**BusterSci** Today we're in the Alto Piemonte wine region. Â DOCGs the peloton will ride through and past include Ghemme and, Gattinara, while DOCs include Bramterra and the lesser known Fare, Sizzano, Colline Novaresi, Boca and Lessona. Â The wines here are dominated by Nebbiolo, which was famous here long before it became the grape that makes Barolo and Barbaresco two of Italy's most sought after wines. But in these parts it's called "Spanna". Â Also different in Alto Piemonte, the Nebbiolo is blended with other grapes, including Bonarda, which makes some fine wines on its own, Croatina and Vespolina. I've had a few Bramterra, Gattinara and Gemme reds, and they're typically less tannic and powerful than Barolo, which helps reveal some of the other Nebbiolo characteristics. Â You're not going to find many sub \$25 bottles of red. Â I've enjoyed wines from Sperino, Tenuta Sella, Nervi, and Conti. Â Other red grapes include Barbera and Dolcetto, and whites are made from Moscato Bianco, Cortese, Arneis and Vermentino. Â I can only speak to Arneis based whites, which have been excellent.

**BusterSci** Waiting for a break to form with 161km to go.

05-28-2021  
06:55:18 am

**BusterSci** A fairly large group (15 or so) has a small gap but the peloton doesn't want to let them go and it comes back together as I type.

**1531 - ALPE DI MERA**

  
max 14%

**Charlie in Tenn** Hello. Anyone see any direct evidence of Sagan being intimidating yesterday?

05-28-2021  
07:02:49 am

**BusterSci** They played some stuff on the preface, which seemed like routine patrolling to me, but I didn't have the volume up so no idea what Dan Lloyd or Wiggo thought of it.

05-28-2021  
07:03:45 am

**BusterSci** Pre race. Â Man, I hate autocorrect.

05-28-2021  
07:04:43 am

**BusterSci** Another large group departs and gets pulled back in.

05-28-2021  
07:06:29 am

**BusterSci** This group is working well

05-28-2021  
07:08:57 am

**BusterSci** It's big

05-28-2021  
07:09:14 am

**BusterSci** Innies are on the front trying to pull it back.

05-28-2021  
07:09:31 am

**Charlie in Tenn** I didn't hear of anyone that Ineos needed to chase. Must have been the general size.

05-28-2021  
07:11:26 am

**BusterSci** I wonder if they'd like to see a break with a rider in the 5-10 range in it so some other team would have to do some work to preserve their placing?

05-28-2021  
07:13:38 am

**Tim in KY** Don't think this bunch will stich either.

05-28-2021  
07:18:41 am

**BusterSci** Getting a tow there.

05-28-2021  
07:19:14 am

**BusterSci** They're really screaming

05-28-2021  
07:19:21 am

**BusterSci** Group of 5 seems right.

05-28-2021  
07:21:07 am

**BusterSci** This chase led by other teams that want in.

05-28-2021  
07:22:00 am

**Charlie in Tenn** The reason everyone is chasing is that Donny does not have a random rider in the break.

05-28-2021  
07:23:45 am

**BusterSci** HA!

05-28-2021  
07:25:52 am

**BusterSci** The pro peloton has it in for you, Charlie.

05-28-2021  
07:26:07 am

**BusterSci** 33km in and it's still together

05-28-2021  
07:27:04 am

**BusterSci** George Bennett on a bad day?

05-28-2021  
07:27:14 am

**BusterSci** Still don't have volume on.

05-28-2021  
07:27:27 am

**Tim in KY** Nothing said about Bennett.

05-28-2021  
07:28:27 am

**Rocket City Gal** Caught up on previous posts. Buster, the only wine or grape you mentioned that I've ever heard of is Vermentino. I don't know much about the Alto Piemonte area.

05-28-2021  
07:28:31 am

**Tim in KY** Just said Bennett is at the back because JuVi thinks this is a GC day, not a break day.

05-28-2021  
07:30:06 am

**Rocket City Gal** Things are pretty sedate. I miss the foster kittens. Before we took them back, the first thing I'd do was gather them and Mamacat from their nighttime digs for a play session.

05-28-2021  
07:30:21 am

**BusterSci** Nebbiolo is the world's greatest red grape and you need to drink some. That's a personal statement and while I can't stop you from arguing with me you'll never change my mind.

