**Tim in KY** Not only loopy but lumpy with a Cat 2 in the middle, a Cat 4 at the finish and several uncategorized climbs scattered along the route.

03:52:40 pm

**Tim in KY** Axel Zingle (Team Visma | Lease a Bike) and Jorge Arcas (Movistar Team) will not start today. Both were crash-injured Sunday but finished stage 2.

08-25-2025  
06:37:53 am

**BusterSci** And Visma got bikes stolen.

08-25-2025  
06:49:16 am

**Tim in KY** I don't know why that keeps happening. Seems easy enough to prevent.

08-25-2025

**BusterSci** Dan Benson says they used a pickaxe to get into the vehicle.

08-25-2025

**Rocket City Gal** Early reports for G Martin who withdrew after that crash yesterday were "head and back injury". He was probably mostly pulled because of concussion, but evaluation showed that his back injury was much more significant than initially suspected, with 2 vertebral fractures. Of today's nonstarters who somehow both finished yesterday, Zingle (Visma) had the shoulder dislocation and Arcas (Movistar) fractured the greater trochanter of his femur. 08-25-2025 08:21:03 am

**Rocket City Gal** I'm just wondering how many bikes are going to disappear at Worlds in Rwanda next month.... Everyone in the world knows that these bikes are going to be at these races. I mean, couldn't there be a security force hired and more secure parking areas for the vehicles? 08-25-2025 08:27:38 am

**Rocket City Gal** Theft is getting to be ridiculous, though. Thieves will use torches and saws to cut through the roof of trade vans and steal equipment from them in the US, and in some cities (notably Chicago) semi drivers 08-25-2025 08:30:44 am

08:33:21 am

**Rocket City Gal** I've seen footage of cars being broken into in San Francisco. It's an organized thing. They wear hoodies, face masks and special gloves with a point that will shatter a back passenger window, then flip down the back seat to see if there's anything in the trunk area. Takes them about 10 seconds to break in and steal whatever.

08-25-2025  
08:33:57 am

**KatieS** An off-duty cop had his service revolver stolen that way in SF

08-25-2025  
08:35:04 am

**Rocket City Gal** Katie, it seems like a lot of the time the bikes are discovered dumped somewhere and are recovered. It should be easy enough to put AirTag-type trackers inside the frame (like in the seat post or down tube, or even glued to the underside of the saddle although that would be too easy to ditch). I'm surprised that no one has invented such a device specifically made for bicycles. It wouldn't weigh much and would need to be round and skinny.

08-25-2025  
08:40:02 am

A strong climber with a fast finish, Quinn is known for his versatility and atypical physiology for a pure climber. He earned his first professional win in 2023 on stage two of Coppi e Bartali. Quinn grew up watching the Tour de France with his cycling-fan parents, and excelled in stage races and hilly classics during his junior and U23 years.

**Rocket City Gal** Our first time. Had avoided it until we came to our Virginia place and went to a small street fair a week ago Saturday. **Trish in MA** Morning, all. Funny about the AirTags. When we got back to our car yesterday after game and dinner, an alert popped up on hubby's Android phone warning of an AirTag. The alert had been sent at 1 pm when we ere 60 miles from our car. This was 7 pm. Now we have to go over his car looking for a tag. Nothing popped up on my iphone

08-25-2025  
09:22:42 am

**Trish in MA** Woo Sox won, 7-3. Park is nice and we were in shade the entire afternoon. Hubby and friends had chosen seats giving them a view of the freight tracks, so there was a cheer when the tw freights went by.

08-25-2025  
09:24:11 am

**Trish in MA** Just watched the end of yesterday's stage. Exciting! Wonder how

08-25-2025  
09:27:50 am

**KatieS** Sounds like a fun day

08-25-2025  
09:28:09 am

**Trish in MA** quickly Visma gives up the jersey?

08-25-2025  
09:28:11 am

**KatieS** I can't really see that happening in the next days, given the profile of the stages. I can't see the break succeeding today, and I then I can't see Jonas lollygagging just to lose the jersey. I suppose it could happen tomorrow if a downhill break takes off and puts a good couple minutes ahead of everyone after the climbs.

08-25-2025  
09:30:58 am

**Tim in KY** I think tomorrow is most likely Trish.

08-25-2025  
09:31:00 am

08-25-2025  
09:34:14 am

**Mikey** The heat and rain are done for now and I had to wear long sleeves walking Norman this morning

08-25-2025  
09:34:42 am

**Trish in MA** There was fog over the pond this morning. Summer is winding down

08-25-2025  
09:35:36 am

**Tim in KY** The break is right on the fastest imaginable.

08-25-2025  
09:38:34 am

**Mikey** Going to be hit and miss for me during this tour. Getting ready for a pilgrimage to Italy. Pretty excited to travel again after Poland

08-25-2025  
09:39:27 am

**Alaska Dave** Fireweed has gone to seed but we had sunny 68 degree weather yesterday.

08-25-2025  
09:39:52 am

**KatieS** Our summer has yet to begin ... it's still fog season. We'll get sun and heat in September and October

08-25-2025  
09:40:33 am

**Alaska Dave** We are having a backwards summer. Cold and rainy in May and June. Sunshine in august, and I travel to Louisville Wednesday

08-25-2025  
09:41:56 am

**Alaska Dave** The only rainy days in August were the weekend of the salmon derby.

08-25-2025  
09:43:08 am

**KatieS** Salmon prefer wet conditions

08-25-2025  
09:43:26 am

**Alaska Dave** We passed many boats in the harbor with maxed out salmon limits yesterday. Coho run is peaking.

08-25-2025  
09:44:24 am

**Tim in KY** We have cool sunny weather here right now Dave.

08-25-2025  
09:46:44 am

**Tim in KY** PCS says Quinn is now in virtual Red.

08-25-2025  
09:53:24 am

**Tim in KY** Weird. After being at the fastest imaginable time the break crested the Cat 2 slower than the slowest. By one second, but slower.

