

**Tim in KY** VaE stage 20 is 166 kilometers from Robledo de Chavela, just west of Madrid, to an HC summit finish on the combined climbs of Navacerrada and Bola del Mundo.

09-12-2025  
03:12:33 pm

**Tim in KY** The stage starts with two Cat 3s in the first 25 kilometers. Then a third of the way in comes a Cat 2. The final 50 km is the meat of the stage starting with a Cat 1 of 7 km at an average of 7.6%. It is followed by an HC of 12.3 km averaging 8.3%. Here's where it gets a little confusing. The first 8 km of the climb are on the same mountain as the Cat 1 but by a different road. The last 4.3 km are on a narrow concrete path that averages in double digits. Supposedly no cars or spectators are allowed on that section.

**Tim in KY** Kilometer zero is scheduled for 13:10 CEST. Finish is imagined either side of 17:30. Live video from before the start. Forecast is for overcast but dry with temps in the mid-20s.

09-12-2025  
03:16:38 pm

**Tim in KY** There were no abandons or OTL on stage 19. And there were no fines reported.

09-12-2025  
03:17:50 pm

**Tim in KY** PCS is not working so I don't know anything new.

09-13-2025

**Tim in KY** It's Sepp's birthday. That's all the news I know.

**Tim in KY** Neutral.

09-13-2025  
07:01:16 am

**Tim in KY** I wonder if ASO has shoved a pump in PCS's wheel.

	<b>Tim in KY</b> Reached Km 0 but can't start yet.	09-13-2025 07:09:15 am

	<b>Tim in KY</b> There's either 9 or 13 riders with a very slim cap after the first Cat 3.	09-13-2025 07:40:52 am
	<b>Tim in KY</b> This is crazy. The CN ticker and the ASO ticker can't agree how many are in the break or who they are.	09-13-2025 07:45:44 am
	<b>Tim in KY</b> 37 off the front but less than a minute.	09-13-2025 07:55:02 am
	<b>Tim in KY</b> I'm not sure why Mads is in the front group. The sprint comes on the descent of the Cat 1.	09-13-2025 07:57:36 am

**Rocket City Gal** Vuelta site says 37 including Mads I'll only be here for a little while; vending for the 3rd of 3 days in a row. Cat is still not eating and still in the vet hospital, but her x-ray looked a little better yesterday so they did not take her to exploratory surgery. Of course, they have no idea what is causing this. She is on the start of her fifth day in a row without eating. If cats don't eat for a few days, their livers can suddenly and dramatically fail in a condition known as hepatic lipidosis.... So a feeding tube may be in her near future if they can't get this sorted.

09-13-2025  
08:00:09 am

**bikerabe** gap at about 1 min.

09-13-2025  
08:01:29 am

**John** Feeding tube sounds drastic. I hope she recovers and doesn't need one.

09-13-2025  
08:02:31 am

**Rocket City Gal** Me too, John.

09-13-2025  
08:06:28 am

**Rocket City Gal** For now thankfully we're still at "very nice gravel bike price" for the total vet bill.

09-13-2025  
08:07:44 am

**Rocket City Gal** I wonder what is up with PCS. A real issue, or a stunt to get more people to subscribe?

09-13-2025  
08:08:43 am

**Tim in KY** Lots of police wherever there are Palestinian flags.

09-13-2025  
08:09:06 am

**Tim in KY** I think it's real. I subscribe and it's not working for me either.

09-13-2025

09-13-2025  
08:12:06 am

**Tim in KY** EFE has a couple in there, too.

09-13-2025  
08:12:11 am

**Tim in KY** Mads is back in the peloton.

09-13-2025  
08:14:10 am

**Katie S** Good morning. Will be interesting to see how the top 10 shakes out today.

09-13-2025  
08:15:32 am

**Rocket City Gal** Sean Quinn and Van der Lee are the EFs in there. Don't know why the Vuelta ticker didn't list them. Mads has dropped back to the peloton.

