

 **Tim in KY** TdF Stage 12 is 152 kilometers from Albertville south into the high Alps for an HC summit finish at the Col du Granon. The finish climb has only been used once before in le Tour and that was 36 years ago. 07-12-2022 02:40:31 pm

 **Tim in KY** The first 46 kilometers of the stage are false flat to the start of the picturesque Cat 2 Lacets de Montvernier. After that the road is either going up or going down. The Cat 1 Col du Télégraphe is followed immediately by the HC Col du Galibier and after a 33 km descent by the finish climb. 07-12-2022 02:41:26 pm

**BIKERABE** 40 secs the gap

07-13-2022  
06:47:28 am

**BIKERABE** 7 in a chasing goup

07-13-2022  
06:50:05 am

**Tim in KY** I think these two would be better off with company.

07-13-2022  
06:50:23 am

**BIKERABE** 6 chasing

07-13-2022  
06:50:56 am

**John** Agreed Tim, especially since there is no chance they stay away all day

07-13-2022  
06:51:26 am

**John** I bet they ease back now that the sprint points have been claimed

07-13-2022  
06:52:18 am

**Tim in KY** That's what I was thinking. Now that the sprint is done they may allow company.

07-13-2022  
06:53:51 am

**Tim in KY** Gap is slowly coming down.

07-13-2022  
06:56:29 am

**BIKERABE** chase is close to having more added from peloton

07-13-2022  
06:57:16 am

**BusterSci** This is two guys who want to punish the peloton.

07-13-2022  
07:02:35 am

**BIKERABE** Cattaneo close to catching

07-13-2022  
07:04:41 am

**Tim in KY** But they're punishing themselves.

07-13-2022  
07:06:37 am

**Tim in KY** Big group coming across.

07-13-2022

07-13-2022  
07:10:17 am

**Tim in KY** 13 have 0:31.

07-13-2022  
07:11:25 am

**Rob** Cav is leaving Quickstep at the end of the season, do you think he will find another team or call it a day?

07-13-2022  
07:11:28 am

**BusterSci** The whole point of bike racing seems to be showing you can withstand more punishment than the other guys--even if you do it to yourself

07-13-2022  
07:12:04 am

**Tim in KY** Somebody will take Cav. He comes with sponsor money.

07-13-2022  
07:15:08 am

**Tim in KY** IWG perhaps.

07-13-2022  
07:15:33 am

**BIKERABE** Polka dots in lead group

07-13-2022  
07:15:44 am

**BusterSci** If Cav can still produce the numbers, his goal will be to find a team that can support him for one win in July. And any team on the bubble with sponsors has got to know that the attention they'd get from that one win would be priceless. But it has to be a team that can deliver him to the last 250m.

07-13-2022  
07:15:47 am

**Tim in KY** Shoelaces in about 10 km.

07-13-2022  
07:16:26 am

**Tim in KY** Break: Christophe Laporte, Wout van Aert (Jumbo-Visma), Mikaël Chérel (AG2R-Citroën), Nils Politt, Max Schachman (Bora-Hansgrohe), Andrea Bagioli, Mattia Cattaneo (Quick Step), Simon Geschke, Ion Izagirre (Cofidis), Kamil Gradek, Dylan Teuns (Bahrain Victorious), Mathieu van der Poel, Guillaume Van Keirsbulck (Alpecin-Deceuninck), Jonas Rutsch (EF), Warren Barguil (Arkéa-Samsic), Mads Pedersen, Tony Gallopin (Trek-Segafredo), Maciej Bodnar, Pierre Latour (TotalEnergies), Kristis Neilands (Israel-Premier Tech)

07:17:42 am

**Charlie in Tenn** Hello all. Looks like a goofd group of 20.

07-13-2022  
07:18:34 am

**Charlie in Tenn** good

07-13-2022  
07:18:47 am

**Tim in KY** Best placed is Barguil at 13:33.

07-13-2022  
07:19:13 am

**BusterSci** Are you feeling goofd yet, Charlie?

07-13-2022  
07:20:01 am

**Charlie in Tenn** Still have the chest cold like symptoms. Very light but still there. Wife felt worse yesterday than the last few days. Looks like we continue to rest. Sheila has some teacher training online stuff to do over the next few days. I just have TdF.