05-28-2021  
07:30:48 am

**Rocket City Gal** They are all on the humane society's "open for adoption" area of the website; I know they've been adopted when they disappear from it.

05-28-2021  
07:31:34 am

**Rocket City Gal** So If I was to look for a wine with Nebbiolo that's good that wouldn't break the bank, what would you recommend?

05-28-2021  
07:32:46 am

**BusterSci** Interesting. Â We got Ripley from "Second Hand Hounds." Â If possible, their beasties stay in foster until they are adopted. Â Part of the foster family's job is to schedule and host adoption visits.

05-28-2021  
07:32:53 am

**Rocket City Gal** All 4 needed to be â€œfixed.â€ The humane society does all of the logistics/transport for that. Â I think that their approach is that when someone comes in looking for a pet, it helps if all of the animals are in one place so that they can interact with all potential adoptees theyâ€™d like to meet at one time in one place.

05-28-2021  
07:36:53 am

**BusterSci** Look for a Langhe Nebbiolo.

05-28-2021  
07:37:40 am

**BusterSci** Best way to experience a wine that's a little pricey is to find a restaurant where you can get it by the glass.

05-28-2021  
07:38:20 am

**Rocket City Gal** They have so so many puppies right now.... Â my husband said, â€œI didnâ€™t see very many.â€ Â I told him that the (huge) building that was the former thrift store (which was moved to a different location) was converted to more kennels, large cages, birthing suites etc.

