

Tim in KY VaE Stage 8 is a 167 kilometer loop through Catalunya from Valls to Igualada. The riders endured a three hour after stage seven to get to the start town.

30-Aug-2019
13:30:05

Tim in KY The route is a bit lumpy for the most part but with 35 kilometers to go there is Cat 2 climb of 7.4 km at 6.6%. After the climb, there are several km along a plateau before the descent to five km of flat racing to the slightly tilted-up finish. The late climb will probably discourage the sprint teams from gap-minding so a breakaway finish is possible. Or, maybe a late attack on the climb.

07:05:25

Tim in KY I hadn't notices until now that Quintana took the points jersey away from Sam Bennett yesterday.

31-Aug-2019
07:06:23

BusterSci Interesting. It's my perception that happens at the Vuelta more than the other races.

stages.

 **Tim in KY** Finally started. De Gendt says he's going to have a go this morning. 31-Aug-2019 07:19:34

 **BusterSci** I thought that was the case but wasn't sure, so I didn't mention it. 31-Aug-2019 07:20:42

 **BusterSci** The points jersey is supposed to be for the most consistent rider, not the best sprinter (at least in theory and historically.) That suggests that the Vuelta way is more consistent with the intent. 31-Aug-2019 07:22:02

 **Tim in KY** The Giro, on the other hand, has a "combined" jersey that always goes to the GC leader, so I don't see the point. 31-Aug-2019 07:22:04

 **BusterSci** Just looked. The tour does award points on all stages. 31-Aug-2019 07:22:57

 **BusterSci** 50 flat, 30 hilly, 20 mountain and ITT. 31-Aug-2019 07:23:24

 **BusterSci** Vuelta is 25 on every stage. 31-Aug-2019 07:24:06

 **BusterSci** Giro is 25 on every stage as well. 31-Aug-2019 07:24:35

 **Tim in KY** La Vuelta has a "Breakaway" category for the rider with the most Kms off the front, no jersey, but some cash at the end of the race. Right now that looks lie this: 1. Angel Madrazo (Burgos-BH), 451 km 2. Jelle Wallays (Lotto Soudal), 256 km 3. Gianluca Brambilla (Trek-Segafredo), 245 km 4. Jetse Bol (Burgos-BH), 159 km 5. Sander Armée (Lotto Soudal), 155 km. 31-Aug-2019 07:24:50

 **Tim in KY** The Tour method is why a sprinter always wins the green jersey. 31-Aug-2019 07:28:28

 **BusterSci** Yup 31-Aug-2019 07:29:15

 **Tim in KY** Now, while the break sorts, I have some chores. 31-Aug-2019 07:29:42

BusterSci 09-12 Giro, points winners were Menchov, Evans, Scarponi and Rodriguez. 31-Aug-2019 07:29:53

BusterSci 2014 was the last time a sprinter won points at the Vuelta (Degenkolb.) Before that, Cav in 2010. 31-Aug-2019 07:31:06

BusterSci Jalabert in 92 and 95 was the last non-sprinter to win points at the Tour. 31-Aug-2019 07:32:06

BusterSci Tim, I think you mentioned not liking the new CN ticker. My biggest annoyance is I don't see a way to put the latest update at the top. 31-Aug-2019 07:34:26

BusterSci There was a short 7 man break that was caught. 31-Aug-2019 07:40:10

Tim in KY Latest update at the top is the default for me. 31-Aug-2019 07:43:15

BusterSci It just switched for me. I did nothing. 31-Aug-2019 07:43:53

Tim in KY The font is too damn big. Makes for unnecessary scrolling. 31-Aug-2019 07:45:07

BusterSci Strange. I don't have that problem (on my computer, at least.) 31-Aug-2019 07:47:19

BusterSci 21 riders have a gap, including de la Cruz 31-Aug-2019 07:50:45

BusterSci Also Nikias Arndt (Team Sunweb), Peter Stetina (Trek-Segafredo) and Nicolas Edet (Cofidis), says CN. 31-Aug-2019 07:51:12

Tim in KY But not De Gendt. 31-Aug-2019 07:52:42

Tim in KY Edet is down just 6:24. 31-Aug-2019 07:53:10

BusterSci 2 minute gap. This is our break. 31-Aug-2019 07:58:20

Tim in KY So no breakpoints from VG today unless one riders drops back before the feedzone.

31-Aug-2019

31-Aug-2019
08:01:02

Tim in KY No EF.

31-Aug-2019
08:01:15

Tim in KY With Edet up there, JV will have to mind the gap. Maybe Astana and Movis, too despite having a man up there.

31-Aug-2019
08:03:42

Tim in KY For now Astana is minding the gap. More or less. 4:18 with 124 to go.

31-Aug-2019

BusterSci I'm kinda going to ignore this until somebody else shows up.

-  **Katie** The Lutherans around here provide that opportunity every Labor Day ... at least as regards books. They have a big book sale, and every year I go through the painful process of trying to figure out which of my books don't really need to collect any more dust on my shelves. This year they got two boxes, and I do feel better. but ... 31-Aug-2019 09:43:45
-
-  **Tim in KY** Over 5:30. 31-Aug-2019 09:44:37
-
-  **BusterSci** I created a rule when we moved from first apartment to first house that every time we moved or otherwise had reason to reorganize, anything that wasn't taken out of a box since last time had to go. 31-Aug-2019 09:44:41
-
-  **Charlie in Tenn** ...but you buy more at the sale than you got rid of? 31-Aug-2019 09:44:53

-  **BusterSci** While I am a fan of physical books, e-books and audio-books require no physical space. 31-Aug-2019 09:47:01

-
-  **memb54** Before that great marvel of modern technology Ebooks, every time i travelled to Engoand or the US, I'd haul back the largest suitcase full of books. After reading them, they'd do the rounds of the English speaking community. 31-Aug-2019 09:52:02
-
-  **Charlie in Tenn** My goal is to read or get rid of any books that I placed on our bookshelves. Of course, I am currently reading 2 books so I guess I should start reading during long quiet stages. 31-Aug-2019 09:52:19

Katie When I was dropping off my box of books, so was another fellow. I made some small-talk remark and found that he had just moved, and they had 40 boxes of books, and he simply picked up a couple and brought them to donate -- without knowing which books were contained therein

31-Aug-2019
10:02:27

BusterSci I just read Lanterne Rouge (loaned by a friend who got it at Half Price Books.) Quite well written, and worth a read. Wim was featured in a chapter and if I recall, they mentioned his son, too. Written in 2013.

31-Aug-2019
10:03:51
