17-May-2019  
06:42:20

**BusterSci** Racing just started. Live coverage starts a bit after 6AM CDT. I have to visit the doc mobile first thing this morning so I'll. be a non-entity for the first 2-3 hours.

17-May-2019  
06:43:42

**BusterSci** Morning, Jo.

17-May-2019  
06:46:59

**Joanna in New York** Good Luck, Buster!

17-May-2019  
06:47:02

**Joanna in New York** Morning!!

17-May-2019  
06:47:04

**BusterSci** I'm thinking the recommendation will be PT, maybe a cortisone shot. I doubt surgery will be the answer. But we'll see.

17-May-2019  
06:48:03

**BusterSci** I've dealt with this for 35 years off and on.

17-May-2019  
06:48:23

**Joanna in New York** Yeah, I know you are not an amateur in this regard, we share that status. Cortisone shots and PT can manage a lot of issues, fingers crossed for you!

17-May-2019  
06:49:20

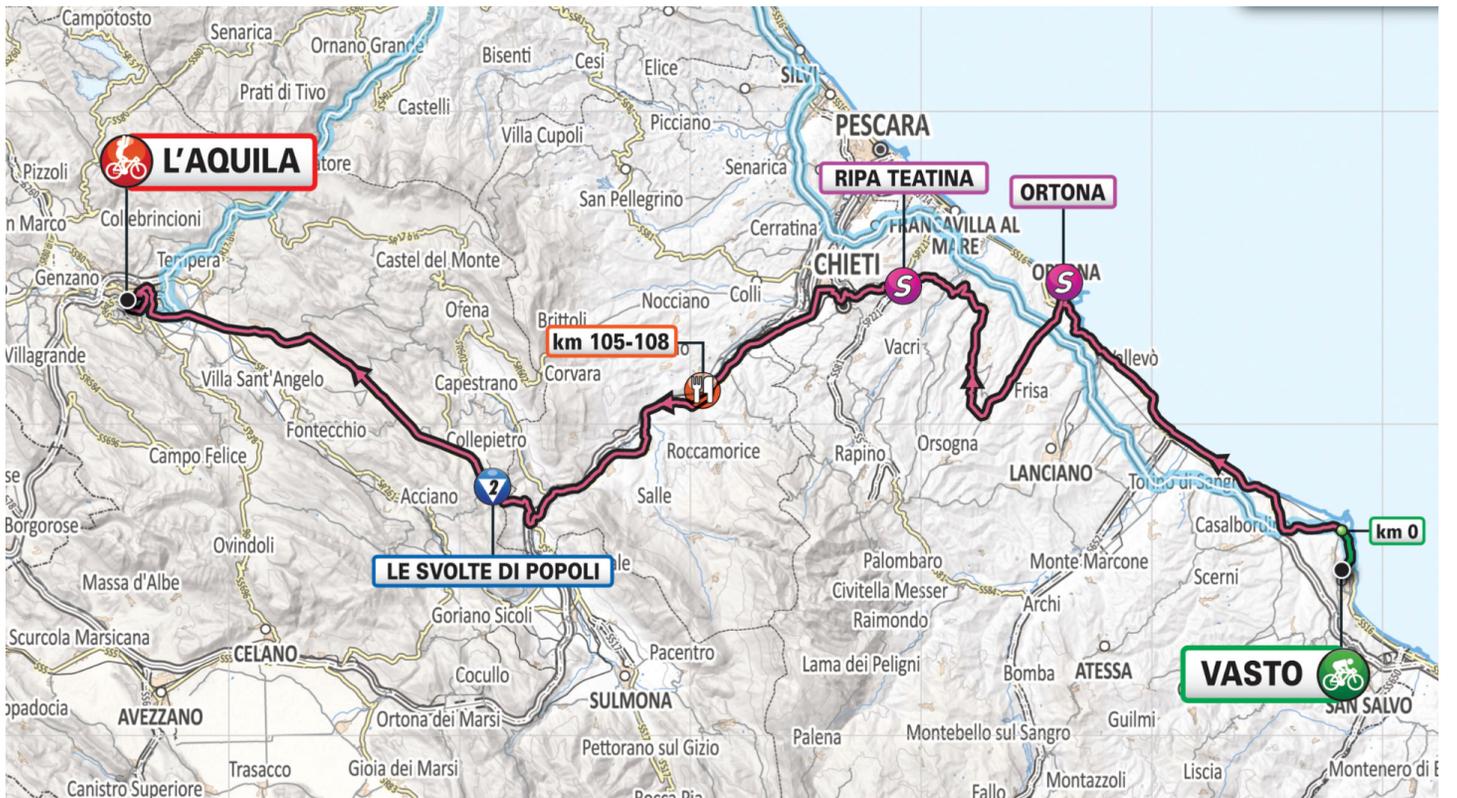

**BusterSci** I also think a lot less time on computers and phones will help.

17-May-2019  
06:52:26