05-28-2021

05-28-2021  
07:42:01 am

**Rocket City Gal** I donâ€™t think we have any restaurants that would carry that type of wine.

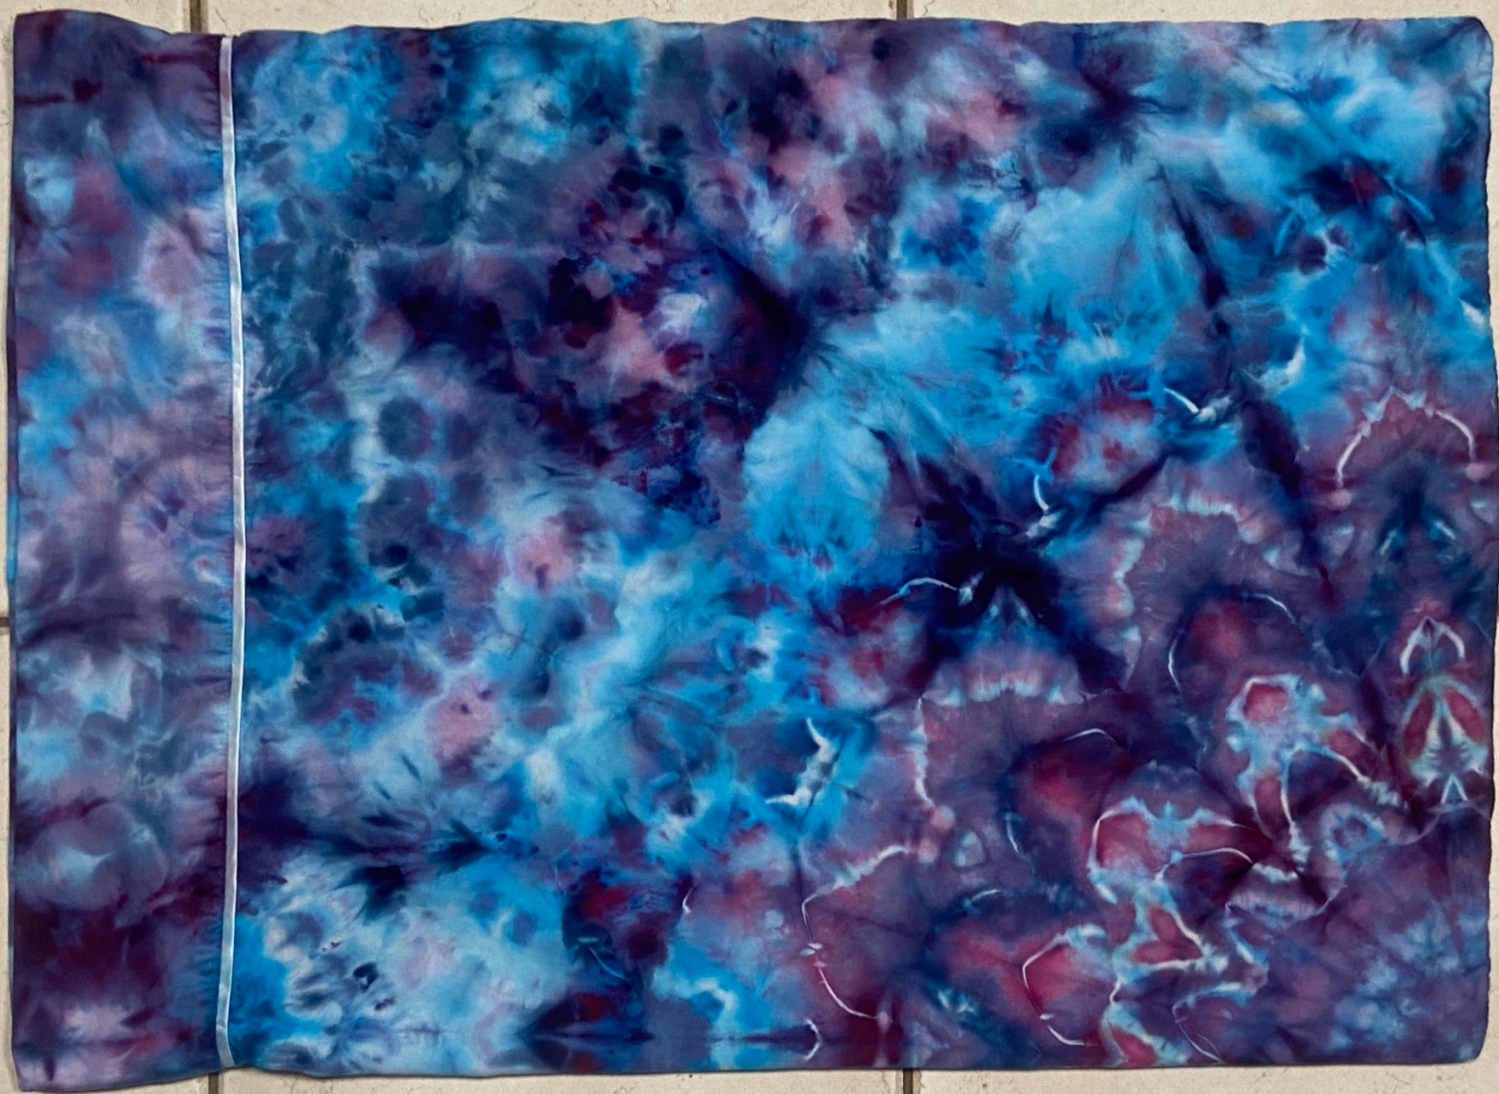

05-28-2021  
07:42:40 am

**Rocket City Gal** Thereâ€™s a distinct paucity of Italian restaurants to begin with.

05-28-2021  
07:43:08 am

**Rocket City Gal** if you do a search for "Italian restaurant," what you get is a list of pizza places.

05-28-2021

**Rocket City Gal** Hermans has shown up in a number of breaks and finishes. ^ Warbasse too

05-28-2021

**Rocket City Gal** And then thereâ€™s Mosca and Moscon.

05-28-2021  
07:56:40 am

05-28-2021

**Katie S** Good morning, all. Re nicknames. Mine growing up was Kiki because my brother at age 2 couldn't say Katie. Fast-forward: Last Saturday I rode my bike to meet up with myÂ 17-year-old nephew at the mid-point of a 100-miler he was doing with his buddies. He introduced me as "my Aunt Kiki" ... **BusterSci** Katie, we also had Feta marinated in olive oil and spices.

05-28-2021  
09:10:37 am

**Katie S** you're killin' me. YUM.

05-28-2021  
09:10:47 am

**BusterSci** I love my grill for grilling things. Â I've smoked on a weber kettle, on a gas grill, on an offset smoker. But a few years ago DSDagies helped me build an Ugly Drum Smoker and it's great. Â And cheap.