09-13-2025  
08:15:34 am

**Rocket City Gal** And clearly Tim can type faster than I can hunt and peck :-)

09-13-2025  
08:16:34 am

**Tim in KY** Six minutes faster than the fastest right now.

09-13-2025  
08:23:24 am

**Tim in KY** Starting the Cat 2.

09-13-2025  
08:23:53 am

**Rocket City Gal** Best placed on GC is Buitrago at +34:23, then Bernal, Armirail and Dunbar. Pidcock wants to stay ahead of Higueta for the final podium spot

09-13-2025  
08:24:52 am

**bikerabe** Alaphillipe won Quebec race yesterday on climb to finish

09-13-2025  
08:25:26 am

**Tim in KY** Hindley. Higueta is in Canada.

09-13-2025  
08:25:35 am

**Tim in KY** Pog came in 27th in Quebec.

09-13-2025  
08:26:12 am

**Rocket City Gal** It was a classic Alaphilippe win and beautiful to watch. His first win this year. At least he didn't celebrate too early.

09-13-2025  
08:26:15 am

**Rocket City Gal** Alaphilippe was looking back WAY too much in the final km for my comfort....

09-13-2025  
08:27:18 am

**John** Was looking back way too much in the final 200m too

09-13-2025  
08:27:45 am

**Rocket City Gal** Geez. I need my coffee.

09-13-2025  
08:27:48 am

**Tim in KY** I think he was expecting Pog to magically appear.

09-13-2025  
08:27:58 am

**Rocket City Gal** I was hoping there wouldn't be a replay of the 2020 LBL finish, where Alaphilippe sat uo and celebrated and WVA pipped him at the line.

09-13-2025  
08:30:08 am

**Rocket City Gal** I think a Pog gave up b/c he didn't want to drag Girmay to the line.

09-13-2025  
08:30:51 am

**Rocket City Gal** Gap down to 1:18 now

09-13-2025  
08:32:20 am

**Tim in KY** Taking the team cars out of the gap again.

09-13-2025  
08:32:42 am

**John** I'm surprised UAE is keeping such a tight leash on the break

09-13-2025  
08:33:37 am

**bikerabe** race in Montreal tomorrow

09-13-2025  
08:35:26 am

**Tim in KY** The break has slowed down on this climb. No longer faster than the fastest.

09-13-2025  
08:37:05 am

**Tim in KY** It's hard to believe they get as much snow as those plow gauges suggest.

09-13-2025  
08:42:15 am

**Katie S** Very Tahoe-esque in that way

09-13-2025  
08:46:31 am

**Katie S** They are flying

09-13-2025  
08:50:18 am

**Tim in KY** It's downhill.

09-13-2025  
08:51:16 am

**Tim in KY** It's going to be in the 30s tomorrow in Madrid.

09-13-2025  
08:53:34 am

**Tim in KY** CN says Quinn has dropped out of the break. ASO ticker says he hasn't.

09-13-2025  
08:57:44 am

**Katie S** I pick CN. He's on my team.

09-13-2025  
08:59:08 am

**Tim in KY** Cynic.

09-13-2025  
08:59:47 am

**Tim in KY** There's only one pink jersey in the break. So CN wins.

09-13-2025  
09:00:41 am

**Tim in KY** Still 40 km to the start of the Cat 1.

09-13-2025  
09:02:11 am

**PasadenaK8** Mornin' ~ Aside from that topple over that just happened... how's the race been going?

09-13-2025  
09:02:59 am

**Tim in KY** Uneventfully, K8.

09-13-2025  
09:03:39 am

**PasadenaK8** 👍 Thx, Tim

09-13-2025  
09:04:07 am

**PasadenaK8** Glad I slept in

09-13-2025  
09:04:20 am

**Tim in KY** 06:05 is "slept in"?

09-13-2025  
09:06:06 am

**PasadenaK8** Actually, I usually wake u, just before 5:30. "Watch/Listen To" the race, as I get ready.

09-13-2025  
09:09:11 am

**Mikey** Good Morning to all. False fall done and we're back to summer. 95 today

09-13-2025  
09:15:13 am

**SFinAus** Good morning/evening, everyone.

09-13-2025  
09:15:24 am

**Mikey** PCS not working here either. Too hot

09-13-2025  
09:15:33 am

**PasadenaK8** Mornin' Mikey & SF. Soooo, just went upstream in the Chat, and saw that PCS has been bonked since Tim checked it out earlier this morning. Are they in the Broom Wagon? And, dang, for the Quebec race spoiler. I was going to watch it today \*:-(

09-13-2025  
09:17:29 am

09-13-2025  
09:19:06 am

**SFinAus** So PCS is down -things happen. I do wonder what the source is for the difference in break members between CN and the race ticker. I would have thought all these years that CN just used the live race info from the oragnizer. DAM!