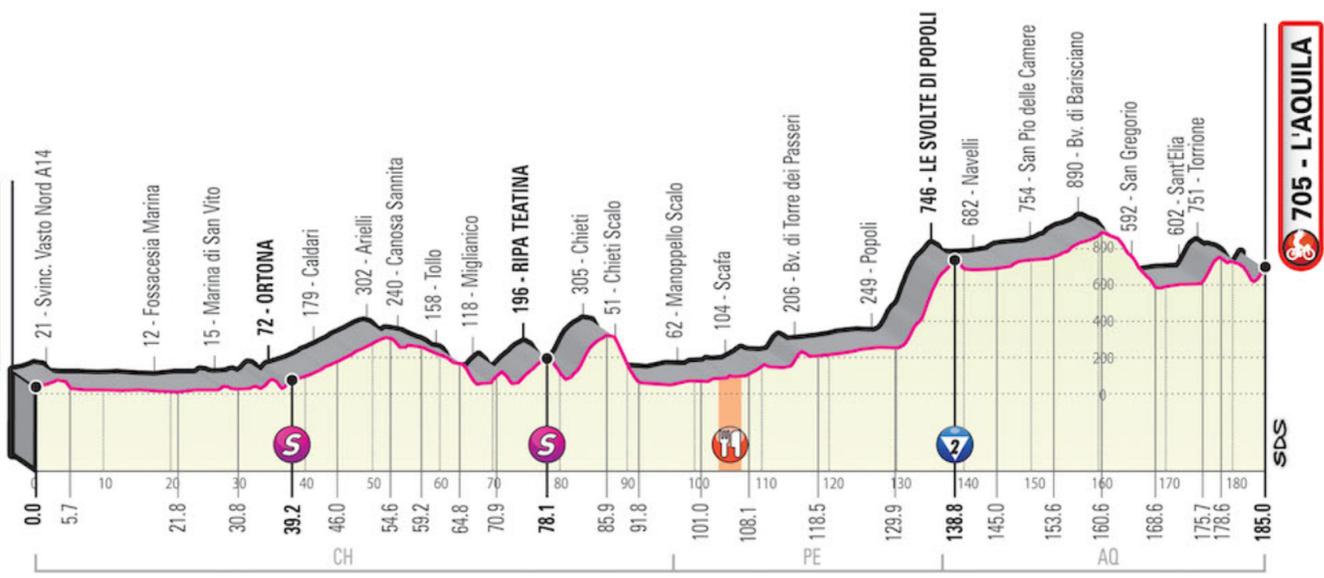

**Joanna in New York** I've had a very stressful morning with my aging, Sofie. She stopped coming upstairs due to her age and compromised strength and stability. Well, this morning at 5am, she decided to come up to tell me she wanted to go out and as I started down the hallway, she darted ahead of me, all bouncy and happy, but sadly with too much impulsion for her weakness to support. I couldn't get to her in

17-May-2019  
06:54:17

**32 - VASTO**

time and had to hear her crashing down a flight of stairs. Bless her sweet heart, she was sprawled on the floor at the base of the stairs and my heart sank. She shakily got to her feet, staggered a little, but kept heading to the back door. I'm sure she is going to be very, very sore (and I upped her meds this morning), but I am so relieved she didn't break anything. I am now putting up the child gate to keep her from the stairs. I'm not sure I've yet returned my heart rate to normal...