**Katie S** Hey! This just in my inbox from La Cucina Italiana:

**Katie S** Hamburger Day, by the Italians

05-28-2021  
09:18:16 am

**BusterSci** Frau gets that, too

05-28-2021  
09:19:04 am

**Charlie in Tenn** crash Brambilla, LLS, 2 others

05-28-2021  
09:20:00 am

**BusterSci** They understand US holidays, Â Ham day, Turkey day, Hot Dog day, Hamburger Day, Candy Day,

05-28-2021  
09:20:04 am

**Mikey** The riders were all looking at the dinosaur

05-28-2021  
09:20:47 am

**BusterSci** The kids across the street have two T-Rex costumes. Â Ripley HATES them.

05-28-2021  
09:21:26 am

**BusterSci** 2:13

05-28-2021  
09:21:33 am

**BusterSci** Just under 50km

05-28-2021  
09:21:38 am

**Katie S** Two of the biggest differences between French and Italian culture: The Italians are perfectly willing to adopt American foods (and improve on them) and use English words by sticking an Italian article in front of them. "fare le shopping"Â for "do go shopping" or, my favorite: "downloadando" for "downloading"

05-28-2021  
09:22:15 am

**Charlie in Tenn** Brambilla seems to have hurt his leg. Getting attention. Trek has a new bike for him when he is ready to get back on.

05-28-2021  
09:22:25 am

**BusterSci** When we were up north, Ripley wanted to make friends with a racing kitty she found.

05-28-2021  
09:24:29 am

**Tim in KY** How did the IGDs get distanced?

05-28-2021  
09:25:52 am

**BusterSci** Inattention plus DQS, as far as I know.

05-28-2021  
09:26:13 am

**Tim in KY** This Cat 3 crests at 38.6.

05-28-2021  
09:27:27 am

**Tim in KY** Brambilla has abandon.

05-28-2021  
09:28:01 am

**BusterSci** Trek with horrible luck after a good early season

05-28-2021  
09:28:27 am

**Tim in KY** Oh, Katie, I'm grilling marinated lamb chops tomorrow.

05-28-2021  
09:29:33 am

**BusterSci** Thats good stuff.

05-28-2021  
09:30:42 am

**BusterSci** 1:50

05-28-2021  
09:30:51 am

**Rocket City Gal** We just did a pork butt, 28ish hours slow-smoked on the Big Green Egg. Â We will have it with homemade South Carolina mustard-based BBQ sauce â€” which our neighbor introduced us to and which is now our favorite thing for pulled pork.

05-28-2021  
09:31:09 am

**Katie S** and the recipe for this mustard-based sauce is ????

05-28-2021  
09:31:30 am

**BusterSci** Carolina mustard sauce is good.

05-28-2021  
09:31:38 am

**Mikey** Ha you just said pork butt

05-28-2021  
09:31:48 am

**Mikey** Yes I'm a third grader

05-28-2021  
09:32:31 am

**Tim in KY** It's interesting that pork butt is actually front shoulder.

05-28-2021  
09:32:54 am

**Mikey** Saved by Tim

05-28-2021  
09:33:26 am

**Tim in KY** 44 km 1:40.

05-28-2021  
09:33:30 am

**BusterSci** I was about to say the same, Tim

05-28-2021  
09:33:33 am

**Rocket City Gal** yellow mustard, cider vinegar, brown sugar, a bit of ketchup, a bit of Worcestershire Â sauce, a dash of hot sauce, a little cayenne, I think some garlic powder and salt...

05-28-2021  
09:33:35 am

**BusterSci** And no, Mikey. Â You're still hanging out there.

05-28-2021  
09:33:44 am

**BusterSci** Giving me cover

05-28-2021  
09:33:49 am

**Rocket City Gal** Named for the butt barrels they used to be packed in

05-28-2021  
09:34:05 am

**Mikey** Butt barrels

05-28-2021  
09:34:35 am

**Rocket City Gal** (Rolls eyes at Mikey)

05-28-2021  
09:34:56 am

**BusterSci** My recipe is yellow mustard, mustard powder, cider vinegar and then spices to taste. Â Some like it thick, some like it runny. Â I'm a runny man.