07-13-2022  
07:23:53 am

**Charlie in Tenn** I see hairpins in our future.

07-13-2022  
07:25:44 am

**BusterSci** Charlie, knowing my preferred hairstyle and guessing your avatar is representative, I'm guessing neither of us have hairpins I. our futures.  
Â They're long in the past.

07-13-2022  
07:29:54 am

**BusterSci** I don't know why that period is there.

07-13-2022  
07:30:21 am

**Tim in KY** I have a vague recollection that the first time they used this climb, they did not allow team cars.

07-13-2022  
07:30:32 am

**BusterSci** Correct

07-13-2022  
07:30:41 am

**BIKERABE** P[not not with front group to challenge Simon G

07-13-2022

07-13-2022  
07:33:42 am

**BusterSci** I appear to be having RCG issues staying logged in today.

07-13-2022  
07:34:34 am

**BusterSci** Is JUmbo putting these guys out there as stepping stones on the last climb?

07-13-2022  
07:35:25 am

**Tim in KY** Sure.

07-13-2022  
07:38:38 am

**BusterSci** How often does that actually work?

07-13-2022  
07:39:15 am

**BusterSci** Yet again, good that Jo isn't watching. Too many things going in too many directions with those heli shots.

07-13-2022  
07:40:31 am

**BusterSci** Naesen abandon.

07-13-2022  
07:43:53 am

**Tim in KY** That's because he's on my VG team.

07-13-2022  
07:46:19 am

**BusterSci** I'm sorry that makes me laugh so much.

07-13-2022  
07:46:56 am

**John** Tim, looks like youâ€™ll be joining me on the anti podium

07-13-2022  
07:48:04 am

**Tim in KY** vdP about to join the peloton.

07-13-2022  
08:07:20 am

**BusterSci** Can I ask anyone watching what km they're on?

07-13-2022  
08:13:45 am

**Maite** Good morning everyone.Â HowÂ´s everyone? It is Winter with a capital W. 7oCÂ when I got up.

07-13-2022  
08:14:03 am

**Tim in KY** 77.2

07-13-2022  
08:14:15 am

**BusterSci** Thanks, Tim.

07-13-2022  
08:14:24 am

**BusterSci** Maite, that's called mid spring or fall in my neck of the woods.

07-13-2022  
08:15:06 am

**Maite** I quite enjoy it, to tell the truth.

07-13-2022  
08:15:58 am

**Maite** I'm at 76.5 km now on Charlie's favourite stream.

07-13-2022  
08:16:46 am

**Tim in KY** Break is splitting on the climb.

07-13-2022  
08:17:49 am

**BusterSci** You're a bit ahead of me. Tim at same time. I just had a glitch and wanted to double check.

07-13-2022  
08:18:24 am

**Maite** Hirschi at the back? another one bites the dust in my team. Did Bennett, UAE abandon a couple of days ago?

07-13-2022  
08:22:29 am

**Tim in KY** Yes. He got Covid.

07-13-2022  
08:24:47 am

**Maite** Thank you, Tim.

07-13-2022  
08:25:04 am

**Charlie in Tenn** Yes, Bennett is gone. Hirschi is not on form. He was a last second replacement for Treten.

07-13-2022  
08:25:17 am

**Charlie in Tenn** Trenten.

07-13-2022  
08:25:36 am

**BusterSci** Since Covid I've made a point of trying very hard to avoid picking two riders from the same team.

07-13-2022  
08:26:18 am

**Maite** I've picked my team via the old and trusted dart board, but I think that failed totally this time.

07-13-2022  
08:27:42 am

**Tim in KY** Break is down to 10.

07-13-2022  
08:30:32 am

**BusterSci** My method for stage races clearly sucks. I pick three high point guys. Then I pick three 4 pointers. Then I fill in the other three with remaining points. Then I look to see if I've doubled up teams or rider types. Then I iron out the bugs. 5 minutes tops. Then hopefully the night before or morning if the first stage I make a quick check of last minute changes and make sure I don't have any second thoughts. Then I usually swap out the winner for someone like Vlasov. Then I go fishing.

