-4 hours after the stage but every 07-11 09:11
commenter and article and podcast seemed to ignore it and instead said he's washed up. I think he's definitely past his prime, but when a guy takes a hard fall and then later falls the same way again, you have to take that into consideration in his washed-upedness.

 **BusterSci** 101.7km. 5:02 07-11 09:11

 **Tim in Ky** Nothing is still happening. 4:16 the gap. 07-11 09:26

 **Bill Wilkinson** 4:15 the gap. Nice bowling to get the bottle to a fan. 07-11 09:26

 **Tim in Ky** Bak still in front. 07-11 09:27

 **Joanna in New York** Our Sweet Sofie dog had to have her third mast cell tumor removed recently. When the sutures were removed, her incision reopened. Sunday morning emergency vet visit for another surgery and staples. You just want to be able to explain it all to them. 07-11 09:27

 **Katie** "Feel like I've been hit by a bus," says Dan Martin. Yeah, a bus called Ricocheting Richie and Rocks. Did you all see the photo of Martin's helmet? 07-11 09:27

 **Bill Wilkinson** Martin got a neutral wheel too, and apparently bounced into the rocks again. 07-11 09:28

 **Katie** Ugh, Jo. My poor local vet last night said, "I'm stumped. I feel completely useless." I felt sorry for *her*. 07-11 09:29

 **Bill Wilkinson** Bob Roll turning into a grumpy old man on tactics.... 07-11 09:30

 **Katie** He also seems to be shrinking 07-11 09:30

 **Joanna in New York** Today is "inmate day" at the Otho office...jumpsuit dude in chains. 07-11 09:31

 **SFinAusTx** Your a trend setter Katie. I typed "Dan Mart" in my search bar and it auto-filled with "Dan Martin's helmet" ;) Sorry to hear though about your li'l one - and Joanna's.... Whoa, Jo, maybe you need to switch your doctor 07-11 09:31

 **Joanna in New York** And law enforcement... 07-11 09:32

 **Katie** Oh, my, Jo 07-11 09:33

 **Joanna in New York** Stony Brook is a huge hospital, also manages the jail injuries. Routine for me, now - freaked me out the first time. 07-11 09:34

 **KinPA** Joanna, around here, the DUIers, who serve their sentence 48 hrs at a time, on Sat & Sun doing roadside cleanup are referred to as "Weekend Warriors" 07-11 09:34

-  **Katie** "Jail injuries" ... hmmm. Like shiv wounds and sprained knees from escape attempts? 07-11 09:34
-  **Tim in Ky** Gap is down to 3:23 but still 83 km to go. 07-11 09:38
-  **Tim in Ky** Coming to the first Cat 4. 07-11 09:39
-  **Tim in Ky** Peloton on the climb. 07-11 09:45
-  **Tim in Ky** Gesbert takes the KOM point. 07-11 09:48
-  **Tim in Ky** The peloton crests at 3:01. 07-11 09:51
-  **Katie** Can I just say ... this is very pretty countryside 07-11 09:56
-  **Katie** there, I said it. 07-11 09:56
-  **Bill Wilkinson** No, Katie, you can't! :D 07-11 09:57
-  **BusterSci** We discovered in the last couple days that Ripley likes violin music, and 07-11 09:57
will go to whatever speaker it's coming from and cock her head back and forth like the RCA dog, that she likes watching airplanes go overhead (when winds are right we're where MSP circles jets waiting for landing) and she likes watching baseball games and bears on nature programs. Wolves don't interest her but bears do.
-  **Katie** Squirrel? 07-11 09:58
-  **Miren Brinkman** Last year I had a crash at only 28km/hr, rookie accident, hit my 07-11 09:58
head on the asphalt and was unconscious for nearly 3 hours. My crash hat was totally wrecked as my son who was riding behind me, rode over my shoulderblade (leaving a 9" scar) and over my head! Chain rings are very damaging indeed. I can recommend Specialized helmets! got the same one again, lighter weight,
-  **BusterSci** Now she's watching the Tour on the sofa with me. She's interested in the 07-11 09:59
riders much more than the scenery shots.
-  **Katie** Might I suggest Tchaikovsky's Violin Concerto in D Major? And Sibelius' Violin 07-11 10:00

Concerto in D Minor? Deese are my faves.

 **Katie** Oh my lord, Miren. Glad you're OK now. 07-11 10:00

 **Miren Brinkman** Like this puppy? <https://www.youtube.com/watch?v=AefFcfm8wZc0> 07-11 10:01

 **Tim in Ky** Shrubbery. 07-11 10:02

 **KinPA** So Ripley likes the bear necessities? - <https://www.youtube.com/watch?v=9ogQ0uge06o> 07-11 10:02

 **Miren Brinkman** Anyone taking a nature break? 07-11 10:03

 **John** You mean anyone besides Ripley? 07-11 10:03

 **BusterSci** Actually, we were on a "gnaw on my thumb so she doesn't eat the sofa" break. 07-11 10:04

 **BusterSci** That dog video is awesome. But I'd suggest deworming. 07-11 10:05

 **Tim in Ky** Hay bale art! 07-11 10:09

 **BusterSci** HEY! Bale art! 07-11 10:09

 **Miren Brinkman** BusterSci, that's what I thought, too. But it still makes me giggle. 07-11 10:10

 **BusterSci** Or when I called my buddy Arthur the last time I was arrested, "Hey. Bail, Art?" 07-11 10:10

 **Tim in Ky** Sprint coming up. 07-11 10:10

 **Bill Wilkinson** Or when I went with Art to a really awful movie. About half and hour in, I said, "Hey! Bail, Art?" 07-11 10:14

 **BusterSci** Or fishing and the boat was leaky 07-11 10:15

-  **Rob** Full pub today 07-11 10:24
-  **Bill Wilkinson** I almost went to Clooney, been blocking the whole Bale period. The the whole Bane doing a bad Connery impersonation thing just....ugh! 07-11 10:25
-  **KinPA** Jo, will you go back to the ortho & show the warden this page; a certain two deserve hard time. 07-11 10:25

07-11 10:34

Joanna in New York I've never known a horse who could put away as much hay as Artie - he is an eating machine.

07-11 10:34

Miren Brinkman Beautiful pup

07-11 10:35

Joanna in New York We've had to be careful during this long layup not to overfeed him. He was actually looking a little plump a couple months back. Then, we took him to the breeding shed and that seemed to kickstart his metabolism.

07-11 10:36

Tim in Ky Over that level crossing, we're one minute faster than the slowest imaginable time.