---

 **BusterSci** Speaking of shared experiences... At least right now, though, the child gate is on the stairway to keep little Ms snoopy nose from stealing things from my shop, Ivanka's sewing room, and general storage. But we have to dog proof the basement so she has somewhere to hide during storms. She's developing a phobia there. 17-May-2019 06:59:28

---

 **BusterSci** Breaks trying to form. There's group of 19 away right now but not away enough for us to worry about who is in it. 17-May-2019 07:00:44

---

 **BusterSci** UAE and Conti, on the other hand, are interested in who is in the break. They want to keep pink as long as possible. 17-May-2019 07:01:31

---

 **Joanna in New York** Going upstairs is also Sofie's "safe place" during thunderstorms (or when the wild turkey is gobbling too much), so I hate to take that place of refuge away from her. But, I couldn't live with myself if I was out of the house and returned to find her with anything broken at the base of the stairs. 17-May-2019 07:03:30

---

 **BusterSci** I'd be happy if Ripley went downstairs when their were turkeys in the yard. Instead she tries to launch herself through the windows. 17-May-2019 07:06:09

---

 **Joanna in New York** Terrier Gene! 17-May-2019 07:09:02

---

 **BusterSci** Still no break 17-May-2019 07:19:32

---

 **Joanna in New York** They've been racing a little over an hour, still all together, average speed of 49.8kph. 17-May-2019 07:39:48

---

 **Joanna in New York** Going to have a third cup of tea and some breakfast... 17-May-2019 07:40:26

---

 **Charles Davis** Hi all. 17-May-2019 07:44:11

---

 **Joanna in New York** Hi Charles! 17-May-2019 07:46:57

---

**Joanna in New York** Hi Bikerabe!

17-May-2019  
07:47:05

**bikerabe** Gaviria has abandoned

17-May-2019  
07:48:00

**BusterSci** Gaviria abandons

17-May-2019  
07:48:00

**Charles Davis** Did you hear about Gaviria? Nevermind.

17-May-2019  
07:48:35

**bikerabe** 22 riders out front

17-May-2019  
07:49:44

**Charles Davis** Lots of good riders in the break so Bahrein-Merida is chasing with 3 on the front.

17-May-2019  
07:55:34

**Joanna in New York** <https://rumbletalk-images-upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1558094655-Screen%20Shot%202019-05-17%20at%207.59.06%20AM.png>

17-May-2019  
07:59:16

**Charles Davis** I am really interested in the stage in California today. There are 18 riders within a minute. Anyone could win it.

17-May-2019  
08:00:05

**Charles Davis** Thanks Jo.

17-May-2019  
08:00:26

**Joanna in New York** I think it is Mt. Baldy Day at AToC, isn't it?

17-May-2019  
08:04:50

**Charles Davis** Yes, Mt. Baldy is long enough to put big gaps in the finish.

17-May-2019  
08:12:03

**Charles Davis** Rojas got 3 seconds at the intermediate sprint. The pack is only about 30 secs behind now. The break is just to large and has to many good riders in it.

17-May-2019  
08:13:23

**Charles Davis** De Plus is out as a helper for Roglic.

17-May-2019  
08:17:11

17-May-2019  
08:28:06

**Mons Soseman** Hello Everyone. After a good start on the weekend, I am sorry I have ghosted you all this week.

17-May-2019  
08:29:10

**Mons Soseman** Graduation week this week at Peru Catholic School, this morning is the gradulation breakfast, just after my Mass in half an hour, this evening is the graduation Mass....

17-May-2019  
08:30:05

**Mons Soseman** They cyclists are heading through some beautiful country today. Near the Grand Sasso, which if you recall also has a resident glacier...

17-May-2019  
08:32:01

**Joanna in New York** Sorry Buster - they changed the format it seems. I just went and expanded the window a little, hopefully that helps.