07-13-2022  
08:31:21 am

**Maite** Too complicated for me. I don't have that much knowledge, anyway.

07-13-2022  
08:32:35 am

**Maite** MvdP abandoned! But he's been feeling well for a few days.

07-13-2022  
08:35:20 am

**Maite** unwell, not well.

07-13-2022  
08:35:30 am

**BusterSci** Because he's on my team. (Copyright Tim)

07-13-2022  
08:36:32 am

**Maite** :D

07-13-2022  
08:37:38 am

**Tim in KY** 1 km to the top of the Cat 1.

07-13-2022  
08:39:26 am

**Tim in KY** JV attacks Pog.

07-13-2022  
08:41:15 am

**Kim Crosby** Buster- your C19 strategy of choosing from a variety of teams is clever- I hadn't thought of that but clearly should have!

07-13-2022  
08:41:51 am

**BusterSci** I used to pick 4 pointers as good support riders for my winners. Now I pick them as either breakers or support riders for guys I didn't pick.

07-13-2022  
08:42:58 am

**BIKERABE** Latour wins kom points

07-13-2022  
08:43:03 am

**Tim in KY** Kamna kaput.

07-13-2022  
08:44:33 am

**John** I try (and normally fail) with a strategy of picking enough riders who are different than everyone else's picks, it's kind of like filling out a March Madness bracket. You're unlikely to win money in the pool picking all the #1 seeds like the average entrant tends to do.

07-13-2022  
08:45:57 am

**Tim in KY** JV did not succeed in isolating Pog.

07-13-2022  
08:47:12 am

**John** And I also follow the rule of never picking a Yates :)

07-13-2022  
08:47:31 am

**Tim in KY** Onto the first HC for what's left of the break.

07-13-2022  
08:47:41 am

**Maite** Nairo!

07-13-2022  
08:47:54 am

**Tim in KY** Now Pog is isolated with three JV.

07-13-2022  
08:49:47 am

**Maite** I usually choose a Yates and an Izaguirre.

07-13-2022  
08:50:05 am

**BusterSci** As things get exciting it's walkies time.

07-13-2022  
08:50:41 am

**BIKERABE** LaTOUR NOW 5 POINTS behind Simon G

07-13-2022  
08:51:46 am

**Charlie in Tenn** Rog, LaPorte, Vinge, Pog, thomas

07-13-2022  
08:53:21 am

**Tim in KY** Too soon for that.

07-13-2022  
08:57:10 am

**Charlie in Tenn** LaPorte is gone. Vinge attacks. Pog hangs on. Now Roglic goes.

07-13-2022  
08:58:22 am

**Tim in KY** This is "interesting".

07-13-2022  
09:08:10 am

**BIKERABE** Barguil in front

07-13-2022  
09:17:04 am

**Charlie in Tenn** That was a fun 30 min.

07-13-2022  
09:17:39 am

**Charlie in Tenn** 4 Jumbos and POG, Gee, Bardet, Quintana

07-13-2022  
09:25:55 am

**Charlie in Tenn** With Van Aert still up the road.

07-13-2022  
09:26:25 am

**John** JV just popped their own guy

07-13-2022  
09:26:34 am

**John** Pog, Vinge, GT, Bardet

07-13-2022  
09:28:27 am

**Maite** There's Yates!

07-13-2022  
09:29:19 am

**Tim in KY** I had to step away and now I'm confused.

07-13-2022  
09:35:44 am

**Charlie in Tenn** Go Bardet

07-13-2022  
09:36:50 am

**John** Thomas pops

07-13-2022  
09:38:15 am

**Tim in KY** JV's plan appears not to have worked out well.

07-13-2022  
09:40:20 am

**Tim in KY** 30 km of descent now. Probably some regrouping.

07-13-2022  
09:41:53 am

**Tim in KY** Thomas dropped because he's on my VG team.

07-13-2022  
09:43:27 am

**Charlie in Tenn** Tim you are killing me.

07-13-2022  
09:44:19 am

**Tim in KY** Actually Thomas isn't dropped. He's up with Pog.

07-13-2022  
09:45:45 am

**John** Tim's team lives!

07-13-2022  
09:46:31 am

**Tim in KY** Hobbles, more like.

07-13-2022  
09:47:17 am

**RCG** Tim, you're cracking me up today.

07-13-2022  
09:58:08 am

**RCG** I decided to try the stage hunter thing. I replaced Vermarke who

07-13-2022  
09:59:12 am

abandoned, and and underperforming rider. The latter was, of course. Barguil.