08-25-2025  
10:05:20 am

**Tim in KY** Quinn crosses the sprint line within the imagined time span.

08-25-2025  
10:18:09 am

**KatieS** looks like that gap is starting to come down

08-25-2025  
10:18:39 am

**Tim in KY** It is.

08-25-2025  
10:19:22 am

**Trish in MA** Finally, Mads get some points for my team.

08-25-2025  
10:19:30 am

**Alaska Dave** Cicone and Vingo fight for sprint points.

08-25-2025  
10:20:10 am

**Tim in KY** Uncategorized climb now.

08-25-2025  
10:20:50 am

**BusterSci** 50 and sunny here. Loving the break in the heat and humidity.

08-25-2025  
10:21:05 am

**Tim in KY** Looks like Trek doesn't want to catch the break yet. Gap is going back up.

08-25-2025  
10:22:48 am

**Alaska Dave** As in I can't see working today.

08-25-2025  
10:24:17 am

**Rocket City Gal** This morning's project is butternut squash soup.

08-25-2025  
10:26:41 am

**Rocket City Gal** Mikey, Italy trip sounds nice. What area?

08-25-2025  
10:27:10 am

**BusterSci** It's possible Worlds may be an easier security issue (generally) than a stage race. Easier to have security for a few nights all in the same place, vs small town hotels spread all over and changing every night. Plus the support staff has it easier without packing up and moving, and not having to do post-race and pre-race stuff every day. Also wouldn't be surprised that being held in larger cities the local police have more resources to provide some security.

08-25-2025  
10:27:25 am

**Tim in KY** You're really getting into fall, RCG.

08-25-2025  
10:27:27 am

**Mikey** We start in Milan mostly north and then three days in Rome at the end

08-25-2025  
10:28:08 am

**Tim in KY** Gap comes down again.

08-25-2025  
10:29:14 am

**Mikey** Been to Italy several times but never so much time in the north. Looking forward to Mass each day in holy churches, wine, and food

08-25-2025  
10:31:27 am

**BusterSci** Was wondering: do you think Bobke and CVV do the translations on the fly or are they reading off machine translation or broadcaster provided translation?

08-25-2025  
10:31:40 am

**BusterSci** Getting down to Piemonte, Mikey?

08-25-2025  
10:32:02 am

**Tim in KY** I always thought they did it on the fly. Interesting question, Buster.

08-25-2025  
10:33:28 am

**KatieS** I think they do it on the fly.

08-25-2025  
10:33:32 am

**Mikey** I think they wing it Buster

08-25-2025  
10:34:00 am

08-25-2025  
10:36:24 am

**Rocket City Gal** Tim, our eighbor gave us a huge butternut squash. It's cooler. And we've both had "The COVIDS" as Bob Roll used to say.... So soup will be nice.

08-25-2025  
10:37:40 am

**KatieS** Yeah, Mikey

08-25-2025  
10:40:15 am

**Rocket City Gal** Absolutely, Mikey. Sounds like a nice trip. Mons would make it nicer.....

08-25-2025  
10:41:20 am

**KatieS** Verre about to be swallowed up

08-25-2025  
10:46:14 am

**Trish in MA** Going to Italy with my Mom would be have been a slow trip - she never saw a church she didn't want to go into. Now, when we travel, we hit at least one church - for Mom.

08-25-2025  
10:46:31 am

**Tim in KY** 1 KU.

08-25-2025  
10:49:00 am

**Rocket City Gal** Back from soup making. Now it needs to simmer awhile. Buster, CVV is fairly proficient at Spanish— yhat was a real-time translation on the fly.

08-25-2025  
10:50:38 am

**Rocket City Gal** Quinn should get most combative today— unless it goes to some random Spanish rider.

08-25-2025

**Trish in MA** Pauncho concurs with Norman.

08-25-2025  
11:03:45 am

**Rocket City Gal** After tomorrow's stage, there is a long transfer across southern France to the northeast of Spain. By plane for the cyclists, and probably some really unfun partially mountainous driving for the vehicles. There is no rest day until next week.

08-25-2025  
11:05:12 am

**Rocket City Gal** Pauncho— LOL

08-25-2025  
11:13:16 am

**KatieS** it's an uphill pitch - is that more suited to Mads?

08-25-2025

**Tim in KY** I'm going with Mads.

08-25-2025

08-25-2025  
11:14:11 am

08-25-2025  
11:14:45 am

**Mikey** Trek seems to have a plan for the day but so do all the other teams