09-13-2025  
09:19:19 am

**John** Cheers all!

09-13-2025  
09:19:19 am

**Mikey** Cheers!

09-13-2025  
09:19:33 am

**SFinAus** Nice, John.

09-13-2025  
09:19:51 am

**Katie S** I'm goin' remote. Driving up to Napa to watch a PGA tournament. Gonna watch the peacock on the iPhone in the car. Will check in here periodically.

09-13-2025  
09:20:14 am

**PasadenaK8** Enjoy, Katie!

09-13-2025  
09:21:02 am

**John** Have fun Katie

09-13-2025  
09:21:11 am

**SFinAus** Considering why we came to LUG in the first place, to get live text updates, t's pretty cool to think that we can now watch a race live while on the road.

09-13-2025  
09:25:35 am

**SFinAus** Have fun, Katie - I hope you're not doing the old DS thing of watching the race while driving and tailgating the car in front of you. ;)

09-13-2025

there was nothing to say

[LiveUpdateGuy.com](http://LiveUpdateGuy.com)

**Tim in KY** Interesting. Break is back to 10 minutes faster than the fastest...

09-13-2025

**Katie S** Oooh I found screen within screen. I can see both!

09-13-2025  
09:28:58 am

09-13-2025  
09:30:13 am

**Tim in KY** I am expecting Jonas to lose Red today. He has really not be riding strong this week.

09-13-2025  
09:31:49 am

**Tim in KY** Seven km to the start of the Cat 1.

09-13-2025  
09:34:44 am

**Katie S** That'd be a stunner, Tim

09-13-2025  
09:36:39 am

**SFinAus** I think that could definitely happen, Tim. I agree he hasn't looked strong and not his best. He said he found out why he had bad days in the Tour but didn't say what it was - or if it was behind him. I think he's hoping defense is enough offense today.

09-13-2025  
09:37:42 am

**Alaska Dave** Good morning. The suspense and uncertainty make the Vuelta and the giro so interesting.

09-13-2025  
09:41:24 am

**Alaska Dave** I wonder if UAE can keep the team together working to support Almeda

09-13-2025  
09:43:12 am

**PasadenaK8** Dam!

09-13-2025  
09:43:53 am

**Tim in KY** On the Cat 1.

09-13-2025  
09:44:34 am

**Tim in KY** Dropping like flies.

09-13-2025  
09:45:15 am

**PasadenaK8** Was just roaming around RaceCenter. Interesting little NRRBBB about the start town... "Robledo de Chavela is home to NASA's Madrid Deep Space Communications Complex, one of only three stations in the world that follow space missions. This centre, inaugurated in 1964, collaborates on space missions since it first provided support to Mariner IV on its voyage to Mars. The museum includes a Training and Visitor Centre, featuring an exhibition of space suits, spacecraft models and a moon rock from the Apollo XV..."

09-13-2025  
09:47:14 am

**Tim in KY** They showed that before the neutral start this morning.

09-13-2025  
09:48:40 am

**PasadenaK8** Cool - I'll catch it on the replay!

09-13-2025  
09:49:34 am

**SFinAus** I'm remain astounded that they can still track the Voyager spacecraft which are well beyond the solar system and transmit with only a bit more power than a typical phone.

09-13-2025  
09:57:03 am

**John** Vger lasts for centuries according to the movie :)

09-13-2025

09-13-2025  
09:58:16 am

**Tim in KY** Crossed the KOM line right on the fastest imaginable.

09-13-2025  
10:03:52 am

**SFinAus** That was a classic movie reveal

09-13-2025  
10:05:17 am

**Tim in KY** No spectators on that last climb. It looks awfully steep.

09-13-2025  
10:05:19 am

**Mikey** Well if they are going to commercial right before the climb, maybe a race will start

09-13-2025

09-13-2025  
10:09:36 am

**Tim in KY** The final climb starts with 13 km to go. That's a long way off.