17-May-2019  
08:33:13

**Charles Davis** You do good work Mons. We do miss your essays.

17-May-2019  
08:35:08

**Joanna in New York** I just logged in as Guest from my iPhone and it looks good for me. Logging in seems to have been the key.

17-May-2019  
08:38:10

**Charles Davis** Jo I think your lists could be 25% smaller and be just as effective.

17-May-2019  
08:39:38

**Joanna in New York** Well, that would require about 300% more effort...

17-May-2019  
08:43:09

**Joanna in New York** :P

17-May-2019  
08:43:56

**Rob** I too have issues on the iphone

08:48:09

**Rob** Logging in and making it full screen works

17-May-2019  
08:48:26

**Joanna in New York** Rob, I agree that initially it looks odd until you log in. Once logged in, the format works.

17-May-2019  
08:49:19

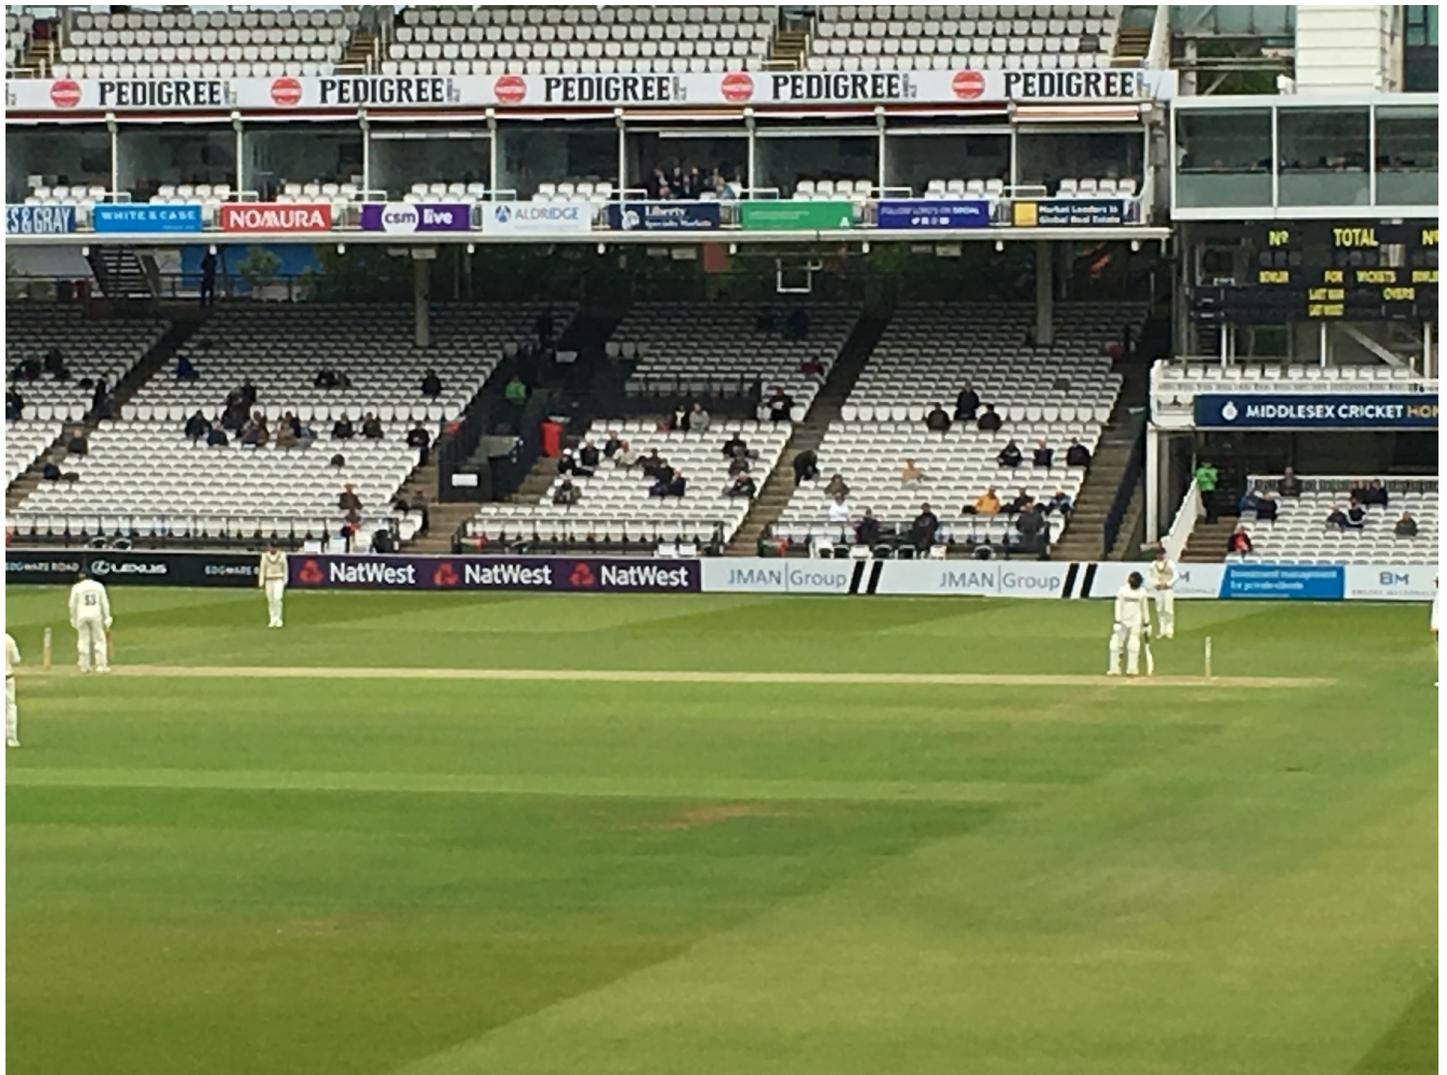

**Joanna in New York** Schmancy!

17-May-2019  
08:49:34

**Charles Davis** One of the few sports that I have never followed.

17-May-2019  
08:52:12

**Joanna in New York** SHEEP!

17-May-2019  
08:57:48

**Joanna in New York** 70km - 1:32 Zzzzzzzzzzzz

17-May-2019  
09:01:08

**Joanna in New York** Any NRRBBB contributions?

17-May-2019  
09:02:05

**Joanna in New York** The peloton is spread out in one long straight line, but the gap remains the same.

17-May-2019  
09:03:47