**BIKERABE** 20 km to go

07-13-2022  
10:01:04 am

**RCG** On the other hand, I picked up Geschke.

07-13-2022  
10:01:09 am

**Maite** Interesting changes.

07-13-2022  
10:01:27 am

**John** How does that stage hunter thing work? I couldn't grasp it on my first read

07-13-2022  
10:02:39 am

**Tim in KY** Last climb starts with about 12 km to go.

07-13-2022  
10:04:15 am

**John** Nice job by WvA dragging everyone back together

07-13-2022  
10:06:34 am

**Tim in KY** 15 km banner for Barguil.

07-13-2022  
10:07:31 am

**Tim in KY** 16 riders in the Yellow/Green group.

07-13-2022  
10:08:44 am

**RCG** John you replace abandoned /poorly performing riders within rider category/point constraints; they get daily finish points but not GC points or anything, as sort of a "competition within a competition" thing. Not sure I fully understand it, but am giving it a whirl.

07-13-2022  
10:11:19 am

**BIKERABE** 12 km to go going to end quickly

07-13-2022  
10:11:37 am

**John** Thanks RCG

07-13-2022  
10:12:03 am

**Tim in KY** Here we go...

07-13-2022  
10:12:33 am

**RCG** Warren's looking a bit tired, compared to that JV gang behind

07-13-2022  
10:13:01 am

**John** 5 JVs against Pog, and Iâ€™m taking Pog

07-13-2022  
10:13:22 am

**RCG** Buses parked at the bottom

07-13-2022  
10:13:58 am

**Charlie in Tenn** POG ready to play

07-13-2022  
10:14:33 am

**RCG** WVA is just a beast

07-13-2022  
10:14:45 am

**Alaska Dave** Good morning. Fast stage. 9 degrees C and steady rain here. The heat wave is over.

07-13-2022  
10:15:12 am

**BusterSci** Barguil has no hips

07-13-2022  
10:15:20 am

**RCG** Dave- we finally got a bunch of rain last night. You could almost hear the parched ground slurping it up. Weâ€™ll be in the low 90s for the rest of the week.

07-13-2022  
10:16:27 am

**BusterSci** Wout out

07-13-2022  
10:16:29 am

**Alaska Dave** 4 JV take over.

07-13-2022  
10:16:46 am

**BusterSci** 3

07-13-2022  
10:17:44 am

**BusterSci** 2 with a Kuss at the back

07-13-2022  
10:17:57 am

**BusterSci** That faded fast.

07-13-2022  
10:18:03 am

**Alaska Dave** Majka breaking legs.

07-13-2022  
10:18:07 am

**BusterSci** Nairo!

07-13-2022  
10:18:33 am

**SFinAus** Did !!!

07-13-2022  
10:18:49 am

**Alaska Dave** Did I

07-13-2022  
10:18:49 am

**BusterSci** You did!

07-13-2022  
10:18:56 am

**Tim in KY** Didi.

07-13-2022  
10:19:07 am

**Tim in KY** I don't have autocorrect.

07-13-2022  
10:19:18 am

**BIKERABE** 10 km for yellow

07-13-2022  
10:19:43 am

**John** Go Nairo

07-13-2022  
10:20:28 am

**RCG** The physique of pro cyclists is certainly weird. Â Massive thighs, big glutes and calves, skinny chests and arms, pretty much all depilated so you see every rib when they unzip. Â I donâ€™t know how they can find pants they can wear (huge thighs, skinny waist).