05-28-2021  
09:35:14 am

**Mikey** Sorry RCG

05-28-2021  
09:35:21 am

**BusterSci** I like pork butt and I cannot lie....

05-28-2021  
09:36:02 am

**Katie S** I step away for 3 minutes to do some WORK and and everything just devolves to the primary grades! Goodness!

05-28-2021  
09:36:14 am

**BusterSci** Mikey and I advanced to primary grades, but you go ahead and look at it from your perspective.

05-28-2021  
09:36:44 am

**BusterSci** 1:24

05-28-2021  
09:37:04 am

**Rocket City Gal** Oh, and some honey.... Â hereâ€™s a recipe we like....  
Â <https://www.chilipeppermadness.com/chili-pepper-recipes/sauces/south-carolina-mustard-barbecue-sauce/>

05-28-2021  
09:37:13 am

**Mikey** The wif taught third grade for over 40 years. After a particularly tough day I would cause her eyes to roll as well. She would tell me that the last thing she needed was another third grader at home.

05-28-2021  
09:37:16 am

**BusterSci** I think a good first step for anything BBQ related is Meathead Goldwyn's Amazing Ribs website. Â It's a goldmine.

05-28-2021  
09:38:09 am

**BusterSci** <https://amazingribs.com>

05-28-2021  
09:38:29 am

**Mikey** What was the old joke Buster? Third grade was the best three years of my life?

05-28-2021  
09:38:37 am

**BusterSci** In these parts we say "I spent the longest year of my life one week in Iowa."

05-28-2021  
09:39:36 am

**BusterSci** We kid, because we love.

05-28-2021  
09:39:42 am

**Mikey** Why do all the trees in Iowa face north? Minnesota sucks. We do love

05-28-2021  
09:40:35 am

**Mikey** Is there a race on?

05-28-2021  
09:41:04 am

**Rocket City Gal** The first time I cooked a butt, went to pull it, and when pulled out the bone I declared, "This is a SCAPULA!" I had no idea it was called a butt cut (there's one for you Mikey, and it even rhymes) because in the old days this inferior cut of meat was crammed into butt barrels and sold for cheap. Â Then someone actually figured out how to make something really yummy from it....

05-28-2021  
09:41:14 am

**Katie S** This sounds like the situation in the church I grew up in: The pastor was Norwegian; the choir director was a Swede. (and, no, we were not Lutherans)

05-28-2021  
09:42:05 am

**Mikey** If Mons were here....

05-28-2021  
09:42:16 am

**BusterSci** He'd test the profanity filter

05-28-2021  
09:42:35 am

**BusterSci** Gap holding in the 1:20 range

05-28-2021  
09:43:11 am

**Tim in KY** 40 km banner.

05-28-2021  
09:44:06 am

**Mikey** Thanks Tim. Just filling time until the race starts

05-28-2021  
09:44:42 am

**Rocket City Gal** Actually, maybe not named for the barrel... just read this.  
Â Quick read, and interesting. Â <https://www.southernliving.com/bbq/why-is-it-called-boston-butt>

05-28-2021  
09:44:48 am

**BusterSci** We never told Iowa jokes growing up. Â It was all about NoDaks and SoDaks. Â In MSP it's mostly Wisconsin, unless Floyd is on the line.

05-28-2021  
09:45:04 am

**Rocket City Gal** Katie: and the women were good looking and the children above-average?

05-28-2021  
09:45:24 am

**Katie S** of COURSE

05-28-2021  
09:45:40 am

**Mikey** Oh my...

05-28-2021  
09:45:57 am

**Mikey** Seems like I've taken my share of poking Buster and I don't mind it at all.

05-28-2021  
09:47:12 am

**BusterSci** You must have gotten a lot of Illinois.

05-28-2021  
09:48:11 am

**Mikey** Sure and growing up in Ottumwa in southern Iowa, Missouri

05-28-2021  
09:48:56 am

**Mikey** We are hicks from the sticks

05-28-2021  
09:49:51 am

**Tim in KY** Just like Radar O'Riley.

05-28-2021  
09:50:06 am

**BusterSci** Fergus Falls born and bred.

05-28-2021  
09:50:12 am

**BusterSci** Fungus Flats.

05-28-2021  
09:50:57 am

**Mikey** I think Gary Burghoff (sp? ) just was in the news. 90th birthday maybe

05-28-2021  
09:51:07 am

**Katie S** ewwwwww

05-28-2021  
09:51:07 am

**Tim in KY** GCN froze up for a minute.

05-28-2021  
09:51:10 am

**BusterSci** Not for me

05-28-2021  
09:51:16 am

**Tim in KY** DQS back at the front.

05-28-2021  
09:51:46 am

**BusterSci** Every other day I've had instances of it skipping backwards a few minutes.

05-28-2021  
09:52:07 am

**Katie S** 1 KU - .2

05-28-2021  
09:52:29 am

**BusterSci** Back to BBQ: The Amazing Ribs Pastrami recipe is excellent. The bacon instructions are top notch. Made other things as well. And if you don't reverse sear your steaks, read about it. Especially if you ever get into sous vide.