**Joanna in New York** Teams are riding together., lots of "color blocking" visuals from above.

17-May-2019  
09:04:27

**Charles Davis** I got nothing. Well, I did see Avengers Endgame this week. I liked it. By it, I mean the final story, as well as, the whole story arc.

17-May-2019  
09:04:49

**BusterSci** Back

17-May-2019  
09:07:31

**BusterSci** Probably need to scope both shoulder. Clean them up before full rotator cuff repair is necessary.

17-May-2019  
09:07:55

**Joanna in New York** Darn it! Do you have a full thickness tear?

17-May-2019  
09:08:27

**Joanna in New York** Under the 2KU milestone. 65km

17-May-2019  
09:10:32

**Tim in KY** Looks okay on my iPhone.

17-May-2019  
09:10:40

**Charles Davis** Rojas is the virtual leader at the moment.

17-May-2019  
09:10:50

**BusterSci** No. But given the bony structure it would be inevitable without intervention.

17-May-2019  
09:10:58

**bikerabe** GoT did you see where in a final season episode a Starbucks cup was on a table near Daneryes?

17-May-2019  
09:11:10

**Joanna in New York** I didn't notice it, but I did read yesterday that someone started a petition to redo the entire last season with new writers.

17-May-2019  
09:11:46

**BusterSci** Maybe they'll take out Howard Schulz.

17-May-2019  
09:11:59

**Charles Davis** That petition had 50,000 signatures so far. Very silly if you ask me. Non-GoT viewer and Non-GoT book liker either.