07-13-2022  
10:20:47 am

**SFinAus** I did what I dew Â slow mane thymes

07-13-2022  
10:20:49 am

**Alaska Dave** JV burned matches on Roglic without any fire lit.

07-13-2022  
10:22:32 am

**RCG** Stupid lady not paying attention almost doesnâ€™t get out of Nairoâ€™s way in time.

07-13-2022  
10:24:49 am

**Tim in KY** JVs all gone except Vineyard.

07-13-2022  
10:26:01 am

**Tim in KY** Latour totally cooked.

07-13-2022  
10:27:17 am

**Alaska Dave** If Vinegar holds wheel. Do they regroup for tomorrow?

07-13-2022  
10:27:40 am

**BusterSci** Is it just me or do you think a pro cycling team could get an earpiece that didn't need 4 feet of wire bundled up and cable tied under a rider's jersey.

07-13-2022  
10:27:43 am

**Alaska Dave** A Fairbanks cyclist patented wire that could remain flexible and conduct electricity from the battery inside his jacket to his lights at -40. Youâ€™d think it could be done.

07-13-2022  
10:30:27 am

**RCG** Bluetooth would be nice, but probably too much interference with other Bluetooths

07-13-2022  
10:30:34 am

**Tim in KY** Quintana only has 20 seconds on Yellow group.

07-13-2022  
10:30:55 am

**Alaska Dave** LaTour in full bobble head mode v

07-13-2022  
10:31:11 am

**Charlie in Tenn** I think Jumbo has to do this again tomorrow. Attack, attack, attack. Maybe not so much WvA pulling everyone back.

07-13-2022  
10:31:11 am

**Tim in KY** Yeah that would too much Bluetooth per cubic meter.

07-13-2022  
10:31:40 am

**BIKERABE** 6 km

07-13-2022  
10:31:44 am

**Tim in KY** Now Quintana doing better that yellow group.

07-13-2022  
10:32:22 am

**BusterSci** I don't know. Think how much bluetooth is in an office building, with every mouse and keyboard and then personal devices.

07-13-2022  
10:33:00 am

**John** Barguil almost stops

07-13-2022  
10:33:21 am

**RCG** Pop

07-13-2022  
10:33:30 am

**Tim in KY** Poor Warren.

07-13-2022  
10:34:03 am

**BusterSci** Gaps aren't changing much though.

07-13-2022  
10:34:20 am

**John** Bardet goes

07-13-2022  
10:34:33 am

**RCG** Nairo, on the other hand, looks pretty comfortable.

07-13-2022  
10:34:40 am

**BIKERABE** Bardet goes

07-13-2022  
10:34:52 am

**RCG** Andâ€” Bardet surges ahead

07-13-2022  
10:35:06 am

**Tim in KY** Yates is struggling in the back.

07-13-2022  
10:35:10 am

**BIKERABE** 5 km Warren

07-13-2022  
10:35:22 am

**BusterSci** I think of the guys there, I want Bardet most, Nairo second.

07-13-2022  
10:35:25 am

**Alaska Dave** Down goes a fan

07-13-2022  
10:35:49 am

**RCG** Me too, Buster.

07-13-2022  
10:36:15 am

**RCG** Barguil looks like heâ€™s riding a fixie

07-13-2022  
10:36:47 am

**BusterSci** Still two innies.

07-13-2022  
10:36:50 am

**Tim in KY** At least it's cloudy.

07-13-2022  
10:36:57 am

**RCG** Now Vingo goes

07-13-2022  
10:37:06 am

**Tim in KY** Vinegar goes.

07-13-2022

07-13-2022  
10:37:44 am

**RCG** Nairo catching his teammate

07-13-2022  
10:37:45 am

**Alaska Dave** Pog canâ€™t respond.

07-13-2022  
10:37:55 am

**RCG** Vingo passes Bardet

07-13-2022  
10:38:04 am

**John** Nairo in the front

07-13-2022  
10:38:35 am

**BusterSci** Nairo needs water

07-13-2022  
10:38:57 am

**Tim in KY** Feed shut at 5 km to go.

07-13-2022  
10:39:19 am

**BusterSci** Yeah. He's asked the car and he was asking Barguil.

07-13-2022  
10:39:34 am

**BusterSci** C'mon G

07-13-2022

10:43:15 am

10:46:26 am
-

**SFinAus** Well, I had this entered on my calendar a "big day in the Alps". Unlike my VG team I got that right.

07-13-2022

07-13-2022  
11:06:32 am

**Toulouse** We just adopted a dog named Bear. So far he's chased foxes and deer -- we haven't had to test Bear on bear.