05-28-2021  
09:53:37 am

**Rocket City Gal** Ok. I'm off to start making cookies. We're out and have been for at least a couple of months. Got the sad-eyed puppy look from hubby so I must rectify the situation. And no, Mikey, I said "rectify."

05-28-2021  
09:55:07 am

**BusterSci** I don't think there's going to be any waiting for attacks on this final climb. Anybody close to the podium has to attack.

05-28-2021  
09:55:14 am

**Tim in KY** Road tips back up with 27 km to go, but the climb doesn't officially start until 10 to go.

05-28-2021  
09:56:30 am

**Mikey** cookies good

05-28-2021  
09:56:45 am

**Tim in KY** All the IGDs seem to be back.

05-28-2021  
09:58:29 am

**Katie S** This break is not going to succeed ... when does it fail?

05-28-2021  
09:59:21 am

**Tim in KY** Probably when the climb starts.

05-28-2021  
09:59:49 am

**BusterSci** And then very quickly

05-28-2021  
09:59:58 am

**Charlie in Tenn** as soon as it starts up the hill

05-28-2021  
10:00:01 am

**Tim in KY** Nasty cobbles in this village.

05-28-2021  
10:00:22 am

**Mikey** After the sprint point

05-28-2021  
10:00:46 am

**BusterSci** DQS thinking "Just like home"

05-28-2021  
10:00:57 am

**Mikey** I kinda thought there would be a 10+ minute break today but it never got close

05-28-2021  
10:04:14 am

**SFinAus** Good day all.Â Should be a good finale (however Bob Roll pronounces it).

05-28-2021  
10:04:31 am

**BusterSci** Once DQS decided to punish the inattentive Innies, any hope was gone

05-28-2021  
10:04:50 am

**Charlie in Tenn** I think BEX would have kept a tight lease on the break today, if DQS had not.

05-28-2021  
10:05:58 am

**BusterSci** Probably true, Charlie

05-28-2021  
10:06:14 am

**Tim in KY** Sptint comes at 14 km.

05-28-2021  
10:08:17 am

**Mikey** Bison exchange and bison jettisoned

05-28-2021  
10:08:21 am

**BusterSci** I'm torn. Â I like Bernal. Â I want to see Inneos crushed. I picked Yates. Â I think he's a word that won't get by the filter.

05-28-2021  
10:09:27 am

**Tim in KY** 20 km banner for the peloton.

05-28-2021  
10:10:21 am

05-28-2021  
10:10:28 am

**BusterSci** Alpe dowayze, says King Kelly

05-28-2021  
10:10:44 am

**Charlie in Tenn** I think

05-28-2021  
10:11:16 am

**Tim in KY** BEX send Meyer to the front.

05-28-2021  
10:11:17 am

**Mikey** I can't believe I have to go, but Mom calls. I'll catch the best part on replay. See ya

05-28-2021  
10:11:20 am

05-28-2021  
10:11:21 am

**Charlie in Tenn** Bye, Mom's are important.

05-28-2021  
10:11:38 am

**BusterSci** Coming up to a minute

05-28-2021  
10:14:07 am

**BusterSci** Are they going to stay away to the bottom of the climb? Â I don't think so

05-28-2021  
10:14:21 am

**BusterSci** And under

05-28-2021  
10:15:04 am

**Tim in KY** Gap cleared.

05-28-2021  
10:15:31 am

**Charlie in Tenn** The fantasy Dauphine race is up. Please pick your teams. Remember it is all about picking winners. Random winners. Just people no one ever expected to win. throw away picks that get in breaks and win. Just pick winners.

05-28-2021  
10:15:34 am

**Tim in KY** Still faster than the fastest...

05-28-2021  
10:17:05 am

**Charlie in Tenn** Poor ole Dstan lost his chance at last place. After all that crowing. Fantasy sports is not simple.