17-May-2019  
09:14:18

**Tim in KY** I have never seen one second of GoT.

17-May-2019  
09:14:43

**Joanna in New York** Nor had I, Tim - until last week. I admire the scale of the production, pretty impressive.

17-May-2019  
09:15:19

**Charles Davis** I have seen a bit of the first episode and a few scenes along the way. Probably less than 15 min total.

17-May-2019  
09:15:38

**Joanna in New York** Fantasy is not my genre, so I had no interest. Found out, that there was a bit more to it than fantasy - so I watched.

17-May-2019  
09:16:56

**BusterSci** Good storytelling transcends genres.

17-May-2019  
09:18:06

**Charles Davis** I like fantasy so this should have been a winner for me but I tend to prefer the underdog that comes from nowhere and grows into the power. Once they have the power I lose interest.

17-May-2019  
09:18:08

**Tim in KY** This morning we walked the length of the Canal St Martin. After lunch we walked over to the Luxembourg Gardens just for some place to walk. Then we came back and started packing. Leaving for CDG at 06:30 tomorrow.

17-May-2019  
09:18:11

**Joanna in New York** So, the break has not been given any room and there is less than 60km - who do you like in the finale?

17-May-2019  
09:18:50

**Tim in KY** Yates.

17-May-2019  
09:19:10

**Joanna in New York** Sounds like you have had a wonderful trip, Tim!

17-May-2019  
09:19:15

**Tim in KY** I wish it had been a bit warmer, but otherwise the weather has been perfect.

17-May-2019  
09:20:32

**Tim in KY** Again today I have no one in the break.

17-May-2019  
09:21:33

**Charles Davis** UAE is on the front and trying to bring it back. However, they didn't bring a climbing team so Conti may have to do a lot on his own. Of course Rojas is not a climber either.

17-May-2019  
09:21:40

**Charles Davis** I don't recognise any of those names from my team either.

17-May-2019  
09:22:55

**Tim in KY** 55 km banner.

17-May-2019  
09:23:34

**Charles Davis** I bet Deceuninck filed a complaint yesterday. They only got second in California.

17-May-2019  
09:24:32

**Tim in KY** Lavevre pisses me off. He needs an attitude adjustment and civility lessons.

17-May-2019  
09:26:52

**Joanna in New York** NRRBBB - I have been using the online pet supply provider, Chewy.com, for over a decade. Without a doubt, they have been one of the best companies to deal with. I ordered Sofie some supplements (totaling approx \$125) a couple weeks ago, and was getting concerned that I hadn't received them. After reviewing my order status that stated my order had been delivered a week ago, I used their online chat function this morning to let them know that I did not have the order. They are resending, free of charge. Also, said if my original order is ever found, please just donate it. A very CLASSY company.

17-May-2019  
09:27:15

**BusterSci** Something very wrong here. Tim and I are agreeing again.

17-May-2019  
09:27:17

**Tim in KY** It won't last.

17-May-2019  
09:28:32

**SFinAus** Good morning all. Just here for a bit as work gets in the way once again. Tim, thanks for sharing your vacation with us this week.

17-May-2019  
09:28:44

**BusterSci** We're both committed in this.

17-May-2019

## Even from behind, a wild ride

Cycling teams are tailed by team cars working strategy on the fly

By David W. Carter

Halfway down the mountain, an eagle swoops into the air. Maybe the birdies are helping us, or the stars, as they say. But the ride is tough.

Other teams, including those from the United States, are struggling to keep up. The lead is slipping away.

## Federal agency cancels bullet train's grant of \$929 million

Trump administration officials say it fails to meet deadlines in ending partnership on \$79-billion project.

By Matt Luzzatto and David L. Johnson

The Trump administration has canceled its \$929 million grant for California to build a bullet train project, a move that could end the partnership with the state.

While loss of the money would be a setback, the federal government's decision to cancel the grant is a major blow to the project.

The California High-Speed Rail Authority, which is the state's main agency for the project, has not been able to secure the necessary funding.
